

## Chapter 4561

After the man shouted, he realized that he was now a prisoner,

And the whole person suddenly slumped again and stopped talking.

However, seeing Charlie, his eyes were full of awe.

Now Charlie asked coldly, "Who is your so-called hero?"

The man looked up at him, and said in a trance: "I...don't know..."

"You don't know?!" Charlie was cold and shouted: "You keep saying that you can die for Master at any time."

"Now tell me you don't know who Master is?! Do you think I am a three-year-old child?!"

The man said in fear: "I really don't I know... From the day I can remember,"

"I know that I wanted to dedicate everything to Master,"

"But I really don't know who Master is, and I have never seen him..."

Charlie frowned: "That is Who told you to dedicate everything to the Master?!"

The man hurriedly said, "My parents..."

"Parents?!" Charlie asked coldly, "What role do your parents play in this organization?"

The man said: "My father, like me, was also a dead man..."

"He died in a glorious battle thirty years ago... As for my mother..."

"She is the daughter of other dead soldiers, and was given to my father by the Master... .."

"After my father died, she committed suicide by taking poison according to the Master's orders..."

Charlie was horrified when he heard this!

Sounds like this, the structure of this organization seems to have exceeded his imagination.

So he continued to ask: "Your father was a dead man, and your mother was the daughter of another dead man,"

"Does that mean that all the boys born to the dead men are raised,"

"Into the next generation of dead men since childhood,"

"And a girl born to a soldier will be married to another dead soldier and continue to raise the next generation?"

"Yes..." The man nodded and said: "This is the case with every dead man,"

"Starting from the first generation and has been passed down to the present,"

"If one generation is the dead man, the next generation is the dead man,"

“And the dead man is the dead man. For women, the only choice is to marry a dead man,”

“Have children for the dead man, and reproduce,”

“If she wants to leave the dead man in the future,”

“She will have the opportunity to be promoted only if she makes military exploits...”

Charlie was horrified.

From the perspective of the reproduction of the dead men,

It can be concluded that this is a mysterious organization with a long history,

And the structure of the organization is extremely strict,

Even so strict that it can cultivate the dead men from generation to generation!

Moreover, this person’s father cannot be the first generation of dead men,

Because his mother was the daughter of another dead man,

That is to say, to him, he is at least the third generation of dead men.

What is the concept of three generations? Judging from his age in his thirties,

Each generation has a span of 20 years, and the...

The time span of these three generations exceeds at least 70 years!

Joseph on the side was also shocked.

Even he had never heard of such a terrifying mysterious organization.

At this time, Charlie asked, “What generation of the dead man are you?!”

“I...” The man said in a trance, “I am the tenth generation of a dead man...”

“The tenth generation...” Charlie heard jaw-dropping!

Ten generations of dead men, spanning more than two hundred years...

Joseph on the side couldn’t help but exclaim: “Mr. Wade, if you look at it this way,”

“There is no need to check the faces, DNA, and fingerprints of this group of people today,”

“Because it’s impossible to find out who they are...”

The man also said with a wry smile: “There’s really no need to find out,”

“The dead men are the slaves raised by the organization.”

“They will never intermarry and never escape, so for our people, in this world,”

“There is no record in any national database, not to mention fingerprints, faces, and even DNA has long been locked.”

“After ten generations of reproduction, our DNA is basically no longer with anyone’s outside.”

“If there is any ethnic connection, to put it bluntly, we are slaves that no one knows in this world,”

“No one knows when we live, no one knows when we die...”

For the first time in Charlie’s heart, he felt an indescribable tension.

This tension is not derived from fear, but from a fear of unknown giants.

The mere existence of the dead man has subverted his world views.

## **Chapter 4562**

Charlie couldn’t imagine how huge this organization really is.

Immediately, he saw that the person’s expression was slumped,

And he didn’t seem to be absolutely loyal to the organization, so he asked,

“According to what you said, you seem to have a lot of criticism about this organization and the Master?”

The man replied “I wish I could kill all the people in this organization in order to avenge my father,”

“My grandfather and my ancestors from the previous nine generations!”

Speaking of this, he smiled bitterly again: “But I don’t have the ability to do so. ...”

“We have been shackled by the organization since we were young.”

“The organization has given us superhuman power, but that power is also a bomb hidden in our body.”

“Every seven days, we have to take a drug that suppresses that power.”

“Without drugs, we will burst and die, so we can’t escape, we don’t dare to escape,”

“And we don’t dare to resist, because everyone’s life is firmly controlled by the organization,”

“Not only me, but also my wife, and my two children...”

Charlie raised his eyebrows and asked, “You already have children?”

“Yes.” The man nodded, his eyebrows rarely showed some warmth, and he said,

“When the dead man is twenty years old. It is the age of marriage,”

“And according to the requirements, I will marry a woman of the right age among the descendants of other dead men,”

“And reproduce for the dead. My wife is also the daughter of the dead man.”

“She gave birth to two sons for me, the elder is thirteen years old, and the younger is ten years old.”

Charlie asked again: “Then who will take care of your two sons?”

The man said: “In life, my wife takes care of them,”

“And at other times they are trained by older dead soldiers.”

“After the age of six, they will become the next generation of dead men,”

“And begin to perform tasks for the organization.”

“If they are lucky enough to not die by the age of sixty, they can stay and be the mentors of young people.”

Charlie asked, “Have the dead men thought about resisting?”

“Of course.” The man said: “Every generation of dead men wants to resist,”

“But it doesn’t make any sense. We leave the organization and our life span is only seven days.”

“There were people who didn’t believe in evil in the past,”

“And always felt that they could resist the power in their bodies, but none of them did.”

“The exceptions are all dead.”

Speaking of this, the man added: “The organization still has strict rules,”

“With one person defecting, the whole family sits together, if I want to escape,”

“Let’s not say whether I can live for seven days, my wife and children will be killed.”

“Killed without any second thought, so we are like slaves, fully under control, and have no chance to resist.”

Charlie asked curiously: “You seem to know about the history of slavery, have you learned this?”

“Yes.” The man nodded: “ We had a lot of courses to learn when we were young,”

“And we have a certain cultural foundation.”

Charlie asked him, “Where do you usually live? Which country?”

“I don’t know...” The man shook his head and said, “As far as I know,”

“Since my grandfather’s generation of dead men, we have lived in an underground base.”

“The base is constantly expanding every day. Now the scale is comparable to a small underground city.”

“Every time a task is to be issued, the organization will issue a list of names.”

“And then inject drugs to everyone on the list, after the drug injection,”

“We don’t know anything, and when we wake up again,”

“We are already at the place where we are going to do the task.”

He paused slightly and continued: “Like this time after we injected the drug underground,”

“We woke up and arrived in New York.”

Charlie frowned and asked, "Then how did you perform the mission?"

"Who gave you the mission? Who directed you to the stadium?"

The man blurted out, "It's the guide."

"Guide..."

Charlie whispered softly and asked, "Have you met the guide?"

"No." The man explained: "I don't know who the guide is,"

"When we arrived in New York when I woke up, I was already in a closed garage."

"The organization left the equipment and some materials needed for the mission."

"The materials listed the target, the kinship of the target, and the social relationship."

"And the situation of the people around them."

"Because they knew that there would be several high-level fighters,"

### **Chapter 4563**

The dead man continued "They specially prepared enhanced weapons for us."

"They also reminded us what to pay attention to and what tactics we should adopt,"

"And then they leave a certain amount of time for us to familiarize ourselves with the information,"

"Then we will wait for the notification of departure, and when we arrive at the scene,"

"The guide will pass the transfer and inform me of the right time to attack."

Charlie asked: "What does transfer mean?"

The man said: "The organization does not allow us any form of direct contact with the guides,"

"So the guide will connect the situation to the contact person in the organization,"

"And then the contact person will pass the message to me."

Charlie asked him: "What method does your contact person use? Send you a message?"

The man replied, "They have left us a communication device,"

"But only my device can hear the voice of the docking person."

Charlie asked again, "Is your docking person a man or a woman??"

The man shook his head: "With a voice changer, I don't know if it's a male or a female."

Charlie said at this time: "So, my third aunt should be the guide you were talking to,"

"She was the one who took the lead. The appropriate attack time was reported to your docking person,"

"And your docking person then instructed you to launch an attack."

The man nodded: "It should be, I saw the woman who was taken out,"

"And seemed to have committed suicide by taking poison,"

"She, I am sure was the person from the organization."

Charlie asked him, "Then the order you received was to kill all the people inside, or to keep some people alive?"

The man opened his mouth and said, "The order was not to let us leave anyone alive."

Charlie frowned: "Wouldn't that even kill the guide? Did the guide know?"

The man shook his head: "I don't know her either. Do you know?"

Charlie asked him, "Do you know anything about the guide?"

"I don't know much." The man shook his head and said,

"The guide and the dead man are just different identities in the organization."

"Among them, the dead man's information is the most occluded,"

"Because we have been under the strict surveillance of the organization,"

"Which is equivalent to prisoners, so there is almost no additional information to understand."

"We know what the organization tells us to know,"

"And we have no way of knowing what the organization does not let us know."

Charlie nodded lightly, and asked him again:

"If your task is completed, what will be the follow-up process?"

The man said, "After the task is completed, we will withdraw to the garage,

And then receive drug injections there, and the rest of the organization will take us back."

Charlie looked at him and asked, "Your subordinates committed suicide by taking poison,"

"How will your organization treat your family?" The man said,

"We this time failed the mission, and the organization will define us as loyal to the Master,"

"So they will not embarrass our family, on the contrary, they will treat our family better."

Charlie said lightly: "No wonder you and your subordinates were very decisive...

When committing suicide by taking poison."

"Yes." The man nodded and said, "For the vast majority of the dead,"

"They basically do not end well, and most of them die tragically,"

"If they die faithfully, there is no pain, it will be over in a blink of an eye,"

“And will be able to exchange better living conditions for the family.”

“The man thought for a while, then shook his head and said,

“I don’t know either... the death camp we are in has a total of 1,110 households,”

“And 1,900 dead people, the total population, men, women, and children combined, about a few thousand people.”

Charlie asked in surprise: “So, your organization is not only your part of the dead?”

“Yes.” The man nodded and said, “There are dead camps all over the world, but I don’t know how many there are.”

Charlie was more and more shocked, thought for a moment, and asked again:

“You said that you were injected with drugs before you came,”

“And you had already arrived in New York when you woke up,”

“So do you know how long you have been in a coma?”

“I don’t know. The man shook his head and said, “No one is allowed to know the date and time in the camp of the dead.”

“We can’t see the sunrise or sunset, just the lights are on and the lights are off.”

“Moreover, I have quietly calculated. However,”

“Our daily routine in the death camp does not seem to follow 24 hours a day pattern.”

“They seem to deliberately make a little deviation in the time of each day.”

#### **Chapter 4564**

The dead man further explained, “Today could be longer than yesterday, and yesterday could be longer than the day before yesterday.”

“Over time, even if I knew the exact time when I left the mission,”

“And after going back for a period of time, the record will have deviated.”

Charlie asked him: “How did you calculate the time deviation?”

The man said: “I hit the bottom of the bowl. A very thin hole, filled with very fine sand,”

“It started from the time the bell rang on the first day,”

“Leaked until the bell rung on the second day, and then leaked the fine sand again,”

“And when the bell rang on the third day, the fine sand sometimes leaked out early,”

“And sometimes it’s too late, so I guessed the time inside was different from the time outside,”

“So after a long time, we don’t know what year and month it is outside.”

Charlie was curious. He asked: "You do so many things quietly, were you looking for a chance to escape?"

"No way." The man smiled bitterly and said, "Even if there is a chance to escape,"

"It will inevitably be a death, I just wanted to know more about it."

"The mechanism of the dead man's operation, if there is a chance to escape,"

"Everything in the dead man's camp will be exposed."

"If it can destroy the dead man's camp so that no one will repeat my mistakes in the future, it will be even better."

Charlie nodded and said lightly: "It seems that you have not been completely brainwashed by the organization."

"Brainwashing?" The man shook his head and said,

"The organization disdains to brainwash us."

"Our own lives and the lives of our families are in the hands of the organization."

"It doesn't matter whether we are brainwashed or not."

"Slave, from this point of view, we can be regarded as the people who hate them the most in the world,"

"But they don't care, because they know that we have no guts and no ability to betray the organization."

Charlie nodded slightly, knowing that these people know, it's almost finished.

At this time, Joseph asked, "You should know where the garage you woke up from?"

"Yes." The man said truthfully, "The garage we woke up from is in Brooklyn."

Joseph Looking at Charlie: "Mr. Wade, this is the only place where they have intersected with the organization."

"Those people set up the garage in advance and will definitely leave information."

"If we use this as a clue to check back, we should be able to find some hints.

Charlie waved his hand and said indifferently: "No need to check."

Joseph hurriedly asked: "Mr. Wade, this is the only clue!"

Charlie said seriously: "Then there is no need to check, the other party since is so cautious,"

"The clues to be dealt with have already been dealt with."

"When we go there to check at this time, we will only expose ourselves,"

"And even if we find any clues, it will be meaningless."

“We are still far from the strength required to face them.”

“Such an organization we compete against. What we know now are only dead soldiers and guides,”

“And we don’t know how many dead soldiers and guides they have, let alone,”

“In addition to dead soldiers and guides, they must have other organizational structure,”

“Maybe the true strength of the other party is greater than we imagined.”

Joseph hesitated for a moment but nodded lightly.

Even Charlie said that, and he didn’t dare to act rashly.

Charlie looked at the man and said lightly, “You cooperated well today,”

“But I’m not ready to kill you for the time being.”

After finishing speaking, he said to Joseph:

“Joseph, I’m leaving. Secretly take him to Syria to take good care of him,”

“And don’t let anyone outside the core members of Front know of his existence.”

Joseph without thinking nodded and said, “Don’t worry, Mr. Wade, I will arrange it!”

Charlie looked at the man again and asked, “What’s your name?”

The man said gratefully: “My name is Five Four Seven!”

Charlie asked him, “What Fiver Four Seven?”

“Don’t know.” The man smiled wryly: “It’s a number, I don’t have a surname,”

“And I don’t even have a name. My ancestors don’t know what their original surname was,”

“We were just born and given a number by the organization, and then we used this number as our name.”

Charlie had mixed feelings in his heart, was silent for a moment,

Nodded lightly, and said seriously: “You live well,”

“I will let you see with your own eyes the complete demise of this organization!”

In Five Four Seven’s eyes, an unprecedented light of hope suddenly flashed,

Staring at Charlie, and asked respectfully, “Mr. Wade, I answer all you asked. I have so many questions,”

“I hope you can take it into consideration for the sake of your cooperation and tell me,”

“How did you completely seal the power in my body?”

Charlie smiled coldly and said, “My power is much stronger than that!”

**Chapter 4565**

For Charlie, spiritual energy is his biggest trump card at the moment.

This mysterious organization is indeed powerful, even too powerful.

However, the power they control these dead soldiers, or in other words,

The power they use to enhance the strength of these dead soldiers is still not an opponent in the face of his aura.

It is precisely because of this that he has the confidence,

To dig out this mysterious organization one day in the future.

Five Four Seven can also feel that Charlie's strength is far beyond his perception,

And the energy that even the 20th-generation dead can't fight can be sealed in front of Charlie effortlessly.

Charlie said that to make the organization completely perish, it is not just mere talking.

So, he thanked him and said, "If Mr. Wade can eradicate the organization,"

"I believe that these dead soldiers will be willing to serve you allegiance!"

Charlie waved his hand: "It's too early to say this now, wait for me on the day they are eradicated,"

"You will be returned to your freedom, and it will be up to you to decide where to go, whether to stay or not!"

Five Four Seven said gratefully: "Mr. Wade is merciful! The relatives and those who died in the past 200 years,"

"They all will thank you for your kindness and great virtue!"

Although Five Four Seven had just brought people to try to kill his grandfather and grandfather,

Charlie still felt that this person and the other dead men are too pitiful.

Twenty generations of people have been reared and served as slaves with no light for generations.

This fate is much more tragic than the black slaves who were trafficked to Europe and the United States.

If he can return the freedom of these dead soldiers, it can be regarded as a great work.

If these dead men are willing to serve him, that will be the icing on the cake.

Subsequently.

Charlie said to Joseph: "Joseph, deal with all the clues,"

"You will hurry up tonight to let people take Five Four Seven out of the United States."

"We must be cautious and careful, and never leave any clues."

Joseph said immediately: "Okay, Mr. Wade, your subordinates will make arrangements immediately!"

Charlie nodded and said, "I am going to Hong Kong in two days."

"You go to Hong Kong in advance to wait for me."

"First, let me know the details of Gerard Liu in Hong Kong."

"When the situation there is clear, and we will meet there when the time comes."

Joseph didn't know why Charlie suddenly wants to go to Hong Kong,

But he still said without hesitation:

"After I send him away, I will leave for Hong Kong before dawn."

Charlie nodded, looked at Five Four Seven again, and said,

"Five Four Seven, you dead warriors should have mastered a lot of specific tactics, right?"

"Otherwise, facing the eight-star warriors this time, you wouldn't be able to deal so easily."

Five Four Seven hurriedly said: "Mr. Wade, we do have many different tactics in our daily training,"

"Usually special tactics and special equipment."

"These are all formulated in the organization and taught to us by the instructors."

Charlie After a sigh, said, "After you arrive in Syria,"

"Try your best to tell the people in Cataclysmic Front of the tactics of the dead soldiers,"

"And let the Front also train them to improve their overall strength!"

"Okay!" Five Four Seven without hesitation Said: "I will give all the tactics next time!"

"Okay." Charlie took out two blood-scattering pills from his pocket, handed them to Joseph, and said,

"These two pills should be able to help you. Breaking through the bright realm is a great success,"

"You can take it immediately after you get on the plane,"

"I believe that when we meet again in Hong Kong, you will be a master of the dark realm."

## **Chapter 4566**

Joseph was stunned and said with sincerity:

"Mr. Wade... ..You can spare your subordinate's life and let your subordinate's parents go to earth in peace."

"Your subordinate is grateful, and you have helped your subordinate to reshape the meridian,"

"And make your subordinate jump to the Great Perfection of the Bright Realm."

"These kindnesses, I haven't had a chance to repay,"

"How can I accept your such precious medicinal pills again..."

Charlie said lightly: "Joseph, this kindness, you don't have to mention it all the time."

"You have seen what happened today. It is as strong as an eight-star warrior."

"With the cooperation of the opponent's specific tactics, easily slaughtered like a lamb,"

"So your top priority now is to quickly improve your strength,"

"Otherwise if you die someday, wouldn't you have less chance to repay your kindness?"

After that, he handed the elixir to him and said, "Advanced Dark Realm, The road ahead is longer!"

When Joseph heard this, he immediately said with great gratitude and respect:

"Thank you, Mr. Wade! Your subordinates will definitely live up to their expectations!"

Charlie nodded: "I'll go first, you'll deal with it here."

Joseph hurriedly said, "I'll see you off my subordinates!"

Charlie looked at the time, it was only after three in the morning,"

"So he waved his hands and said, "No need, I'll go by myself."

Joseph said: "That subordinate will send you out!"

When Charlie walked out of the villa, the entire Long Island was silent.

After all, it is already past three o'clock in the morning,

And the rich people who live here generally end their nightlife and enter a dreamland full of money and desire.

Charlie was walking on the street alone, with mixed feelings in his heart.

He couldn't imagine how big this mysterious organization would be.

He tried Five Four Seven for more than an hour, and he didn't even know the name of this mysterious organization.

At this time, the voices and smiles of his parents when they were alive came to his mind.

The father and mother in his memory would never frown over something,

Even if the two went to Aurous Hill, and settled down in an old house,

The two always had smiles on their faces. They cleaned up the house and bought furniture together,

And they were always optimistic and looking forward to life.

Therefore, he couldn't help wondering if the death of his parents was caused by this mysterious organization.

If so, did the parents sense that the danger was approaching before the accident happened?

If so, did they have any specific knowledge of this mysterious organization?

After thinking for a long time, Charlie sighed and shook his head.  
Thinking too much about unsolved problems will only make people more tired.  
Therefore, he decided to put this matter aside for the time being,  
And continue to dig deeper when there is a chance in the future.  
And now, the most important problem to solve is Gerard Liu who wants Hogan's life.  
If nothing else, Elaine will come tomorrow or the day after tomorrow.  
If there is no accident, he will accompany his wife to watch the concert the night after tomorrow,  
And then will leave for Hong Kong immediately.  
Since he is going to meet Gerard for a while, he must give himself a suitable identity and opportunity.  
Thinking of this, he immediately took out his mobile phone and called Doris.  
Doris was handling official business in the office at this time.  
For some reason, her mind was suddenly empty, and she subconsciously turned on a tablet computer on the desk.  
After unlocking it, she found a photo from the tablet's photo album and looked at it in a daze.  
The scene in the photo is her office.  
The character in the photo was not herself, but Charlie sitting on the sofa.  
This was taken by her quietly after he came to Emgrand Group last time.  
He is a strange person. He hardly posts any Moments, and he never posts selfies,  
So that it is difficult to keep a photo of him.

#### **Chapter 4567**

Therefore, Doris secretly took a photo and hid it on her tablet computer.  
Whenever she thought of him, she quietly found the photo and took a look.  
Just when she was a little lost, the phone suddenly rang.  
When she saw the words "Chairman" on her phone, she was as happy as a little girl.  
She wanted to grab the phone immediately, but for some reason,  
She hurriedly straightened her hair in front of the mirror reflected in the glass cabinet,  
And then suppressed her excitement and pressed the answer button...  
Doris's voice was a little excited and energetic, but Charlie couldn't understand it.  
He went straight to the topic and asked,

“Doris, how much do you know about Gerard Liu in Hong Kong?”

“Gerard Liu?” How did you find out about him?”

Charlie said, “I have something to discuss with him,”

“But I don’t want to use my real identity,”

“So I want to ask you if there is a good opportunity for me to talk to him,”

“After I go to Hong Kong. I will meet him normally.”

Doris said: “Chairman, our Emgrand Group has no business dealings with him,”

“But I remember that a large section of his main business is ocean shipping,”

“You might as well call Melba and ask, if you use the name of ISU Shipping, there should be no problem.”

“Understood.” Charlie smiled and said, “Then I’ll call Melba, you get busy”

Doris didn’t expect Charlie to hang up so soon, and said subconsciously, “Chairman, wait a moment...”

Charlie asked her, “What’s the matter? Do you have anything to ask me?”

Doris hurriedly said: “Uh...that... it is that...you cured my father’s illness before,”

“My parents have always been very grateful to you, and have never found a good opportunity,”

“My mother told me a few days ago, that she wanted to invite you to dinner at home,”

“I told her that you were in the United States,”

“And she asked me when you will come back if it is convenient, come to eat dinner at home.”

Charlie knew that when Doris’s father was poisoned before and he saved him.

Her family has always been grateful for his act, but he smiled casually:

“Tell uncle and auntie that you don’t have to be so polite,”

“The previous matter was just a little effort.”

After speaking he said again: “But don’t worry, I will definitely make time to visit after I come back.”

Doris said happily: “Okay chairman, then I will tell my mother that,”

“When you come back, come to the house for a quick meal!” “OK.”

Charlie readily agreed and smiled: “Doris, then I’ll hang up first, and I’ll call Melba.”

“Okay, chairman!”

Charlie hung up the phone and called Melba, who is now in charge of ISU Shipping.

On the other end of the phone, Melba was as surprised as Doris, and blurted out,

“Mr. Wade...why are you calling me so late?!”

Charlie smiled and said, “It should be the afternoon on your side, right?”

“Yeah!” Melba hurriedly said: “Isn’t it late at night over there?”

“You are calling me so late, aren’t you afraid that Madam will get angry?”

Charlie said casually: “No, no, I’m outside to breathe.”

“Oh, that’s it. Ah...” Melba summoned her courage and deliberately teased:

“Mr. Wade misses me, called me, and wanted to chat with me, or do you have something to tell me?”

Charlie smiled: “I have something to do. I want to ask you for help.”

Melba was a little disappointed in her heart, but she said without hesitation:

“If you have something to do, just tell me.”

Charlie said, “Do you know Gerard Liu from Hong Kong?”

“Gerard Liu?” Melba asked curiously Said:

“That romantic rich man who is famous all over Hong Kong?”

“Yes.” Charlie smiled: “It’s him.”

## **Chapter 4568**

Melba hurriedly said: “I don’t know him, but he happened to have his assistant come to me some time ago.”

“He told me that he wanted to visit ISU Shipping in person and discuss the cooperation in the shipping business.”

“He also has a shipping company. However, due to the economic situation and the rapid rise of ISU Shipping recently.”

“His shipping company’s operating conditions are not very good, his ships are not enough,”

“But his ship has 30% of its capacity idle and cannot be cashed,”

“So he really wants to cooperate with us and subcontract some mainland,”

“And Japan-Korea links from us as well as the European and American route resources.”

Charlie asked her, “Then have you chatted with this man?”

“No.” Melba said, “To be honest, we cooperate with them, that is,”

“We will transfer the uneatable part to them for some intermediary fees.”

“It’s not very impressive for us. Besides, he is asking us now.”

“I want to hang him and stretch him first, which can also lower his psychological expectations. Fight for a bigger one.”

“Understood.” Charlie said with a smile: “If that’s the case, then you can contact him,”

“Say you can think about cooperation, and then tell him that you are going to send your assistant to Hong Kong.”

“Check it out and let him receive the reception at that time.”

The smart Melba immediately noticed the key, and hurriedly asked,

“Mr. Wade, are you going to pretend to be my assistant and go to Hong Kong for a private visit?!”

Charlie smiled as Melba said: “It’s not enough to make a private visit in a low tier position,”

“I just want to meet Gerard for a while.”

Melba hurriedly said: “You are my boss, how can you pretend to be my assistant... This... Isn’t this a bit inappropriate? “

There’s nothing inappropriate.” Charlie smiled:

“Just tell him my name, say I’m your assistant and ask him to send someone,”

“To pick me up at the airport within the specified time. “

Okay...” Melba knew that Charlie must have a deeper meaning in what he did, so she said,

“Are you still in the United States? When are you planning to go to Hong Kong?”

“I will communicate with him when the time comes.”

Charlie smiled and Said: “You can communicate with him now, just say I’ll be there in two days.”

“No problem!” Melba said, “Then I’ll call his assistant now.”

Charlie explained: “No, you call him directly, with a high-profile attitude,”

“And make him feel flattered.” Melba couldn’t help laughing:

“Okay, Mr. Wade, I understand! Then I’ll contact him now!”

At the same time. China Hong Kong.

In the central area where every inch of land is expensive, there are countless modern buildings.

This is the financial center of Hong Kong and almost every multinational group in the world,

Likes to set up their branches here.

In one of the skyscrapers, a fat man with a bloated body is smoking a cigar

And looked proudly over the Victoria Harbour outside the floor-to-ceiling windows.

There was a knock on the door, and he shouted loudly without turning his head, “Come in!”

His assistant pushed open the door, and seeing him grinning non-stop, he quickly said,

“Chairman, you are in such a good mood today. Ah!”

“Of course!” Gerard laughed, looked at the assistant, and asked,

“Do you remember Hogan Chen’s pummeling!”

The assistant was stunned for a moment, and quickly said,

“Of course, I remember... Ah!” Hor... oh no... Hogan Chen’s ungrateful pokemon has been missing for more than ten years...”

Gerard sneered: “I lost this fcuking filth after he started running for twenty years!”

“I couldn’t find this punk, but Goodness, this punk will soon return to Hong Kong!”

The assistant asked in surprise: “He... how dare he comes back to Hong Kong... This is not to die. Is that right?”

Gerard snorted and said, “He has now been arrested by the US Immigration Service,”

“And he was staying illegally, and the US side will soon deport him back.”

“This punk should have been hiding outside for so many years, and he is finally coming home! Ha! Haha!”

After speaking, he couldn’t help humming: “Come back, come back, wandering around the world~Come back, come back, you are tired of wandering~”

## **Chapter 4569**

Knowing that Hogan was about to be deported soon, Gerard was in a particularly good mood.

For the past 20 years, he has always felt embarrassed,

And now he finally has the opportunity to make the other person feel ashamed.

Therefore, since yesterday, he has been counting the seconds,

In order to rush to Hogan when he is back.

As long as this man comes back, how many people in Hong Kong will try their best,

To kill him for the sake of their secrets.

As long as he died, the sword of embarrassment on his head would naturally disappear.

Just then, his cell phone rang suddenly.

So he took out his mobile phone and said carelessly: “Hello, who is it?!”

On the other end of the phone, Melba said lukewarmly,

“Mr. Liu, right? I’m Melba Watt from ISU Shipping.”

Gerard's expression suddenly changed to a very flattering one,  
Holding a cigar in one hand and a mobile phone in the other,  
Watt said respectfully: "So it's Ms. Watt! I have admired you for a long time,"  
"And I have been looking for an opportunity to visit you in person!"  
After speaking, he hurriedly asked again: "By the way, Ms. Watt,"  
"I don't know if my assistant has explained our situation to you before."  
"We really hope to cooperate with ISU Shipping. Let's see if you have time,"  
"And let's have a good chat. I will also like to have a chance to report our advantages to you face to face!"

For Gerard, his assets are naturally much stronger than that of professional managers like Melba.  
However, to measure the value of a person, it is not only to measure his assets,  
But also to measure the platform he is on and the resources behind him.  
Although Melba has no assets of herself, she is the head of the entire ISU Shipping.  
Now, ISU Shipping has abundant resources in Asia and is developing rapidly.  
If he wants to cooperate with ISU Shipping and monetize the idle resources from Melba, he must be polite to her.

Melba said in a calm tone at this time:

"Mr. Liu, about cooperation, your people have introduced it to me before."  
"I think cooperation is not unthinkable, but before discussing cooperation,"  
"We still need to strengthen our understanding."

Gerard said without hesitation: "Of course! This is what it should be!"

"Ms. Watt, when it is convenient for you, I will come to the mainland,"  
"To meet you in person to share the information and introduce my team!"

Melba said: "Don't trouble yourself, Mr. Liu,"

"It just so happens that my personal assistant is coming to Hong Kong in two days."

"If you have time, I can arrange a meeting with you,"

"And he can represent me with full authority."

Gerard said in surprise: "Wow, Ms. Watt, that can't be more opportune!"

"I will be totally available for the next two days!"

Melba said, "Then I'll tell you the exact time when his schedule is settled,"

"And then I'll trouble President Liu to arrange a reception."

"No problem. Absolutely no problem!" Gerard said cheerfully:

"I will personally receive him at that time! I will definitely make him feel at home!"

Melba smiled slightly: "Okay, let's settle it first."

After Gerard and Melba exchanged a few words, she just hung up the phone with a smile.

As soon as he hung up the phone, Gerard laughed loudly and excitedly:

"It's really a double happiness, a double happiness!"

"Melba Watt from ISU Shipping will send her personal assistant to visit Hong Kong. Take it!"

### **Chapter 4570**

The assistant said in surprise: "Mr. Liu, ISU Shipping is interested in cooperating with us,"

"Which is great! Now all the good routes are in their hands,"

"And high-quality ports and customer resources are also in their hands."

"Here, cooperating with them will definitely release our shipping capacity!"

Gerard took a sip of the cigar and said with a smile:

"This ISU Shipping is Ito family's and that Ito Nanako,"

"She is the most beautiful in the world, and from the Su family that Zhiyu is also not anything inferior,"

"I heard that even this Melba Watt is a super beauty that is one in a million,"

"And working with them is only a side matter, if you can only get to k!ss them,"

"It will really be a thing worth doing in your life!"

As soon as Gerard finished speaking, the door of the office was suddenly pushed open,

And a middle-aged lady with extraordinary temperament and incomparable beauty walked in,

With a gloomy expression: "Gerard! Who do you want to k!ss? Huh?"

"It can make you so excited that you don't even want to die!"

At this time, the female secretary beside the middle-aged woman said with an embarrassed expression:

"I'm sorry Mr. Liu... Madam, she insists on coming in and didn't let me report to you. ..."

Gerard shook his head and said to her and the assistant beside her, "You two go out first."

The two of them quickly turned and left after hearing this.

Immediately, Gerard came to the middle-aged lady with a face,

And said with a smile, "Wife, you know who I am talking about."

At this point, Gerard quickly changed the subject and said,

"Didn't you invite Mrs. Han to spend time with you today? Why did you suddenly come to me?"

The middle-aged lady folded her arms, looked at him coldly, and said sharply,

"I heard that people in Hong Kong are all gearing up to earn 30 million from your President Liu!"

After that, she asked angrily, "Why haven't you spared Hogan?!"

Gerard at this moment with an innocent look said:

"Hey, wife, although I love you very much, but if you say that to me, I will be very sad!"

"I promised Philip Gu from mainland long ago, for his sake,"

"I won't go after that Hogan, but this time you can't blame me,"

"For him being discovered by the US Immigration Service, right?"

The middle-aged lady said angrily, "You think I'm a three-year-old child?"

"You must be playing tricks behind my back!"

Gerard raised his hands: "You're wrong, wife! Hogan is caught by the immigration bureau,"

"And you think it has something to do with me?!"

"You can't doubt that I told the secret, right?"

"I didn't even know where he was for so many years."

If I knew, could I wait until today!"

The middle-aged lady blurted out: "I don't care if you are playing tricks on this matter,"

"I only have one request! You immediately take back the 30 million bounty,"

"And you will be responsible for entire Hong Kong."

"Announcing that 30 million bounty is invalid!"

"You have lost it!" Gerard's good face suddenly disappeared without a trace,

His eyes fixed on the middle-aged lady, and he said coldly:

"You fucking think I'm a turtle? What you say, Take it back yourself?"

"What do you want people in Hong Kong to think of me?"

"Why me, Gerard, a respectable person, he embarrassed me,"

"You have been making me laughing stock for 20 years,"

“And now you want me to take back the bounty, wouldn’t that be like me taking that embarrassment to the grave with me?”

The lady was frightened by Gerard’s angry expression, she involuntarily took two steps back,

And her tone softened. She pleaded: “Gerard, I beg you...Hogan has been hiding outside for so many years,”

“And it has been very hard for him. This time he is sent back, so just let him go.”

“His mother is in her 80s. It’s not good, if he dies, she won’t have a few days left to live!”
