

## Chapter 4471

Hearing Duncan suddenly ask about Ruoli, Stella's heart, all of a sudden, tensed up.

She knew that Ruoli's identity was relatively sensitive, and if Duncan had set his eyes on Ruoli, She was afraid that he had already suspected the head of the Cataclysmic Front.

And she is also very clear, Duncan directly wants to find Ruoli,

It must be that he has found out Ruoli and herself coming together from the entry information,

They certainly can not play sloppy with Duncan at this time,

Otherwise, in case he bids not to let go, there will certainly be trouble.

On the other end of the phone, Charlie, hearing Duncan ask for Ruoli,

Also realized that Duncan must have taken Ruoli as a breakthrough.

At this moment, his heart can not help but show some chagrin,

He let Ruoli escort Stella to Syria, only after considering Ruoli completely credible,

As a woman, also convenient for Stella's close protection and care.

The reason for this is because of the suddenness of the situation,

And the need to bring Stella back to inherit the Fei family,

And it was only natural to have Ruoli escort her to New York at that time.

But now he realized that he should not have let her enter New York,

Once she entered, she would naturally leave entry information,

And Ruoli's fame is relatively large, it is inevitable to be watched.

So, he immediately sent a text message to Ruoli with his cell phone WeChat, the content is:

Ruoli, Duncan has been watching you, he is in the Fei family,

You immediately leave New York, go through a special channel back to China,

Let Joseph solve the rest of the matter!

After the message was sent, he heard the phone, Stella said to Duncan:

"Inspector Li, I take the liberty to ask, I wonder why you are looking for Miss Su?"

Duncan was not ambiguous and said directly,

"There is information that she has joined the Cataclysmic Front some time ago,

So I want to consult her about matters related to the Front."

Stella said very seriously: "Inspector Li, Miss Su is my guest in New York,"

“And she entered the U.S. through legal channels and is also a green card holder,”

“So it’s not appropriate for you to come here so aggressively,”

“To ask her questions when she has not committed any crime?”

Duncan said in a cold voice: “Miss Fei, according to the U.S. law,”

“I have the right of questioning supported by the law in my jurisdiction of responsibility,”

“So I also hope that you do not interfere with my normal law enforcement.”

Hearing this, Stella knew that Duncan was resolute, so she thought in her heart,

“Mr. Wade is listening over the phone right now, I think he will definitely notify Ruoli,”

“To respond in advance, I have to buy some time for her anyway!”

Thinking of this, she put away her friendly attitude just now and said very forcefully,

“Inspector Li, I know you have the right to ask questions,”

“But I also have the right to refuse to answer your questions.”

Duncan coldly snorted, “Miss Fei, I know Ruoli is at your Fei Group’s headquarters,”

“If you let me meet her, then I won’t make this matter too difficult for you,”

“But if you insist on going against me, then don’t blame me for putting your entire Fei Group on lockdown.”

Stella nodded: “If Inspector Li feels the need to blockade, I have no problem with it,”

“But I would like to remind Inspector Li, blocking the Fei Group requires legal authorization documents,”

“Not to mention that I have so many reporters here now who are preparing to withdraw,”

“If you blockade them inside as well, you better have enough legal reasons.”

## **Chapter 4472**

Duncan saw Stella separate oil and salt, so he opened his mouth and threatened:

“Miss Fei, I think you also know the identity behind Ruoli, if I go back and apply for a search warrant to block this place,”

“Then if the media reporters ask, I will answer truthfully and suspect that Fei’s group has,”

“A relationship with Cataclysmic Front, then how will Miss Fei explain to the American people?”

Stella said blandly: “My grandfather and I were chased and attacked overseas,”

“And it was Miss Su who protected us all the way back to the U.S.”

“I don’t know exactly what Miss Su’s identity is, I only know that she is my benefactor,”

“My friend, and even if she is a member of the Cataclysmic Front, then I would like to ask,”

“Is there any provision in the U.S. law that does not allow U.S. citizens,”

“To be friends with members of the Cataclysmic Front? “

Duncan coldly said: “Miss Fei, I think you should know, your nephew Randal and other people who were killed last night,”

“Were killed by the hands of the Cataclysmic Front,”

“You can hold a press conference today as the head of the board, must also be related to the Cataclysmic Front!”

Speaking of this, Duncan’s voice raised a few points, threatening:

“Miss Fei, if this matter gets out, do you think the outside world will think that the reason,”

“Why Randal died is that Miss Fei, in order to compete for the family inheritance,”

“You have reached some kind of cooperation agreement with the Cataclysmic Front,”

“Hired the Cataclysmic Front out to exterminate the relatives?”

“When the time comes, we may have to investigate you on suspicion of hire for murder,”

“Which I’m afraid will affect your hard-fought future!”

Stella did not care, “It does not matter, if you want to investigate, you can feel free to investigate,”

“I Stella Fei will cooperate fully, even if the outside world suspicion does not matter,”

“What is clear is clear, I will not be coerced by you to do things I did not do!”

“Okay!” Duncan said: “Miss Fei, I may as well tell you, I came up, I have asked the relevant staff downstairs,”

“I gave them a look at Ruoli’s photo information,”

“They all told me that they saw Ruoli accompany you in, and has not left,”

“So I believe that she is definitely in the Fei Group.”

After saying that, he looked at Stella in a cold voice:

“If Miss Fei is willing to cooperate, now and call Ruoli over,”

“If you insist on refusing to cooperate, then I can only order the headquarters of the Fei Group to be temporarily closed,”

“When things go wrong, Miss Fei all the consequences you should bear at your own risk!”

Stella smiled faintly, clutching her shoulders, and said lightly:

“I’m not going to lie to Inspector Li, although I’m not old,”

“But what big battles are there that I have not seen, you do not need to bully me here,”

“If you want to close the Fei Group, then be my guest!”

At this time, Stella believes Charlie must have informed Ruoli in advance.

With Ruoli’s thunderous style of action, she might be on her way to the airport by now.

Therefore, she is also not the least bit worried about Duncan closing the Fei Group.

Duncan’s heart was irritated, the successive defeats had made him lose his mind,

At this time he angrily took out his cell phone, called his men, and ordered,

“From now on, block all the entrances and exits of Fei’s Group, temporarily do not allow anyone to leave!”

The subordinate asked in surprise: “Inspector ..... Fei’s group has hundreds of reporters.....”

“This action is not a little too big?”

Duncan looked at Stella and said in a cold voice: “I now suspect that the chairman of the Fei Group is associated with overseas terrorists,”

“You immediately closed the entire Fei Group, I will now call the director to come with a search warrant!”

To Duncan, Ruoli was the only clue he could find at the moment.

Therefore, he knew very well that if he wanted to solve the case,

He had to find Ruoli first and then find a way to dig deeper from her body for other clues related to the Cataclysmic Front.

Otherwise, once Ruoli and the people of the Cataclysmic Front withdraw from the United States,

Then this series of lynching execution cases that happened in New York this time,

Will not only have no possibility of solving the case,

But, it will become the biggest shame of his own career as a police officer.

### **Chapter 4473**

As a police officer, Duncan naturally abhors the abuse of lynchings.

In his view, it was the police’s responsibility to fight crime, not the responsibility of other social groups.

Moreover, other social groups do not have any law enforcement authority,

And once they lynch, it is an outright crime, even if it is to punish evil and promote good, it should be sanctioned by the law.

Therefore, he is now determined to find Ruoli, and he believes that as long as he,

Does not give Stella any opportunity to tip-off, Ruoli will certainly not leave.

Because of this, after he hung up the phone, he said to Stella,

“Miss Fei, I now need you to take out your phone and put it on the desktop,”

“And at the same time, you are not allowed to touch any communication devices in the room.”

Stella wanted to agree to him straightforwardly that as long as,

So if she pressed the lock screen button twice in a row when she took out her phone,

Her call with Charlie would hang up and automatically lock the screen,

Which would definitely not be noticed by Duncan.

But on second thought, she felt that if she agreed to be too crisp,

It would definitely give Duncan a feeling that she had a plan for this matter.

Therefore, she said in a cold voice pretending to be nervous:

“Inspector Li, I have always maintained respect for you, but please do not go too far!”

“What right do you have to restrict my personal freedom?”

When Duncan saw that Stella was a bit weak, he immediately took advantage of the situation and said nonchalantly,

“I now suspect that you are in close contact with the criminals,”

“So in order to prevent you from tipping off the criminals,”

“I have the absolute right to restrict your contact with the outside world!”

“If Miss Fei is not convinced, when this matter is over, you can sue me in federal court!”

Stella insisted, “I want to inform my lawyer! This is my right!”

Duncan sneered, “Sorry Miss Fei, you are now closely associated with terrorists,”

“And have threatened the homeland security of the United States of America,”

“So you cannot contact your lawyer during extraordinary times!”

After saying that, he warned, “Miss Fei, I repeat, you immediately take out your phone,”

“And put it on the table, otherwise, I will take action myself!”

Stella gritted her teeth, pretending to be indignant, reached for her phone in her pocket,

And she pressed the lock screen button twice in a row to hang up the phone and lock the phone screen.

Afterward, she took the phone out of her pocket and laid it on the table,

She looked angrily at Duncan and asked, “Are you satisfied?”

Duncan smiled contemptuously and said indifferently, "Miss Fei,"

"I hope you understand what kind of mistake you are making,"

"If the final evidence points to you having cooperation with the Cataclysmic Front,"

"Then I will definitely send you to jail myself!"

Stella nodded and replied, "Detective Li, I also hope you can understand that after this matter today,"

"I will definitely protest to the mayor regarding today's matter,"

"And announce it to all the media, and I hope you will not be removed from your position before you retire."

Duncan was slightly stunned, then said in a cold voice: "Okay, Miss Fei, we'll see!"

At this moment, Duncan had his mind made up.

No matter what kind of commotion he made in Fei's group today,

As long as he could find Ruoli here, then he would be considered to have won.

After all, Ruoli's identity is already sensitive and special,

Although she has not broken the law in the United States,

But given what she did in Tokyo before, it is reasonable to define her as a terrorist.

So, as long as she is found in the Fei Group, even if the president comes, he can't do anything to him.

But where did he know that Ruoli had already left Fei's group minutes before?

And just after she left the Group, the hackers of the Cataclysmic Front,

Directly invaded the security monitoring of Fei's Group and tampered with all the CCTV footage of Ruoli.

#### **Chapter 4474**

As for Ruoli herself, she went directly to the dock of the harbor,

Where there happened to be a cargo ship of ISU Shipping ready to return to China,

So Charlie arranged for Ruoli to leave the United States by ship first.

The cargo ship will sail directly from New York back to China's China Sea,

So under normal circumstances will cross the Panama Canal into the Pacific Ocean,

But because the voyage is too long, Ruoli can take a helicopter directly from the sea,

To Cuba when the cargo ship passes Cuba, and then from Cuba she can return to China by plane.

He made a phone call to the New York police commissioner and told him all about his suspicions and motives,

Asking him to come immediately with a search warrant for support.

The police chief was originally a little angry at his private action,

But when he heard that Ruoli was in the Fei Group and might even be related,

To the more than ten murders that occurred in New York,

He immediately sent someone to the Fei Group for support.

His and Duncan's position is the same, whether those mysterious people are doing justice for God or not,

He must catch these people, otherwise, it is a shame for the whole system.

Thus, a large number of police officers came from all over the city to support Fei's group headquarters,

Including the strongest SWAT special operations unit in the NYPD.

In order to prevent Ruoli from escaping, the police blocked,

All the entrances and exits of the Fei Group, and put heavy guards at each of them.

The other police officers checked the identity information of the people inside one by one,

And those who were checked correctly were asked to leave the scene immediately.

After everyone was checked, Ruoli was not found,

The police officers would bring life detectors and conduct a carpet search of the entire headquarters of the Group.

In order to prevent accidents, the police also informed the immigration authorities,

To classify Ruoli as an object of restricted exit.

Once she appeared at the port of entry and exit,

The powerful face recognition system would be able to identify it within one second and send an early warning to the police.

Therefore, Duncan believed that Ruoli would not be able to fly.

While the police were laying a net in the Fei Group and preparing to search for Ruoli's whereabouts,

Charlie had already arrived in New York.

Today, Sara will do the final rehearsal in the performance venue,

Tomorrow night at eight o'clock, her first concert in the United States will be officially opened in New York.

So Charlie did not rush to find her, but planned to go to Hogan's restaurant to meet him,

Talk to him about the current situation,

And also find the opportunity to ask him if he is interested in returning to China.

This time, Charlie very low-key first took a helicopter to the vicinity of Chinatown,

And then walked alone to Chinatown.

With the experience of meeting Uncle Chen's restaurant last time,

He deliberately wore a duck-tongue hat and a disposable mask this time.

When he came near the restaurant, he suddenly found that, just outside the restaurant,

A young man in his twenties reached out and grabbed a girl's cell phone from the roadside,

Then got into a black car and took off.

The girl shouted nervously after her phone was snatched:

"Please help me call 911, someone snatched my phone!"

Charlie frowned slightly but did not think much about it.

Then, he took a step to go to Uncle Chen's restaurant.

At this time, Uncle Chen pushed open the door, saw Charlie with sunglasses and mask,

With a glance through the posture and hairstyle recognized him,

So he shook his head slightly, and winked, then skipped him, said to the girl who was robbed of the phone:

"Girl do not be afraid, first come to the store to sit for a while, I will help you call the police!"

#### **Chapter 4475**

Charlie saw Uncle Chen giving him a wink, although he did not know exactly what the situation was,

But from his understanding of his meaning, know that the woman who was robbed of the phone must have been a fraud.

However, Charlie did not immediately leave but strutted behind the woman into Uncle Chen's roast goose store.

After entering, Charlie deliberately found a corner with his back to the door and sat down,

Then greeted Uncle Chen and said, "Please I would like to have a roast goose rice."

Hogan originally did not want Charlie to come in now,

But saw that he sat in a relatively hidden position, so did not say anything more and said:

"Okay, you wait a moment, I have to help the girl to call the police."

After saying that, Hogan took out his cell phone, and entered the three numbers 911,

Then looked at the girl and asked, "Girl, are you going to tell the police yourself, or should I do it for you?"

The girl looked at Hogan gratefully and said,

"Just lend me your phone, I'll tell the police myself."

"Okay." He directly handed her his cell phone,"

"And after the other party took it, he dialed the 911 emergency number.

On the phone, the girl told the operator about her phone being robbed,

Then told the other party the address, and when the other party finished registering,

She hung up and handed the phone back to Hogan, thanking him,

"Thank you, sir, I've already reported it to the police, and the police will be here in a minute."

"You're welcome." Hogan smiled faintly, put away the phone, and said,

"Want to eat something? This meal is on me."

The girl said, "No, no, I just had dinner, thank you, Sir."

"You're welcome." Hogan nodded and said to the man, "Pour a glass of water for this lady."

Without saying a word, the man immediately brought over a glass of lemon water and handed it to the girl.

The girl said gratefully, "Sir, thank you so much."

Hogan smiled slightly and said, "It doesn't matter, we should help each other."

With that, Hogan said, "Sit by yourself for a while, I'll go prepare the meal for the guests."

The girl said, "You go about your business, don't mind me!"

After less than ten minutes, a police car stopped at the entrance,

And two police officers stepped out and entered the store, asking, "Who just called 911?"

The girl hurriedly raised her hand and said, "It's me."

One of the police officers looked at the girl and asked,

"The main desk told us that your cell phone was robbed, what happened?"

The girl then said, "About 10 minutes ago, I was talking to a friend in front of this restaurant,

And suddenly a man came and snatched my phone away."

The police officer nodded and asked, "Was there only one person on the other side?"

The girl said, "There was only one person who grabbed my phone, but he quickly got into a car and left."

The police officer asked, "Did you get a good look at the person who grabbed your phone?"

"Probably what race, how tall? His weight is on the fat side or thin side?"

The girl thought about it and said, "He was too fast, I did not react at once,"

"So I did not see his face, but it is certain that the man was yellow, medium height, thin, very sensitive movements."

The police said helplessly: "Medium height, thin yellow people, in Chinatown to catch,"

"If there are no detailed physical characteristics, catching him is more than difficult."

Saying that the other party explained: "In fact, you know, street robbery of cell phones,"

"Laptops, and ladies' backpacks, on the street, at least thousands of such things happen every day,"

"The vast majority of people are very difficult to catch."

Another police officer looked around the store at this time,

And pointed to one of the surveillance probes facing the door and said,

"Since it happened right in front of the store, this surveillance probe must be able to capture it, right?"

"If we can get the suspect's image data, the arrest will be relatively easy."

#### **Chapter 4476**

After that, the policeman looked at Hogan and said seriously,

"Sir, we need to take the hard disk in your recorder to retrieve the surveillance video and help solve the case."

He finished with Hogan, then immediately said to his colleague:

"You go to remove the hard disk, we go straight back,"

"By the way, also take the girl to make a statement."

"Yes!" The man nodded without thinking, and immediately asked Hogan:

"Sir, where is the hard disk recorder of your surveillance system?"

Hogan said with an embarrassed face:

"Officer, the recorder is there, but there is no hard disk inside ....."

"No hard drive?!" The police officer in charge frowned and asked,

"I see that the working light of your security camera is on, how can there be no hard disk?"

Hogan took out the hard disk that is counter connected and said:

"Look, there is indeed no hard disk, my hard disk has long been broken,"

“Have not bought a new one, my store itself is relatively small,”

“There is nothing malicious people thinking about, so it does not matter whether there is surveillance video or not,”

“So I simply did not change it, so it is the camera only just as a bluff.”

The police officer walked quickly to the front, and found that in the recorder the hard disk space is indeed empty,

The face immediately fell down and he said with a depressed face:

“I should say, sir ..... You ..... You are too stingy!”

“How much does a hard drive cost? The large capacity is not more than two or three hundred dollars right!”

“How can you even not save this money?”

Hogan said helplessly, “I’m not going to lie, officer, the business in Chinatown is really bad,”

“Usually I try to save some money, but the expenses eat up all my savings at the month’s end.”

The police officer was so angry that he could not say anything for half a day.

However, angry as he is, he also knows very well, that in this kind of thing they have no way.

Since there is no hard disk inside the hard disk recorder,

Naturally, it is impossible to save any surveillance video,

So the boss developed this trick but there is no way to execute it any further.

Since this is the case, there is no point for him to stay here,

So he spoke to the woman and said, “Ms. How about this,”

“You come to the precinct with us first to make a statement,”

“We will try to find other clues to help solve the case.”

The woman was also quite helpless, so she nodded and said, “Okay, then I’ll go with you.”

The police officer turned around and walked out, almost walked to the door,

Turned around and said to Hogan: “Tomorrow hurry to buy a hard drive!”

Hogan quickly nodded and said, “Yes, yes, don’t worry, I’ll go buy it tomorrow!”

The police turned and walked away, and soon saw the two men come to the police car at the door,

Let the woman sit in the back of the police car, started the car, and left the scene.

At this time, only the man and Charlie remained in the store,

Hogan then asked the man to hang a suspended sign at the door.

After hanging it, the man then went to the basement alone to rest,  
Hogan sat opposite Charlie and said, "Young Master Wade, the police have been watching my place,"  
"I don't know exactly what it's about, but I guess it must be related to you."  
"Related to me?" Charlie frowned and asked, "Uncle Chen,"  
"Do you mean to say that the two policemen just now are running towards me?"  
"It should be." Hogan said seriously: "You see just now that woman and those two police officers,"  
"Acting with so much drama, in fact, just wanted to get the recording,"  
"Of my store's security camera, so much trouble must have another plan."  
Charlie asked with some curiosity, "Uncle Chen,"  
"How did you determine that the woman and the two police officers were acting?"

#### **Chapter 4477**

Hogan explained: "This morning just opened the store and a middle-aged Chinese came to the store."  
"After sitting down to order a random meal then started staring at my three security cameras non-stop,"  
"You think about it, serious people go to the restaurant to eat,"  
"Who will pay attention to the monitoring situation?"  
"So I guessed at the time that he was either a gangster who wanted to grab some cash from me or a plainclothes cop."  
Charlie pursued: "And after that? He left after dinner?"  
"Yes." Hogan said, "The guy finished his meal very quickly, paid the money, and left in a hurry,"  
"As soon as he left, I hurried to remove the hard disk in the recorder."  
Charlie nodded and said seriously, "Since the other party is ruled out as a gangster,"  
"Who intends to rob some cash, then 80% is the police."  
"Right." Hogan said, "I was afraid that the police had made such a big detour,"  
"To find the CCTV footage of you and Miss Gu, so I destroyed the hard drive first,"  
"But then suddenly there was a scene of robbing a cell phone at the door,"  
"These two things together, the other party's motive is clear,"  
"Definitely wanted to find an opportunity to remove my hard drive back to investigate,"  
"So I gave you a wink, wanted you to not come over first."  
Charlie suddenly realized, and could not help but ask:

“Uncle Chen, to be honest, if you did not give me a wink,”

“I really did not see what was wrong with this matter, how did you judge it?”

Hogan smiled slightly: “They did this scene, the script is quite well thought out,”

“But the director and actors’ choreography is still a bit clumsy,”

“To put it bluntly without the key details, you write the script with no key details,”

“That person looking at it with interest can certainly see the flaw.”

Said this and continued, “It’s like people are saying that there is no real perfect crime in the world,”

“But in my opinion, although it can not do absolute perfection,”

“But can do it with relative perfection, as long as the killer’s heart,”

“Then all the police are fine, then even if his crime does not reach absolute perfection, it will not be found.”

Charlie nodded with an educated face, and couldn’t help but ask with great curiosity,

“Uncle Chen, how did you find out that there was something wrong with this woman?”

Hogan said: “You may not know much, in fact, in Chinatown, although the public opinion is mixed,”

“No matter the overall chaos, but generally there really will not be a Chinese daring to rob in the street here,”

“After all, we are all Chinese, it is easy to inquire who did it,”

“Not to mention that Chinatown is cooped up in several Chinese gangs,”

“They are here to collect protection fees in the area, but also set a lot of rules,”

“General thieves really do not dare to rob in the street or make a move in Chinatown in broad daylight,”

“So this woman was robbed in front of my store in broad daylight,”

“It itself is not quite reasonable. Combined with the person who came to the store in the morning,”

“I can basically determine that she had a problem.”

“In addition, there was another thing wrong. The thing is that Chinatown is such a place,”

“The police is called, even in half an hour it is unlikely to have a police car over,”

“This time surprisingly it took them less than ten minutes to come, see it was all prepared.”

Charlie asked incomprehensibly, “So police take a long time to come over?”

“Right.” Hogan said: “Here, in the minority or ethnically dominated places,”

“The police are generally not asked to come on one hand, on the one hand,”

“There are many gangs, and a high degree of autonomy, the police are generally reluctant to get involved.”

“And as well no one in the district does the police sponsorship,”

“So the police force itself is small, the response speed is naturally not very fast.”

“Here, everything is market-oriented, the police is also the same,”

“Each rich district in New York with the New York police precincts,”

“For the police salary, it is not the city government that is responsible for it,”

#### **Chapter 4478**

Hogan continued: “But the rich people in the rich district are responsible for it,”

“And they patrol with cars in the rich district donated by the rich people,”

“In such places, not only 24-hour people on duty but also 24 hours there are police patrol,”

“But for the minority gathering places, we do not generally see the shadow of the police at all.”

Charlie nodded gently and sighed, “So that’s how it is,”

“For someone like me who doesn’t understand the situation, I simply can’t see what’s abnormal here.”

Charlie admired Hogan’s acumen in detail and couldn’t help but praise him,

“I guess they must have thought they had performed very well,”

“They just didn’t expect to be able to hide from your discerning eyes.”

Hogan waved his hand and said modestly, “Young Master Wade is praising me,”

“How can I be considered to have a good eye,”

“But I have been in Chinatown for so many years, so I am too familiar with this place.

Hogan said, and gave a faint smile and said: “Not exaggerated, you live in a place for a long time,”

“Even if the dog next door is barking more than the usual change point, you are able to notice it.”

As he continued and asked Charlie with concern, “Young Master Wade, why are the police on you?”

“Is it because they have some clues from the Cataclysmic Front?”

Charlie shook his head and said, “The Cataclysmic Front didn’t leave any clues,”

“But I myself had something to think about and let a girl with a sensitive identity,”

“Bring the Fei family’s members to New York, I really didn’t think so carefully at that time,”

“I just naturally let that girl bring people over,”

“But ignored that she would leave clues after entering the country.”

Saying that, Charlie added: "Duncan Li has led people to blockade the headquarters of the Fei Group,"

"Fortunately I received the news in advance and let the girl go first,"

"Otherwise in case they really had found her, things would have really been a bit tricky."

Hogan hurriedly asked, "Young Master Wade, what is the specific situation, can you tell me in detail?"

Charlie had nothing to hide from Hogan, so he told him about the whole process,

Of having Ruoli escorting the two people of the Fei family to Syria,

And then temporarily having her bring them to New York.

After hearing this, Hogan nodded slightly and said,

"This matter is indeed a little ill-considered, but it is understandable,"

"You have handled the whole very well, one or two small details a little ill-considered it is human nature."

Speaking of this, Hogan sighed: "Duncan this time a little ill-considered huh!"

"Blocking Fei's group with so much fanfare, if he can't find anyone, his good days will come to an end."

"Yes." Charlie nodded, "I also didn't expect that he would act so impulsively."

"It's also understandable." Hogan said: "He used to be too smooth,"

"His own cases almost all solved, others who can not solve the case they seek his help,"

"He also has succeeded in solving the one case after another, the fame is great,"

"Now he is looking to retire, and he faces such a big incident,"

"The impact is his half-life hard work reputation and image are at stake,"

"In such times, his mentality will certainly be greatly affected."

"Like a professor in the field of mathematics,"

"In his lifetime all the difficult problems have not been able to defeat him,"

"Would have been able to retire with a winning record,"

"But at this time a series of a dozen or more puzzles he could not solve,"

"And everyone below the podium wants to see how he solves the problem,"

"In this case, it is certainly difficult to control his state of mind. "

"It is really like that." Charlie nodded in agreement and said, "This matter is indeed a bit unfair to him as well."

Hogan smiled faintly and said, "Time is also fate dependent, not everyone can get a smooth sailing,"

“We always have to suffer some setbacks, it’s just a matter of time, just sooner or later.”

After saying that, he asked Charlie:

“Mr. Wade, since you said that the Cataclysmic Front did not leak any clues about you,”

“Then why did the police find me here?”

Charlie thought for a moment and spoke, “It should be because of my great uncle .....”

## **Chapter 4479**

Now that Charlie thinks about it, at that time he heard the news of his grandfather’s critical illness,

As he was sitting on the second floor of the restaurant,

And then immediately asked Sara to take the blood dispersal heart-saving pill to Los Angeles,

A move that he made and did not have time to do any cover-up at all.

Therefore, as long as the great uncle’s side starts backtracking from Sara’s trajectory after arriving in Los Angeles,

It will definitely focus its attention on Uncle Chen’s roast goose store.

Hogan could see Charlie’s helplessness and knew what he was thinking,

So he spoke up and said comfortingly, “Young Master Wade, people’s lives were at stake,”

“You had no other good choice at that time,”

“And it’s good that your great uncle should not have noticed your presence yet.”

Charlie sighed: “I came to your store with Sara if he found the CCTV footage,”

“He would probably recognize me, I guess Duncan sent someone to look for your CCTV footage here,”

“It is also to find out who Sara was with and what was special about her.”

Hogan smiled slightly and said, “You can rest assured that there are not many security cameras outside of Chinatown,”

“There used to be some, but they were smashed, and then simply not installed,”

“There is no security camera outside the front door of my store,”

“And even if there is, because of the angle problem, it is impossible to shoot the side here.”

Saying that Hogan continued: “We opened the store, and dare not hang the camera outside the store,”

“So generally the most outside camera is also installed on the inside of the door at the top,”

“And then diagonally to the entire storefront range,”

“But because the camera angle is diagonally down forty-five degrees position,”

“So at most only to their side of the sidewalk, can not shoot the motorway,”

“More Can not shoot the opposite, so you do not have to worry.”

Charlie heard this, and nodded gently: “That’s the best.”

Hogan said with somewhat melancholy: “Young Master Wade since you do not want to expose yourself,”

“Then to this place, you should try not to come in the future .....

“This place has got your great uncle and Duncan Li’s attention,”

“In the future, they will certainly focus on me here.”

“Yes.” Charlie nodded and said seriously, “After Sara’s concert tomorrow,”

“I may not come back to New York for a short period of time,”

“Here I met so many experiences and I don’t have a good feeling in my heart about it, So in future, I will avoid this city.”

Hogan smiled, nodded with a little melancholy, and said,

“Rarely can you find the second city in this world that has so much to offer,”

“Whether it’s the glamorous Wall Street or the slums,”

“Everywhere there is something that characterizes the group and their negative aspects;”

“The evil of the slums is straightforward, violence, shooting, drug bays, human trade,”

“But the evil of Wall Street is much more terrible than the slums, those sitting in the skyscrapers of Wall Street,”

“Just sitting together, with the burning of a cigar, can decide the life and death of a third world country,”

“And its tens of thousands, hundreds of thousands or even millions of people,”

“In the face of profit, treating human life as if it is nothing.”

Charlie saw that Hogan was also quite emotional, so he could not help but ask:

“Uncle Chen, you have come to the United States for so many years, have you ever thought of going back?”

Hogan was slightly stunned, then looked up at Charlie, and said seriously:

“Young Master Wade, to be honest, I want to go back, although my old father is no longer alive,”

“But my mother is still alive, and now has entered the old age,”

“I also want to do my filial piety around her .....

Speaking of this, Hogan lightly sighed: "Only, Mr. Gu went to make peace with Liu Sheng for me back then, I promised the surname Liu in front of the two of them, never to return to Hong Kong Island in this life."

Charlie said indifferently: "Uncle Chen, just Liu Sheng of Hong Kong Island,"

"I really don't care about him, as long as you want to go back, I will solve all this for you."

#### **Chapter 4480**

Hogan stood up, clasped his hands, arched his hands, and said,

"Young Master Wade, your strength is heavenly,"

"Not to mention one Liu, even if ten Liu, no one will ever be your opponent ....."

Speaking of this, Hogan ashamedly said: "But, young master Wade, a gentleman's word,"

"When a team of horses is hard to follow! I'm not afraid of death,"

"But I'm afraid that others will poke my backbone and call me a villain who goes back on his word ....."

"So ..... please don't put pressure on Liu for my sake, since he kept his promise and didn't come after me anymore,"

"I should also keep my promise and never return to Hong Kong Island in this life!"

Charlie was slightly stunned, and felt in his heart that Hogan was open and honest,

But also felt that he was too decent and set the moral bar too high, torturing only himself.

However, Charlie could see the determination in his eyes at this time,

And knew that this matter could not be done in accordance with his own ideas,

So to let Hogan put down the things that happened back then to move forward,

It is still necessary to follow what the old ancestor said, to untie the bell must first tie the bell.

Otherwise, even if he lets the Front escort him back to Hong Kong,

Using strength to force Liu to grovel, but Hogan's heart will still feel the burden.

The fact is that Charlie has not thought of changing his words with Hogan,

Although he has an agreement with Liu not to return to Hong Kong Island,

But he did not agree with Liu to not return to the mainland, so Hong Kong Island he can not return,

But can also go back to the mainland with him, to work for the Wade Group,

Then with the Wade Group's backing, even if Liu knows it,

It is not possible for him to come to the Wade family to ask for punishment.

However, with the words coming to his mouth, Charlie finally did not say.

He knew that with Hogan's character, he would not refuse his request,

On account of his father's kindness to him and saving his life.

But he also knew that the incident and the people in that incident, for Hogan, is a knot in his heart.

He should not let him devote himself to the business of Wade's Group before his heart knot is opened.

Therefore, he decided that after his wife's master class in the United States is over,

He would take the time to go to Hong Kong Island and have a good chat with that Liu,

Preferably so that he could personally withdraw his order to Hogan,

And allow him to return to Hong Kong Island freely.

After he returns to Hong Kong Island and settles his mind,

He will then throw an olive branch at him.

"If I have the ability to do so, I will make Liu's heart and soul to invite you back from New York,"

"If I do not have the ability, I will not use my strength to force Liu to give in."

Hogan heard this, and wanted to say something, but hesitated for a moment, and then held back.

Immediately, he looked at Charlie, nodded gratefully, and seriously said,

"Thank you, Young Master Wade, for understanding!"

Charlie looked at the time and said, "Uncle Chen, I still have some things to take care of,"

"So I won't bother you anymore, Sara should have invited you to see her concert tomorrow, right?"

"If you have time, we'll see you there and then."

Hogan shook his head and said, "Young Master Wade, I won't be going to Miss Gu's concert,"

"Your great uncle should still be in Los Angeles today,"

"And Duncan's attention is on the Fei Group for the time being,"

"So when they each finish their business at hand, they will probably come to me to ask about Miss Gu."

"As long as Duncan did not recognize that I was beside Miss Gu when Randal Fei disappeared,"

"Then I can still say that Miss Gu came to the store, just by chance to come over for a meal,"

"And I only care about making a living all day long, and I do not know any big stars, so I did not notice;"

"If they don't have a clue that I know Miss Gu, I guess this time I can stall it smoothly,"

"But if they find out that I went to Miss Gu's concert tomorrow,"

"This matter will be hard to explain, and maybe Duncan will also remember me."

Charlie nodded understandingly and said, "Uncle Chen, in that case,"

“Then I’ll come back to see you when I have the next chance to come to New York!”
