

Chapter 461: She Needs a Memorable Lesson

After dinner, out of fear of Bo Jinchuan's strong aura, Bo Jinhang dragged his wife and sister-in-law downstairs.

It was getting late indeed.

Bo Jinchuan continued his unfinished work in the study.

After coming out of the shower, the first thing Shen Fanxing did was to surf the internet.

Public opinion regarding 'Everything is Love' was still brewing online.

Someone even revealed that when Ji Yi had just debuted, she had gained popularity for the first few years. Yet, some of the songs that she sang at her concerts were suspected to be sung by backup singers.

Because there was a need to dance during a concert, overly intense dancing would result in unsteady breaths.

At the concert, her voice during the songs she sang was steady, and she didn't have any breathing issues nor hiccups.

There were also visible differences in her lip movements to the song as recorded in the videos of her concert.

Once the news was leaked, there was an uproar online!

'Sixin's daughter got someone to sing on her behalf? I feel so ashamed for Teacher Shi!'

'How can there be such a shameless person in this world who is jealous of others' success?'

'Keep acting. Look... are you courting death?'

'This kind of malignant tumor in the music industry, the sooner she dies, the sooner she can be reborn!'

When Shen Fanxing read these personal attacks, she frowned and clicked to report them for malicious remarks.

Then, she scrolled through Lin Shijia's and Shen Qianrou's Weibo account. There was no response, but their latest update had attracted attention.

There were more than a hundred thousand likes and 70,000 to 80,000 comments. Most of the comments were positive.

On Lan Yun Entertainment's official Weibo account, there was a statement released just now. According to the outcome of the 'Everything is Love' incident, there would be a press conference at Lan Yun Entertainment's entrance tomorrow morning. The reporters were invited to attend.

This was the most anticipated news, and all major media outlets would definitely be present.

Shen Fanxing read it calmly, her heart calm.

Needless to say, she knew what Lan Yun Entertainment had in mind.

Given the current situation, Shen Qianrou had an absolute advantage. Even if she didn't, Lan Yun Entertainment and Jiang Rongrong wouldn't give up on Shen Qianrou.

Thus, Ji Yi was completely at the losing end this time.

In less than ten minutes, Lan Yun Entertainment's statement had been pushed to the trending chart, where it received many likes and comments.

Shen Fanxing raised an eyebrow before closing the web page.

There was still one last attack left. She could only wait... for Lan Yun Entertainment to blow the matter up!

What she needed was the attention given.

What Ji Yi needed was a memorable lesson!

Even though this was a little cruel to her, one couldn't always be so innocent. Only a painful lesson could make it unforgettable for her. And she would remember that she it wasn't easy to achieve something from now on.

She threw her phone aside and stared at the empty space beside her bed. The man was nowhere in sight.

Shen Fanxing contemplated and was about to urge Bo Jinchuan to rest when her phone rang.

She paused and picked up her phone.

"Ms Shen, that girl's situation isn't good. It's raining cats and dogs and she's alone by the sea..."

A stern voice sounded, causing Shen Fanxing to frown.

"Keep an eye on her and send me the location. I'll go and take a look now."

"All right."

After hanging up, Shen Fanxing took off her pajamas and put on a casual outfit.. Then, she glanced at the rain droplets pattering against the window before putting on a red jacket.

Chapter 462: Finding Someone

Then, she walked into the study as she tied her hair.

Bo Jinchuan was in the midst of a senior management meeting with their German subsidiary when Shen Fanxing pushed the door open and entered.

"Bo Jinchuan, I'm going out now. Sleep early after you're done."

Upon hearing this, Bo Jinchuan turned his head and saw a slender figure at the door. His eyes narrowed at the sight.

She wore a pair of tight black jeans, a white t-shirt and a red jacket.

She was flamboyant, bright and charming.

He had witnessed her suaveness at Old Master Pei's birthday banquet in the capital city. A few days ago at the Bo Consortium, she seduced a foreign woman in a man's outfit!

And she was dressed like that again!

Frowning, Bo Jinchuan glanced at the time on the screen and asked in a low voice,

"It's 10:00 p.m, where are you going?"

"Some company stuff..."

"You're going to the company dressed like that?"

Bo Jinchuan said in a low voice.

"I'm not going to the company. I'm going to find someone."

As she spoke, her long hair was tied up. She walked to him and bent down to kiss his forehead.

Bo Jinchuan took advantage of the situation and wrapped his arm around her waist. Looking at her outfit, he knew that it was a fact that she was going out, so he could only compromise.

"I'll get Yu Song to send you."

"It's okay, there's no need to trouble him since it's so late. I can drive there myself, it won't be dangerous."

Shen Fanxing patted his shoulder comfortingly before breaking free from his embrace. She turned around and strode away hastily.

After Shen Fanxing left, Bo Jinchuan retracted his gaze and called Yu Song.

In a spacious and bright conference room in a building in Germany, a group of senior managers stared at the massive LCD wall in disbelief. For a moment, they were speechless.

That was... a woman?

It should be late at night in China, right?

Their CEO was staying with a woman now?

Moreover, they were obviously intimate just now.

Their CEO had a woman?!

Even though he had only seen the side of the woman's face, she should be a beauty with an excellent figure.

Everyone snapped back to reality, but their eyes were still filled with shock.

Especially the few Chinese faces sitting in the spacious conference room, their expressions were ever-changing.

Bo Jinchuan acted as though nothing had happened and said coldly, "Continue."

...

Shen Fanxing got into her Volkswagen CC and started the engine. The engine emitted a strong buzzing sound before it left the district. It passed through the city as she drove towards the suburbs. She gradually sped up. In the end, the car whizzed like a ghost, with high pressure and low wind resistance. The streamlined design was like a rapidly-moving shadow in the dark rainy night, shuttling along the spacious and deserted roads in the suburbs.

Coupled with the weather and time, it took Shen Fanxing only thirty minutes to reach her destination.

At a farm by the sea, when Shen Fanxing pushed the door open and entered, Ji Yi was sitting on the wooden floor, her body drenched. Her messy hair was still dripping with water and her face was pale. She was curled up in a corner, hugging herself as she shivered.

She looked as though she had been abandoned by the world.

When the door opened, the sound of rain in the room increased and a gust of cold wind blew in.

Ji Yi shuddered visibly.

Sensing someone's presence, she looked up. During their prior meeting a few days ago at the orphanage, she had mentioned her new song with enthusiasm.. Her bright eyes seemed lifeless and dull now.

Chapter 463: I Overestimated You

Sensing someone's presence, she looked up. During their prior meeting a few days ago at the orphanage, she had mentioned her new song with enthusiasm. Her bright eyes seemed lifeless and dull now.

Shen Fanxing frowned.

"You've been in the entertainment industry for more than three years. You've also been with your mother since you were young. It's not like you don't know what the entertainment industry is like. You can't even withstand this little pressure? I've really overestimated you."

Her words were merciless and they were indeed her true thoughts.

Shen Fanxing had never known how to comfort others.

Upon hearing her, Ji Yi's eyelashes trembled and a bitter smile flashed across her pale face.

"I didn't listen to your advice back then and stayed loyal to Lan Yun Entertainment. You've pretty much guessed everything. Now that things have reached this stage, do you think I deserve it?"

Shen Fanxing marched to the door and threw a towel at her.

His voice was cold.

“After all these years of peace and quiet, I’m afraid you’ve formed the habit of living in peace. Previously, with your mother protecting you, and then with Lin Shijia’s help, you don’t have to worry about anything. That’s why you can’t withstand a tiny storm now...”

Ji Yi grabbed the towel that Shen Fanxing threw at her. Her face was devoid of blood, but her eyes were red.

“A tiny storm...” Ji Yi’s voice was choked with sobs as tears streamed down her face. She looked at Shen Fanxing and her body trembled even more.

“Is this a tiny storm? Yes, I admit that I’ve been sheltered by my mother since I was young. I’m delicate, unreasonable, and I can’t withstand any pressure. I’m a person who doesn’t know anything other than playing instruments.

With my mother’s departure, even the sky had collapsed. In this world, there was only Lin Shijia that I could rely on. He was the only one I could trust in this world. I trusted him so much, but now, he wanted to ruin me completely!

Plagiarism... He even intended to sue me in court. I’m all alone now. I’m used to being fragile and weak. What should I do? What should I do now? Is this a tiny storm? Those comments online... Tell me, is there still a place for me in this world?”

“So you chose to commit suicide? Then, you will go to another world to find your mother. You will tell her that you have failed and that you have let her down. You let her down for nurturing you and her expectations for you. You were under too much pressure and you couldn’t do it anymore. It was her disciple who used your music and forced you to die, right?”

“She taught you music so that you could live on and live a wonderful life. She didn’t want to use music to end your life!”

“Or is your passion for music merely like that? Or are the accusations true? That song isn’t yours at all?”

Hearing Ji Yi’s confession, Shen Fanxing’s heart ached a little. Even though she was being willful, but...

Wasn’t she the same?

She had experienced that feeling of betrayal and being abandoned by the world.

When Ji Yi heard her, she froze and shook her head violently.

“No! That’s mine, the song is mine... It is a song I’ve always wanted to give my mother! I want her to know that I understand the painstaking effort she has put in before. I don’t resent her.. I’ll work hard and continue to make my favorite music. I also want to prove to her that I can do it...”

Chapter 464: And Then

Shen Fanxing gave a faint smile and walked to the bed before sitting down.

“and?”

It was another simple sentence. Although it was probing, there was a hint of sarcasm.

Ji Yi stared at her blankly. She knew that Shen Fanxing was mocking her.

He mocked her for saying that it was for her mother, to prove herself to her and to make the best music. In the end, not only did she lose the song, but she also couldn't get it back.

In the end, he could only choose the most cowardly and useless method.

‘And?

There was nothing else!

Ji Yi shook her head in confusion. “I don't know. I really don't know what to do! What can I do alone? Shen Qianrou has Lan Yun Entertainment behind her. Lin Shijia has so many years of popularity and reputation. What do I have? How can I compete with them?”

Shen Fanxing raised an eyebrow. Seeing Ji Yi's dejected and helpless expression, she sighed and stood up.

Then, Shen Fanxing slowly drove the car out of the farm.

It had just rained in the suburbs, and the sounds of frogs could be heard. The air was damp and mixed with the smell of seawater and plants. It felt good.

As they drove towards the city center, Shen Fanxing lowered the window.

A gust of cold wind rushed over.

Ji Yi turned to look at her in confusion.

“There's no one in this world who can't live without someone! Life is your own. How you want to live is your own business. Relying on yourself is better than relying on anyone.”

Ji Yi turned to look at her while Shen Fanxing stared ahead calmly.

“I'm not saying this because I want you to seal your heart and not rely on or trust others. It's because I think that humans are mutual. While you rely on and trust others, you have to be prepared for the other party to rely on and trust you! Make yourself stronger. Even if the other party suddenly leaves one day, you have the ability to live well.”

Ji Yi listened to Shen Fanxing's words quietly, feeling a little surprised. Although her expression was calm, she could feel that these were heartfelt words.

But.

But.

Thinking of the current situation, Ji Yi's heart suddenly became a dark bottomless pit. It was so helpless and suffocating.

Biting her lip, she turned her head away.

"You're right, but my current situation..."

Before Ji Yi could finish speaking, the sound of a car engine entered her ears. The car that had been driving at a constant speed suddenly sped up like lightning.

Ji Yi leaned against the back of the chair and pressed the back of her head against the pillow.

The windows on both sides of the car were wide open, and the humid wind rushed into the car, whistling like the furious roar of a dragon.

Ji Yi sucked in a breath of cold air. The strong wind hit her face, making it hard for her to breathe. Her features were tightly furrowed. She narrowed her eyes and grabbed the handle above her head in a panic. She turned to look at Shen Fanxing frantically.

Shen Fanxing's long hair was blown by the strong wind, causing it to flutter messily behind her. Her fair and expressionless face was filled with coldness. Her eyes were narrowed and sharp. She exuded a strong and cold aura, filled with unquestionable confidence.

"Miss... Miss Shen! In front... there's a series of sharp turns... Can you... ah!"

The sound of the engine only increased, and the sharp sound of brakes echoed in the silent night. The car flew past the edge of the narrow bend, and Ji Yi was thrown to the corner of the car door and chair. She felt as if she was sitting on a scale hanging on a cliff. Her weight would cause the car to lose its

balance. In the end, she locked herself in the corner of the car. The car turned around, and her body was thrown to the left.

At that moment, Ji Yizhen felt like she had died and her soul had left her body.

However, before she could catch her breath, the next turn was followed by the sound of an engine, brakes, tires screeching, and her screams

When she felt that the car had slowed down and stabilized, she slowly opened her eyes.

Directly ahead was the neon city!

'There was a layer of mist in the air after the rain. The neon lights shone brightly in the mist, making it look like a dream.

'The excitement and nervousness that lingered on the edge of life and death gradually calmed down. The night view of the city that she had seen countless times in the past looked so beautiful now.

"The biggest gamble in life is nothing more than a death match. If you're timid, you'll lose."

“The biggest gamble in life is nothing more than a death match. If you're timid, you'll lose.”

The car window was rolled up long ago. Shen Fanxing looked at the bright neon lights not far ahead and said calmly.

“What's this level of attack now? What your mother gave you is enough to protect you. It's an oar to help you move forward. When necessary, it's also the sharpest weapon to protect yourself.”

Ji Yi's eyes trembled and her grip on the seatbelt tightened. She bit her lips hard as tears welled up in her eyes again.

From silent tears to soft sobs, to wanton tears.

Shen Fanxing didn't say anything else. The entire car was filled with longing and guilt for her mother. It was a repentance for her willful behavior in the past. It was the helplessness and grievance that she had been suppressing. She used the most primitive and instinctive method to vent her emotions, but she was no longer weak and timid.

The car slowly stopped in front of Ji Yi's villa. Looking at the place her mother had left for her, Ji Yi's heart ached again!

Shen Fanxing rested one hand on the steering wheel and turned to look at her. Her eyes were red and swollen, but her face was rosy, even though it was caused by the lack of oxygen from crying.

“Go back and take a bath. Don't catch a cold.”

Ji Yi didn't move.

Shen Fanxing narrowed her eyes and looked at her quietly.

After a long while, Ji Yi sniffed and suppressed her tears. After a long while, she took a deep breath and turned to look at Shen Fanxing.

Ji Yi's eyelashes fluttered and her tensed body relaxed instantly.

“I couldn't ask for more.”

In the villa, she didn't look like a girl at all.

The living room, the coffee table, the cabinet, the television, and the flower pot were filled with papers and crumpled paper. There were guitars, violins, flutes, pianos, and various other musical instruments. Shen Fanxing couldn't even name them.

However, the mess looked as though it had been robbed.

“Sorry, the house is a little messy.”

As Ji Yi spoke, she picked up the paper by her feet.

Was this considered a little messy?

“Go take a shower and change your clothes first.”

Ji Yi glanced at her and was about to leave when she stopped in her tracks. Then, she turned to look at her and sized her up. After hesitating for a while, she said,

“Do you want to take a bath too?”

Shen Fanxing looked at her with a faint smile.

For some reason, Ji Yi blushed under her gaze and quickly said,

“I just feel that this will save time. We can discuss what to do while taking a bath...”

After a while, Shen Fanxing shook her head.

“I’m fine. I won’t soak with you. I’ll be fine after drinking some hot water.”

Acertain man could be jealous all over the universe, regardless of gender. What would she say if he asked her?

Lie?

Ha, that sensitive man!

She definitely wouldn’t be fooled!

Disappointment flashed across Ji Yi’s heart, but she could only nod and go upstairs.

“It’s getting late. Let me give you a simple explanation. Lan Yun Entertainment has already announced that they will terminate the contract with you tomorrow. You don’t have to bother about them. Also, since your senior has done this, I think he will cooperate with Lan Yun Entertainment to expose some of your scandals tomorrow. You still don’t have to bother about them! Also, make a copy of this video for me. Also, hand me all your social media accounts. I’ll help you manage them!”

Shen Fanxing spoke quickly, as though she was in a hurry.

Ji Yi was also moved by her tone and hurriedly found a pen and paper. As she wrote her social media account and password, she asked curiously,

“Then what should I do?”

“Write songs. Just now, I took a look at the half-written songs on the ground. They don’t feel very good, but you might as well take a good look and edit them. Perhaps you can write a few new songs. Hand over at least five songs within a month. If you need help, you can look for me. I know a little about music.”

Ji Yi looked at her in shock. “Five songs in a month?!”

Shen Fanxing nodded and said, "Taking advantage of the popularity that Lan Yun Entertainment and Lin Shijia have created for you, I need to arrange a concert for you in the shortest time possible!"

Ji Yi's pen fell to the ground and she looked up at Shen Fanxing in disbelief.

"What... what did you say? You want to arrange a concert for me?!"

"What... what did you say? You want to arrange a concert for me?!"

Shen Fanxing nodded calmly.

"Yes!"

Ji Yi stood up slowly and held onto the sofa unsteadily.

"You... Did you get something wrong? Lan Yun Entertainment and Lin Shijia can't wait to kill me. What kind of popularity can they stir up? After Lan Yun Entertainment's press conference tomorrow, I can't even imagine what kind of scene it will be! I still have to hold a concert at this juncture! How many people will buy my tickets? I'll definitely become a joke. You..."

Ji Yi shook her head. She didn't even dare to imagine what it would be like!

Shen Fanxing turned her head and stared at her. "Didn't you say you wanted to prove yourself? Are you going to back off now?"

Ji Yi paused and her gaze swept across her mother's figure on the television. She bit her lips tightly. "No, I won't retreat. But now... in my situation... is the timing really good?"

"As long as you have confidence, write your song in peace. Leave the rest to me."

Seeing how calm and composed Shen Fanxing was, Ji Yi's uneasy heart gradually calmed down. For some reason, she trusted her.

As long as she was around, everything would be resolved.

In the end, she gritted her teeth and nodded vigorously. Her eyes were filled with determination.

Shen Fanxing smiled and replied coldly, "That would be best."

Pulling her hand back, she picked up her car keys and walked towards the door.

Ji Yi jogged after her. "It's so late. Why don't you sleep here?"

Shen Fanxing sighed helplessly and said, "No need."

It was already past midnight. Let alone staying out late, she didn't even know how to explain to a certain master.

Watching as Shen Fanxing left in a hurry, Ji Yi frowned, not understanding why she was in such a hurry to go home.

However, a moment later, she took a deep breath and turned to enter the room. She walked towards the studio with a few scores on the coffee table.

She had many emotions that she wanted to express urgently. Five songs a month was nothing to her.

After being silent for so many years, how could she express herself with just five songs?

Soon, Ji Yi entered work mode.

'When Shen Fanxing reached her apartment, the lights were still on. She went upstairs and passed by the study. Bo Jinchuan was still in the study, handling work.

She had already changed into a nightgown..

She walked quietly to his side and asked in a low voice, "Why aren't you asleep?"

Bo Jinchuan lifted his head and placed the document aside before looking up at her.

"Are you happy racing?"

Shen Fanxing's heart skipped a beat.

After a long while, she finally found her voice. "You..."

"Twas worried that you would encounter danger if you went out alone. In the end, I realized that you're the most dangerous. It's raining and you dare to race on the mountain. Shen Fanxing, you're really not afraid of death, huh?"

Shen Fanxing licked her lips and cursed inwardly.

Along the way, she was conflicted about how to explain to him that she had come back so late. Previously, she was worried that being with Ji Yi for too long would make him unhappy. In the end, she didn't expect the most troublesome thing to happen.

"L.. Only dared to do that because I felt fine..."

"That's an extreme project. If anything goes wrong, do you know the consequences?"

Shen Fanxing didn't know what to say because this question seemed more terrifying than his jealousy.

However, in the next second, she realized what it meant to make things worse.

Bo Jinchuan took off Shen Fanxing's leather jacket and said expressionlessly, "Who dares to call you a lunatic?"

"That wasn't the main point.

"believe you." Bo Jinchuan stroked her hair and looked down at her. "You're so smart. Would you do something that would make you suffer?"

Shen Fanxing smiled and replied, "Of course not."

Bo Jinchuan smiled and brushed his fingers against her cheek. He kissed her forehead lightly and said, "Go and take another bath. Don't catch a cold."

"Okay."

Shen Fanxing nodded as warmth filled her heart.

At 9am the next day, everyone in the conference room objected to Shen Fanxing's decision to sign Ji Yi.

Shen Fanxing sat on the main seat, her face cold and aloof.

"I've already drafted the contract. I'll sign it at eleven o'clock sharp!" She emphasized again, her tone firm.

However, this was not an ordinary matter. The higher-ups looked at each other with solemn expressions.

"CEO Shen, we usually have no objections to your decisions in the past, but your recent actions are too unacceptable!"

"That's right. The public relations company changed its operations just like that. Regarding this matter, there are still people in the company who have complaints.. But now, you suddenly decided to sign Ji Yi... This

"What's Ji Yi's situation now? It can't be any worse. She has a lawsuit that she will definitely lose! What are you thinking?!"

"That's right, CEO Shen. This decision is too... unbelievable!"

"That's right. Even if it's to sign an ordinary artiste, we can't sign her. This will have a huge impact on the company!"

Shen Fanxing held a pen in her hand and focused on drawing on her notebook. She looked casual, but she seemed to be listening attentively to their conversation.

In the end, when the objections became louder and more consistent, she spoke slowly.

"I must have the confidence to bring benefits to the company if I make this decision. When have I disappointed you before? Earn your money quietly. I must sign Ji Yi."

Shen Fanxing made it clear again. Although the higher-ups had dark expressions, they didn't say anything.

At this moment, Lan Yun Entertainment's press conference appeared on the LCD screen in the conference room.

At ten in the morning, outside Lan Yun Entertainment building, the reporters had already blocked the door.

‘There were even Shen Qianrou’s fans who held banners at the door and shouted in unison. Almost all of them said, “Qianrou, you’re the best. We’ll always love you!” The next sentence was, “We strongly resist the plagiarism of trash! Please ban her! Please ban her! Give our goddess justice!”

“Twonder who she has offended recently. Her reputation has been deliberately ruined!”

“That’s right. It wasn’t easy for her to stand up again with her own strength. I didn’t expect Ji Yi to suddenly appear!”

“It’s all because Qianrou is too outstanding and has unknowingly blocked others’ path. That’s why she was framed by those people.”

Jiang Rongrong had heard enough. She exchanged glances with Shen Qianrou and gestured for her to be quiet.

“Alright, everyone, please calm down. I promise that I will give myself a satisfactory answer at today’s press conference. Everyone, please calm down!”

Shen Qianrou placed her finger on her lips and gestured for everyone to be quiet.

Indeed, the fans gradually quietened down.

Then, Jiang Rongrong responded—

“First of all, I would like to thank all the reporters and fans for their attention and trust in Qianrou.”

“From the moment the incident happened, the company has been investigating this matter. So far, I believe everyone is well aware that our company’s artistes have not produced any works for many years and have always had complaints about the company’s activities.

Chapter 471: Wait!

Translator: Atlas Studios**Editor:** Atlas Studios

Moreover, just now, the music producer, Mr. Lin Shijia, had personally posted that his junior sister, who was also my company’s music artiste, Ji Yi, had composed almost all the previous songs!

For this reason, Mr. Lin specially attached an original song that received the best response when Ji Yi debuted back then as evidence!

Mr. Lin was Teacher Shi’s only disciple and Ji Yi’s senior brother. He had always felt that this was reasonable. Therefore, Ji Yi might have felt that everything Mr. Lin had created was an illusion!

Such a spoiled and unreasonable Ji Yi had caused a serious negative impact on the public. Moreover, the contract was during Lan Yun Entertainment’s period. Lan Yun Entertainment represented the company’s artiste, Ji Yi, to apologize to the public!”

With that, Jiang Rongrong took a step back and bowed deeply to the camera.

After that, the fans at the entrance only had one thing to say. "If you want us to accept your apology, then fire Ji Yi!"

'Then, Jiang Rongrong stood up and walked to the microphone again.

"She targeted Ji Yi for being selfish and disregarding the company's interests. She harmed the reputation of an artist from the same company and slandered Qianrou. Until now, she hasn't given the company and the public an explanation. As the person-in-charge of Lan Yun Entertainment, I've decided..."

"Wait a minute!" At this moment, an abrupt voice sounded.

Jiang Rongrong frowned and turned to look at the person who spoke.

It was the company's manager, Qina.

"What is it?" Jiang Rongrong asked in a low voice.

Qina nodded and walked to Jiang Rongrong's side. She handed her a document.

"This is the termination letter that Ji Yi sent me."

Jiang Rongrong frowned and Shen Qianrou's face darkened.

'The confused fans became even angrier—

"Ha, looks like this plagiarist knows his place!"

"That b*tch! The company hasn't done anything to her yet! She's already putting on airs!"

"What a coincidence. The thought of her being in the same company as the goddess disgusts me!"

Faced with the comments of these fans, the reporters didn't think so.

Sending a termination letter might not be due to self-awareness, but an accusation of the unfair arrangement within Lan Yun Entertainment, as well as the truth behind the "plagiarism"!

"Maybe Ji Yi really has some grievances!"

"That's right. Besides, everyone knows that Lan Yun Entertainment has been biased towards Shen Qianrou for a long time."

"That's right. Wasn't it revealed that Director Jiang spent money to bribe the judges at the Music Ocean Competition six years ago?"

"Also heard that she didn't allow her eldest granddaughter to participate in the competition. In the end, her eldest granddaughter didn't agree and locked her in the house for an entire day. The next day, she hid in the lounge to eat and was almost raped by the judges!"

"She even treats her own granddaughter so differently, let alone Ji Yi, who is not related to anyone. Now that she's an orphan, Lan Yun Entertainment has the final say!"

The reporters' whispers reached Jiang Rongrong's ears, and her face turned cold.

She glared at Qina angrily and reached out to take the termination letter.

Qina sneered sarcastically, but she didn't step down... Instead, she said,

Chapter 472: Double the penalty

Qina sneered sarcastically, but she didn't step down. Instead, she said,

“The termination letter clearly stated the unfair arrangements that the company has made for her in the past few years, as well as the severe allocation of resources. The company's various actions have severely damaged her interests for many years. In the contract that was signed back then, Lan Yun

Entertainment's promised allocation of resources and publicity for various activities were not in place, as well as some other details! Those were all things that Lan Yun Entertainment had specially promised when Teacher Shi Sixin was still alive. Therefore, according to the contents of the contract, Ji Yi

wants Lan Yun Entertainment to compensate double the penalty!”

Jiang Rongrong was livid with anger, and so was Shen Qianrou.

‘The two of them looked at her angrily.

How could she say such a thing under such circumstances?

How had she become a manager all these years?

But they couldn't refute her words!

There was no mention of the plagiarism incident in the termination letter. It was all new!

If she didn't admit it, there hadn't been many events and events for Ji Yi all these years. No one was blind. Now that Ji Yi's manager was here, she could totally be a witness. There were so many reporters below. What should she say?

They had thought that Lan Yun Entertainment would be the one to announce the termination of the contract.

Now that Ji Yi wanted to terminate the contract first, in the eyes of those reporters who had noses sharper than dogs, who knew what would happen?

“A malignant tumor like Ji Yi should have been kicked out of the company long ago. Why are you still hesitating?!”

“That's right! We'll pay her the penalty. I think she can only rely on this penalty to survive in the future!”

“Why are you still keeping someone like Ji Yi? She's a good-for-nothing. I beg Lan Yun Entertainment to ban her!”

Jiang Rongrong narrowed her eyes and stared at the termination letter for a long time. Then, she glanced at Shen Qianrou, who nodded at her. In the end, Jiang Rongrong found a pen and signed the termination letter in front of the media!

‘When Shen Fanxing saw this, a smug smile appeared on her face.

She knew why Ji Yi refused to leave Lan Yun Entertainment.

She had always been afraid of the compensation for the breach of contract. She had always been worried that if she terminated the contract first, Lan Yun Entertainment would mention the breach of contract.

However, if she treated this matter as a solution, not only did she want Ji Yi to successfully terminate the contract, but she also wanted Lan Yun Entertainment to suffer a loss. At the same time, she wanted to see Jiang Rongrong and Shen Qianrou's defeated expressions. It was too simple.

After Jiang Rongrong signed, her angry face regained its coldness.

"Due to Ji Yi's previous actions and the fact that he didn't repent and even arrogantly proposed to terminate the contract, I announce on behalf of Lan Yun Entertainment.

From now on, Ji Yi had officially terminated her contract with Lan Yun Entertainment. From now on, Lan Yun Entertainment would never sign a contract with Ji Yi again! Lan Yun Entertainment would also not allow any artists with bad conduct to plagiarize or plagiarize!

"I'm also here to advocate—plagiarism, plagiarism, and stealing the hard work and results of others. The one who enjoys the fruits of others' labor is equivalent to the most unforgivable scum of society! Such a person should be despised by the entire society! Here, I hope that everyone can unite and resist

such immoral and immoral people forever! I'll take this opportunity to set an example.. Lan Yun Entertainment will do its best to ban Ji Yi!"

Chapter 473: The Moneymaker That The Granddaughter and Granddaughter Had Delivered to Her

Jiang Rongrong's words were undeniably direct and ruthless!

Not only did he want to terminate the contract with Ji Yi, but he also threatened to ban her!

It was all because of Lan Yun Entertainment's Director Jiang's ruthless behavior. Now, she had witnessed it again!

"Thank you for your attention on Lan Yun Entertainment and your love and support for Qianrou. I believe that Lan Yun Entertainment will work harder and Qianrou will become even more dazzling! Thank you!"

Jiang Rongrong spoke boldly, but Shen Qianrou's expression wasn't any better.

However, it was obvious that Jiang Rongrong's words had caused a wave of excitement. The fans shouted in unison and the reporters took photos of them crazily to get the most popular material.

Shen Qianrou could only smile gently at the agitated fans and media.

Shen Fanxing snorted coldly when she heard that.

These words... were really good!

Even she felt her blood boil when she heard that!

She really wanted to see Jiang Rongrong's expression at the end of the matter!

Unsurprisingly, between Ji Yi and Shen Qianrou, Jiang Rongrong chose Shen Qianrou.

She knew that the choice she had made for Jiang Rongrong was unnecessary, but she wanted to torture her.

He wanted her to regret her choice time and time again.

Lan Yun Entertainment was the most important thing to her. Shen Qianrou was her only hope?

This time, she would let her see what she had chosen to give up for Shen Qianrou!

In that case, this time, the two of them had personally sent Ji Yi to her!

Ha.

What else could she say?

However, Jiang Rongrong had no idea that Shen Fanxing had already dealt her a heavy blow!

After saying that, she threw the signed termination letter to Qina. She glared at Qina coldly and turned to leave.

Qina took the termination letter calmly and lowered her head to confirm. Then, she sneered.

"It seems like Director Jiang has chosen his favorite granddaughter again!"

Jiang Rongrong paused and turned around to glare at her.

"Qina, don't overdo it. Look at what kind of occasion this is! After being a manager for so many years, are you going back to being a manager?!"

Qina took a deep breath and smiled faintly. Her expression was cold.

"Perhaps. In the past, I always felt that self-interest is the most important thing, For the sake of self-interest, I can go against my conscience and do too many things. There's no bottom line at all. I naturally know very well what kind of place the entertainment industry is. Survival of the fittest, and I'm struggling to survive in Lan Yun Entertainment..."

Shen Qianrou frowned and narrowed her eyes at Qina.

Jiang Rongrong's eyebrows twitched. She felt that something was amiss with Qi Na today.

"What do you want?" Jiang Rongrong asked in a low voice.

Qina frowned slightly and walked to the microphone to face the media and the surrounding fans.

She spoke calmly, her voice clear and capable.

"Ever since Ji Yi entered the company, I've been the one taking care of her! She's usually not good with words, and she doesn't spend time dressing up. She only wants to compose songs. I won't comment on her creation, but Ji Yi is a music fanatic to me!

She's grounded and hardworking! The pressure her mother gave her and the pressure she gave herself limited her talent, but she's obsessed and paranoid about music! So I believe she won't do anything to tarnish the music

She's grounded and hardworking! She's obsessed and paranoid about music! That's why I believe she won't do anything to tarnish the music..."

Shen Qianrou looked at Qina sadly.

"Sister Qi, do you mean that I can do that?"

Seeing Shen Qianrou's weak look, the fans exploded again.

"Qianrou, don't be sad. This manager is spouting nonsense!"

"Yes! This person is blind. Ignore her!"

Glancing at Shen Qianrou's aggrieved and fragile expression, Qina's eyebrows twitched violently and a chill ran down her spine. She couldn't hide the disgust on her face!

Then she added,

"To be honest, Lan Yun Entertainment's choice today is completely within everyone's expectations!"

Shen Qianrou, I don't know how you got Director Jiang's favor! Do you know how many people you've blocked? And how many artistes' futures have been ruined because of you? You didn't say that you would do those things to tarnish music, but—

Compared to trusting you, I'm more willing to trust Ji Yi!"

Shen Qianrou could no longer maintain her composure and her face darkened.

"Qina! Watch your mouth!" Jiang Rongrong scolded sternly.

Qi Na shook her head and said, "Chairman Jiang, you've managed the company for so many years. You shouldn't be a stupid and ignorant person. How many artistes in the company have been suppressed by you because you're biased towards Shen Qianrou?"

"That's because their skills are inferior, they're not hardworking enough, and they're not outstanding enough!"

"Ha..." Qina sneered and shook her head helplessly. "I won't fight with you anymore. Since Shen Qianrou is so outstanding, you should nurture her well! I'll take this opportunity to announce that I, Qina, have worked at Lan Yun Entertainment for 13 years. Today, I'll officially resign from Lan Yun

Entertainment! The reason for my resignation... is that I'm not feeling well. The hospital wants me to rest well and hand over the diagnosis later."

"You—"

Jiang Rongrong's face turned pale instantly.

Qi Na had worked for Lan Yun Entertainment for 13 years and was the most experienced and capable manager in the company. Previously, almost all the A-list celebrities in the company were produced by her. Now that she had suddenly announced her resignation, it was undoubtedly a huge loss for Lan Yun Entertainment.

But how could she reject him in public because of her health?

Shen Qianrou had guessed from the start that Qina's actions and words were unrestrained. She might have planned to resign.

Now, it seemed that it was true.

She walked to Jiang Rongrong and held her in time.

"Grandma, since Sister Qi isn't feeling well, there's nothing we can do. Let her rest well."

Jiang Rongrong was furious!

Even a blind person could tell that she was using an excuse!

In the end, she snorted coldly and gritted her teeth.

"Since you want to rest, you should rest well!"

Could it be that the company couldn't be transferred without a manager?

However, the moment she relented, a few C-list celebrities under Qina ran out.

"I was brought up by Sister Qi. If Sister Qi wants to leave, I won't stay either!"

"Me too! I've received enough preferential treatment from Lan Yun Entertainment. I'll follow Sister Qi!"

"She has always been suppressed by Shen Qianrou in the company. If this goes on, how can she stand out? It's fine if she doesn't want to stay in such a company!"

Chapter 475: Banned?

"I go with Sister Qi too!"

Jiang Rongrong's body went limp and she staggered. If not for Shen Qianrou, she would have fallen to the ground!

"You"

She panted heavily and pointed at the artistes who had stepped forward. She was trembling with anger.

All of these were the ones with the best development in the company. Now, they were all standing up to terminate the contract

Shen Fanxing tilted her chair slightly and rested her left elbow on the edge of the conference table. She tilted her head to look at the LCD screen.

Upon seeing this, her eyes lit up with surprise.

It seemed that Lan Yun Entertainment had not only brought her Ji Yi!

She was worried that there were no artistes in the company!

Now, a ready-made artiste was placed in front of her!

He reached out to his secretary and instructed her in a low voice. The secretary nodded and hurried out!

Not long after, the secretary walked in again.

On the LCD screen, Qina was thanking everyone for their trust in her. In the end, she smiled apologetically and said,

“However, your dreams are more important. After I resigned, I’m just an ordinary person. I can’t provide you with good resources. Although Lan Yun Entertainment... is like this, it’s much better than following me...”

Seeing the obvious regret on the faces of the artistes, Jiang Rongrong snorted coldly and said, “Don’t use your brains before you do anything! What can she give you if you follow her?!”

The celebrities could only grit their teeth in hatred, but they didn’t dare to make a sound.

If they left Lan Yun Entertainment, they might not even be able to find the most basic resources!

Moreover, if Lan Yun Entertainment secretly did something to them, they might not even have enough to eat.

Qina gritted her teeth and clenched her fists tightly, but there was nothing she could do.

She had personally groomed these artistes. Not only did they want to survive in the entertainment industry, but they also wanted to survive in Lan Yun Entertainment. She had worked hard with these artistes!

If she hadn’t seen through Lan Yun Entertainment’s nature all these years, she wouldn’t have left heartlessly.

“If there’s nothing else, scam back to the company! Why are you still gathered here?!”

Jiang Rongrong was furious and pointed at the artistes.

The celebrities looked up at Qina with ugly expressions.

Qina stood there quietly. Everyone could see her unwillingness, but her ability was limited.

“Forget it, let’s go back. Sister Qi is quite helpless...”

“Okay, let’s go back. I’ll think of a way in the future...”

“Let’s see which agency Sister Qi will go to next...”

The few of them whispered something into Jiang Rongrong's ears.

She wanted to terminate the contract after Qina settled down?

How could she give them this chance!

He strode forward and walked back to the stage.

"As a manager, she suddenly announced her resignation and instigated her artists to leave with her. I believe no entertainment company or management company would want such a dangerous existence!"

The moment Jiang Rongrong finished speaking, Qina's face turned pale. This was undoubtedly a ban!

Seeing the change in her expression, Jiang Rongrong snorted coldly again, her face full of arrogance.

At that moment, Qina's phone rang!

Chapter 476: Hold On

At that moment, Qina's phone rang!

She took out her phone. She didn't intend to answer in such a chaotic situation, but when she saw the caller ID, she hesitated before answering.

"Hello..."

She didn't even take ten seconds to answer the call.

"Wait a minute!"

Qina turned to look at the celebrities walking towards the company and suddenly stopped them.

Jiang Rongrong's face darkened and she turned to look at Qina.

However, Qina brushed past her and said to the celebrities,

"Are you still willing to follow me?"

Upon hearing this, the eyes of the celebrities lit up. They looked at each other and nodded firmly.

Qina smiled. "Deal with the contract and follow me!"

"Okay!"

Jiang Rongrong's expression changed drastically. "You... you have to pay double the penalty for violating the contract!"

"I'll pay!"

After being rebuked without hesitation, Jiang Rongrong's chest tightened and she took a deep breath. Even though Shen Qianrou was supporting her, she still swayed violently.

What was going on?!

'Today was the press conference held by Lan Yun Entertainment. Why did it become like this because of Ji Yi?

"Grandma, don't be anxious..."

Shen Qianrou's face darkened. She didn't expect this to happen.

'Who knew that the usually unknown Ji Yi would suddenly be involved in so many things?

She glared angrily at the culprit, Gina, and snapped,

"Sister Qi, the company has always respected your professionalism. All these years, we've turned a blind eye to your dominance in the company. I didn't expect you to be so ruthless."

Qina snorted coldly with a mocking expression!

"I'm ruthless? Have you heard of a thief calling the thief a thief?"

Shen Qianrou gritted her teeth in anger and said, "Do you think anyone will accept you or put you in an important position after you took away so many artistes?"

"You don't have to worry about that!" Qina didn't want to waste her breath on her anymore. She looked down at her watch and said,

"Hurry up and settle the procedures. Follow me to a place later!"

"Okay!"

Jiang Rongrong and Shen Qianrou's faces darkened at the sudden turn of events.

'The reporters were also dumbfounded. The theme of today's press conference seemed to have deviated and they had gained a lot!

Shen Qianrou knew that she couldn't stay any longer. She hurriedly supported Jiang Rongrong and was about to leave when a reporter shouted,

"Stars International is holding a press conference downstairs at 11:15 pm. They're inviting us over!"

Shen Qianrou and Jiang Rongrong stopped in their tracks and looked at each other in confusion!

'The reporters packed their things and hurried towards Stars International!

In the conference room of Stars International.

After watching the live broadcast, Shen Fanxing turned her chair and smiled at the secretary beside her.

"prepare the contract for those people and Qina's management contract."

Everyone gasped and looked at each other.

This was

No matter how the people in the company tried to put down their pride to retain the artistes under Qina, they seemed to have hardened their hearts and refused to budge. Moreover, they were all willing to pay double the penalty fee. All of them had brought their lawyers. Lan Yun Entertainment was

forced to settle the termination procedures within half an hour!

Chapter 477: Stars International Press Conference

In the chairman's office, Jiang Rongrong sat in her seat with a tired expression. She held her forehead, obviously exhausted.

"Grandma, don't worry. It's not like we haven't gone through other artistes before, but didn't we survive? At most, I'll work harder. When the company has more resources and quality, the other artistes' resources will naturally increase. There will definitely be a day when they regret begging to come back!"

Even though Shen Qianrou was furious, she still comforted Jiang Rongrong.

Jiang Rongrong sighed and looked at Shen Qianrou with admiration and love!

"Fortunately, you're here

At 11:10 PM, the lobby of Stars International Building was already filled with reporters who were waiting for the main character to arrive!

"[heard that Stars International has changed their business direction. They only accept celebrities in the entertainment industry. It's obvious that they're changing."

"I've heard about it too. Moreover, the Shen family has just held a press conference and there's going to be a press conference soon. I suspect that they're obviously going against Lan Yun Entertainment. You have to know that the boss here is the most disliked Miss Shen in the Shen family!"

"I wonder what the content will be this time. I'm really looking forward to it!"

Jiang Rongrong and Shen Qianrou were naturally paying attention to the press conference. They were staring at the LCD television in the office.

Time ticked by. At 11:14 pm, nearly ten people walked out from the other side of the hall!

Shen Fanxing wore a white silk shirt with black trim and a knee-length skirt with white trim. The outfit was simple and fashionable. Her tall figure and unique aura made her look imposing and domineering.

"There were nearly ten people behind her, and they walked over arrogantly!

"He's here!"

"Look behind CEO Shen!"

"Oh my god, what's going on?! Why is he so high-profile?!"

Shen Fanxing's beautiful face was expressionless and her eyes were filled with coldness. She walked to the stage and stepped on it without stopping. The few people behind her retreated and stood aside.

The reporters frantically snapped photos of the scene in front of them. Their faces were filled with excitement!

At this moment, only God knew how much they wanted to rush up and ask what was going on. However, they also knew that they couldn't rush.

Shen Fanxing stood on the stage with her hands on the sides of the podium. Facing the camera, a smile appeared on her face.

An elegant and cold voice sounded amidst the chaos—

“First of all, thank you for coming to support Stars International’s press conference! Without further ado, let’s announce a few things—

Firstly, the current operations of Stars International had been changed from public relations to entertainment management!

“Secondly, bring a few artistes and managers who have just signed a contract with Stars International to the public!”

‘As she spoke, she turned to look at the few people standing at the side. After receiving the message, the few of them walked up the stage one after another!

The reporters took photos crazily again!

Those people were none other than Jiang Rongrong’s manager, Qina, and her artists, who had been banned by her at Lan Yun Entertainment’s press conference... Even Ji Yi, who was hated by everyone!

Chapter 478: I Have Good Eyes

Translator: Atlas Studios**Editor:** Atlas Studios

Of course, they had no objections to Stars International Public Relations being changed to an entertainment agency, but

Was the person in charge crazy?

“CEO Shen, are you openly challenging Lan Yun Entertainment?”

“CEO Shen, it’s fine if you sign the other artistes, but are you sure you want to sign a manager who can leave at any time and even instigated his artistes to leave together?”

There were even reporters who were angered by Shen Fanxing’s obvious “shouting”.

“As someone who has plagiarized, Ji Yi is still carrying a lawsuit. I think Lan Yun Entertainment’s decision to ban her publicly is right! CEO Shen, in order to vent your anger on the Shen family, you chose to sign with such a bad artiste. Have you considered the impact on the company and society?!”

Faced with the reporter’s righteous indignation, Ji Yi’s face turned pale and her hands twisted together nervously. Her eyes flickered and she didn’t even dare to look up!

Shen Fanxing’s lips twitched and her cold gaze swept across the reporter. Then, she said slowly,

“Firstly, there’s no one who can challenge Lan Yun Entertainment! If you’re talking about the new artistes I signed today, I’m just discerning!”

The corners of everyone's lips twitched. A discerning eye? It seemed that CEO Shen was really stupid.

"Secondly, because I have discerning eyes, I will definitely sign someone as capable as Manager Qi!

Saying that she could leave anytime and anywhere... If Manager Qi could stay in a company like Lan Yun Entertainment for 13 years, then there would definitely be no problem for her to stay here for 30 years! As for encouraging an artiste to leave the company together, doesn't that prove that she's very capable? Moreover, if she can't keep the artiste, most importantly, I think it's the company's problem!"

Everyone's eyelids twitched. She even said that she wasn't challenging Lan Yun Entertainment. Every word of hers was mocking Lan Yun Entertainment. Did she think that no one could tell? Also, why did she keep emphasizing that she had discerning eyes?

Only Qina was moved to tears!

However, Shen Fanxing ignored everyone's reaction and continued calmly and coldly,

"Thirdly, why should I sacrifice my company to spite the Shen family? Also, the word 'plagiarism' has yet to be decided. As a reporter, I advise you to be careful with your words. Don't you know that in the entertainment industry, a wrong word can completely ruin a person's future? If you don't know, please refer to the press conference released by Lan Yun Entertainment. It's just a matter of a leader's word to ban a person!

"Also, Ji Yi is a good musician, Fortunately, I have good judgment and discovered her! Thank you for letting me discover her and possess her!"

Black lines appeared on everyone's foreheads. She was discerning again

At this moment, a reporter who reacted quickly couldn't help but say,

"Producer Lin has already collected evidence and sued Ji Yi. He has also posted evidence on Weibo. The evidence is enough to prove that Ji Yi has obviously plagiarized. Why.

"I'm sorry to interrupt..." interrupted Shen Fanxing.

"Next, let me announce my third matter.

Chapter 479: Crazy!

"Next, let me announce my third matter..."

At this point, she paused and looked at the agitated reporters with a cold expression.

'When the reporters saw her, they were like students who had been caught red-handed by their teacher. Their voices gradually faded as they looked at Shen Fanxing quietly, waiting for her to speak.

After the silence, Shen Fanxing looked up at the camera and said coldly,

"Thirdly, in half a month, at Ping Cheng Galaxy Plaza, Ji Yi will hold a large-scale concert..."

Before Shen Fanxing could finish her sentence, the audience erupted.

“A large-scale concert? Ji Yi? Crazy, crazy!”

“The Milky Way Plaza is beyond the reach of first-rate singers. It has the most complete equipment and the best quality. It’s a stage that can accommodate 30,000 people! To hold a concert for Ji Yi now? It’s hard to imagine the scene back then. If it were me, I would rather die. I can’t afford to embarrass myself...”

“When the time comes—”

Shen Fanxing’s cold voice interrupted the commotion and everyone turned to look at her.

Shen Fanxing said coldly, ”

“At that time, all 30,000 concert tickets will be free! At noon, all the tickets for Ji Yi Galaxy’s concert will be released!”

After Shen Fanxing finished speaking, the entire venue erupted, including everyone watching the live broadcast.

Unbelievable!

The cost of renting the Galaxy Plaza was not to be underestimated. The cost of the professional staff and the 30,000 free music tickets were only a huge investment. All for a music artiste, Ji Yi, who was accused of plagiarism?

This was crazy!

This was crazy!

Shen Fanxing was a complete lunatic!

Identification complete!

“As for the question you asked me just now, please come and ask me again in half a month!”

Shen Fanxing said to the author who was in the middle of asking a question. Then, she looked up at the camera and said calmly,

“Thank you again for your support and the public’s attention. Today’s press conference ends here!”

After saying that, Shen Fanxing didn’t stay any longer and walked down the stage. Qina and the other artistes followed behind her.

How did they get out and return?

The remaining reporters looked at each other before returning to the magazine agency to write their articles.

In Lan Yun Entertainment’s chairman’s office, Jiang Rongrong’s face was ashen and the remote control in her hand was trembling.

“This evil creature! This evil creature! She’s deliberately going against me! Evil creature!”

His ruthless and angry voice was cold and stern. In the end, he slammed the remote control on the table!

Shen Qianrou was also furious. Looking at the furious Jiang Rongrong, she frowned and said,

“Grandma, you saw it too, right? This has nothing to do with Sister at all. Now, it’s her...”

Jiang Rongrong slammed the table and stood up angrily. However, the moment she stood up, her body swayed and she fell back into the chair.

“Grandma! Grandma, are you alright?!”

Seeing this, Shen Qianrou hurried to Jiang Rongrong’s side and held her anxiously.

Jiang Rongrong covered her head with her hand.. Her face was pale and she looked weak!

Chapter 480: Good News

Jiang Rongrong covered her head with her hand. Her face was pale and she looked weak!

“Tm... I’m fine. I’m so angry that my head is spinning... Let me rest for a while...”

Shen Qianrou bit her lips and caressed Jiang Rongrong’s back.

“Grandma, don’t be anxious. Sister was too impulsive this time. When she suffers, she will know her mistake!”

Jiang Rongrong was still furious. “Of course she has to suffer! This evil creature actually slapped me in public. Does she treat me as an elder? She won’t cry until she’s dead! Let’s see how she’ll cry in the end!”

“Grandma is right!”

Shen Qianrou said obediently, but her expression was solemn.

At this moment, Shen Qianrou’s manager, Bai Huanhuan, walked in with a happy smile.

“Director Jiang, Qianrou, good news. I just received an invitation from three fashion magazines today. They want Qianrou to help them shoot the cover of the next issue!”

Shen Qianrou’s eyes lit up and she looked at Jiang Rongrong in surprise.

“Grandma...”

Jiang Rongrong’s expression gradually improved.

“There’s something even more surprising. Among these three magazines, there’s an invitation from Hongxiu, a top domestic magazine. Moreover, the theme is music. Qianrou, which one do you choose?”

Bai Huanhuan was obviously joking. Was there a need to consider which one to choose?

It was naturally Hong Xiu!

It was one of the top magazines in the country with impressive sales. How could she miss out on something that so many big-name celebrities wanted?

Jiang Rongrong finally sighed and leaned back in her chair. She looked at her granddaughter with satisfaction.

“Qianrou, as long as things stabilize, with the help of ‘Hongxiv’, you’ll definitely be the Diva this year!”

Bai Huanhuan looked at Shen Qianrou and said excitedly.

Shen Qianrou smiled, as though she could already see the award in her hands.

Star International.

Ji Yi sat on the sofa with her head lowered and a glass of water in her hand. Her entire body was filled with nervousness.

Shen Fanxing sat on a chair in the office and picked up a document.

On the other hand, Qina walked to Ji Yi and placed her hand on her shoulder.

“Ji Yi, this is what CEO Shen gave you. It’s a chance to prove yourself to everyone. Don’t be afraid. Act normally and be yourself. I believe you can do it!”

Ji Yi nodded and looked up at her, her face still pale.

“Sister Qi, I’m not afraid of the concert. I’m just worried... that someone will collect the tickets...”

Surprise flashed across Qina’s face as she turned to look at Shen Fanxing, who was handling the documents. She suddenly chuckled softly.

‘There was always someone better!

In the past, she only knew that Ji Yi was a talented artiste, but she couldn’t motivate her!

However, Shen Fanxing had changed completely in just a few days!

Previously, she had always had doubts about Shen Fanxing, But now, at the thought of holding a concert for Ji Yi, not being afraid of Feng Xiang, avoiding the possibility of being banned by Lan Yun Entertainment, and enlightening Ji Yi, it proved that she was indeed a smart, decisive, and wise woman!

Being with her was worth it!

Seeing that it was only a few minutes to midnight, Ji Yi took out her phone nervously and opened her Weibo.

‘When she saw her first pinned Weibo post, she almost choked to death!
