

About going to the United States. Although Elaine had already made up her mind,

She didn't know how to speak to Charlie and Claire for a while.

Of course, she didn't dare to directly say that she had spent all her money,

And now she has no money to live, and she just happened to win a prize to fly to the United States for free,

So she flew over to join her daughter and son-in-law.

Therefore, she made up her mind to find her daughter Claire first to sell the plan.

However, it was already two o'clock in the morning in the United States at this time,

Elaine hesitated for a moment, and decided to wait until the evening on her side,

And the morning on the American side to make a video call with Claire.

At the same time, Charlie, who was in the United States, after confirming that Claire was asleep,

Put a little spiritual energy into her mind to ensure that she could sleep more steadily,

Then got up and dressed and left the Hotel.

He was going to see the man whose limbs were cut off by him.

Find out who the other party is.

At the door of the hotel late at night, a low-key black Cadillac has been waiting here for a long time.

Joseph sat in the driver's seat alone, and when Charlie came out,

He was about to push the door and get out of the car to open the door for Charlie.

Charlie waved his hand at him, quickened two steps, opened the co-pilot's door, and sat in directly.

As soon as he got in the car, he asked, "How's the situation with that guy?"

Joseph replied respectfully, "Mr. Wade, that person has been safely controlled,"

"And there is a person watching him at all times, in order to ensure absolute safety,"

"I have all his teeth pulled out, he has no hands or feet, and it is impossible for him to commit suicide."

"Okay." Charlie nodded with satisfaction, and asked again,

"While dealing with the corpses of the attackers, did you find anything?"

"Yes." Joseph said, "We took a look around, and we have a few points to report to you."

Having said that, Joseph paused for a moment and continued:

"First of all, their weapons and equipment are very advanced."

"The cost of individual soldier equipment is several times more expensive than that of the individual soldier equipment of the US special forces,"

"And they use the bullets are all specially made dummy bullets."

"When the bullet hits the human body, it will produce a powerful cavity effect."

"Once a hole is hit, the key point is that it also especially increases the amount of gunpowder in the bullet,"

"Raising the power of the bullet to a new level."

It's amazing that an eight-star warrior can carry dozens of bullets with this kind of power.

Normal people, even those of the level of the boxing champions like Tyson and Dwayne Johnson,

They would definitely be killed by one shot."

Speaking of which, Joseph continued: "Secondly, although these people were not martial arts people,"

"They seemed to have strengthened their bodies in some way."

"Not to mention, their physical strength is very strong, and they are definitely very human!"

Charlie was curious. He asked, "How did you find out that their physical strength is very strong?"

"When I faced them, I didn't find any cultivation base or anything special about them."

Joseph said: "With Judging from the amount of gunpowder of their bullets,"

"The recoil of the gun would become very large when fired."

"The recoil is comparable to that of a large-caliber sniper rifle."

"In this case, even well-trained special forces must lie on the ground when firing."

At least use shoulders to firmly press the butt of the gun to counter the recoil."

"If you stand up and shoot with a gun, it is generally impossible to press the muzzle of the gun,"

"And your arms will be numb with one shot."

"It's even more impossible, and they can stand up and quickly light up the entire magazine,"

"Which proves that their physical strength was extraordinary."

"And, my people reported that their flesh and bones are much stronger than ordinary people,"
