

## Chapter 4511

And Charlie, due to the early retraction of aura and attention,  
Until the moment the bullet whistled through the door of his box,  
Only then instantly realized that something big had happened outside!  
Between lightning and fire, he thought a lot in his head.  
Who was the enemy? Who was the target? Is the grandparents' family next door be in danger?  
In this instant, he looked at Claire, who was still immersed in watching the opening video,  
And almost without thinking, he used an aura to point into the back of her head,  
And Claire instantly lost all consciousness and collapsed on the sofa.  
Then he immediately made a rollover,  
A huge explosive force allowed him to instantly jump from the sofa,  
And rushed to the floor-to-ceiling window in front of the box and the next moment to the door.  
The moment he opened the door of the compartment inward, two bloody corpses just fell in the doorway!  
The special Dum-Dum bullet's power is too terrifying, hit on the wrist,  
It can blow off the wrist, hit on the arm, and the whole arm will be torn apart,  
Hit on the chest cavity, in the front is a small thumb-sized hole,  
While the back, it is larger than the bowl cavity, the original meridian,  
As well as the internal organs being blown into pieces, it is all miserable!  
The miserable state of the two people made Charlie's heart angry.  
Sure enough, no martial virtue!  
As they say that killing is so easy now, martial virtue is not enough these days,  
But that too with such a cruel saturation attack, simply do not even give the opposition an intact dead body.  
Since the door of Charlie's box opened inward, and there was no light on inside,  
So the other party's attention at this time is not on Charlie's room.  
The leader of the men came from a distance while sneering recklessly:  
"What kind of bullshit eight-star martial artist are they, even worse than dogs!"  
"Next time we change to 7.62 special armor-piercing ammunition,"

“Even a Ming realm Grand Perfection martial arts expert will be fcuking smashed to pieces!”

At this time, that eight-star martial artist still kept his last trace of consciousness,

Even though his body was beaten into a sieve.

With his last breath, he reached out and pushed open the compartment where the An family members were,

And then he lost consciousness and fell into the room with a crash!

At the last moment, before he died, he thought that he must inform the family head,

Even if it was just a few seconds in advance so that the family head could be prepared.

Otherwise, with the soundproofing in the room, and the professionalism of this gang of humongous bandits,

The An family members would likely die without even knowing to look back.

The moment he pushed open the door, light instantly flooded in, the An family members,

Who were immersed in the opening video, realized the light coming from the back and turned their heads,

This look did not matter, everyone was instantly shocked to the core,

While several women and children were already screaming out in fear!

At this time, in the opening video, the fierce star wars was also settled,

The sound of explosions, and the roar, all disappeared,

And the video of that female warrior alone fleeing through the wormhole, the scene was also a lot quieter.

At this time, the screams of several female members of the An family seemed extremely ear-piercing.

However, the VIP area itself has excellent sound insulation,

Plus the outside is not completely quiet, so this scream, it is impossible to be heard by the people outside.

Marshal was the most responsive at this time, he fiercely pulled a hand at Marcus and shouted:

“Marcus! You block the front with me!”

Marcus did not even think about it, gritting his teeth and roaring, “Okay! Kill us both first!”

Nicolas said out of the blue, “Marshal! Don’t be impulsive, negotiate the terms!”

“No matter how much money they want, say yes without thinking!”

“The whole family is here tonight, we can’t afford to gamble or lose!”

These words of Nicolas made the three sons of the An family's scalp tingle.

As their father said, today, the two oldest members of the An family,

As well as their four children were all here.

In addition, there are three daughters-in-law and several grandchildren.

If today's crisis does not pass, the An family's old, middle and young three generations, will be wiped out

And under the nest, how can there be a perfect egg!

If the other side succeeds today, the remaining grandchildren who were lucky not to come, how can they escape their pursuit?

### **Chapter 4512**

At this moment, at the end of the corridor outside the door!

When the leader of the bandits saw that all four martial arts experts died in one shot,

He immediately took off his helmet and shouted excitedly in the corridor:

"Nicolas An, don't struggle in vain, all of you must die tonight!"

When Nicolas and the others heard this, their faces were instantly ashen.

It seems that this is not a kidnapping, not blackmail, but a long-planned murder!

Nicolas was in tears, he had been a great man all his life,

But he never thought that in his later years, he would suffer the disaster of extermination.

Now, even if the An family has trillions of dollars, what can they do?

Can they return the lives of his children and grandchildren!

At this moment, the other An family members were also completely desperate.

They all instantly recognized the reality, today's situation, it is already a certain death!

Four martial arts masters had already been killed,

How could they, a group of ordinary people with no power will escape?

At this moment, a group of bandits had already rushed to the door.

The leader of the group took a big step forward and stood at the door,

Coldly looking at the panicked An family in the room, he sneered,

"Oh, so many people, I'm sorry, I'm going to kill them all!"

After saying that, he picked up his gun, pointed it at Nicolas, and asked with a cold smile,

"Nicolas, what final words do you have?"

Nicolas stood up and said without any condescension,

“I don’t know where I have offended you, but if you really have a grudge against me, please spare my family!”

The man sneered and said with extreme contempt,

“I want to kill not just you, but each and every one of you!”

After saying that, he said in a stern voice:

“No more nonsense with you, I’ll send you on your way now!”

At that moment, a figure suddenly appeared on his right side, followed by a cold voice:

“If you want to send them on their way, have you asked me about it?”

The one who spoke was none other than Charlie!

The man at the head, as well as the soldiers behind him with loaded guns,

They were all startled by Charlie’s sudden voice.

They had already known that there were two unlucky people in the next room,

And were planning to go over and finish them off after killing the An family members,

But unexpectedly, the person in that room came out of his own accord!

He even dared to say such arrogant words!

It’s like playing lanterns in a sh!thole, looking for death!

The leader of the men turned his head to look at Charlie, shocked,

But also could not help but sneer:

“Kid, even if you are looking for death, but also have to come first!”

“Don’t worry, you’re behind them, I’ll send you on your way after I kill them myself!”

After saying that, he was ready to pull the trigger to shoot all the An family members!

At this time, Charlie said in a cold voice:

“A mere mole, you are also worthy of shouting in front of me,”

“Do you really think that with a burning stick in your hand, you are invincible?”

After saying that, a cold light flashed in his hand, and an invisible sharp blade flew out!

This cold light is Charlie’s soul-piercing blade!

The man in charge did not expect Charlie to be so arrogant,

But before his anger could cause some action, he suddenly felt a sharp pain in both arms!

Immediately after, the gun in his hands, but also his hands, wrists, and half of the arm, fell at the same time!

When he looked at his arms, they were already broken from above the elbow joints!

The wound is neat, as if by the invisible gate knife instantly moved with elegance,

Blood from the flat incision immediately gushing out!

His two broken arms, at this time, are like two pesticide sprayer nozzles.

Only, what this sprayer sprayed is not a pesticide or medicine,

But his body fluid that is 36.8 degrees hot, the fresh warm dark red blood!

### **Chapter 4513**

The intense pain, as well as the two pieces of high-pressure blood mist in front of him,

Made the leader of the attackers terrified to the extreme!

Because of the unbearable pain, he just opened his mouth and screamed,

And then his screams stopped abruptly!

This is because he is horrified to find that on the other side of his body,

There are six men standing in front and behind overlapping, each of them,

Without exception, the left shoulder cut off in unison!

The most horrible thing is, that not only the six people's left shoulders are chopped off,

Even their hands are chopped at the same level as the gun is held, also neatly sliced!

His expression got suddenly horrified beyond compare!

The other attackers around him, as if they had seen a ghost,

Looked at Charlie with jaws agape, unable to figure out whether he was a human or a ghost!

At this time, the An family in the box, with their own eyes,

Saw the man's arms being cut off instantly, two steams of blood mist gushing in through the door,

Everyone was horrified to the extreme, not knowing who this sudden appearance of the god of killing was.

However, although they were completely stunned by this sudden scene,

An uncontrollable excitement surged deep inside them.

The excitement was because one second they were at the mercy of others,

And could be shot to death at any time, and the next second,

A strong mysterious person suddenly appeared to protect them.

This made them see the light of life in the midst of the desperate situation of death.

At this moment, the leader of the attackers did not care to deal with his wounds,

Fear reaching in his heart to the extreme he looked at Charlie,

His voice with obvious trembling asked: "You ..... What exactly are you ..... What kind of person ....."

Charlie smiled faintly and said disdainfully:

"Really wanton huh, a mere mole that can not even hold a burning stick, and how worthy to ask of my identity?!"

The man's body trembled at Charlie's smile and yelled, "Shoot! Kill him!!!"

In his eyes, bullets were the best weapon!

At this time, the foremost few people subconsciously raised their guns and shot at Charlie.

While Charlie did not even blink, said in a cold voice:

"More burning sticks are still just burning sticks!"

For him, without the abundant spiritual energy provided by the Cultivation Pill,

It would have been impossible for him to continuously resist the saturated attacks of more than ten assault rifles.

However, since the Cultivation Pill was refined and his body's spiritual energy had improved greatly,

His strength was no longer able to be shaken by such ordinary weapons!

He did not move, but concentrated his aura in front of his body, forming an invisible barrier.

Numerous incoming bullets with powerful kinetic energy gushed out,

Rushing towards Charlie at nearly the speed of sound!

At one time, the silencer dull sound of gunfire,

And the sound of shells constantly thrown out in the air, together forming wonderful mechanical music.

The gang's magazines were instantly emptied,

Almost simultaneously emitting the crisp sound of an empty chamber hanging up.

Just when they thought they were sure to win, the next second,

The situation in front of them made everyone on the opposite side scared out of their wits!

Because!

They found!

All the bullets they shot!

It was as if they had been cast a fixation spell, an instant stagnation in front of Charlie!

The weakness of eight-star martial artists is that their true qi, their strength,

It is not yet able to open up an absolute gap in level with modern firearms.

But!

What eight-star martial artists can not do, Charlie can do!

The strength of the aura has long exceeded the powerful kinetic energy carried by the bullet!

It's like the hard steel armor, never can plastic toy gun bullets could pierce!

The strength of the aura is already in an absolute crushing position!

A crowd of people almost collapsed, a little less psychological quality, the legs have begun to go weak.

At this time, Charlie sneered, "Now it's my turn, right?"

This one sentence caused everyone to fall into an ice cave!

They had already seen the terrifying strength of Charlie, with a single chop in the void,

He was able to cut off seven people and eight arms, and the people present were no match for him!

The last in line, at this point, has even turned around and is ready to escape!

But, Charlie would not give them the opportunity!

They just used saturation attacks in this straight corridor,

Leaving the four martial arts experts of the An family nowhere to hide.

#### **Chapter 4514**

After only a few dozen seconds, the wind and water had taken a turn!

Now, they also experienced the despair of those four martial arts experts!

Charlie's expression was cold as he shouted coldly, "Want to run? Can you run away?"

Saying that, with a cold gaze, a soul-piercing blade moved!

And at the height of an ordinary adult's knee, it was instantly released!

The leader of the attackers who just lost both arms,

Before he had time to scream, he felt a sharp pain in his legs and knees!

He subconsciously wanted to look down, but his center of gravity shifted,

And his entire body, along with his thighs, slid straight down from above his knees!

Immediately afterward, he fell to the ground with a crash!

This heavy fall made him almost faint from the pain!  
But before he had time to wail, he saw an even more terrifying sight!  
All of his men, without exception, had their legs cut off!  
At this moment, more than twenty people seemed to be twenty leeks,  
That had been cut off, falling to pieces and looking miserable!  
The strong smell of blood instantly filled the entire aisle,  
And even the An family members in the box smelled the strong smell of blood.  
Only, at this moment, they, being inside the room, could only see,  
The man at the head of the doorway with his limbs chopped off.  
Apart from that, they could neither see Charlie on the left side of the door,  
Nor could they see the miserable state of the remaining two dozen people on the right side of the door!  
But even so, the leader of the attackers' ghost-like appearance at this time,  
Also, let the people of the An family who have seen a lot of trepidation,  
The family's women have even all dodged and not dared to look directly at.  
At this moment, the head of the man's heart has been fearful to the extreme.  
He stared dead at Charlie and asked with wide eyes, "You ..... Who the hell are you ....."  
Such strong strength ..... Impossible ..... It can't be a martial arts expert!"  
Charlie said contemptuously, "Who am I, a mole like you is not worthy to ask!"  
After saying that, he looked at him and said in a cold voice:  
"Tell me honestly the mastermind behind the curtain, and I can give you a painless ending,"  
"Otherwise, I will make your life worse than death!"  
The man laughed miserably, "You are very strong, but my life, will not be in anyone's hands!"  
After saying that, he shouted: "Brothers, today I am the one who dragged everyone to death here, sorry!"  
"But you do not need to be afraid, the organization will not treat your loved ones badly,"  
"You can rest assured, I will go first, see you on the other side!"  
The others instantly shouted as if they had been beaten with chicken blood, "I would like to go with you!"  
As soon as the words fell, all of them, without exception,

Bit down hard on an artificial molar deep in their mouths at the same time.

In this group of people, each one of them has pulled out one of their molars early.

Usually, this molar position has been open,

And every time during the action, they will be a denture filled with highly toxic cyanide in this missing position.

And this denture will be slightly higher than the other teeth,

Once the unexpected event happens, this denture can be crushed with a forced bite.

Once the tooth is crushed, the poison,

Which is enough to kill at least ten adult males, and will be released instantly.

The excessive amount of venom will make them die quickly in a few dozen seconds!

And, they will hardly experience any pain.

And this is the shut-up drug they use to kill themselves when the mission fails.

With it, they can avoid being captured alive, and avoid being tortured in various ways.

These attackers were all very clear about their fate at this point,

So, for them, suicide was definitely the best option right now!

So, these two dozen people, almost at the same time, bit down on the dentures in their mouths.

The poison that was instantly released made each of their faces,

In an instant, turn iron blue, and their bodies twitch violently.

The man at the head looked at Charlie, laughed miserably, spitting white foam in his mouth,

But still sneered with a contempt that was visible:

“You ..... You are indeed very strong ..... But ..... I ..... I said .....”

“My life, will not ..... will not be in the hands of ..... in anyone’s hands!”

“My life is mine ..... Not by the sky!!!”

Charlie saw him almost dying, the corners of his mouth showing a contemptuous smile,

At this time he coldly asked: “Want to die? Without my permission?!”

The man at the head heard Charlie’s words while laughing miserably and spitting out a mouthful of blood, sneered:

“You ..... Do you really think ..... Really think you can dominate everything even now?!”

Charlie sneered and said indifferently:

“I dare not say that I can dominate all things,”

“But to dominate your life and death is as easy as moving a hand!”

### **Chapter 4515**

After saying that, Charlie instantly waved his hand!

In an instant, several aura voids struck, and instantly shattered the entire corridor lamps!

The whole corridor suddenly fell into darkness!

At this time, the carefree Charlie rushed a step, his fingers pinched the man’s shoulder blade.

At the moment when he was about to die of poison,

Charlie sent a trace of spiritual energy into his body to quickly gather up the toxins.

That was spreading in his body and sealed them completely with the spiritual energy.

The man had felt the poison gradually stiffened his body,

His breathing, heartbeat, and thinking were almost stopped,

and also felt that his whole body had entered a state of near-death.

At this time, he had already lost the pain in his limbs,

And his whole expression even surfaced a few moments of tranquility.

For him, taking poison and dying at this time, it felt like a kind of good death.

However, immediately afterward, this feeling of his near-death...

Was unexpectedly drawn out from his body rapidly by a mysterious force!

The stiffness of his body disappeared!

The rate of breathing and heartbeat also rapidly increased!

The tremendous pain from the wounds in his limbs also began to return rapidly!

At this moment, he was not only shocked but also desperate!

Because what Charlie did, in his opinion, was like a miracle!

At this moment, the other attackers had all died of poison,

And the only one who was still alive was the one in charge.

Charlie looked at him with a playful face and asked:

“What did you say just now? Your fate will not be in the hands of anyone?”

“Your life is up to you? I’m telling you, here! I am the sky!”

The man looked at Charlie with wide eyes and asked in despair,

“You ..... How on earth did you do that .....

Charlie coldly said, “Now is not the time for you to ask me questions!”

After saying that, he immediately used his aura to stop the blood from the wounds on his limbs,

And at the same time put him into a complete coma.

After doing all this, he stood up and stood at the door, saying to the An family members in the room,

“No one should come out until the show is over!”

The An family could only see a tall black shadow standing outside the door,

And everyone wanted to see the dark figure’s features clearly,

But the light was too dark, so it was impossible to see clearly.

Nicolas subconsciously asked: “I do not know the name of the benefactor,”

“Today’s life-saving grace, the An family will be devoted to repay!”

Charlie said indifferently:

“No need, please be more careful in the future, next time, you may not be so lucky!”

Nicolas said, “Your Excellency! Today you saved more than ten members of the An family,”

“So please give me a chance to repay your kindness!”

Charlie shook his head: “No need to repay the favor, I just saw the injustice and helped out.”

Seeing that the other party was unwilling to reveal his identity,

Nicolas also realized that he should not continue to ask questions inappropriately,

So he could only say gratefully,

“Then on behalf of the entire An family, I would like to thank you for your great kindness!”

Charlie was busy saying, “No need! Most of you are old enough to be my elders, so don’t bash me.”

Marshal remembered something and hastily asked, “Your Grace, I dare to ask you something .....

Charlie said indifferently: “You say it.”

Marshal said: “I want to go to confirm the situation of a friend of mine,”

“Before this event, he just left from here .....

“My phone somehow lost signal, the phone can’t even call 911 .....

Charlie frowned slightly, knowing that he was talking about a friend must be Duncan,

So he released his aura out, a slight probe, and explored the situation of Duncan.

At this time, Duncan’s body is already hopeless.

Although only two or three minutes have passed since he was shot, but Charlie is at his wits' end.  
His body suffered extremely serious trauma, the body, including the heart,  
A number of important organs have been completely destroyed, not to mention the rejuvenation pill,  
Even if Charlie took out the Cultivation Pill, it is impossible to save his life.  
So, he said indifferently, "No need to confirm, he is already dead."  
"What ....." Marshal's whole person was in grief and said offhandedly,  
"He ..... His daughter just got pregnant ....."  
"His wife and child are waiting for him ..... How can he die ....."  
Charlie said seriously, "He is dead for sure."

### **Chapter 4516**

Nicolas also burst into old tears and choked,  
"I caused this ..... It's me who harmed him ....."  
"How can I explain to his widow and orphans ....."  
"How can I explain to my old brother who has been gone for many years ....."  
Saying so the whole spirit of the person, as if at this moment lost most of the half.  
Charlie is more or less sorry for the death of Duncan.  
This person has been investigating the Cataclysmic Front but after all,  
It was also his duty, and he has been a police officer for many years,  
His reputation was really good, should not have met such a fate.  
It's just that people die like lights.  
Things have come to this point, it is now beyond Charlie's ability,  
Even if he wanted to save Duncan, there is no way.  
It can only be said that his fate has this disaster that can not be avoided.  
But at this moment, Charlie vaguely felt that Duncan's body,  
There seems to be some kind of fluctuation.  
So, he immediately released more aura probe,  
Surprised to find that Duncan's brain, at this time is not completely dead.  
Perhaps the two or three minutes of time hadn't completely deprived Duncan's brain of oxygen,  
Or perhaps the desire to live in Duncan's consciousness was too strong,

Allowing his brain to persist until now.

In short, his brain still retains the last ray of life.

However, his body had been almost completely destroyed,

And Charlie did not have the ability to bring him back to life.

Suddenly, a thought flashed through Charlie's mind.

At the beginning, Nanako's father, Ito Yohiko,

After the amputation of both his legs, Charlie also felt sorry for him.

However, regret is regret, Charlie also has no way to make the broken limbs re-grow.

Broken limbs can not regrow, which completely destroyed other organs,

Naturally, it is also impossible to regenerate.

But!

In the Nine Profound Heavenly Secrets, there was a clearly recorded elixir that could make organs grow again.

The level of this elixir was even higher than the Cultivation Pill.

It could make all of one's body organs, except for the brain, grow back.

As long as this elixir could be refined,

It would allow Ito Yohiko's amputated legs and feet to grow back and fully recover as before.

So, with this medicine, it is natural that Duncan's body can also be reborn.

However, Duncan's body is severely damaged, and brain death is estimated to be a matter of minutes.

Within a few minutes, it was impossible for Charlie to refine that kind of elixir no matter what.

Not to mention his current strength is not enough, even if the strength is enough,

To gather the herbs, do not know how long it will take.

And Duncan is not like Ito Yohiko, both legs were amputated,

But can still live in a wheelchair and live until this kind of elixir is refined by Charlie.

Therefore, if he really wants to save Duncan,

He can only use aura to protect his brain first, as well as his badly destroyed body,

So that his brain stays alive and his body stays undecayed.

In this way, it would be possible to maintain his current physical condition all the way through.

However, Charlie's spiritual energy was not endless.

To maintain such a broken body is simply a bottomless pit,  
Maintaining a day or two, a month or two may be possible,  
But if he has to maintain it for a year or two or even longer, he can not do it.  
Unless the days ahead guard his body and replenish his aura every few days,  
It would still be impossible for this person to survive.  
Thinking of this, Charlie almost gave up in his heart.  
Perhaps, this is Duncan's destined calamity.  
However, when he thought of the conversation he heard between Duncan and his grandfather in the box,  
Charlie couldn't help but feel sorry for him.  
At this time, Charlie's mind suddenly thought of a highly feasible plan.  
Although this plan was a bit radical, a bit risky,  
and a bit pie-in-the-sky, it could leave a ray of hope for Duncan!  
So, with a slight beat, he said to the An family:  
"The situation outside is too bloody, you must not leave this door until the show is over!"  
"In addition, after leaving this door, do not tell anyone about today's incident!"  
Marcus said, "Your Excellency, so many people died tonight,"  
"And a famous detective ..... How can this matter be concealed ....."  
Charlie said blandly: "You do not need to worry about it, I will solve the matter."  
After saying that, he remembered something and spoke to Marshal:  
"The body of your friend, I will have someone take away for a thick burial,"  
"But you can not reveal his death to the public, at least not yet."  
Marshal subconsciously said, "I have to give an account to his wife and children ....."  
Charlie said lightly: "Say he disappeared, say he ran away with someone,"  
"Or say he threw himself into the sea, in short, do not tell anyone that he died here tonight!"  
"As for whether his wife and children will believe, this is your problem, figure it out yourself!"

#### **Chapter 4517**

Charlie's icy cold order made Marshal's heart deep in grief.  
Duncan was his good brother, they grew up together, today his good brother died,

Because of his own family's affairs, he could not even tell his family about his death,  
This makes him deep down unable to accept this.

However, he is not that three-year-old child, or like those,

Who have not experienced the social beatings of the giant baby,

He knows very well that the current situation has been completely out of his hands.

To survive is already the greatest luck, what else can you ask for?

The only thing he can do is to do everything possible,

To make up for Duncan's family after today's events have passed.

So, he could only nod honestly and say, "Thank you, my lord,"

"I understand, I will definitely follow your orders!"

The reason why Charlie used such an unquestionable tone was to cut off,

Marshal's other thoughts, and make him do exactly what he asked.

Seeing that he had accepted the reality at this moment, he very simply closed the door.

Afterward, he took out his cell phone and walked in the direction of the elevator entrance,

While making a phone call to Joseph.

Once the call connected, Joseph's voice came through: "Mr. Wade, what are your orders?"

Charlie asked him, "Joseph, you arrange all the manpower left in New York to come to Miss Gu's performance venue,"

"Just now more than twenty armed men came here to snipe the An family members,"

"Basically they were all killed by me, I need you to help me deal with c0rpses."

After hearing this, Joseph asked with a horror beyond measure, "Mr. Wade are you okay?!"

"I'm fine." Charlie blandly said, "It's just that,"

"There are too many c0rpses and it's troublesome for one person to handle them."

Joseph was busy saying, "Your subordinate will bring someone there!"

Charlie asked curiously, "You haven't left New York yet?"

Joseph said, "Back to Mr. Wade, I haven't left for the time being,"

"It just so happens that there is an equipment dealer in New York that,"

"I have been working with him for many years,"

"And I plan to purchase a batch of heavy equipment to be shipped to Syria."

Saying that he hurriedly added,

“Mr. Wade, most of the soldiers of Cataclysmic Front have already departed this morning to Syria,”

“Now there are only a dozen people on hand, is that enough?”

“It’ll work.” Charlie lightly said, “I asked Stella to send some men over,”

“She is a New York sitter, manpower should not be a problem.”

Joseph gave a sigh of relief, then said,

“Then, Mr. Wade, wait for a moment, your subordinate will come over.”

Charlie hmped and spoke: “Then, prepare more body bags, I’ll wait for you here.”

As he was talking he had already arrived next to Duncan’s corpse.

He hung up the phone, took off the thin jacket he was wearing, and covered Duncan’s body,

And then sent a few auras into his body to maintain his current state.

After that, he picked up the phone again and called Stella.

Stella on the other end answered in almost a second,

And said with a bit of surprise in her voice, “Mr. Wade!”

“It’s me.” Charlie opened his mouth and asked,

“Miss Fei, I have something I need your help with.”

Once Stella heard Charlie say that there was something he needed her help for,

She said almost without thinking, “Mr. Wade, please say it,”

“As long as it is something I can do, I will definitely do anything!”

Charlie said, “I’m at Miss Gu’s performance venue, and I’ve encountered a small situation here,”

“I need you to bring enough people to block the entire VIP entrance and exit.”

Stella did not hesitate to say,

“No problem Mr. Wade, I’m closer, I’ll bring people over right away!”

### **Chapter 4518**

As soon as he hung up the phone, Sara’s concert also officially began.

Sara, who was totally unaware of what was happening,

Made a shining appearance in a futuristic warrior costume,

And the entire audience of fans shouted wildly in excitement.

Charlie saw that the show started normally, so he was a little relieved.

The best solution to tonight's matter is to clean up the mess here,  
While the show is going on normally, and not to draw outside attention, let alone attract the police.  
Otherwise, once the panic is triggered, tens of thousands of people will attempt to flee,  
And for sure triggering a stampede, do not know how many people have to die.  
As long as the scene is basically handled here, tomorrow let Tasha announce that the venue is closed for upgrading,  
And then in the VIP area, the floor and the wall ceiling will all be removed,  
All landfilled, otherwise, today so many people, so much blood,  
Even if it is washed clean, the floor crevices, and the depths of the wall will always have DNA residue.  
The only way to handle is to make sure the whole place has no evidence of death.  
Ten minutes later, Stella arrived at the scene in a flash.  
She brought dozens of bodyguards to directly block the entrance and exit of the entire VIP area,  
Then she took the elevator to the upper floor, and as soon as the elevator door opened,  
She saw Charlie standing here, as well as the corpse of Duncan on the ground.  
Since Charlie was using clothes to cover the severely injured upper torso,  
And did not cover Duncan's face, Stella recognized him at a glance and exclaimed:  
"Mr. Wade ..... You ..... You killed Inspector Li?!"  
Charlie shook his head and said blandly: "I really didn't kill him, the murderer's body is inside."  
Stella almost subconsciously wanted to go in and take a look,  
Charlie stretched out his arm and stalled her in the front, faintly saying,  
"The scene is too bloody, you better not go."  
Stella pursed her lips and said,  
"Mr. Wade, my people are guarding below, why don't I call them up to help you!"  
Charlie shook his head and said, "No need, Joseph will bring someone over later to dispose of the corpses,"  
"Your people are only needed to help me guard the entrances and exits here,"  
"Including the entrances and exits on the first floor leading to the inner arena and backstage,"  
"All of them should be blocked, except for the people of the Cataclysmic Front,"  
"No one else is allowed to come in, including the staff of the show, and the Police."

“Okay!” Stella immediately said solemnly, “Don’t worry, Mr. Wade, I’ll arrange it right away.”

After saying that, she took out her cell phone and instructed Charlie’s order to her bodyguard.

Only then did she say to Charlie, “Mr. Wade, there are a few corpses in the lobby on the first floor,”

“All of them were shot to death, and they look like staff members.”

Charlie nodded and said, “The other party killed all the way up, they must have killed on sight.”

Stella asked, “Mr. Wade, were these people coming for you?”

Charlie shook his head and said, “They came for the An family,”

“A large number of An family members are here today to watch the show.”

Stella’s eyes widened and she asked offhandedly, “Your grandparents’ entire family is here?”

“Yes.”, Stella asked, “Then are they okay?”

Charlie said, “Yes, a little shocked, now still in the box.”

Stella asked in a low voice: “Then ..... Then have you identified with them?”

In Stella’s opinion, Charlie’s current comprehensive strength had basically reached its peak,

And if he could identify with his grandparents’ family, then no one could even look up to him.

“No.” Charlie smiled blandly and spoke, “Fortunately, I had a bright idea,”

“And broke all the lights in the corridor, so they shouldn’t be able to see me.”

Stella looked surprised and asked offhandedly,

“Mr. Wade ..... This time, although the situation is very dangerous,”

“But also a very good opportunity to identify .....”

“Why don’t you take advantage of this opportunity and go with the flow?”

Charlie smiled to himself and sighed: “Instead of wanting to push the boat with the current,”

“I now want to pull the boat in, or even let the boat go upstream .....”

“Against the current?!”

Stella was even more surprised when she heard Charlie’s words.

She really couldn’t understand why he was so resistant to identifying with his own grandfather.

## **Chapter 4519**

At this time, Stella received a phone call, and the person on the phone said,

“Eldest Miss, Supreme Commander Joseph Wan of the Cataclysmic Front has arrived and has already brought someone in.”

“I know.” Stella answered and said to Charlie, “Mr. Wade, Supreme Commander Wan is here.”

As she was speaking, the lights of the two elevators flashed,

And a moment later, the doors of the two staircases opened,

And Joseph rushed out with more than ten soldiers of the Cataclysmic Front.

When he saw Charlie, he led and arched his hand, “Mr. Wade, I’m late!”

The soldiers also immediately arched their hands and said in unison, “I’m late!”

Charlie blandly said, “You all have come very quickly.”

Joseph hurriedly asked, “Mr. Wade, how is the situation now? What do I need to do?”

Charlie spoke: “There is a bandit with broken limbs still alive, take him away,”

“I still have something to ask him, the rest of the people inside are dead,”

“You take all the bodies away and dispose of them properly,”

“Then clean up the blood and bullet marks at the scene.”

Joseph’s expression was astonished, and he said, “Then we will start to deal with it now.”

Then, he immediately led his men to the corridor.

The corridor was pitch black at this time but after all,

Joseph was an eight-star martial artist with extraordinary strength,

So he could see very clearly even though the light was faint.

When he saw the scene, the whole person was dumbfounded.

He has seen piles of dead people, but such a bloody scene, for him it is the first time.

The other Cataclysmic Front soldiers are also hard to hide the shock,

The rich smell of blood is all over, so everyone has some physical discomfort.

Joseph was the first to come back to his senses and said in a cold voice,

“Prepare the body bags, fill them up with the dead ones.”

“Okay!” The people nodded and immediately took out the black thickened body bags from their pockets and started to handle the corpses.

As each corpse was put into a body bag, Joseph’s heart became more and more shocked.

What shocked him was not the bandits whose legs had been cut off by Charlie,

And who had taken poison to commit suicide,

But the four martial arts experts with extremely high cultivation levels.

These four martial arts experts, each of them was completely disfigured by the bullets,  
And it was not an exaggeration to say that each of them had at least thirty to forty bullet holes in their bodies,  
And almost no part of them was intact from head to toe.  
Even, Joseph could only tell from their mutilated c0rpses that one of their meridians was open,  
But could not determine how many stars they were,  
Because most of their meridians had been shattered by the bullets.  
After all the c0rpses were put into the body bag, Joseph tugged the collar of the one,  
At the head and stuffed it into the body bag as well, while instructing the others,  
“This one is still alive, take it away separately, Mr. Wade has other uses for it.”  
“Okay!” The handlers nodded hastily and made a mark on this body-shrouded bag.  
These soldiers of the Cataclysmic Front moved quickly,  
And in a few minutes’ time, nearly thirty c0rpses were all packed.  
After that, they started to carry these body bags downstairs through the elevator.  
As they stood in the pool of blood for too long, when they walked out,  
They left large blood-red footprints on the ground outside.  
Stella saw the way these people from Cataclysmic Front were all covered in blood,  
With a strong smell of blood on them, so she didn’t need to see it to think how tragic the situation inside really was.  
Joseph came to Charlie and said, “Mr. Wade, the c0rpses are loaded,”  
“We will immediately arrange for the first transfer out of New York,”  
“And then arrange for someone to transport them to the high seas as soon as possible to dispose of them,”  
“As for the one who is still alive, I will send him to the villa first and lock him up.”  
Charlie nodded: “Good, thank you all for your hard work.”  
Joseph opened his mouth and asked, “Mr. Wade, there are still four martial arts masters inside,”  
“I wonder what their cultivation level is and why they died so badly?”  
Charlie said indifferently, “A six-star martial artist, two seven-star martial artists, and an eight-star martial artist.”  
“Eight-star martial artist?!”

## Chapter 4520

Joseph's jaw dropped in disbelief.

One should know that the highest martial artist is only eight stars,  
Which corresponds to the martial artist's eight odd meridians,  
And those who have opened the eight odd meridians are eight-star martial artists.  
And Joseph now is only a small realm higher than the eight-star martial artist.  
An eight-star martial artist would die so tragically, this really left him unable to digest!

Charlie saw his astonished expression, so he asked:

"Is it that you didn't expect that an eight-star martial artist would die so miserably?"

"Even the sky spirit cover was shattered."

"Yes ....." Joseph said incomprehensibly, "I'm not going to hide it from you, Mr. Wade,"

"Your subordinate really can't figure out why these four people would die so tragically ....."

"Such strong strength, ordinary people should be difficult to get close to them right,"

"And they are supposed to be bodyguards, the sense of prevention should be very strong,"

"They should not give the other side the opportunity to get close to shoot ....."

Charlie coldly said: "Joseph, this is your bones as a martial artist's high arrogance,"

"You always think that martial artists are very strong,"

"But you have not thought that martial artists also have a lot of shortcomings."

Saying that, he asked him, "If more than twenty people suddenly appeared at the end of this corridor,"

"With nowhere to hide and they saturate you with fire, how many rounds do you think you can survive?"

Joseph seriously said, "I think I should be able to spot each of them before they appear,"

"After all, they are not eight-star martial artists, it is impossible to hide their breath and movements."

Charlie asked again, "Then what if the other side took advantage of the show just about to start,"

"Outside the sound is full of cosmic war explosion roar?"

"You can still sense the other party's breath and movement?"

"This ....." Joseph's expression was austere, ashamed to say:

"If that's the case, then I should not be able to do ....."

Charlie asked him again, "If more than twenty people suddenly appeared and used powerful modern firearms,"

"To shoot six or seven hundred rounds of bullets in a few seconds, could you stop them?"

"This ....." Joseph's expression was even more shocked,

And he froze for a long time before shaking his head and saying,

"If it's six or seven hundred rounds of bullets in a few seconds, I ..... can't stop ....."

Charlie said: "I do not know if you look at the details of the firearms they use,

Each of them under the gun inserted on the magazine, tape tied to the opposite direction of the magazine,"

"After the bullet is shot, just need to pull out the magazine, then go for a reverse re-insertion,"

"Two or three seconds later, you can again shoot six or seven hundred rounds of bullets,"

"This kind of firepower, in this kind of aisle can not be avoided,"

"Not to mention this kind of firepower, in this kind of aisle where there is no way to hide,"

"Not to mention an eight-star martial artist, even a martial arts expert like you,"

"Who is at the full circle of the Ming realm, can't resist."

Speaking of this, Charlie lamented: "This is like the African hyena group hunting,"

"Although the tricky, but as long as the tacit understanding is there,"

"They can be invincible in the grasslands, even the king of a hundred beasts, they can also kill them."

"Yes ....." Joseph gave back a cold sigh and spoke: "Subordinate definitely learned a lesson!"

Charlie nodded and said, "It's good that you have it in your heart,"

"It's getting late, first let the brothers grab the corpses and get rid of them."

"As you wish Mr. Wade!" Joseph said, and pointed to Duncan's corpse and asked Charlie:

"Mr. Wade, will this Inspector Li's corpse also be taken away and disposed of?"

Charlie shook his head: "No, he's not dead yet."

After that, he looked at Stella and said,

"Miss Fei, I have heard before that there are many rich people with terminal illnesses in the United States who freeze themselves before they die,"

"Hoping that future technology can cure them, is there such a thing?"

Stella said: "back to Mr. Wade, this situation is quite common,"

"Basically every top rich people have their own investment in the freezing center,"

“Even when they exhaust all modern medical means and can not continue to live after,”

“They will freeze themselves, this in the rich circle, known as the future hibernation plan,”

“In the hope that can be reawakened one day in the future, when the medical field has developed further. “

“The freezing center using liquid nitrogen can maintain the body temperature at about minus two hundred degrees,”

“But many biological experiments have been done before, without exception,”

“All failed, the current level of technology, can not wake them up from the frozen nature,”

“Everyone is also treating it as the last bit of luxury.”

Charlie asked her, “The Fei family also has his kind of frozen center?”

“Yes.” Stella nodded and said, “Grandpa invested in one ten years ago, and it’s still running.”

Charlie nodded, pointed at Duncan, and said to her,

“Then make arrangements to send him there at the earliest!”
