

# Noble Husband At the Door Chapter 476

"Go out."

As the man offered the order, Chang Lang and Dou Wei quickly got out of the cars and truck.

The moonlight was thin, however the look of the individual could be seen plainly. When he took off the hat as well as showed his face, had not been this Donghao?

Chang Lang reduced his head and also didn't dare to consider Donghao, due to the fact that he understood that the look of these bandits could not be seen by others. Otherwise, they would be eliminated.

"Kneel," Donghao claimed lightly, playing with the dagger in his hand.

The spineless Chang Lang stooped on the ground, and so did Dou Wei. At this moment, their rich feeling of superiority was gone.

"Who do you assume you are? Just how dare you bully my young Miss?" Donghao stated with a sneer.

Just how could I bully your young Miss? Chang Lang immediately refuted it. In order to maintain his life, he might make use of Dou Wei as a shield.

In Chang Lang's memory, he had actually certainly not upset anybody.

"No, the young lady's glasses were broken. Wasn't it you that did it?" Donghao said.

Glasses!

The first thing that concerned his mind was Qi Yiyun, the mild and also peaceful lady, that had such a powerful staff on the plane.

I don't understand just how powerful your Miss is. I'll ask forgiveness to her face to face," claimed Chang Lang as he kowtowed.

" Forgiving you is the job of God, as well as my obligation is to send you to see God." Donghao approached Chang Lang as he spoke.

His words frightened the heck out of him. A huge part of his crotch was wet, and he maintained submitting and begging for mercy.

Then, Dou Wei was no longer worried, because she felt that the person in front of her was just Qi Yiyun that had actually involved deliberately scare them.

" A woman worn rags is actually a woman. It's the first time I've seen such a poor woman. Return and tell this bitch that I, Dou Wei, am not someone who can be conveniently intimidated," Dou Wei stated.

When Donghao heard this, he instantly frowned. He would not enable anybody to state Qi Yiyun's mistake.

" Am I attempting to scare you?" As soon as he ended up talking, he stabbed his knife into Chang Lang's neck.

The moment he pulled out the knife, Chang Lang, who was covering his neck, was hemorrhaging. It was obvious that this lady, Dou Wei, had stated something she shouldn't have actually stated.

Seeing this scene, Dou Wei was quickly stunned. To terrify her? Was this simply to frighten her?

With a cry of wow, Dou Wei ruptured into tears as well as stated in a weeping voice, "Don't, don't, I beg you, do not eliminate me."

Chang Lang had fallen to the ground. Dou Wei's courage was almost broken, and also her snot and tears were stuck on her face.

" Considering that you're so disrespectful to the young miss, death is the only method you can atone for your wrongs." Chang Lang stalked Dou Wei and tugged at her hair. Dou Wei held her head high, his eyes devoid of any type of feeling. His blade had actually ended Dou Wei's life.

After killing 2 people, Donghao took out a cigarette. After looking at the two remains, he didn't intend to bury them.

" Miss, as long as Donghao lives, I will never enable anyone to insult you. Just I can wait your side. I am the just one."

The following morning, Samuel got up at 8 o'clock. Prior to he prepared to have morning meal, the doorbell called.

Wang Mao, that served as a waitress, in fact supplied the morning meal to Samuel. This sort of precise treatment made Samuel awkward.

" Grandfather Wang, I feel a lot of stress when you do this." Samuel said with a wry smile.

It's just a little issue. It's just a piece of cake," Wang Mao stated with a smile.

Samuel shook his head helplessly and claimed, "Grandfather Wang, don't stress. I will certainly try my finest to compete."
