

Chapter 481

After an hour.

A Global Express private jet landed at Tokyo Narita Airport.

After the plane landed, it taxied all the way to its own hangar.

In the hangar, Kobayashi has been waiting for a long time.

As soon as the plane entered the hangar and stopped and the cabin door opened, Ichiro's assistant jumped down eagerly, holding the medicine box in both hands, and ran to Masao Kobayashi.

At this time, Masao Kobayashi was sitting in a wheelchair looking forward to it, his second son, Jiro Kobayashi, behind him, pushing the wheelchair blankly.

Jiro was very annoyed in his heart. Originally, he was already in the family heir's competition, relying on his strength to hold down his brother, but he did not expect that he would go to China to steal a magic drug.

If this medicine is so magical as it is said, then it can not only cure the father's disease but also bring huge profits to Kobayashi Pharmaceutical.

At that time, the little advantage that he had accumulated for so many years will be gone!

Ichiro's assistant offered the magic medicine to Masao Kobayashi and blurted out: "Chairman! This is the magic medicine that the vice chairman desperately obtained, and asked me to give it to you!"

Masao Kobayashi nodded, and couldn't wait to say, "Give me the pill!"

The assistant hurriedly opened the box and handed the pill, and the servant next to him hurriedly delivered a glass of warm water.

Masao Kobayashi tremblingly took the pill, put it under his nose and smelled it, and exclaimed, "It's so rich and pure medicine. The smell of this medicine is refreshing!"

After speaking, he opened his mouth without hesitation, swallowed the pill, and took a sip of water to take it.

Everyone is staring at him, wondering if this magical medicine is as magical as it is said.

It is said that even high paraplegia can be cured. Isn't that shocking?

At this time, Masao Kobayashi felt a burst of warmth in his abdomen, and the warmth quickly spread throughout his body. The places it went was hot and comfortable. He couldn't help but sigh: "It's really amazing, I haven't felt my legs for a long time, but the medicine actually made me feel my legs start to get hot!"

A few minutes later, he felt that his whole body was filled with a powerful sense of strength, as if he had suddenly returned to the state he was ten years ago or even twenty years ago!

He was so excited that he tried to control his legs and wanted to stand up. He didn't expect that with a little effort, he would really stand up!

“Oh my God!”

The people around were amazed!

Jiro has been stunned!

He is learning medicine, he naturally knows that there is a problem with the nervous system, and how difficult it is to treat it.

No matter how rich people are, once they are paralyzed, they cannot be cured completely, and it is impossible even to stand up.

However, this magical medicine only took ten minutes to make his father who had been paralyzed for more than three years stand up!

This...is too amazing?

In this way, it can not only cure high paraplegia, hemiplegia, and stroke, but also treat diseases such as Parkinson's, after all, they are all related to the nervous system!

Then this medicine is really an invincible magic medicine!

At this moment, Masao Kobayashi tried to move forward. He thought he would be stumbling, but he didn't expect that he felt flat and relaxed!

Masao Kobayashi is so excited!

He walked faster and faster, and even turned, jumped slightly, and even trot a few steps. The whole person was in an extremely good state. Not only was he cured of his paralysis, but he was also twenty years younger!

The health doctor of the Kobayashi family immediately went forward to check his condition and said shockedly: “President! Your damaged nervous system is really fully restored! This is a medical miracle!”

Chapter 482

“Yeah! A miracle! This is a miracle that Amaterasu may not be able to achieve even when he appears!”

Masao Kobayashi was almost mad with excitement.

Just when he was ecstatic and excited, Charlie called.

“Mr. Masao Kobayashi, how do you feel?”

Masao Kobayashi was completely convinced by the magic drug at this time, and he blurted out excitedly: “Mr. Charlie, I accept your terms! I will purchase the patent for this magic drug for 10 billion!”

Charlie snorted and said, “I will send you the card number, and you will send the money in 20 minutes. Otherwise, I will expose what you did to the whole world.”

Masao Kobayashi hurriedly said: “Mr. Charlie, please rest assured, I will arrange for the financial staff to transfer the money!”

For the entire Kobayashi Pharmaceuticals, all the funds on the books add up to a little more than 10.2 billion, of which more than 70% are loans. However, for Masao Kobayashi, this tens of billions of spending is worth it!

With this magic drug, Kobayashi Pharmaceutical will surely become the world's top pharmaceutical company in the future!

A few minutes later, Charlie received a text message reminder: Japan's Kobayashi Pharmaceutical has transferred 1.427 billion USD into his account, equivalent to 10 billion.

The money has arrived, Charlie smiled slightly and said to Masao Kobayashi: "Mr. Kobayashi, Mr. Ichiro and I wish you good luck together."

After speaking, he immediately hung up.

Ichiro said excitedly: "Mr. Wade, since you have received the money, can you let me go now?"

Charlie smiled mysteriously and said, "You're so anxious to leave?"

Ichiro said excitedly: "I want to go back to Tokyo quickly and prepare to take over Kobayashi Pharmaceutical!"

Charlie laughed and said, "Mr. Kobayashi, don't worry, in half an hour, you may beg me to take you in."

"What do you mean?" Ichiro asked in surprise, "Are you going to regret it?"

Charlie sneered, and said arrogantly: "You always talk with Charlie. If you want to go, you can leave now, but if you run back and ask me to protect you, then I will consider it."

Ichiro frowned, not knowing what Charlie meant, but he just wanted to go back to Japan at this time, so he hurriedly said, "Thank you, Mr. Charlie, for your kindness, but please send me and my hands to the airport. I want to buy the earliest airplane back to Japan!"

Charlie shook his head: "You can go, but the five of them can't."

Ichiro hurriedly asked, "What does this mean?"

Charlie said: "These five people were not included in the deal we just talked about. Moreover, these five people dared to commit armed robbery on our land. This is a heinous crime and a price must be paid!"

Ichiro blurted out: "Mr. Charlie, there is no need to rush to exterminate them, right?!"

Charlie said indifferently: "If you don't kill chickens to show the monkeys, tomorrow there may be Dalin Pharmaceutical, Matsushita Pharmaceutical, and Sony Pharmaceuticals coming to China to behave recklessly. If you push me more, I will have your tongue cut off. "

Ichiro looked horrified. He glanced at the five subordinates who were confused because they couldn't understand the language. He gritted his teeth and said, "Okay! Then please send me to the airport first!"

Charlie said to Mr. Orvel: "Mr. Orvel, you send him personally. If he cries to you later and says that he wants to come back, then you can bring him back again, but before bringing him back, find a place to stop the Car, hit him, let him remember."

“Good!” Mr. Orvel nodded respectfully, and said to Ichiro: “Mr. Kobayashi, please.”

Ichiro looked at Charlie and said seriously: “Mr. Charlie, you seem to be too confident. I will never return to this ghost place! Goodbye!”

Charlie smiled without saying a word.

It is estimated that in another twenty minutes or half an hour, your Old Master Masao Kobayashi will be cold, and there is 90% chance of your brother thinking that you deliberately harmed the Old Master.

Even if he doesn't doubt you, in order to eradicate your troubles, he will definitely push the death of the Old Master on you.

At that time, maybe you will be chased by Kobayashi Pharmaceutical, dare to return to Japan, it will be strange not to be chopped into meat!
