

## Chapter 4613

Jemima was completely helpless.

Although she knew that Charlie was very strong,

She still had no hope in her heart whether he could overwhelm the Zhong family and Four Dragons.

However, she already had a plan in mind.

If this matter is really too troublesome to end, she will go and ask her father to come forward.

If Dad can't solve the problem, she will go to the police directly.

What happened today was that Henry led people to follow them,

And even attacked Charlie. Charlie could be regarded as acting in self-defense.

At that time, Dad and the police will put pressure on the Zhong family and Four Dragons together,

And there may be a chance to mediate!

Later, Jemima took Charlie to a very lively wanton noodle stall.

Seeing that the small tables in front of the booth were full, she smiled and said to the boss,

"Uncle Cheng, business is so good today!"

"Miss Liu, we are all very happy to hear that you are dating!"

Jemima asked in surprise: "This... Who said this... It's too much gossip!"

The old man laughed: "Someone said it in our group! We know about the whole street!"

"Anan even took pictures of you and your boyfriend secretly!"

He took out an old smartphone and took a picture.

Candid photos of Jemima and Charlie from the side and back were shown in front of the two,

And he said with a smile, "Miss Liu, you and your boyfriend are really talented and beautiful!"

Jemima was helpless: "Uncle Nan won't be a paparazzi and write gossip."

"The news is really subservient! I said we are just ordinary friends..."

After speaking, she quickly changed the topic:

"Forget it, Uncle Cheng, please help us cook two bowls of wonton noodles."

The old man nodded, took out a folding table from under the booth that was obviously much cleaner than the other tables,

Set it up in an open space, took out two folding chairs, placed them on both ends of the table,

And said to Jemima: "Miss Liu, you two sit first, and I'll cook it for you."

Jemima said, "You've worked hard for Uncle Cheng, and I'll go buy some other things."

Uncle Cheng hurriedly said, "Miss Liu, just sit down."

"Tell me what you want to eat, and I'll send them to the group directly."

Jemima said, "That's inappropriate...I'll go by myself..."

The old man smiled and said, "Miss Liu, the stalls you visit, all the old bastards will tease you for sure."

"Oh..." Jemima sat down immediately, and said with some fear:

"That's right. Let me tell you, I want a piece of beef and a piece of curry fish balls,"

"And please help me with a brine platter and roast goose."

The old man said with a smile: "Wait a minute, Miss Liu, I'll tell them to do it right now."

Charlie couldn't help sighing: "It seems that everyone likes you very much."

"Yeah." Jemima said with a smile: "They watched me grow up,"

"And they may also feel that because of the stalls, I owe them some favors, so they treat me very well."

Charlie said seriously: "It's true that they appreciate you, but it's also true that they like you."

"It can be seen that each of them treats you as a family member,"

"And their eyes are full of love. Very pure love for you."

Jemima nodded and said with a smile: "I am also very grateful to them if it weren't for them,"

"Things would have been different here long ago, and they are here,"

"Helping me keep the best memories of my life together."

Speaking, she said sadly: "Everything here is the same as before, except that they are old,"

"I have grown up, and my mother is gone."

Seeing that she was a little melancholic, Charlie pretended to be relaxed and said:

"My parents left very early. After they left, I became an orphan,"

"And lived in an orphanage for ten years. By comparison, you are still much happier than me."

"You are an orphan?!" Jemima looked at him in surprise, with an unbelievable look on her face.
