

Chapter 4469

Stella solved all the troubles of the Fei family at once,

But immediately afterward, more new video evidence was immediately exposed on the internet.

However, the main lead of these evidences is no longer Randal,

But those tycoons, and noble sons who were found tragically dead in the Hudson River this morning.

This, again, exploded all over the world.

The public's attention was immediately shifted from the Fei family to these large families.

And those big families did not even care to grieve for the tragic death of their own family members,

They immediately had to face a headache over how to eliminate the public anger.

Although Stella had already given them a sample, her solution was too expensive for others.

These big families, who are addicted to money,

Are not willing to provide a billion dollars in compensation for each victim's family until they have no choice but to kill them.

However, these are no longer the issues that Stella needs to consider.

After the conference was over, she immediately called Charlie,

And when the call was answered, she asked incomparably piously,

"Mr. Wade, did you see the Fei Group's conference just now?"

Charlie smiled, "I saw it."

Stella asked, "Then do you think the solution I proposed is satisfactory to you?"

Charlie seriously said, "I think you have handled it well enough,"

"And I believe that under your impeccable handling like this,"

"The Fei family will soon be able to get out of the haze of Randal."

When Stella heard Charlie's praise, her heart was not only relieved but also a little more shy than a young girl.

She then said to him, "Thanks for Mr. Wade's approval,"

"I will complete the verification of the victim's information as well as the payment of compensation in the fastest time possible."

"Good." Charlie gave a slight beat and asked her again,

"Now that you have officially become the head of the Fei family, what are your next plans?"

Stella said, "I have only planned two things during this recent period of time,"

"The first thing is to solve the mess left behind by Randal;"

"The other thing is to take the time to familiarize myself with the group's affairs,"

"Sort them out, and get started as soon as possible."

Charlie instructed,

"Actually, your top priority now is not to familiarize yourself with the business, but to purge the team."

Stella asked busily, "Mr. Wade, what you mean is"

Charlie reminded, "You should not forget that the current board members of the Fei family,"

"All are the same group of people who kicked your grandfather out in the first place,"

"Your immediate priority now is to take back all their voting rights and veto power on the board,"

"Only then will your position be the safest."

Stella said with some concern:

"The members of the board of directors, in addition to the direct members of the Fei family,"

"Are basically the relatives of the Fei family, as well as some of the backbone of the ministers,"

"I have just assumed office, the smooth operation of the group still needs them to maintain,"

"If at this time to start on them, I am afraid that they will unite to hollow me out, or simply quit."

Charlie said seriously: "These people stood on the wrong team once,"

"And now you have become the new head of the family, they must be very panic in their hearts,"

"Afraid that you look for them to settle scores so at this time,"

"You must not let them worry in vain, you must first time settle the previous accounts,"

"Otherwise, if you turn over this one today,"

"Then they will feel that even standing in the wrong team has no consequences,"

"Next time they will only be more reckless."

Saying that Charlie added: "Now in front of you are two extremes,"

"Either take advantage of this opportunity to completely convince them,"

"So that they fear you, or let them take this opportunity to see your weaknesses,"

"So that in the future they can intensify, in addition to these two possibilities,"

"If you want to forget the past, and want a friendly and sincere cooperation with them, the possibility is almost Zero."
