

## Chapter 471

Barena Wei was worried and said to his father Youngzheng Wei: “Dad, let’s change the property and run away with the money. Otherwise, if Fredmen really wants to attack us, we will be in trouble!”

Hearing this, Youngzheng Wei cursed: “Prodigal gadgets have become sellers? So anxious to sell, is the one billion family capacity sold for 200 million? This is all my life’s hard work!”

Liang Wei, the illegitimate son on the side, also nodded hurriedly and said, “Brother, Wei’s pharmaceuticals were made by our dad’s hard work all his life. How can we sell it like that.”

Barena Wei raised his hand and slapped him in the face, angrily said, “You wild species, where do you speak?”

Liang Wei, who received a slap in the face, took two steps back and covered his face. Although he felt wronged, he said very firmly: “Brother, even if you hit me, I have to say that Wei’s Pharmaceutical is the work of dad. You can’t sell it!”

“I f\*cking kill you!” Barena Wei was furious and was about to attack Liang Wei.

Youngzheng Wei, who has never looked down upon Liang Wei, stopped Barena Wei, who was about to do it, and said coldly: “Your brother is right! Something went wrong, we must find a way to solve it! Instead of selling the life’s hard work and running away. !”

After finishing speaking, Youngzheng Wei snorted and said: “Today, I leave it here, you brothers, who can solve this crisis, who will be the chairman of Wei’s Pharmaceuticals in the future, the person who cannot solve the crisis is destined Inability to lead Wei’s Pharmaceuticals!”

Barena Wei suddenly panicked and blurted out: “Dad! How can Wei’s Pharmaceutical be handed over to this wild species!”

Youngzheng Wei coldly snorted: “Is it a wild species, it’s all my species! If you, the eldest son, is not able to bear it, you will abdicate to him!”

When Liang Wei on the side heard this, his heart was suddenly very excited.

I have endured all these years in Wei Jiayin, suffered all the humiliation, and finally waited for a chance to become a leader!

In fact, in Youngzheng Wei’s opinion, it is naturally impossible for the family business to be inherited by an illegitimate child. However, his eldest son Barena Wei is really not enough to be competitive, so he must be stimulated and forced to find a solution to the current crisis.

.....

When the Wei family was looking for treatment for Fredmen all over the world, Charlie just returned to the bedroom after taking a shower.

His wife, Claire, was wearing a nightgown, lying on the bed, kicking her two white jade-like legs at will, swiping the phone in a leisurely manner.

Claire is usually too busy at work and under great pressure. Every night, playing on phone and reading novels in bed have become her biggest leisure.

As soon as Charlie lay down on his own floor, Claire suddenly screamed, and the phone in her hand was thrown out and hit his face.

Charlie couldn't care about the pain, and asked her hurriedly: "What's wrong with you, wife?"

Claire's expression was extremely ugly, and said: "The YouTube suddenly pulled out a video, it is disgusting..."

Charlie said curiously: "Let me see how disgusting it is."

With that said, he was going to get Claire's mobile phone that had fallen on the floor.

Claire hurriedly said, "Oh, don't look at it, it's disgusting..."

Charlie smiled and said, "Where can the nausea be no more?"

After speaking, he picked it up and took a look, and was stunned.

Well, it turned out to be Wu Qi who liked to give girls psychological hints...

From the appearance of his hysterics in the video, he can be sure that the hypnotism he gave him worked.

## **Chapter 472**

It's really pleasing to see him being so frustrated.

He has to eat it every hour. This person is basically over for the rest of his life. There is no chance to ruin the little girl.

So Charlie locked the screen of her phone and smiled and said to Claire: "I've heard of this guy."

"Really?" Claire asked in surprise: "How did you hear of him?"

Charlie said: "This guy is very bad, he likes to brainwash the little girl, and then force the little girl to self-harm and commit suicide."

With that said, Charlie recounted the criminal history of this guy.

When Claire heard this, she immediately said angrily: "This guy is too damned! Who is not raised by his parents, why should he hurt others?"

Charlie said earnestly: "In this society, there are always *sumbags who like to hurt others for pleasure*. *Such scm* is the dregs of the society. Sooner or later, we will get rid of it."

Claire nodded approvingly, and said, "It seems that he deserves what he has become today!"

After watching this kind of video, Claire felt a little lingering, so she stopped playing with the mobile phone, but stretched out and said, "Oh, I'm sleepy, Charlie, help me charge my mobile phone. I am going to bed."

“Okay,” Charlie replied and put the charge to her phone.

In the middle of the night, when Charlie was about to fall asleep, his cell phone suddenly buzzed twice. He turned on the cell phone and saw that it was a WeChat message sent to him by Orvel: “Mr. Wade, there are a few Japanese people who are lying in ambush at Mr. Shi. the Clinic, it seems that he is about to act on the genius doctor Tianqi!”

Charlie said: “Some of them are probably trying to rob the Old Master of medicine.”

“d\*mn!” Orvel blurted out: “These gangsters dare to get the idea of a magical medicine, Mr. Wade, with your word, I will immediately take the brothers to catch them and take them to my kennel. Chop them up and feed the Tibetan Mastiff!”

“Don’t.” Charlie said with a smile: “This group of people are not small, they are the eldest son of Kobayashi Pharmaceutical in Japan, I am going to dig a big hole for him, you let your brothers secretly protect Tianqi’s safety, as for them If they grab the medicine, let them take it away. I deliberately prepared the medicine for them.”

In order to pit Ichiro, Charlie specially refined a few fake Pills and gave them to Tianqi.

This pill is magical, no matter what the other party’s disease is, even if he is on the verge of death, and only a breath is left, just take one pill, and he will be able to return to the light and live for an hour or two.

But its consequences are also terrible, that is, after these two hours of vigorous life, the person taking the medicine will die immediately, and there is no cure.

In fact, this pill is not a poison in itself, but a panacea that can ensure that the other party finishes his dying instructions.

The effect of the medicine is to overdraw all vitality to support one or two hours of return to light.

In this way, the person taking the medicine can clearly explain all the funeral matters.

This kind of medicine was specially configured for emperors and generals in ancient times. Generally, when the emperor was dying of illness, he would prepare a Pill of Returning Light, so that at least he could arrange the affairs well before he died.

But in modern times, this thing is actually useless.

Moreover, its final medicinal effect is a bit too hard, even if a healthy person eats it, after two hours of life, he will definitely be cold.

Therefore, in modern times, this medicine is more like a poison.

Charlie had seen this medicine in the Nine Profound Heaven Scriptures a long time ago, and felt that it was useless, so he didn’t take it seriously.

However, this time he felt that this fake med finally came in handy and could be used to pit Ichiro!
