Catch Me If You Love Me

Chapter 45

He gritted his teeth and said, the hand that clasped her waist quickly tightened, half-pushing and half-dragging her all the way around the car, and walked to the woman who was shrinking at the railing of the bridge.

Liam Lu let go of her, grabbed the woman's hair and dragged her to Zoey Gu, raising his hand to tear off the mask.

"You see clearly, is she Lydia Lin?!"

Zoey Gu was startled, and suddenly looked up.

After Liam Lu knocked off the mask and hat of the same woman, she slowly revealed her face. The body shape is similar, the contour of the face is similar, but it is not Lydia Lin at all!

Zoey Gu trembled all over, and the blood in his whole body rushed to his brain instantly.

"How could this be…"

She looked at the strange woman in front of her incredulously, and murmured unacceptably. The next second, he stepped forward again like crazy, and grabbed the woman by the collar.

"Why not Lydia Lin? Why do you pretend to be Lydia Lin, where is she?!"

The woman stared at Zoey Gu with her eyes widened. After seeing her car was forced to stop by Liam Lu, the fear in her eyes disappeared and she gave Zoey Gu a smug smile.

"Of course I am not Lydia Lin, because the real Lydia Lin appeared a few hours ago. Miss Gu will never be able to find her in her life. She gave me such a large sum of money before she left. If I don't work hard. , How could you be fooled?"

"Miss Gu, my theft is a small matter. You deliberately committed murder and injure people by driving. This is a criminal offence. I have just…"

The woman didn't finish her words, she was kicked out by Liam Lu next to her. She slammed into the railing with a "bang", vomiting blood on the spot, and instantly passed out.

Liam Lu frowned fiercely, as if he had pulled the wound on his leg too hard just now, his expression became a bit forbearing.

He turned to look at Zoey Gu and shouted in a low voice.

"Zoey."

Zoey Gu seemed to have not heard it at all. He lowered his head and stared at the woman who had passed out in a daze. His heart ached, and tears suddenly fell.

"Why not Lydia Lin?"

"She killed her father and brother, and so much blood was on her hands. Why did I end up trying so hard not only to let her escape, but also to carry a crime of deliberate murder?" Or to a stranger.

despair.

pain.

In an instant, Zoey Gu densely entangled like vines.

"Did I offend someone? Or did I really do something wrong?"

Liam Lu stood quietly, looking at the sad and indignant look on Zoey Gu's face, his heart felt as if he had been scalded by boiling water.

Five years.

After five years of suffering in the dark, she suddenly suffered a radical change in her family. Nowadays, Zoey Gu's heart is gray, and there is not even a trace of light in his eyes.

Zoey Gu, it shouldn't be like this.

"Zoey."

He closed his eyes and shook off the more intense dizziness in front of his eyes, took a step forward, and slowly reached out his hand to her, and said in a dumb voice.

"Everything has me, I won't let you do anything."

But as soon as he raised his hand, Zoey Gu suddenly drew away like a plague, watching him sneer.

"Liam Lu, do you think I still care about this now?"

After she finished speaking, she stopped looking at him, turned and walked forward without looking back.

The man behind did not continue to chase.

A few seconds later, Zoey Gu suddenly heard a loud noise behind him!
