

Chapter 451

If the psychological suggestion of the s*umbag is a stream, then Charlie's hypnosis is the whole sea!

In an instant, he completely defeated the psychological hint that the s*umbag gave to Yuesheng.

But at this moment, in Yuesheng's heart, Charlie's words already stood there like a beacon of life, and they would never disappear in her entire life.

Suddenly she had an epiphany at this time, and realized how stupid she was before.

Thinking that she was almost bewitched by a s*umbag to commit suicide, she was so frightened, she immediately knelt on the ground, bowed her head to Charlie, and said, "Thank you for saving me. I will live well in the future, and will never disappoint my parents and society for their cultivation!"

Charlie nodded in satisfaction and said, "Since you can wake up to your senses, then I wish you a happy and fulfilling life in the future."

With that said, Charlie thought of the s*umbag and asked, "Can you tell me about your boyfriend?"

Yuesheng said bitterly: "From now on, he is not my boyfriend, this kind of person will only make me feel sick!"

After that, she respectfully said to Charlie: "The s*umbag is called Wu Qi, and he is the school grass of our Aurous Hill School of Finance and Economics. He is not a local, but it is said that his family is very good. I was also deceived by lard at the time. I always think he is the perfect object. I didn't expect him to be such a despicable villain."

Charlie nodded and said, "I heard he killed many girls?"

Yuesheng nodded repeatedly: "I don't know how many girls he has played with. I'm just one of them..."

Charlie gave a hum, and said, "In this way, call him and say that before dying, there is a gift you want to give him, so that he can come here now."

Yuesheng asked hurriedly, "What if he doesn't want to come over?"

Charlie said: "If he doesn't want to come, then you tell him, you have to break up with him, and from now on, the well water will not be offended by the river. This kind of rubbish wants to force you to commit suicide and regard your suicide as your greatest achievement. If he hears that you are going to break up with him, it must be a great blow to him."

Such s*umbags take pleasure in being able to control women, but if women get out of control, it will be a huge pain and shock to them.

They regard this kind of thing as a war. There is only one victor in the war. If the victor is not themselves, the label of the loser will be put on their heads.

For these people, failure is beyond their tolerance!

.....

At this moment, in a bar near Aurous Hill University of Finance and Economics, Wu Qi was sitting opposite a beautiful girl, and said with a smile: "Beauty, God is really unfair to me. I come here alone every day. Drinking two drinks at the bar, I saw you for the first time today, and it instantly made me feel that I had lived for nothing in the past twenty years."

The girl smiled a little embarrassedly: "You are pretty good, do you talk to girls less often?"

Wu Qi shook his head repeatedly, and said solemnly: "I am actually quite shy and don't dare to talk to girls, but the feeling you give me is so special. I hesitated and struggled for a long time by myself before finally deciding to come over and say hello to you."

With that said, Wu Qi deliberately exposed the Vacheron Constantin watch on his wrist.

This watch, worth more than seven million, is an extremely rare limited edition.

But to Wu Qi, this kind of watch is nothing at all. There are several more expensive watches in his family, each worth tens of millions.

The girl recognized this piece of Vacheron Constantin at a glance, was surprised for a moment, and hurriedly pretended not to see it, and said with a grin: "Since we are so destined, why not drink two glasses together?"

Wu Qi smiled slightly and said, "I will invite you tonight."

After speaking, he immediately beckoned and said to the waiter: "Here, the two best ace of spades champagne."

Ace of spades sells for more than 20,000 in the bar, which can be said to be the most expensive champagne.

Chapter 452

Seeing that he was so generous, the girl's defense had almost completely collapsed, she just waited to learn more about Wu Qi, and then went further.

At this time, Wu Qi's cell phone rang suddenly. He looked down and found that it was Yuesheng's call, and he couldn't help but frown.

Why isn't this woman going to die? What annoying!

Seeing him with a weird expression, the girl asked curiously: "It's not your girlfriend's phone call, right?"

"No, it's not." Wu Qi hurriedly explained: "Ex-girlfriend, she cheated, but she has been pestering me."

After speaking, he sighed and said: "Hey beauty waits for me, I will be back when I answer the phone."

"It is Okay."

Wu Qi took his cell phone and went out of the bar. Then he got on the phone. As soon as he opened his mouth, he cursed: "Why are you filthy girl calling me? Isn't the insult and humiliation you brought me enough?!"

Yuesheng was turning on the speaker at this time, and Charlie felt annoyed when he heard this.

This b@stard is really giving his own psychological hints all the time! Just want Yuesheng to feel dirty, want her to give up her life!

However, he did not expect that Yuesheng was actually completely free from his psychological hints at this time.

But Yuesheng still obediently followed Charlie's instructions and said: "Wu Qi, I am ready to die. Only if I die can you be free from the humiliation..."

Wu Qi said impatiently: "Then you go quickly, don't f*cking hurt me again!"

Charlie typed a string of words with his mobile phone and handed it to Yuesheng.

Yuesheng read the words on Charlie's phone and said, "Then can you come to meet me by the artificial lake of the school? Before I leave, I still have gifts to give you..."

Wu Qi immediately said: "No! I don't want to see you again, seeing you will make me feel sick! It makes me nauseous, makes me want to vomit, makes me want to draw my own face, and asks how I fall in love with some Dirty woman like you!"

Yuesheng said, Charlie sent another string of words at this time.

She read as she read: "Since you don't want to come, let's break up. From now on you will take your Road and I will cross my single-plank bridge. If we meet at school, I hope you can pretend not to know me. Thank you."

Wu Qi was stunned.

what's the situation? !

Hasn't Yuesheng been brainwashed by him? !

How could she suddenly wake up? Why is she so calm about breaking up with him?

d*mn it, isn't this slap in the face? ! Haven't all his previous efforts been abandoned?

So he hurriedly begged: "Yuesheng, how could you be so cruel and hurt me, and then leave me, are you really going to break my heart?"

Yuesheng looked at Charlie's cell phone and read the lines Charlie wrote to her, and said, "Don't you hurt my heart? I'm ready to die. My only wish is to see you again before I die. On the one hand, if I give you a gift, why can't you promise me? If you don't promise me, then I can only break up with you!"

When Wu Qi heard this, he blurted out immediately: "Don't! Don't break up with me! You want to see me, right? I'll see you now! On the artificial lake, right?"

Yuesheng gave a hum, and said, "Yes!"
