

## Chapter 4521

“Mr. Wade ..... You are asking me to ..... You are telling me to freeze Inspector Li’s body?!”

Stella was stunned by Charlie’s words and did not know how to respond for a while.

Charlie said with a righteous face: “Were you not talking about having a freezing center?”

“Just take his body there and freeze him.”

Stella welcomed the incomparable ease with which Charlie spoke but could not help but remind:

“Mr. Wade, the human body freezing technology so far, it is still only a scientific concept,”

“Although the concept has been proposed by scientists from decades ago,”

“But until now there have not been any successful cases .....

Saying that Stella could not help but look at Duncan laying on the ground and continued:

“Mr. Wade, I say it bluntly, as far as the current scientific means,”

“People are impossible to come back to life after freezing .....

Charlie waved his hand: “You don’t have to worry about this, let’s freeze him first.”

The reason why he wanted to send Duncan to the freezing center to freeze is because,

He also does not have the ability to maintain Duncan’s body immortal all the time,

By freezing him, he can maintain his current situation to the maximum extent,

And since he will be frozen in a super low-temperature environment of one or two hundred degrees below zero,

The aura needed to maintain his body will also be reduced to an extremely low level.

In this way, Charlie only needs to spend a small amount of spiritual energy to protect his body,

And then let the spiritual energy be frozen with him,

Then he can ensure that he will not have any changes for at least a few years.

However, this kind of thing, he also has no way to explain clearly to Stella,

So can only stubbornly let her do as he is ordered.

Stella was pleased that Charlie had already made a decision, out of respect,

So she did not say anything more, but immediately called her grandfather,

And asked him to personally order the head of the freezing center to come and pick up Duncan.

After communicating with Grandpa, Stella said to Charlie,

“Don’t worry, Mr. Wade, Grandpa said that the freezing center people,”

“Will come over within 15 minutes and pick up Inspector Li.”

“Good.” Charlie nodded and said, “I’m counting on you guys for this person,”

“Keep in mind, don’t let any word out to the public.”

“You can rest assured,” Stella said with certainty:

“The secrecy level of the freezing center has always been very high, so there will be no leakage.”

Charlie then said, “That’s good.”

At this time, Stella could not help but say, “By the way, Mr. Wade,”

“I have something to say, I don’t know if I should say it.”

Charlie said, “But there is no harm in saying it.”

Stella nodded and continued,

“Mr. Wade, generally speaking, every step of the top family members’ movements is top secret,”

“Especially for super families like the An family, generally speaking,”

“Their movements cannot be captured by the outside world, but these attackers today,”

“Not only were they able to grasp the movements of the core members of the An family,”

“But they even knew the situation here like the backdrop of the concert.”

“The background music of the attack, it seems to be a long time planning,”

“I suspect that in this matter, there must be a mole from the An family.....”

“Yes.” Charlie agreed and said, “I agree with you on this matter,”

“But who the mole is specifically, the An family may have to find out for themselves.”

After that, he said to her: “Miss Fei, you have more manpower in New York,”

“The next hard work, you first arrange your people, the carpets here must be removed and burned,”

“Blood stains must be disposed of, and bullet holes are to be concealed together,”

“In addition, also seize the time to find a new batch of carpets to replace,”

“The new carpets preferably the same as here or nearly similar,”

“Do this all in the shortest possible time to restore the place.”

Stella said without thinking, “Mr. Wade don’t worry, I’ll arrange it!”

## **Chapter 4522**

Charlie nodded and said to Joseph, “Joseph, the bandit who is alive must be watched over for me,”

“Don’t let him commit suicide, let alone let anyone get rid of him,”

“I will personally come over to interrogate him later!”

Joseph said offhandedly, “Okay, Mr. Wade, I will personally watch over him, and nothing will happen.”

“Good.” Charlie nodded and said, “You go to the villa first and wait for me, I will come over at night.”

Joseph clasped his fist and said, “Okay Mr. Wade, then the subordinate will leave first!”

After Joseph left, Stella also immediately instructed her men,

To quickly prepare a large number of tools to prepare to enter the scene afterward.

According to Stella’s request, her men first removed all the carpets,

And then packed the carpets into sealed bags and took them away to be incinerated.

While these men were cleaning up the carpets,

Another wave of men had urgently delivered a batch of lighting equipment,

Construction materials, cleaning supplies, and water pumps.

Subsequently, a few people proficient in electrical circuits,

Began to replace the spotlights for lighting, more people immediately used the decoration of the water blocking strips and foam,

The entire corridor is surrounded by a 10 cm height, impermeable pool,

And then with the fire equipped with high-pressure water guns with powerful cleaning agents,

Vigorously started cleaning the blood in the aisle,

Washed out of the blood, directly through the pump into the bathroom drain.

Soon, the lights of the corridor were completely restored,

And with the concentration of blood in the sink becoming lighter and lighter to the naked eye,

The smell of blood in the corridor also quickly dissipated ninety percent.

At the same time, another wave of people were silently dealing with the remaining bullet holes in the walls.

After they gouged out the warheads one by one, they smoothed out the damaged walls with quick-drying putty.

Since the wallpaper in the corridor of the VIP area was the same as the wallpaper used in the compartment room,

They cut down all the wallpaper of one of the unused VIP compartments,

Then filled it up piece by piece according to the color of the flower,

And dealt with the gaps at the splices so that no one could see any problems.

Subsequently, and with a certain pungent smell of disinfectant,  
The entire corridor was sprayed again, and then several high-powered hot air dryers for drying.  
Because of the clear division of labor and cooperation, it took less than half an hour to do all this.  
And at this time, another wave of Stella's men arrived in a cargo truck.  
As early as the first group of people started to clean up the carpets,  
They had already urgently deployed brand new carpets from the Fei family's own decoration city.  
These carpets were not of the same brand as the replaced carpets,  
But the color and texture could already be 80% similar.  
Along with the freight car, there are some workers who don't know anything.  
When they came here, they couldn't see that a tragic shooting had just happened here,  
Let alone that nearly thirty people had just died here.  
All they knew was that their supervisor had given them five times their hourly rate,  
To carpet the place as fast as they could.  
So, they all worked together and used the fastest time to pave the whole VIP area with brand new carpets.  
When these workers withdrew, in the entire corridor, there is no trace of the fierce battle.  
In addition to the faint smell of disinfectant water in the air,  
As well as the smell of the brand new carpet, there is almost no smell of blood.  
At this time, Stella's men below reported, "Chairperson, a woman named Chen insisted on coming up,"  
"Saying she is in charge here, and questioned my identity, threatening to call the police,"  
"I have her under control, what to do next?"  
Stella was surprised and quickly reported the situation to Charlie.  
After listening, Charlie guessed that it should be Tasha, so he spoke:  
"Have someone bring her up, keep an eye on her, and don't let her contact with the outside world."  
After saying that, he suddenly frowned, the matter of Stella's feedback reminded him of a detail,  
Just now Uncle Marshal had said in the room that his phone had no signal and could not even call 911.  
But why was his own phone not affected in any way?  
Could it be that the device to block the signal was installed inside their box?  
If that's the case, then it's likely that in Sara's team, there is a mole!

## Chapter 4523

Soon, Stella's men brought up the emotional Tasha.

Tasha's emotions were very tense and shocked because she didn't know exactly what this gang was doing,

And that this gang had taken charge of the entire VIP area directly and silently!

Even her own staff, without exception, disappeared without a trace,

Which gave her a few unpleasant feelings in her heart.

However, the moment she saw Charlie, her nervousness instantly eased a bit,

And she hurriedly asked: "Mr. Wade, what the h3ll is going on here? Are these people yours?"

Charlie glanced at Stell and said indifferently,

"These are the people that Miss Fei brought with her, I hired them to help."

Tasha was surprised and asked, "Did something happen?"

Charlie did not answer, but asked her with a bit of caution,

"Who are the people who know that the An family is here tonight?"

"No one." Tasha spoke, "Other than Sara and I, no one else knows."

After saying that, she asked nervously, "What's wrong?! What's going on?!"

Charlie said in a cold voice: "There was an attack on the An family by assailants just now."

"Attack?!" Tasha was dumbfounded and said offhandedly, "When did that happen?"

After saying that, she subconsciously looked around left and right and said doubtfully,

"But Mr. Wade ..... doesn't look like an attack happened at all ....."

Charlie looked at her and continued to ask:

"Tasha I ask you, when did you know that the An family would come over to the concert?"

"After knowing, what did you all do?"

Tasha said, "Sara received a phone call from the old lady of the An family in the morning,"

"And knew they were coming over to watch the show,"

"Then she immediately called you, Mr. Wade, to confirm,"

"And only after you agreed did we arrange the An family's private room next door to yours."

Charlie asked again, "After you and Sara confirmed the private room, did you tell others about this matter?"

“Of course not!” Tasha said: “Sara and I also know that the identity of the An family is extraordinary,”

“So in order to keep absolute secrecy, the two of us from beginning to end,”

“Did not tell any of the staff exactly who is coming tonight,”

“Even our most trusted assistants around do not know!”

“And, in order to keep it as confidential as possible, Sara also took away a large part of the original staff from here,”

“Because she felt that the An family itself brought bodyguards,”

“Not to mention that we know that Mr. Wade you are next door,”

“She felt that since you are here, there is absolutely no need to add too many staff,”

“Because that would also increase the risk of leakage.”

Speaking of which, Tasha’s eyes widened and she blurted out,

“Mr. Wade, you don’t suspect me of leaking the information, do you?!”

Charlie looked at her, his heart had already dispelled his doubts about her.

Not only because her performance, eyes, and expression at this moment,

He can not see any faint heart and lying, more importantly, Tasha is aware that he is here.

If she is a mole or the one who leaked the info,

Then she can’t just leak the information of grandparents’ family,

She would definitely tell the other party about him,

After all, he is the biggest variable here tonight.

So, from this point alone, it can be determined that the mole is definitely not Tasha.

Thinking of this, Charlie continued to ask:

“If according to what you said, before the An family came tonight,”

“Except for you and Sara, no one knew which private room they would be placed in, right?”

“Right!” Tasha said categorically: “This matter, we have not ordered anyone else to do,”

“And the An family arrived, I personally brought them in, and took them upstairs in the process,”

“I did not let the staff follow, after they settled, but also specifically explained to the staff,”

“No one without the guests’ call, are not allowed to disturb the floor,”

**Chapter 4524**

Tasha said further, "Of course, I also can not absolutely guarantee that after the An family came, from our staff no one must know their identity ....."

"But I think, if you suspect that there is a mole, the mole is unlikely to be here,"

"Because our staff here, even if they know the movement of the An family,"

"It is just after the An family came, and there have been a few minutes only."

Charlie thought about the signal being shielded, so he asked her,

"During the daytime, today, did any staff come to this floor?"

"Is there a possibility that they might have brought in some kind of small shielding equipment?"

Tasha frowned and said, "During the day, our attention was on the scene and the backstage,"

"Not too concerned about the VIP area, so I can't guarantee you this,"

"But you can check the surveillance video of the VIP area."

"Like I just said, Sara and I did not leak the news,"

"So even if someone came over during the day to install the shielding equipment,"

"They do not know which room to install it in,"

"Here are a total of two dozen boxes, did they install it in each room?"

Charlie took the phone into a few boxes near the corridor,"

"Found that in these boxes, the signal is not affected by any.

So, it really does not seem like the staff arranged it in advance.

Thinking of this, his brow furrowed even tighter. He felt as if he had entered a dead end.

On the one hand, judging from the objective situation,

This matter must have been staged by someone to make it possible.

On the other hand, Sara and Tasha had a strong sense of secrecy,

And had not leaked this information from the source,

So the possibility of a problem here was also unlikely.

Moreover, Charlie figured out one more thing.

If the other party's purpose was to kill the An family,

Then since they can send in the shielding equipment, they could send in a small bomb.

If you send a small bomb in directly, everything could be easily solved,

And why bother to first shield the signal, and then attack at the door?

However, from the feedback of Marshal just now, the shielding equipment is actually there.

This seems to be some kind of paradox everywhere,

So that every one of his speculations is not very tenable.

Thinking of this, Charlie was stuck in a quandary.

Just at this time, he suddenly thought of something.

In his mind, he thought, "The shielding device,"

"Could it have been brought in by a certain An family member?!"

He previously felt that if there was a mole in the An family,"

"The mole should not be someone who was present, but someone who was not present.

For example, his aunt, whom he had never met, or other grandchildren who were not there.

But now, he suddenly had a not-so-good feeling.

"The first thing we need to do is to find out where the shielding device is,"

"Or who it is with, but don't reveal the intentions when you go in."

"If someone makes a small move, immediately control it."

Stella was busy saying, "I asked Karl to keep watch downstairs,"

"He is the most trusted person, besides Karl,"

"There are several bodyguards he personally trained, they are all very trustworthy."

"Good." Charlie nodded and said, "Then let Master Yuan go!"

At this moment, the An family after the attack is sitting on the sofa without saying a word,

Several young grandchildren because of the considerable stimulation, at this time, are in a very depressed state.

And the moods of the adults, are also a bit disheveled.

Just a moment ago when Stell's men were cleaning up the scene outside the door,

Charlie's three uncles had been dissecting what had happened with the old man,

During which everyone even had a heated argument.

They wanted to know which link had been so significantly flawed,

That it nearly brought the entire An family to its knees.

## **Chapter 4525**

At first, Marcus suspected that Charlie's aunt, that is, Tece's husband, was the most suspicious.

Because, everyone was there tonight, but he was the only one who didn't come.

After all, it is a matter of life and death for the whole family,

So Marcus did not avoid Tece when discussing this matter.

Martel has a similar personality to his second brother Marcus,

And the two work together more often than not,

So he also very decisively expressed support for his second brother's speculation,

And felt that his brother-in-law was the most suspicious.

However, Tece has a different opinion, she feels that her husband is not very likely to do this.

The reason is that her and her husband's only daughter is also here today,

Her husband usually loves his daughter very much, as the saying goes,

Tigers do not eat their children, if he really wants to make a move against the An family,

Then at least he will not let his daughter follow them.

Moreover, she felt that her husband did not have enough motive to commit the crime.

If her husband was doing it for money, he was not himself the first,

Second or even third in line of succession to the An family assets.

Even if all the An family members died,

The vast majority of the family assets would be inherited by the surviving grandchildren.

And he, as her husband, is only the legal heir to his share of the inheritance,

And can only inherit that small portion of interest in the An family,

So if he does this, it will be more of a graft for others.

Unless he kills the An family members present today,

And then kills the remaining family grandchildren as well.

However, if he really does this, the U.S. police and the FBI will never sit idly by,

After all, the entire family's immediate family members are all dead,

And finally, only a son-in-law left out to inherit the family fortune,

A fool knows that there must be something wrong here.

Therefore, her husband could not have done such a stupid thing, according to her.

Marshal, as well as the old lady, did not think Tece's husband would do such a thing either.

They were more suspicious that this matter might be the result of Sara's side,

Not doing a good job of keeping secrets, and that they had leaked the news and attracted enemies.

In view of the fact that everyone has their own opinions,

And now can only stay in this box and can not leave,

So the Elder An stopped the speculation and discussion, and asked them,

Before the investigation of the exact results, not to argue about this matter.

So, everyone fell into silence.

At this time, Karl, with a few of his trusted members,

Knocked on the door of the box, and then pushed the door in.

Seeing Karl enter, the An family all immediately looked at him.

Originally, they thought it was the savior who had come,

But the Karl in the light did not match the figure of the savior just now.

At this time, Karl looked around for a while and took the initiative to open his mouth and asked,

“Gentlemen, in view of the seriousness of tonight’s matter,”

“Please continue to wait here patiently and leave the place after the show,”

“If you have any needs now you can tell me and I will try to help you out.”

The old man Nicolas spoke up at this time, “Gentleman, I wonder if I can make a phone call,”

“I want to make sure that a few grandchildren who didn’t come are safe.”

Karl said seriously, “Sorry Sir, for the time being, you can’t be allowed to contact the outside world.”

After that, he focused on the crowd and spoke,

“In order to ensure everyone’s safety, now please hand over all your personal belongings,”

“And we will conduct a comprehensive security check to rank the hazards here.”

## **Chapter 4526**

Marshal asked, “What all things need to be handed over?”

“Everything.” Karl stopped beating around the bush at this point

And got straight to the point, saying with a serious face,

“Gentlemen, from now on, we need you to turn in all your personal belongings,”

“And please stand to the left for men and to the right for women,”

“With your fingers open on your chest, and we will arrange for someone of the same gender to search everyone.”

Hearing this, Master An frowned and asked, "You suspect that there is a mole among us?"

Karl arched his hand and said seriously, "Sir, I am also under orders,"

"And you all must cooperate! Please forgive me if I have offended you!"

Marcus said with some dissatisfaction, "You suspect us and even search us for no reason,"

"Isn't that a bit too much? Don't forget that we are the victims!"

"Besides, you don't look like a police officer, who gave you the right to search us?"

Marcus's personality itself is hard and aggressive,

And as the heir of the current generation of the An family,

Karl's tough attitude made him instinctively a little physically uncomfortable.

Karl did not give him any good looks at this time, he said coldly:

"Sorry, it was the person who just saved your lives who gave me this right,"

"He said that all of you sitting here must cooperate unconditionally, no one can refuse for any reason!"

As soon as he heard that the person who saved his life just now ordered,

Marcus's displeasure immediately dissipated. That scene just now was deeply impressive to him.

He saw with his own eyes the attacker standing in the doorway,

Having his arms and legs cut off by some unknown weapon across the air, and that moment gave him a huge impact.

Therefore, when Karl mentioned his life-saving benefactor,

The resistance in Marcus's heart immediately dissipated involuntarily,

While also saying with an apologetic face,

"Since it is the order of the benefactor, then we will definitely cooperate!"

In order to show his sincerity, he took the initiative to take out his cell phone,

Watch and other personal belongings and put them on the coffee table in the middle of the two rows of sofas,

Then he stood up on his left and opened his hands on his chest.

Master An followed while pulling out his own things, he opened his mouth and said to others,

"Since the benefactor ordered, naturally have their intentions, we must not have any doubts, must be good cooperation!"

So, all the people also started, pulling out things from their pockets.

Karl obeyed Charlie's instructions, and his attention was always on the movements of each person's hands,

To ensure that they do not make other small movements under his nose.

According to Charlie's speculation,

If the shielding equipment had been brought in by a certain member of the An family,

Then he certainly would not have had the opportunity to get rid of the equipment,

And most likely would still have quietly brought it with him,

And then find the right opportunity to get rid of it when he leaves.

So, as long as they look carefully enough, they will definitely be able to find out the shielding equipment.

Moreover, if they can find the device directly from someone's body,

It would be even better, then they can directly lock the identity of the suspect.

Karl saw that everyone took out their things and then stood to the side,

Except for a woman who kept her head down and never moved,

So he said in a stern voice: "You lady, please cooperate to take out your personal belongings."

The 16- or 17-year-old girl next to her hastily reached out and shook her arm and said,

"Mom, you're the only one who's missing, hurry up."

This woman is Charlie's third aunt, his third uncle Martel's wife.

The girl who shook her arm beside her was Martel and her eldest daughter,

Jennifer An, who is only sixteen years old.

At this time, Karl's brow suddenly frowned as if he caught something unusual!

Immediately afterward, Charlie's third aunt,

Under Jennifer's shaking, fell down on the sofa in a smooth manner.

At this moment, her face was miserable white to the extreme,

In the corners of her mouth, it is hanging white foam,

Her eyes are also staring extremely wide, her body has also begun to stiffen, and she is already dead!

### **Chapter 4527**

The sudden death of Charlie's third aunt caught Karl, as well as the entire An family, off guard.

Her sixteen-year-old daughter almost collapsed on the spot,

Hugging her mother's corpse and constantly shaking it, breaking down and crying,

“Mom ..... What’s wrong with you mom ..... don’t scare me, mom .....

Martel is also close to collapsing, he was just about to go forward to check,

But was grabbed by the second brother Marcus.

Martel looked back at Marcus with a surprised face and questioned offhandedly,

“Second brother, what are you pulling me for? Something happened to Amelia!”

Marcus roared with a black face: “You see how she died!”

“Remember how that assailant leader just took poison and killed himself?!”

“Suicide .....

“You ..... You mean ..... Amelia.... suicide... by taking poison?!”

Marcus pointed at the corpse and asked in a cold voice:

“Besides suicide, is there any other possibility?!”

Karl immediately rushed forward at this time, picked her up, and said to the crowd, “You guys don’t move yet!”

After saying that, he also said to the people he brought, “Keep an eye on them!”

As soon as the words left his mouth, he ran out of the box with the body in his arms and ran towards Charlie’s location.

Charlie saw him carrying a middle-aged woman with no signs of life, and his brow immediately tightened.

Tasha has seen Charlie’s third aunt, although they did not speak, but after all,

A few minutes ago she was still a large living person, now carried by Karl, dead,

This makes her, can not help but be scared, and move back a few steps and cover her eyes.

Charlie was about to ask a question, Karl said with a shameful face:

“Mr. Wade, I did not do a good job, just in the process of searching,”

“All the attention was focused on the hands of each person,”

“Afraid that they have any small movements, but did not expect this woman would die of poison .....

After saying that, he said incomparably chagrined: “I don’t even know how she actually took the poison .....

“I clearly stared closely at everyone’s hands and confirmed that her hands had not moved. But .....

Charlie said with a serious expression, “Mr. Yuan don’t need to blame yourself, it’s not your fault.”

Saying that he reached out and pinched open the middle-aged woman’s mouth,

And indeed found broken dentures in her mouth, and also on the upper left side of her dental bed,  
He found an empty space with a missing tooth.

Then, he sent a trace of aura into the other person's body,

And found that the poison had already spread through the blood circulation to her whole body,  
including even the brain.

So it seems that this person can't be saved.

Charlie's heart could not help but be appalled.

From the missing teeth in her mouth to the shattered dentures,

It could be seen that this woman was by no means temporarily bribed,

But had long been a member of the assailants,

And had even been trained as a dead soldier by the assailant's organization.

Otherwise, how could it be that when it was about to be exposed,

She did not hesitate to bite down on the dentures and die of poison?

In this situation, Charlie is not only shocked, at the same time, but also has a few points of worry.

Even the An family is so huge family, it can be infiltrated by assailants,

And it is not just infiltration to the level of subordinates,

But is directly infiltrated to the scope of the direct line members, it is really extraordinary!

The An family people who came here today, in addition to the family's old, middle and young  
generations,

It is not only the three daughters-in-law of the An family.

That is to say, the identity of this woman, it is possible that she is one of his three aunts of his uncles'  
wives,

It is also possible that it's his maternal aunt.

### **Chapter 4528**

The impression of Charlie includes from childhood only seeing the first aunt and second aunt,

And the third aunt he has not met, and he and his maternal aunt also have not seen each other for many  
years,

And he can not confirm who this woman is.

Thinking of this, he then asked, "Mr. Yuan,"

"Have you paid attention to the reaction of the An family, can you deduce who this person is?"

Karl thought about it, and quickly said, "There is a man, who should be her husband,"

"That man called one of the other men second brother,"

"I heard him talk about this woman's name, seems to be called Amelia."

When Charlie heard this, he immediately surmised that this person should be his third aunt.

After all, the only person who could be called the second brother was his own second uncle, Marcus.

And the only ones who could call him his second brother is his third uncle Martel and his maternal aunt Tece.

What Charlie fears most is that in case this woman is his maternal aunt Tece,

That would mean that the An family's own people have been infiltrated,

And this situation is really unacceptable from either side.

So, when he heard that it was his third aunt, his heart was slightly relieved.

However, it was an only slight relief.

Third aunt and third uncle Martel married for at least a dozen years,

Why on earth would the pillow side be transformed into a dead man?

If she was brainwashed in the middle of the process,

Then one has to marvel at the strength of that mysterious organization,

Which can train a well-bred daughter-in-law of a top family to become a dead soldier,

The ability of such brainwashing can be considered the pinnacle.

If she herself was a member of that mysterious organization,

And planted in advance by that mysterious organization on the side of the An family undercover,

Then the strength and strategy of this mysterious organization seem even more terrifying!

The ability to train a dead soldier to willingly marry into the An family,

Share a bed with third uncle Martel for more than ten years,

And raise a common child, this layout ability is simply outrageous!

Moreover, for this organization, even this woman can not hesitate to sacrifice her husband and daughter,

And even her own life, this control ability can send a chill down the spine!

If this is true, then the strength of this mysterious organization must have been incredibly strong!

And today's attack, for that mysterious organization, is only the tip of the iceberg!

Thinking of this, Charlie had become more and more headstrong.  
He felt that he could no longer leave Grandpa's family here,  
And had to have them return to their safety zone first as soon as possible.  
At the same time, also let them hurry to start a thorough investigation.  
From the identity background and family background check of the third aunt.  
Although Charlie does not know what is the last name of the third aunt,  
Which family's girl she is, but he can be sure of one thing,  
The identity background of the third aunt will never be an ordinary family,  
Otherwise, it would not be possible to be married into the An family.  
Moreover, before the third aunt married into the An family,  
The An family would certainly conduct a close background investigation of her and her family,  
If the other party can hide even the An family can not investigate,  
Then the ability of this is really not small,  
Digging deep into her family background, he/they will certainly find clues!  
Thinking of this, Charlie said to Stella:

"Miss Fei, it's hard for you and Mr. Yuan to communicate with my grandfather's family,"  
"So they can immediately gather people to cover their departure,"  
"And then it's also hard for you and Mr. Yuan to escort them all the way until they arrive safely."

#### **Chapter 4529**

Stella said without thinking, "Yes, Mr. Wade, I'll make the arrangements!"  
After saying that, she remembered something and asked:  
"Mr. Wade, I just returned to New York, and the news about the Fei family is widely known,"  
"My identity, your grandfather's family will definitely recognize it, how should I explain it to them then  
....."  
Charlie said, "Say you were also entrusted by someone if they repeatedly ask,"  
"You can say that you are also returning a favor, do not know the other party's true identity."  
Stella nodded: "I understand Mr. Wade! The An family must know that my grandfather and I were  
hunted in China,"  
"But suddenly returned to the Fei family a few days ago,"

“I will tell them straight that you are the benefactor who saved my grandfather and me in China,”

“As for your real identity, I will say that I don’t know as well as they do, so they should be more likely to believe it!”

Charlie also knows that today’s An family crisis although intact,

But his own identity is certainly the focus of the An family’s attention.

With the strength of the An family, if they really follow the clues to investigate,

Whether it is from Sara to start, or from Stella, finding him is only a matter of time.

So, what he wants to do is not to make the An family investigate him,

But to make the An family do not investigate, or even dare not investigate.

So, he said to Stella: “After sending the An family to a safe place,”

“Make sure to explain, oh no, to warn them, do not try to investigate my identity in any form,”

“Just say that I am a man of chivalry and justice, do not like to be known,”

“Moreover, do not like to be investigated, otherwise, the consequences will be self-inflicted.”

Stella hesitated for a moment and wanted to say something,

But soon gave up the idea and said helplessly, “I know Mr. Wade, don’t worry!”

Charlie looked at Karl again and said seriously, “Mr. Yuan, it will be hard for you to take more trouble tonight.”

Karl was flattered and said, “Mr. Wade, you are too polite,”

“I am grateful to you for looking up to me, I will definitely live up to the important trust!”

Charlie nodded and said to Tasha: “Tasha, your task now is to make sure that nothing affects Sara’s concert,”

“And after the concert is over, contact the families of the deceased employees,”

“And give them enough pension and hush money so that they don’t expose the matter, understand?”

Tasha said with some hesitation, “Mr. Wade .....

“What if there are family members who do not agree and must discuss a statement .....

Charlie said seriously: “One person, ten million dollars, this money I will pay,”

“At the same time make it clear with the families, in this matter they can also call the police,”

“But the police is basically unlikely to do justice for them,”

“And, if they call the police, it is likely to lead to the black hand behind the retaliation,”

“This is not in the sensationalism, after all, the ferocity of this organization has never been seen before,”

“They do not even put the An family in their eyes,”

“The families of these victims, they are even less likely to put in their eyes.”

Speaking here, Charlie gave a slight beating and continued,

“I know I’m saying this is a bit unsympathetic and even a bit cruel,”

“But this is also the most realistic situation, for them, the killer is too strong,”

“They are like hitting a rock with an egg, so the best solution is to live well after getting a huge amount of compensation.”

“As for them wanting justice, I believe the An family will definitely get it back for them in the future;”

“If the An family does not have this ability, then I will definitely get it back for them too!”

At this moment, Charlie’s tone was decisive and firm,

And Tasha could not help but feel a feeling of admiration in her heart as she watched.

At this kind of time, hearing Charlie’s words really gave her a lot of encouragement,

So she hurriedly said, “Okay Mr. Wade, after the show, I will communicate with their families .....”

Charlie nodded and said seriously: “In addition, the victims’ bodies take them for a free burial,”

“If there are domestic staff with them, pay to help them transport the remains or ashes back home,”

“If their families are willing to come to the United States, then pay to reimburse all expenses,”

“Let their relatives come over to take the deceased away when the time comes,”

### **Chapter 4530**

As he spoke, Charlie continued, “You tell them for me, the money they take first,”

“But if we don’t give them the truth within three years, they can always tell the world about it!”

“Okay!” Tasha agreed without thinking and said,

“Mr. Wade don’t worry, I will definitely talk to all the victims’ families!”

“Good.” Charlie nodded, looked at Stella and Karl, and said to a few people,

“I’ll leave the rest to you all, I’ll go back to my box first.”

After saying that, he arched his hand to the two of them and turned around to walk back.

When he returned to the box, outside the floor-to-ceiling window,

Sara’s performance was still going on, and on the sofa beside him, Claire was also sound asleep.

Charlie did not rush to wake her up, but gently helped her up and let her lean on his shoulder,

Then sat motionless on the sofa, watching Sara on the stage while using his aura to sense the situation in the next room.

At this time, the An family's emotions had reached a low point.

Every one of them was very sad and frustrated.

The most devastated was Charlie's third uncle, Martel.

He couldn't understand how his wife, who was married to him, could become a member of the assailants.

His worldview on affection and love had mostly collapsed at this moment.

His daughter, on the other hand, was still immersed in the emotions of her mother's death,

And could not extricate herself from the situation.

It was good that her maternal aunt, Tece, took her in her arms and kept comforting her.

Marcus, who was most like the old man, was clenching his fists and trembling violently.

After a long silence, he opened his mouth and said to the crowd,

"I just thought carefully, tonight should be the first time in these ten or twenty years,"

"Our whole family gathered so completely outside the An family, except for a few, almost everyone else is here ....."

The old man nodded gently and sighed,

"Even when we came, we took two planes, just in case something happened to the whole family together,"

"This time it was really too careless ....."

The old lady said while weeping and blaming herself,

"It's all my fault ..... I was the one who suggested to come to support Sara, after all, she is kind to our An family ....."

Marshal said: "Mom, how can we blame you! The fact is that Sara really did a great favor to our family,"

"We came to support her it is also a common sense,"

"But we have lived too comfortably over the years, risk awareness has become increasingly thin,"

"This time since we were lucky to escape a disaster, then in the future we learn from the pain,"

"The safety work will be taken to the highest level,"

"I believe that in the future there will not be a similar situation."

The old man took the old lady's hand and said seriously,

“Marshal is right, you are not to blame for this matter,”

“I and your three sons are to blame for not thinking these things through.”

Marcus spoke up at this time, “Dad, mom, big brother, you didn’t understand the point I just made .....”

Everyone couldn’t help but look at Marcus.

Marcus continued, “We are indeed paralyzed and careless this time,”

“But this is only one of the points, more importantly,”

“Our family has been paralyzed only this time in the past ten or twenty years,”

“Before the other side caught the opportunity, what does this prove?”

“This proves that the other side did not happen to meet our negligence,”

“On the contrary, it proves that the other side has probably been thinking,”

“Of how to put us to death in one step for the past ten or twenty years!”

When all the An family members heard these words, their expressions were all aghast.

They all knew what Marcus’s words meant.

At this time, Marcus said: “I say a word, Martel, do not bring personal emotions after listening,”

“I think, Amelia, married to our family, this itself is a conspiracy!”

“And it is a conspiracy against the entire An family, extremely long-planned,”

“Extremely deep hidden, extremely heavy murderous conspiracy, a great conspiracy!”

Speaking of this, Marcus gave a slight beating and said with a cold expression,

“I have a feeling that maybe, this matter is somehow related to what happened to my sister back then!”
