

Chapter 4301

In Dawson's view, it does not matter if you are misunderstood,

As long as you can completely lift the misunderstanding as soon as possible, you can often get better results instead.

If you don't believe, look at the world's love movies,

The main man and woman came up to have a prejudice against each other,

After breaking stereotypes, often in order to love with a vengeance.

This is how human nature is.

Therefore, Dawson feels that this is a good opportunity for crisis public relations instead.

As long as they seize this opportunity and give Adam the persona of a great father,

They can not only let Adam turn the tide against the wind,

But also bring the Fei family a better mass base.

At this time, his younger brother Nelson spoke up,

"Big brother, it's a bit deliberate to have reporters come to the house directly,"

"Even if the kidnapers are not enraged, the public will think we are deliberately selling out."

Dawson asked rhetorically, "Then what do you think should be done?"

Nelson hastened to offer advice:

"Brother, in my opinion, we might as well use that video method,"

"First through the hands of a third party to release the news of the kidnapping of Randal,"

"Adam goes to save Randal, and then in the dark to push the wave,"

"Let the news ferment, then the media will certainly take the initiative to find us,"

"Then we will be smooth to accept the interview, the truth of the matter completely stays in public."

Dawson nodded repeatedly: "Good idea! This way, it looks more natural!"

When Adam heard this, he hurriedly said, "Dad! There were a lot of people watching at the scene,"

"And a few of them took out their cell phones to take video,"

"They must have captured the whole process of the video,"

"Especially the process of taking out Randal's ear from the box,"

"If that video is put on the Internet, this matter will be done!"

Dawson immediately said, "Order down, offer a reward of 100,000 dollars to find the video shooter,"

“And then post these videos on the Internet!”

“Yes!” Adam said, “I’ll go arrange it now!”

After saying that, he remembered something and asked,

“Dad, I’ve got that woman under control, should we interrogate her?”

“Let it go, there’s no point.” Dawson waved his hand:

“That woman is clearly a pawn, it is impossible to get anything even if she is killed.”

Adam nodded: “Okay dad, I’ll give the order.”

Just as Adam was about to follow what Dawson said,

To look for the passerby who had taken the video at the scene,

His phone suddenly received a text message from an unfamiliar number.

The text message read, “If you want your son to live, within the next 48 hours,”

“Prepare \$200 billion in crypto digital currency, otherwise, wait to receive a corpse!”

Adam’s heart stuttered and said offhandedly,

“Dad These people said They want 200 billion dollars before they will let them go”

“How much?!” Dawson’s eyebrows wrinkled, cold voice questioned:

“Two hundred billion? Are these people out of their minds?!”

“What kind of fcuking kidnapers dare ask for two hundred billion dollars?!”

Adam was also shocked, what is the concept of two hundred billion dollars?

According to the current share price, it can buy two large business Groups!

Nelson, who was also dumbfounded, couldn’t help but mutter:

“This is no fcuking sincerity at all If he asks for a little less,”

“A billion or two billion dollars, they have some brains,”

“The moment they ask for 200 billion, this fcuking bargain do not know how to return”

Dawson said in a cold voice: “Tell them that as long as they release Randal,”

“I am willing to pay them two billion dollars worth of cryptocurrency!”

Adam immediately called the other party back, but without exception, the phone number was also turned off.

Dawson said in a cold voice: “These ba5tards, they don’t even give a chance to bargain!”

“Do they really think that they can extort 200 billion dollars by kidnapping someone from the Fei family?”

Adam asked him, “Dad What should we do now? The other side only gave us 48 hours”

Dawson said with a gloomy face, “Be calm! Since the other side gave 48 hours, then we do not care about him,”

“These 48 hours, what we have to do on the one hand is to reverse public opinion,”

“On the other hand is to think of every way to find these ninjas!”

“If we can’t, we’ll send someone to Japan and arrest all their relatives,”

“And if they dare to kill Randal, I’ll kill their whole family!”

.....

Chapter 4302

Soon after, the Fei family began their own crisis PR.

They sent a large number of people to search for witnesses near the incident in Brooklyn,

Followed by a promise of \$100,000 in cash to buy the video that captured what happened at the time of the incident.

In addition, the Fei family also promised to use cash transactions for all those who provided video,

Without recording any personal information, so as to make passersby dispel their doubts.

Needless to say, this approach of theirs was very effective.

Soon, the news spread in Brooklyn, those who captured what happened,

All ran over to sell the video to the Fei family.

In twenty minutes of time, the Fei family bought eight different perspectives on the incident video.

However, some of them started filming from Adam kissing the prostitute,

While others, from Adam finding two ears.

It is the earlier versions that the Fei family wants.

Because they want to take this opportunity to sell their misery in front of the media and the audience.

It’s just that the family never dreamed that four of these eight passers-by,

Who sold them the video were members of the Cataclysmic Front.

Hogan had predicted that the Fei family would definitely find a way to reverse their reputation,

And would definitely use the opportunity to sell misery,

So this is step by step, all within his calculation.

The reason why these members of the Cataclysmic Front,
Disguised as passers-by in the vicinity to take videos,
Is to provide the Fei family with the shields and ammunition needed for defense.
Even, even the one who exposed Adam's passionate kiss with a prostitute,
On the street at the beginning was also someone from the Cataclysmic Front.
Dawson never dreamed that the people who attacked them,
As well as the people who provided them with defense support, were actually Charlie's people.
The powerful Fei family, at this moment, is like a rat pressed by Charlie in the maze,
Seemingly running out of every step, but they do not know that how they run,
Where they run, there is a pair of big invisible hands in precise control.
And just as the Fei family was looking for the video,
Jesse, who was hiding in the Fei family, also saw the video of Adam kissing the girl standing on the street
on the internet.
This made his heart very surprised, according to reason,
Randal disappeared, should Adam not try to find the whereabouts of Randal?
How would he have the leisure to go to the streets of Brooklyn,
And is spending twenty dollars a time to kiss the street girl?
Jesse could not figure it out, so he muttered secretly:
"Maybe Randal's father also has his own more unique alternative fetish"
Saying that he felt a twitch in his stomach.
It was already the latter part of the night,
And he hadn't eaten a hot meal all night.
This was also mainly because on weekdays,
His meals were brought over by a maid who specialized in serving Randal.
The maid also knew that he was a good friend of the young master,
So she paid extra attention to him, and came every day at mealtime to deliver food,
Give food and clean up, and even two days ago,
She even half-heartedly had sex with him and served him very comfortably.
However, the Fei family suddenly had a change of heart,

As if everyone was busy all of a sudden, the maid also did not appear for a whole night.

Jesse also does not know whether she forgot him or was too busy to care.

Just when he was hungry, a footstep came, followed by a knock on the door,

And outside the door, the maid asked softly, "Are you asleep, Young Master Qiao?"

Jesse hurriedly rolled over and got up, quickly opened the door,

Saw that the woman did not bring the huge meal box as she did previously,

This time she just carried a plastic bag, he then hurriedly pulled her into the room,

Asked in a low voice: "What is the situation outside now?"

"Is there any news from Young Master Fei?"

The maid explained with some apprehension, "Young Master Randal has not yet been found,"

"The young master just went to Brooklyn and brought back two human ears"

"It is said" It is said to be Young Master Randal's"

Chapter 4303

Jesse suddenly widened his eyes and asked in horror, "What did you say?!"

He really didn't expect that in this world, someone would dare to cut Randal's ear.

This kind of thing, cutting off the ear, may not appear once in a lifetime among big families.

Because this method is really a bit too rough, no matter which big family,

Once a family member has his ear cut, his family will definitely fight with the other party at all costs.

He couldn't help but mutter in his heart:

"If it was really those ninjas who did it, they certainly wouldn't have had the guts to do it"

"After all, the strength of the Fei family is too obvious for them,"

"Though the United States and Japan are separated by 10,000 miles,"

"But once the Fei family really seeks the death,"

"The entire Iga ninja comes together, they are not enough for the Fei family."

Thinking about this, he couldn't help but think:

"Could it be that the real culprits behind the scenes are not those ninjas?"

"But if not those ninjas, who else could it be?"

"The young master of the Fei family is not even in the eyes,"

"So I'm afraid the strength of this mysterious person is elusive"

Jesse's eyes suddenly glazed over, subconsciously asking himself in his mind:

"Could it be the murderer of Alan?"

At this moment, Jesse's scared body trembled violently,

The whole person also showed a moment of tension with some trance.

He knew very well that if the person behind the kidnapping of Randal,

Was really the mysterious person who killed his brother Alan,

And made the entire Italian gang vanish into thin air,

Then his next target would definitely be himself

The maid on the side saw Jesse's face full of panic, as his body was trembling uncontrollably,

She hurriedly asked: "Young Master Qiao You What happened to you?"

Jesse came back to his senses, and quickly waved his hands and said,

"Nothing nothing I just I didn't expect"

"I didn't expect someone to dare to do this to Young Master Fei"

"Yes" The maid also couldn't help but sigh, "I heard that the master is going crazy"

Jesse hurriedly asked, "What else have you heard?"

The maid thought for a moment: "The rest seems to be nothing"

"I heard that after the young master was kidnapped, the housekeeper let us all go to serve the ladies of the family,"

"Afraid that who can not stand the stimulation of something happened,"

"The great grandmother saw the ears of young master Randal, she got stunned on the spot,"

"I have been following the waiter, just someone got the shift, I rushed to bring you food."

Said, she hurriedly handed the plastic bag in her hand to Jesse,

A bit shy, and somewhat ashamed said, "Sorry young master Qiao, the situation is urgent,"

"I had no time to go to the kitchen to cook for you, so I brought some convenient food over"

Jesse smiled slightly, nodded, and said, "Thank you"

The maid said shyly, "Young Master Qiao, you don't have to be polite with me"

"Anyway I'm already your person anyway"

Jesse nodded, deliberately pretended to be stupid, and smiled, but in his heart, he was cursing:

“Damn, goods that can not be on stage, and still fcuking want to pretend to be pure and close, what the h3ll.”

However, he did not have any abnormality on the surface,

Instead, he said very gently: “Edna, keep an eye on it for me,”

“If there is anything found there, remember to tell me first.”

With that, he took off his Richard Miller watch worth more than three million dollars and handed it to the maid,

Saying seriously, “Edna, I came to New York in a hurry and have nothing to give you,”

“So take this watch as a small gift from me.”

The maid had been working in the Fei family for five years,

And although she didn’t have much money, she was definitely knowledgeable.

She knew that Richard Miller was a very expensive watch brand,

And a basic watch would cost several hundred thousand dollars to start with,

And the piece Jesse was wearing was a limited edition, priced at least two or three million dollars.

Seeing that Jesse was going to give this watch to her,

She was surprised and delighted and wanted to reach out to receive it,

But then said with a nervous face: “Young Master Qiao This”

“This is too expensive I can’t accept it”

Jesse said very seriously, “Edna, you just said, you are now my person,”

“I do not give gifts to my own woman, how can I be not stingy?”

Chapter 4304

Once the maid heard this, her heart was instantly sweet to the core and she said happily,

“Then Then, thank you young master Qiao”

Jesse laughed: “No need to be so polite with me.”

Saying that, he added: “When this matter is over and young master Fei comes back safely,”

“I will tell him that from now on you should stop working in the Fei family and are coming to Seattle with me.”

The maid was surprised and asked, “Young Master Qiao Are you serious?!”

“Of course!” Jesse touched her face and said tenderly,

“You are the woman I like, I can’t let the woman I like, work as a maid in someone else’s house,”

“You are destined to be the daughter-in-law, let others serve you and take care of you,”

“How can I let you take care of others?”

These words of love from Jesse, the domineering president,

Made the maid immediately fall deep into it, and her whole being seemed to fall into the sea of Mary Sue.

She felt like she was the happiest Cinderella in the world, finally waiting for her Prince Charming.

The dream of a luxurious family, which had been cultivated in various TV dramas

And literature since childhood was instantly and infinitely activated by Jesse,

Making her whole person incomparably excited.

So she choked up, while sobbing, said: “Qiao Young Master Qiao”

“You Do you really not mind me?”

“I do not mind! Of course, I don’t mind!”

Jesse took her hand and stroked it while smiling,

“Don’t think too much now, wait for Young Master Fei to come back without worrying,”

“I will mention it to him then, and I believe he will definitely not refuse.”

“Okay” The maid nodded her head like a garlic,

Her heart was already excited to the point of no additional.

At this time, Jesse seems to suddenly remember something, and hurriedly spoke:

“Right Edna, I am really worried about young master Fei,”

“If something happens to him, I am afraid it will also affect the happiness of the two of us,”

“So during this period of time, if you have the opportunity to approach the Fei family,”

“You must be sure to help me pay attention to whether they have mentioned the ninja,”

“If so, and if there is a good opportunity,”

“You have to use your intelligence to create opportunities, understand?”

In addition to the mysterious person who killed his brother, he is most worried about is the ninja.

If this matter is really done by ninjas, he will really be finished.

Because those ninjas are hired by him, once the Fei family investigates this layer,

They can’t even jump into the yellow river.

The reason why he hired those ninjas was to help their grandson kidnap a popular actress,

So that he could fulfill the sadistic desire to kill an actress?

If he really says that, Dawson, believe it or not, will directly kill him!

The maid's brain was already imagining her grand wedding with Jesse,

And when she heard Jesse say that, she realized that her lifelong happiness now rested on Randal alone,

So she said without thinking: "Young Master Qiao, don't worry, I'll definitely keep an eye on it!"

Jesse nodded in satisfaction and added,

"Remember, you must not tell anyone about what I told you, including your closest people."

The maid couldn't help but ask, "Young Master Qiao, can I tell my parents about the two of us?"

"They have always been concerned about my lifelong matter,"

"And if they know that I am with you, they will be very relieved"

"Never!" Jesse, hurriedly said, "Once this matter is spread out in advance, it will definitely be known by others!"

Said, he also hurriedly comforted: "Edna, you must remember, I want to take you to Seattle,"

"I want you to live with me, but you know, you are now with the identity of the maid,"

"If the word gets out, we both will be under great pressure;"

"So, my plan is to ask Young Master Fei to help me when the time comes,"

"So that he can erase all your history and file of having worked as a servant in the Fei family,"

"And then I will give you a new identity, and then get you a degree from a famous university,"

"And package you as a lady from a bookish family!"

"This way, in the future, if you follow me in and out of high society,"

"No one will look at you with tinted glasses!"

"However, if this matter is leaked in advance when the time comes,"

"In case others expose your identity of having been a servant,"

"I am afraid that my parents will not agree to the two of us, and you will also face great pressure."

"So, before young master Fei returns safely,"

"This matter must be kept secret, and must not let anyone other than you and me know about it, do you understand?"

Chapter 4305

The maid, at this point, had long been lame by Jesse's series of flowery words.

Hearing Jesse say that he would also package a brand new identity background for her,
This instantly poked at the sensitive place in her heart that had always been humble and fragile.
This made her heart simply grateful to him,
Feeling that this person is the angel who will take her out from the abyss into heaven.
So, she did not have the slightest doubt about what Jesse said.
With gratitude, she agreed to do so.
Now Jesse was temporarily relieved.
He knew that he was in an awkward position, and staying in the Fei family was only temporarily safe,
But it was still a crisis, so he had to prepare in advance.
So, he put his arm around the maid and continued to compel her,
“One more thing Edna, if you hear my name mentioned in the Fei family,”
“You must tell me first, and later you leave my cell phone number.”
The maid had been completely brainwashed by him at this point.
Without hesitation, she nodded her head and said firmly,
“Don’t worry, Young Master Qiao, I will definitely keep a good eye on it.”
“Good” Jesse nodded his head. Exchanged cell phone numbers with the maid,
Then instructed, “Then hurry over and see if you can find out anything.”
The maid said shyly: “Young Master Qiao people people just handed over their shifts,”
“There is nothing going on at the moment or... ..how about I stay with you for a while, okay?”
Jesse is like a human being and can see what this maid means.
However, now how can he still has that leisure heart to think about those men and women’s affairs.
So he suppressed his impatience and said,
“It’s urgent, let’s get down to business first,”
“In case there’s anything wrong with this, we may not have a chance to get together.”
Once the maid heard this, her heart shook and she nodded:
“Okay, Young Master Qiao, then I’ll go over there and see if there’s anything I can do to help!”
Jesse nodded in satisfaction and said,
“Go quickly, don’t forget to tell me first when you have news!”
“Okay” the maid promised. Only then did she leave Jesse’s room with reluctance.

After she left, Jesse cursed this woman for not having any self-awareness,
And at the same time, he felt pain for his limited edition Richard Mille watch.

Do not look at the Qiao family is already worth hundreds of billions.

In order to earn this money, he does not know how many young women he had to kill.

So, how could he be willing to waste a watch of several million dollars on such a woman.

However. He quickly thought of an idea, can't help but think:

"If this matter can pass peacefully, then before I leave the Fei family."

"I simply will trick her out, let people take her away,"

"After taking the watch back then sell her, with her beauty, although not good for auction."

"But can sell her for a hundred thousand dollars very easily to those lowly gangs who would be able to earn this money back!"

Thinking of this, his heart finally felt a lot better.

Now he thinks, this piece of watch is not going to get away.

.....

At the same time, several videos suddenly caught fire on the Internet.

Different from the previous ones.

These videos, captured the follow-up of Adam kissing a prostitute passionately.

When people saw him get two human ears from the prostitute's hand, everyone thought they were blinded.

And when they saw Adam holding the two human ears, bawling and crying,

And calling out his son Randal's name under his breath, everyone was stunned and dumbfounded!

Just then, a number of hidden forces in the comments began to guide public opinion.

Chapter 4306

They took the identity of those who were in the know.

Telling all netizens that Adam was not really looking for a woman on the street,

But the real reason is that his beloved son Randal was kidnapped!

The bandits brutally cut off his son's two ears and gave them to this prostitute.

And Adam's passionate kiss with the prostitute was just a prank of the bandits.

As for Adam, he not only has to bear the pain of his son being kidnapped and hurt,

But even have to bear the unknown netizens those crazy like internet violence.

At this moment, people realized. It turns out that they had completely misunderstood Adam before!

Before, the video of him kissing a prostitute on the street made...

Countless people's senses extremely disgusted with him,

And the Internet was clear of accusations and abuse against him.

But now, everyone realizes.

It turns out that Adam is a great father who deserves everyone's respect and admiration.

Every person who had scolded him felt incomparable remorse and guilt in their hearts for their previous remarks.

In an instant, countless people began to support solidarity with Adam,

And even many people in the comments area apologized for their previous wrong statements,

The tone of voice and attitude are extremely sincere!

The Fei family's previous public opinion crisis was instantly resolved,

Not only eliminating all the negative effects.

It even allowed the Fei family to gain a large number of people's support.

Seeing the overwhelming apologies, sympathy, and praise on the internet,

Adam's mood instantly got a lot better and he couldn't help but say to Dawson full of excitement,

"Dad, your solution is really wonderful, it's simply saving the day and fighting back in the end"

Dawson saw that the situation was completely controlled by himself easily.

Finally relieved at the same time, but also can not help but feel some complacency.

He stroked his beard and spoke: "Now we have two most important things at hand."

"One is to find out the true identity of the Japanese ninja as soon as possible,"

"The other, is to strike while the iron is hot."

"Maximize the role of the media, the interview should be interviewed, it is not possible to hold a press conference."

Second brother Nelson hurriedly said,

"Big brother, the people who are meant to be sent to Japan are already ready,"

"And will immediately rush to the airport, and will arrive in Japan in thirteen hours."

Dawson frowned and smacked his lips, "Tsk speed is still too slow ah"

“No way.” Nelson said helplessly, “We started late and did not grab a Concord when it was available,”

“Currently there is no supersonic airliner available on the market.”

Dawson opened his mouth and said, “Find out which families bought them at that time,”

“And find a way to buy one back regardless of cost, it will definitely be used in the future.”

“Okay!” Nelson nodded and said,

“I will have someone investigate the Concorde registered worldwide today and try to buy one.”

At this time, the butler of the Fei family walked in and said to Dawson,

“Master, the CEOs of CNN and the New York Times called and wanted to do an interview with the youngest master,”

“I don’t know if it’s convenient for you, what do you think?”

“Good thing!” Dawson said without thinking, “Let them come over,”

“It’s just that Adam can also send a message to the kidnapers in front of the media,”

“That the Fei family is ready to take two billion dollars for the ransom,”

“As soon as they have considered it, they will contact you.”

Adam hurriedly nodded his head and said, “Okay dad, I know!”

At midnight, a team of reporters from CNN and the New York Times arrived at the Fei family estate.

Overnight to conduct an interview with Adam.

In the interview, Adam detailed the whole story, followed by media praise of his son Randal.

Chapter 4307

Adam said with emotion: “Randal is not very old, but has been very mature and low-key.”

“And he is honest, modest and kind, and is considered a very outstanding young talent.”

“You may not know that Randal was hosting a charity dinner initiated,”

“And organized by himself a second before he was kidnapped, and because of his low profile,”

“This charity dinner, he did not open it to the outside world, and to our surprise,”

“It was this charity dinner that gave the kidnapers the opportunity to take advantage of it,”

“And just a few minutes before he was ready to go on stage to give a speech, he was kidnapped.”

The reporter couldn’t resist asking, “Excuse me. What was the charity dinner that your son initiated about?”

“It’s about rescuing orphans.”

Adam explained, "Randal is not very old and has always been concerned about the growth and education of orphans,"

"So he put out tens of millions of dollars."

"And in cooperation with the New York Chinese Chamber of Commerce,"

"He intended to set up a charity foundation to specifically aid orphans."

When the reporters heard that Randal was ready to put out tens of millions of dollars for charity, One by one, they also admired him.

At this time, Adam pleaded very emotionally in the interview,

"If the people who kidnapped Randal, can see this interview,"

"I, as a father, beg you not to continue to hurt him, your asking of \$200 billion ransom is indeed too unrealistic,"

"But the Fei family is willing to put out \$2 billion ransom,"

"Only to ask you to let him come home safely,"

"He is still young, the future is still a long way,"

"Let him come home, he still has to do a lot for this society!"

This interview, which was quickly sent by two media outlets overnight to TV media as well as online platforms,

Instantly ignited the entire public opinion.

When everyone saw Adam's choked and painful statement in the interview,

Everyone sympathized with this middle-aged man,

And when they heard that Randal is such an outstanding young talent,

Their sympathy for Randal immediately flooded up.

The netizens spontaneously started a solidarity campaign for Randal on the Internet,

And more than hundreds of thousands of enthusiastic netizens even went to the White House to petition.

The White House was asked to step in and rescue Randal.

This instantly stirred up the matter to the sky.

In the New York Police Department, Duncan was worried after reading the media reports.

Now. The whole world knows that Randal was kidnapped in New York and had his two ears cut off,

But the delay in finding the kidnapers has increased the pressure on the entire NYPD.

Duncan, as a well-known police detective, is even more anxious as ants on a hot pot.

Unfortunately. The scene really did not leave any valuable clues,

So far, all the police officers poured out to find the latter part of the night,

But they could not find where the junk car went.

The car can not be found. Trying to find people will be even more difficult.

When he was at a loss, a phone call came.

When he saw the words on the phone screen, he hesitated for a moment,

But picked up the phone and said with a sarcastic smile,

“What, you just saw the media report and you can’t help but come to troll me?”

On the phone, a man said with a smile, “If you, a sleuth, accidentally fell on your face.”

“I will definitely be the first to troll you,”

“But you are now on the edge of the cliff, how can you fall on the well at this time?”

The person who spoke was the first uncle, Marshal An,

Who was instructed and expelled from Rejuvenation Pill auction the other day.

Chapter 4308

At this moment, Marshal added: “You should still be at the police station now, right?”

“In.” Duncan laughed at himself, “After such a big incident,”

“I’m afraid I’ll have to live in the police station for the next few days.”

Marshal smiled faintly said: “It seems I guessed right, I’m downstairs now, if it’s convenient for you, I’ll come up now.”

Duncan’s expression was surprised. He wanted to ask something,

But held back and busily said, “I’ll have someone pick you up!”

“Okay.”

Soon, Marshal, who was wearing a duck-tongue cap and a black mask on his face. Led by a police officer, came up.

He carried two kraft paper shopping bags and came directly to Duncan’s office.

As soon as Duncan saw him, he was surprised and asked,

“Marshal An, why did you come to New York?”

“Didn’t we hear that you went to China some time ago?”

“Yes.” Marshal nodded and laughed bitterly, “I went to China,”

“But I ran into a lot of dust, so I came back in disgrace.”

Duncan asked curiously, “What happened? There are still people who can make you meet the wall?”

“Don’t mention it.” Marshal said helplessly:

“This matter is really a child without a mother, it’s a long story.”

After that, he put two kraft paper bags on the table, and asked,

“You are now considered off duty, right? I brought some food from Chinatown,”

“And a bottle of your favorite Xifeng wine, if you can drink, let’s have a few drinks.”

Duncan laughed and said, “I’m already fcuking off duty.”

“I don’t dare to go home because I’m afraid that the melon goon media will block me.”

Saying that, he hurriedly took out the bottle of Xifeng wine from the bag, exclaiming,

“Holy 5hit, this wine must have been stored for decades, right?”

Marshal nodded: “It’s said to be from the early days of the founding of the country.”

Duncan sighed: “If my old man were still alive, he would be overjoyed to see this wine!”

Duncan’s ancestors were from the northwest and during the Republic of China,

He was already a very famous and wealthy businessman in the northwest,

And later, when World War II started, the family fled to the United States from the country.

After many hardships, they put down roots in the United States.

And Duncan and Marshal are of similar age, both in the fifties,

They are also born and raised in the United States,

Although not grown up in the Northwest, but because of the influence of their fathers,

Many habits are consistent with the Northwest people.

Duncan’s grandfather and father, all love Xifeng wine, to his generation is also the same.

Marshal at this time from the kraft paper bag, took out some packaged cold dishes,

There are pork head and other marinated items, also some crisp cold vegetables, peanuts, and other things.

He opened the things one by one and set them up while sighing:

“Oh, that particularly good Cantonese style roast goose in Chinatown is not open today.”

“Otherwise, I would have bought an extra roast goose to eat.”

Duncan said, "What's so good about that stuff, it's sweet and cloying, might as well just bake it and eat it."

Marshal laughed: "That Cantonese style, roast on the blast furnace and then slice into meat for you to eat like rolled cake, does it not become a normal roast duck?"

Saying that Marshal handed him a pair of chopsticks,

And Duncan found two disposable water cups. Two glasses of wine were poured.

Duncan picked up the cups and said impatiently, "Come on, let's go for one!"

Marshal nodded, and the two paper cups symbolically clinked. Then each took a sip.

Then, Marshal put down his cup and asked: "You and I have been brothers for many years,"

"Is there anything that I need to help you with at the moment?"

"Although the An family's focus has shifted to the West Coast in the past few years."

"But New York is after all our old base,"

"There are still a lot of people here, I should be able to help you a bit"

Duncan smiled and spoke: "Thank you for your kind words, but I feel that the matter at hand,"

"Not a lot of people can solve, the clues all of a sudden broken too completely,"

"As if a knife in the void directly cut off,"

"It looks like there is a very large and professional team behind the control,"

"If I can not find the breakthrough point of this team, then the case may never be solved."

Marshal nodded and sighed, "I really didn't expect that someone could kidnap the Fei family in New York and still leave,"

"You, a Chinese detective, at a loss, could it be that some big shot came from New York?"

Chapter 4309

Hearing Marshal's judgment, Duncan smiled wryly:

"I think the same as you, in New York, there are not many people who can move the Fei family."

"When Routhschild and you settle down, at most four or five families have this ability,"

"But this time, the way these people play is not the same as any of yours."

"Indeed," Marshal said in agreement:

"This kind of gameplay is not something that a few big families can do. It's very wild and large scale."

"You think so too?" Duncan sighed: "I once thought that it might be a new Gang,"

"Generally new gangs have to do some earth-shattering things if they want to be successful,"

“But if you think about it carefully, it seems that something is not right.”

“If any gang plays like this, it is basically a dead end. No gang can follow the Fei family.”

Marshal said in agreement: “And I can be sure that these people are not doing it for money,”

“If it is for money, they will not demand such exaggerated conditions as a ransom of 200 billion US dollars,”

“Which is basically equivalent to the It is as unrealistic.”

Duncan nodded: “It’s not for money, it’s even more bizarre.”

After speaking, he asked Marshal, “Marshal, have you watched those few videos that are hot on the Internet?”

Marshal nodded: “I saw it all.”

Duncan frowned: “I don’t know why, I feel that there is a bit of evil in it!”

“It’s so evil! The two videos are one after the other.”

“On the surface, they first suppressed the Fei family from public opinion,”

“But in the end, the Fei family seized the opportunity to win back some zone

“But in fact, it gives me the feeling that someone is deliberately manipulating all of this,”

“Just to give the Fei family such a chance to move forward...”

Marshal said: “I called you just to remind you of this, and I also think this is very strange!”

“From the video, it seems that the other party is just playing vulgarly and intimidating Adam,”

“And the tactics are also very strange. It was rough, but everything that happened later gave me a feeling,”

“As if this matter was not as rough as it looked on the surface!”

“Not only was it not rough, but it was accurate to the extreme!”

“It was so accurate that he could predict Fei’s family move in advance.”

“Every step of the way, deliberately using this method to lure the Fei family to the public.”

Duncan patted his thigh and blurted out: “Yes! That’s it!”

“They are fishing! They want to catch the entire Fei family from the deep sea,”

“Let them take the initiative to expose themselves to the attention of the world...”

After speaking, he quickly asked: “Marshal, what do you think he wants to do?!”

Marshal smacked his lips: “If they didn’t cut Randal’s ears,”

“I might think that all this is a good play directed and acted by the Fei family,”

“So that the Fei family’s prestige can be rapidly increased,”

“And at the same time, Randal’s reputation can be spread far and wide.”

“Randal has laid an extraordinary foundation.”

“Think about it, when everyone in the world is looking forward to Randal’s safe return,”

“They will come up with a successful rescue scene, which will make Randal cry for thousands of times.”

“Once he comes out, and the whole world will celebrate and cheer for the perfect ending.”

“Randal will have a bright future in this way.”

Duncan said, “But, they did cut off Randal’s ears!”

“The technology has maximized the picture quality of those videos,”

“Enlarged the image of the pair of ears in the video,”

“And compared with Randal’s previous physical features, it is indeed his ears, there is no doubt about it!”

“Yes.” Marshal said solemnly: “It is this point that makes me deny this assumption.”

“The Fei family is definitely not the manipulator behind the scenes.”

“The real manipulator is premeditated to draw the Fei family into the spotlight little by little.”

Chapter 4310

Duncan asked: “Let the snake out of the hole, and in front of the world, what is this for?”

Marshal said slowly: “Since the assumption just now does not hold...”

“Then the other party’s motive is only left. There is another possibility.”

Duncan said: “You mean that the goal of this group of people is not Randal, but the entire Fei family?!”

“That’s right!” Marshal said excitedly: “We can really think of going together!”

Duncan sighed: “But I still don’t quite understand why the Fei family is attracted to the spotlight,”

“Do they want to be in front of the whole family?”

“From the world’s side, attack the Fei family?! That would be too arrogant, the whole world will not forgive them,”

“And by then, they will definitely become public enemies of the whole people!”

“Unless...unless they have absolute certainty that they can completely reverse the current situation!”

Speaking, Marshal’s rare expression became a little frightened,

And he blurted out: “I see! This must be a public execution.”

Public execution..." Duncan muttered and repeated, his eyes suddenly lit up, and he blurted out:

"I understand! If we follow your inference, that mysterious person must have mastered the huge scandal of the Fei family."

"Even once this scandal is exposed, the entire Fei family will probably suffer a devastating blow!"

"And they deliberately used this method to attract the Fei family to the spotlight of the world,"

"Just to make the Fei family doomed!"

Marshal nodded, and said solemnly: "That's right! I guess that's what happened!"

Duncan said with a horrified expression:

"Then this is really a public execution... It is first suppressed, then raised, and then slammed down... .."

Speaking of which, Duncan tapped the table repeatedly and muttered,

"What is it, to have such great ability... Could it be..."

"Could it be that the old man of the Fei family has come back to seize power?!"

Just as Marshal was about to speak, Duncan quickly shook his head again:

"No! Even if the old man Fei comes back, he would not be able to attack his great-grandson,"

"And since the old man of the Fei family has been completely overridden,"

"It is impossible to have another one. Mysterious power..."

Marshal couldn't help laughing when he saw his friend was puzzled:

"It seems that you, the best detective, also have troubles at times."

Duncan smiled bitterly: "The main thing is that there is indeed a problem."

"Contrary to common sense, if the other party is really so strong,"

"We can't have heard of it, how can someone in today's society accumulate such a powerful force quietly?"

Marshal smiled bitterly and said, "Many things... are indeed contrary to common sense."

"In other words, we are actually ignorant..."

He looked at Duncan as he spoke and asked: "Do you believe it or not, there is a medicine in this world,"

"The size of a quail egg, but it can't be bought for 300 billion US dollars?"

Duncan was dumbfounded and blurted out: "What did you say?! \$300 billion for a pill?! Are you sure?"

Marshal nodded firmly: "Yes! You heard right, it is three hundred billion!"

Duncan frowned and said, "Could it be a target that can cure cancer?"

“Sell 300 billion together with the patent? Even then that’s too expensive...”

Marshal laughed: “Also the patent...you think it’s beautiful!”

“It cost 300 billion US dollars to make a pill, just to buy that pill,”

“Not only do they not give you the formula, but they not even allow you to take it with you.”

“If you buy it on the spot, you must eat it on the spot.”

“Fcuk...” Duncan uttered foul language and curled his lips:

“Fcuking crazy, you dare to sell it for 300 billion US dollars?”

“It’s even crueller than these kidnapers! Which idiot would buy it at such an expensive price?”

Duncan blurted out a sentence, making Marshal’s face darken.

However, he calmly picked up the wine glass and took a sip before smacking his lips and said lightly,

“The fool you said is me.”
