

Chapter 477

Ichiro gave the stolen magic medicine to the assistant. Seeing the assistant enter the airport, he was relieved and asked Issac, "I don't know where your master is?"

Issac said lightly: "You'll know if you follow me."

After speaking, they winked at the two people around him, and they immediately clamped him to the left and right, and took one of the big gs.

The convoy quickly left the airport and headed to the dog farm opened by Orvel in the suburbs.

On the way to the dog farm, Issac called Charlie and said, "Mr. Wade Ichiro has been controlled by me. I will take him to the dog farm of Orvel. If you want to come over, I'll send someone to pick you up!"

Charlie glanced at Claire, who was asleep, and said, "After arranging the car for five minutes, come downstairs to my house."

After making a bracelet for Claire with a clam that was worth hundreds of millions, Claire was able to rest very securely while wearing it. She would almost never wake up at night, so Charlie didn't worry that she would find out.

Five minutes later, Charlie went downstairs. A Rolls-Royce was already parked downstairs. The driver Charlie had never seen him, but he recognized Charlie, opened the door respectfully, and said, "Mr. Wade please. "

Charlie nodded, got in the car, and the car drove out of the city quickly.

When Charlie arrived at Orvel's kennel, Issac had already arrived.

This is the first time Charlie has come to Orvel's dog farm. Although he has heard about this place for a long time, he has never been to this place.

The location of this kennel is very small and the scale is very large. As soon as he got off the car, he heard countless dogs called a group, and the voices of these dogs were very low and heavy, and they sounded like large dogs.

It is said that Mr. Orvel set up this kennel mainly to raise, breed and train some fighting dogs for underground dogfighting. People in the underground world are obsessed with fighting dogs, and they often organize competitions, betting tens of millions.

In addition to raising dogs, Mr. Orvel also regarded this place as a torture ground. Some people who needed to evaporate from the world were sent here by him to become rations for vicious dogfighting.

In the yard of the kennel, there is a three-story building. This building is usually used by the staff for rest and office. There is also a warehouse for storing dog food underground, and a secret room for Mr. Orvel to use lynching.

At this time, Ichiro was tied with his hands and hung on a frame in the dark.

The underground world of Aurous Hill is no different from the underground worlds of Hong Kong and Taiwan. It is very strict with rules and regulations, and its various habits are the same as those of the

youth gang a hundred years ago. Once the interests of the gang are violated, the first thing is to face is lynching.

Also detained here with Ichiro, and the six men in black who robbed Tianqi's "magic medicine".

When Ichiro saw the six of them here, he was frightened.

He realized that this matter might have something to do with the magic drug. He didn't know how the Chinese would deal with him if they knew that the magic drug was taken away by him?

At this time, Charlie stepped in.

Issac greeted him respectfully and bowed: "Mr. Wade Ichiro and his six doglegs are here."

Charlie nodded, looked at Ichiro, and smiled slightly: "Mr. Kobayashi, let's meet again."

"Ah...you...you are..." Ichiro suddenly remembered Charlie!

At the traditional medicine Expo, when he went to ask Tianqi for a prescription, he was right there, and because he was just an assistant or subordinate of Tianqi, he didn't expect that he turned out to be the young master of the Wade family!

Charlie looked at the hanged Ichiro, and said coldly: "Mr. Kobayashi, you are so courageous! You dare to send someone to administer the old magic medicine. Are you tired of your life?"

Hearing this, Ichiro suddenly panicked and blurted out: "Mr. Wade, this is all a misunderstanding!"

"Misunderstanding?" Charlie pointed to the six people in black who were tied on the ground next to him, and asked with a sneer, "Aren't these six people yours?"

Ichiro hurriedly shook his head: "No, I don't even know them!"

Chapter 478

Charlie nodded and asked the six people back: "Do you know him?"

The six people looked blank, as if they could not speak Chinese at all.

At this time, Issac stepped forward and translated a sentence in Japanese. The six people also shook their heads and talked a lot.

Soon, Issac said to Charlie: "Mr. Wade they said they didn't know this Ichiro."

"Oh." Charlie nodded, and said lightly: "Since you don't know him, then pick one from them, chop and feed the dog, and then ask the remaining five people."

"Okay!" Issac immediately translated Charlie's words, and the six of them were shocked and dumbfounded.

They couldn't believe that Charlie only asked one sentence, and he was about to arrest someone and feed to the dog!

Could it be that he really has such courage? !

Charlie said to Mr. Orvel at this time: "Mr. Orvel, your venue is more familiar to you. Take these six people out, weigh them one by one, choose the heaviest one, chop him for dogs, and let the rest Five observe it live! Then bring them back for questioning!"

Mr. Orvel asked respectfully: "Mr. Wade what if they admit in advance?"

Charlie said lightly: "It's too late now, so you have to chop off even if they admit in advance!"

Ichiro's fright is gone! The difference from the six subordinates is that he understands and immediately understands the meaning of Charlie's words!

The living person chopped up to feed the dog, is this Wade family's young master so cruel? !

What if he really wants to chop him? !

The six unknown men in black were taken out by Mr. Orvel's men.

Ten minutes later, They heard the dogs in the entire kennel boil!

Subsequently, the remaining five subordinates were dragged back like dead dogs.

Without exception, all five of them were frightened and convulsed violently.

As soon as they entered, the five people went crazy and yelled at Ichiro in Japanese.

Issac helped Charlie to translate: "Mr. Wade these people are telling Ichiro that they saw their companion was chopped to feed the dog."

Charlie nodded, then looked at Ichiro, he was so scared that he passed out.

So Charlie said coldly: "Ichiro, I'll give you one last chance, to be honest, otherwise, your fate will be exactly the same as the one just now!"

Although Ichiro wanted to contribute to the family, it was not based on the premise that he would die, so when he realized that Charlie might really kill him, he was almost shocked!

So he hurriedly pleaded: "Mr. Wade, I will speak, I will say everything! I let them snatch Tianqi's magical medicine. Please forgive me, or you can say the number, I am willing to pay for it!"

Charlie asked with a black face, "Where is the medicine?"

Ichiro said: "The medicine, I let my assistant take it to the airport..."

Charlie asked again: "Has the plane taken off?"

Ichiro nodded again and again: "It should have taken off, and it should be out of China's airspace now!"

Charlie gritted his teeth and said, "How dare you snatch the magic medicine? Good! Very good, since Chinese magic medicine has been taken to Japan by your people, then I will save your life. In China!"
