

# Noble Husband At the Door Chapter 448

"Doesn't matter that he is?"

This made Samuel really stunned. Had not been in charge of the Planet Core Prison worried that a person would certainly make trouble with him?

There should be a lot of individuals in this globe who wondered regarding the tricks of the Earth Core Jail. If they were not purely investigated, some spies would definitely sneak into it.

Mysteriousness was possibly the greatest capital of the Planet Core Jail. Once this was lost, the Earth Core Prison would certainly shed its greatest benefit. How could in charge not worry about this?

" Bro Samuel, I understand what you're believing, but have you forgotten? Saber Twelve said with a wry smile. It was unknown exactly how many people in this globe desired to figure out the secret of the Planet Core Jail.

" Can he assure this hundred percent?" Samuel asked with a frown.

" Yes," Saber Twelve nodded greatly as well as claimed, "definitely, there has actually never been a mishap."

Samuel took a deep breath. What type of capability did he need to do this? It seemed that the one in charge behind the Planet Core Prison was a fierce person.

" Just how much is a person?" Samuel asked.

" 100 million dollars."

" This ..." Samuel took a look at Saber Twelve in shock. Even though he did not respect cash, he was still surprised to see such a number in front of him.

" It's stated that the one in charge of the Earth Core Prison is as wealthy as a country, but nobody recognizes that he is," Saber Twelve claimed.

" How many individuals have been imprisoned in the Core Prison for numerous years?" Samuel asked curiously. The variety of people represented income. This method of obtaining cash was not only quick, however it was something that he had never come across.

Apart from the actual major offenders, there are more individuals wanting to recognize the key of the Earth Core Prison. It's a pity that it's predestined to be a loss," stated Saber Twelve.

" Okay, I recognize. You would certainly better discover a method to call him immediately. Even if it's a money-losing company, I need to do it," Samuel claimed.

He can envision how crucial this matter was to Samuel. It was not as easy as a challenge to damage out of jail.

After leaving Saber Twelve's home, Samuel's phone rang before he might enter the car. It was Tian Ling' emergency room, that was not convinced.

After being hung up, the extra Tian Ling' er considered it, the extra depressed she felt. No one risked to hang up before she might complete her words.

" Samuel, I will certainly not allow you hang up my call for no factor in the future." Tian Ling' er threatened.

" Okay." After saying that, Samuel hung up the phone once more.

Beyond of the phone, Tian Ling' er paid attention to the busy tone, and also she was shocked. In less than 10 secs, the young lady of the Divine family members blew up and also her face was livid with temper. When she called again, he was already active.

" Who made Ling' emergency room mad? Do you need me to retaliate you?" Tian Changsheng strolled to Tian Ling' emergency room with a smile and asked.

" Grandfather, offer me your cellular phone." Tian Ling' er extended her hand and also said.

"What do you desire an aging maker for? You can not play anything with my smart phone," Tian Changsheng stated doubtfully.

"Don't stress over it. Give it to me," stated Tian Ling' emergency room.

Tian Changsheng secured his cellphone and handed it to Tian Ling' er.

Tian Ling' er masterfully pressed Samuel's number, and also this series of numbers had actually currently been remembered by her heart.

It experienced!

The call went through!

Tian Ling' emergency room hung up as well as remained in an active state when she called again with her smart phone.

"Ah!" Tian Ling' emergency room shrieked and shouted, "How dare he blacken my name! He also dared to smudge my name!"

Tian Changsheng was perplexed. What type of catastrophe had happened? He asked, "Who has the nerve to blacken your name?"

"Grandfather, you have to retaliate me," claimed Tian Ling' er.

Tian Changsheng patted his breast and claimed strongly, "Okay, I'll retaliate you. That is it?"
