

# Noble Husband At the Door Chapter 479

Wang Mao asked as he looked at Samuel's worried expression. He knew that this was Samuel's initial time taking part in a match. It was a massive competitors where experts were like a forest.

"No, there's nothing to bother with in the competitors." Samuel claimed faintly.

Wang Mao didn't understand what Samuel was thinking. When he heard this, he simply concerned it as Samuel's self-consolation and claimed, "Just how regarding I discover a way for you to kick back?"

"Grandpa Wang, I'm truly great. The competition is extremely basic for me." Samuel stated this; he instantly thought about something and also asked Wang Mao, "Grandfather Wang, will Shangguan Heibai take part in this competition?"

"No, Shangguan Heibai, with his status, has actually not taken part in residential competitors for a long time, and also global competitions are unusual. Wang Mao claimed with a bitter smile. If Shangguan Heibai took part in this competition, then this competitors would certainly be meaningless.

"So, is there any way to allow him take on me? I must beat him this time," Samuel said. He had promised Yvonne that if he could beat Shangguan Heibai, he could get an opportunity to taste the lipstick which he can not use to limit his usage. This was additionally the function of Samuel ahead to Fuyang City.

"You ... you intend to compete with Shangguan Heibai?" Wang Mao took a look at Samuel in shock. Although he had triggered some problem for Shangguan Heibai last time, he had actually lost ultimately. Even if he hesitated, he would need to endure for a couple of years in the face of a person like Shangguan Heibai. He would certainly wait up until his chess skill enhanced prior to he might take revenge. In such a rush, wouldn't he lose face and be beaten?

"Yes, I must take on him. Otherwise, it would certainly be a waste of time for me to find to Fuyang City," Samuel claimed.

"Why?" Wang Mao asked in confusion. Didn't he come to Fuyang City to join competitions? Could it be that SamuelSamuel had other intentions?

Samuel gave an unusual smile and also claimed, "This is my personal privacy. I can't reveal it to you casually. Aid me consider a way to play chess with Shangguan Heibai."

Shangguan Heibai intentionally hyped Samuel and Ouyang Xiujie, which showed that he was really certain in Ouyang Xiujie's stamina currently. At the very least, he had actually found a way to deal with Samuel.

Now that it was uncertain whether he would have the ability to win the championship, just how was he going to play chess with Shangguan Heibai?

"Samuel, it's not that I don't wish to help you, it's simply that I really can't consider a great solution. ... no one can order Shangguan Heibai regarding his position. As long as he does not want to, no one can force him," Wang Mao claimed in a dilemma.

Samuel smacked his lips and stated, "It appears that he needs to do it himself. You do not have to fret regarding it.

"Samuel, I still need to advise you. Despite the fact that you are rather powerful, there are lots of specialists participating this time around, so you definitely can't allow your guard down," Wang Mao claimed.

Samuel swung his hand any which way as well as stated, "Do not stress. I remain in my ideal condition currently."

With Yvonne's stimulation, just how could Samuel not remain in a good state? As long as he thought of the red taste, his battle stamina would certainly burst out.

There were still two days prior to the competition. In the past 2 days, Samuel and Qi Yiyun did not leave the hotel. He did not require to practice, with Qi Yiyun's stamina, if she wanted to obtain an excellent result in the competition, she had to practice and also score.

On the day of the competition, Samuel was lightly geared up, and also Qi Yiyun looked a little major.

After appearing of the initial contest's fight checklist, Qi Yiyun blurt a sigh of alleviation. She was not in the exact same team as Samuel, which meant that she can go better.

Qi Yiyun didn't care regarding the competitors, it was a chance to prove her strength. If she had actually satisfied Samuel previously, she would have left early.

"Luckily I didn't fulfill you. I hope we will certainly never ever have the opportunity to compete." Qi Yiyun smiled at Samuel.

"That's for sure. Our fate is that of friends at most," Samuel said.
