

Chapter 461

Wu Qi has completely lost his mind.

At this time, the psychological hints Charlie gave him were extremely strong, driving him to just “fill his stomach” in his mind!

The three classmates collapsed and went forward desperately to pull him away. He lay on the ground like a mad dog, eating and cursing.

The headteacher just ran out with a few doctors. Seeing this scene, the doctors who were used to seeing mental illness were also frightened.

They have seen all kinds of mental illnesses, but this is really the first time they saw...

This is too cruel, right? !

As a result, a bunch of doctors hurried forward and dragged the person back from the shit abruptly, then tied the person to a special bed with a fixed belt, and pushed the person into the mental hospital.

At this moment, the entire Aurous Hill School of Finance and Economics is spreading Wu Qi's video.

Countless people will vomit on the spot after watching it, but everyone is still watching it with strong nausea, watching this video of Wu Qi's destruction.

Many people clapped their hands and cheered excitedly when they saw Wu Qi's end, because they in the school knew that Wu Qi was a super pervert. He liked to control girls psychologically, and then forced them to self-harm and commit suicide. To satisfy his twisted psychology.

Many people with a sense of justice dislike or even hate him, but because no one can provoke him, Wu Qi has never paid any price for his actions.

However, Wu Qi, who likes to give other people psychological hints the most, has turned into a shocking mental retard. This is not only irony, but also a hatred! They are really happy!

The Wu family's private plane has landed at Aurous Hill Airport.

From Suzhou to Hangzhou to Aurous Hill is very close, the high-speed rail only takes about one and a half hours, so there are no flights between the two cities, and it only took half an hour for Wu's private plane to fly here.

After that, Ragnar Wu took Wu Qi's brother Roger Wu and several top doctors and quickly got off the plane.

On the side of the plane, several Rolls-Royce had been waiting for a long time, and the group was divided into three cars and went straight to the SanityLab Hospital.

This Mental Hospital was not far from the airport, so the group rushed to the hospital quickly.

When they reached there, Wu Qi was tightly tied to the bed, struggling with all his strength, and a towel was stuffed into his mouth. This was because he couldn't get away and tried to bite his tongue and kill himself. The doctor blocked his mouth quickly.

At this time, Wu Qi seemed to be suffering from rabies, and the whole person was completely mad.

When Regnar saw that his son became like this, he was heartbroken and hurriedly stepped forward and said, "Wu Qi, Dad is here!"

Wu Qi can't recognize his father at all at this time, he just wants to fill his stomach...

So he pulled his feet and arms vigorously, his wrists and ankles were tied with belts, so he quickly got all scars and even faint bleeding.

Regnar hurriedly said to the psychiatric expert he had brought: "Look at what is going on!"

The doctor nodded and said, "I will give the second young master a sedative first!"

After speaking, he immediately took out the syringe and sedative from the medicine box he carried, and gave Wu Qi a shot without hesitation.

However, after the needle went down, Wu Qi didn't feel calm at all. He was still struggling desperately, whimpering and saying something, but he couldn't hear clearly because of the towel.

Seeing that the tranquilizer had no effect, Regnar hurriedly asked: "What's going on?!"

The expert was a bit big, and said, "Mr. Regnar, let alone a person, even if it is a cow, he has no reaction at all..."

Chapter 462

Regnar blurted out: "You don't need to say that I also know that he has no reaction at all. I want to ask you, what to do now?"

The expert thought for a while and said: "I want to increase the dose a little bit. In any case, let the young master calm down first."

Regnar nodded and said, "What are you waiting for?!"

Experts said: "Mr. Regnar, excessive use of sedatives can damage the body, so..."

Regnar blurted out: "He is already damaging his own body, and the most important thing is to calm him down quickly!"

"OK!" The expert nodded hurriedly and immediately prepared to increase the dose.

After another shot, Wu Qi still didn't change much.

"It's really weird..." the expert said: "This kind of tranquilizer has a very strong effect. After two injections, the manic elephant will also stop, but the young master is still so irritable, which is really a bit unreasonable."

At this time, the heart expert on the side said: "No, Mr. Wu Qi's body is shaking, as if his heartbeat is fast!"

After that, he immediately took out a portable ECG monitor and turned it on for a test. At this time, Wu Qi's heart rate was as high as 180 beats per minute!

“This...this is the heartbeat index after violent anaerobic exercise... If the young master keeps this heart rate, the heart may not be able to handle it longer!”

Regnar hurriedly asked: “What happens if it doesn’t get down?”

Cardiologists said: “This can lead to a heart failure, palpitations, or myocardial infarction, and it will be life-threatening!”

Regnar asked, “What should we do?!”

The cardiologist said: “The best way is to calm down the young master as soon as possible, otherwise, the heart will be difficult to bear this load for too long...”

The psychiatrist on the side said: “But the second young master can’t calm down now. After the two sedatives have been taken, he still doesn’t get better at all...”

At this time, Wu Qi was still struggling desperately, so that his heartbeat was getting faster and faster!

The cardiologist was anxious, and blurted out: “No way! The heart rate is still rising. If this continues, it will soon be life-threatening!”

Regnar hurriedly asked some Wu Qi’s classmates who were already frightened next to him: “What is going on with him tonight? Is there any way to calm him down?”

The three of them look at him and he look at them. One of them plucked up the courage and said, “Hello, uncle, after Wu Qi returned to the bedroom tonight, he started to eat sh!t. When he wants to eat sh!t, no one can stop him. It’s only when he is finished eating that he can regain his sanity...The second and third time the same thing happened...”

Regnar’s face was extremely cold, and he asked, “In other words, he can only calm down after eating that thing, right?”

“Yes...” Everyone nodded hurriedly.

Roger on the side could not help saying, “Dad, is someone deliberately pulling a revenge on Wu Qi? After all, Wu Qi has indeed hurt some girls from poor families in the past two years in college. It seems that two have died.”

Regnar said blankly, “You said it yourself. Those are girls from poor families. Neither the living girl nor the family member of the dead girl can make any waves. I suspect there is something strange.”

At this time, the cardiologist said: “Mr. Orvel, the second young master’s heart rate has exceeded 220. If this continues, it is estimated that the young master heart will not work soon!”

Regnar gritted his teeth and spit out three words after a while: “Let him eat!”

Wu Qi’s brother Roger blurted out: “Dad, I can’t let my brother go to the toilet to eat that thing! This...this is too disgusting!”

Regnar said coldly: “Now there is no other way! The most important thing is to save his life! Let him eat first! Wait for him to stabilize before finding a way!”
