

## Chapter 455

Wu Qi looked at Charlie dumbfounded, and felt that Charlie was talking about a fantasy.

At this moment, Charlie smiled evilly and continued: "Also, after I finish this psychological suggestion, if someone stops you from eating sh!t at that time, you will do everything possible to kill yourself until you eat sh!t. At the same time, if you see sh!t on the road, you must also eat it. If you don't eat it, you will die. Whoever dares to stop you, you will still find a way to kill yourself. The cycle goes back and forth for a lifetime!"

"So, in your future life, apart from eating sh!t, you will have no other pursuits. You will not pursue spending money, pleasure, or women. For the rest of your life, you will only want to eat. feces!"

When Wu Qi heard this, he couldn't help being a little angry, and said, "Mr. Wade, do you treat me as a mentally retarded? Do you think I will listen to you if you say this? Psychological hints are not done this way. You are not professional at all!"

Charlie laughed and said, "I'm not professional? I'm too professional, okay? If you don't believe me, come and try!"

After all, Charlie stretched out his hand and tapped on his forehead...

Wu Qi's whole body seemed to have been fixed, and he paused for about ten seconds. Then, he suddenly opened his eyes and murmured anxiously: "Where is the sh!t? Where is the sh!t? Don't take another bite. I'm dying! I'm dying! How can there be sh!t?!"

After finishing speaking, he also forgot who Charlie was, turned his head and ran to the dormitory, because there was a voice in his mind telling him that there are toilets in the dormitory building, and from some of them he can eat sh!t...

A shocking incident broke out in the dormitory building of Aurous Hill University of Finance and Economics!

The school grass, super rich second-generation Wu Qi suddenly rushed into the bedroom toilet and kicked a male student who was sitting on the toilet defecating.

Listening to the first half, it seems to be a story of a domineering rich second-generation bullying classmates, but this second half is really disgusting.

After kicking the classmate who was defecate, he directly reached out and grabbed the stool that was just pulled out, grabbed it and stuffed it in his mouth...

The scene of his devouring caused the roommates in the bedroom to vomit bile.

The classmates didn't know what he was going crazy suddenly, so they called the teacher quickly. When the teacher came, Wu Qi had just eaten and he didn't even wipe his mouth. When the teacher came, he vomited and vomited to death.

The teacher knew that Wu Qi's family was very strong, so he didn't dare to take it lightly, staring at him in disgust and asking him: "Student Wu Qi, what's wrong with you?"

Wu Qi had just recovered his sanity at this time, and felt an extremely disgusting taste in his mouth, so he wiped it and put it under his nose. The disgusting almost died.

He had completely forgotten that he had seen Charlie, and he had also forgotten that he had just grabbed sh!t and ate it. Now he has no idea why he had a mouthful of sh!t.

He rushed into the bathroom to rinse his mouth and retches constantly. The teacher followed and asked: "Student Wu Qi, are you feeling unwell?"

Wu Qi paled and shook his head: "What the h\*ll is going on? Is anyone pitting me?!"

A classmate plucked up the courage and said: "Boss, you just came back from outside, kicked the roommate off the toilet with one foot, and then ate what he pulled..."

Speaking of this, he really couldn't go on. He strongly controlled the thought of vomiting, and said, "Should we go to the hospital for a visit?"

"What the h\*ll are you talking about?!" Wu Qi scolded angrily: "You said I ate the roommate..."

Several classmates nodded one after another.

Wu Qi vomited for a while and cursed: "Quick! Quickly take me to the hospital!"

The teacher hurriedly drove his car, where Wu Qi went to the People's Hospital.

Several classmates who had a good relationship with Wu Qi also followed.

As soon as he arrived at the hospital and saw the emergency doctor, Wu Qi couldn't wait to say: "Doctor, come on, give me a gastric lavage! I ate sh!t!"

The doctor was stunned. After more than ten years of experience in medicine, it was the first time he saw such a "patient".

He subconsciously asked: "Why are you eating sh!t?"

## **Chapter 456**

Wu Qi grabbed his collar angrily: "If I f\*cking know, I'll come to you?! Give me a stomach lavage!"

Although the doctor was very dissatisfied with his attitude, he was still kind and hurriedly said to the nurse: "Prepare gastric lavage tools!"

The nurse nodded hurriedly and set about preparing.

At this moment, Wu Qi suddenly felt that there was another pain in his mind, and then his whole body lost control from his mind, and all his thoughts were sh!t!

So he blurted out subconsciously: "Where is the toilet? Where is the toilet?!"

The doctor subconsciously pointed to the right hand and said, "Turn left and go to the end."

When Wu Qi heard this, he blurted out and rushed to the toilet.

The teacher and a few classmates hurried to catch up.

As soon as Wu Qi rushed into the toilet, he went straight to open one of the compartments. After opening, instead of going to the toilet, he looked into the toilet. Seeing that the toilet was empty, he immediately exited and opened the second one.

Everyone was frightened by his actions, could it be...is he going to eat again? !

At this moment, Wu Qi opened the second compartment, and there was an Old Master in it. Wu Qi was about to rush up immediately. Everyone held him tightly and blurted out: "No way, Wu Qi, no way! "

Wu Qi yelled frantically: "Let go of me! Let me go! Let me eat, I want to eat!"

Everyone almost collapsed, what happened to this person? Suddenly become neurotic? Otherwise, why is he suddenly crazy, desperate to eat sh!t?

The teacher yelled at this moment: "Quickly, get him up and get out!"

So several people together, just carried him out.

As soon as he exited the toilet door, Wu Qi collapsed and shouted: "Let me down, I want to eat sh!t! Let me down! If I don't eat it, I will die! Please let me down!"

The entire emergency department of the hospital was boiling.

They have seen people with various diseases, but who has seen people who are forced to eat sh!t?

And he's a young and handsome guy. What's the reason?

The doctor was also very embarrassed and asked, "He just said he needs gastric lavage, why is he suddenly saying that he wants to eat something like that...They wonder if this person has something wrong with his nerves? How about you taking him to SanityLab Hospital, right?"

When the teacher thought about it, this kind of thing really didn't look like some kind of organ disease. It was estimated that this was a mental problem, so he hurriedly said, "Let's go to the SanityLab Hospital!"

At this time, Wu Qi was almost crazy!

He is now thinking about eating sh!t, and ready to self-harm if he can't eat it. He keeps slapping himself, seizing the opportunity, kneeling on the ground and hitting the floor with his head. The classmates grabbed him desperately, but he changed. He even more irritable, and shouted wildly: "You all f\*cking let me go! If you don't let me eat sh!t, I will die can't you see!"

After that, he started struggling violently.

Because of his explosive power, a few classmates didn't hold him down. He broke free all at once, rushed to the toilet quickly.

A lot of classmates hurried to catch up, but they were not as fast as him. When everyone rushed to the toilet, he had already pulled out the Old Master just now and threw him to the ground. He threw himself directly into the toilet and started to stuff his mouth with...

Everyone hurriedly stepped forward and dragged him tightly, but he stopped slowly and still didn't stop...

The Old Master didn't even pull up the pants and was scared, and he was shivering on the ground. Someone was frightened by the sight. He immediately took out his phone and took a video, which was posted on Facebook.

"An eye-opener! Aurous Hill People's Hospital has a lunatic who grabs sh!t and eats..."
