When she saw her first pinned Weibo post, she almost choked to death!

It turned out that Shen Fanxing had already announced her concert at the Galaxy Plaza 20 minutes ago!

‘Taking a deep breath, she clicked on more than ten thousand comments with trembling fingers. Without exception, they were all scolding her—

“You still dare to hold a concert?! Go to hell!”

“You plagiarized a dog and embarrassed Teacher Shi. You’re not worthy of being Teacher Shi’s daughter!”

“Hehe, is it the last dinner?”

“Disgusting b*tch, get out of the music industry! Get out of the entertainment industry!”

Curses and insults flew everywhere. Qina looked at Ji Yi worriedly, but she realized that her expression was calm.

In the end, she even saw a relaxed smile on Ji Yi’s face.

“What’s wrong? Why are you smiling?” Qina couldn’t help but ask.

Ji Yi looked up at her with a pale face.

“These people all said that they would come to the concert...”

Qina was delighted. “Really?!”

However, before she could rejoice for two seconds, Ji Yi’s words made her face fall!

“Come to the concert to see me make a fool of myself...”

Looking at her innocent and innocent face, Qina’s maternal instincts surged and she reached out to rub her head!

“All the best!”

“Twill!”

At this moment, Shen Fanxing spoke.

“It’s not enough to have confidence and courage. Hurry up and go back to write songs! A concert with 30,000 people should give yourself some pressure!”

“But... I don’t know if 30,000 people will arrive...”

Ji Yi said to Shen Fanxing in a delicate voice, attracting Qina’s attention!

‘Why was she acting so reserved?’

Shen Fanxing raised an eyebrow at her in silence.

Ji Yi didn't understand what was going on. She frowned and glanced at her phone before realizing that it was already 12:20 pm. She hurriedly clicked on the ticketing website. She was prepared to snatch a batch of tickets so that she wouldn't be too embarrassed. However, when she saw the ticketing status, she was dumbfounded.

How could.

It was gone

Thirty thousand concert tickets were all snatched away in half an hour?

She was so shocked that she didn't even hold her phone before it fell onto the coffee table.

Puzzled, Qina picked up her phone and her expression froze!

This.

This was too unbelievable!

"Bree lunch... is indeed the most popular..." murmured Qina.

Shen Fanxing glanced at her and said,

"You're thinking too much. I think most people throw rotten eggs at her!"

Qina looked at Ji Yi sympathetically.

Ji Yi suddenly stood up from the sofa. "I'm going back to write a song!"

With that, he picked up her bag and ran out!

Qina was stunned again.

"I've never seen her so energetic!"

Shen Fanxing smiled and remained silent!

"Next, we'll have to wait for the concert!"

Shen Fanxing's series of actions naturally attracted many objections. Every day, there would be a few of Shen Qianrou's diehard fans scolding her downstairs.

Every time she was chased away by the security guards, she would still come forward persistently. Her perseverance touched the world!

Seeing how confident Ji Yi was, Shen Qianrou confirmed with Lin Shijia again. After receiving Lin Shijia's assurance, she was completely relieved.

She was still doing charity work and accumulating popularity. She was preparing to release a new song and wait for the filming of "Red Fashion" to win this summer's award!

“Let me give you a heads-up. I have to go out to do something tomorrow. The company’s annual meeting will be held overseas from the 21st to the 28th. Therefore, I have to rush around. The updates won’t stop, but the number of updates can’t be guaranteed. Don’t say that I’m finding excuses every day..

Bo Jinchuan didn’t miss Lan Yun Entertainment’s press conference and Stars International’s press conference.

Seeing how confident Shen Fanxing was, he couldn’t help but smile.

Bo Jinghang was in disbelief!

This woman was really strong. She actually dared to sign Ji Yi under such circumstances!

Where did his confidence come from?

“Milky Way Plaza? With 30,000 free tickets, Ji Yi’s appearance, and other expenses, there’s no way she can’t afford it, right? Where did she get so much money?”

Bo Jinchuan changed his posture, but Bo Jinhang could tell that he was proud.

“I gave it to him.”

If rolling his eyes didn’t suit his elegant and aloof personality, Bo Jinghang would definitely roll his eyes ten times.

He knew it!

“I know that the two of you have a good relationship and that you’re rich, but you shouldn’t burn your money like that! She built it so fearlessly, yet you don’t care?”

Bo Jinchuan glanced at him and said, “I like to give her money to build. Do you have a problem with that?”

Bo Jinghang shook his head without hesitation. “I have no objections!”

Wasn’t it just a hundred million?

Of course he had no objections!

It was much cheaper than being beaten up!

Bo Jinchuan raised an eyebrow and remained silent. He faced the computer and picked up the mouse. He dragged the video to Stars International’s press conference again and dragged the progress to the moment Shen Fanxing appeared!

Bo Jinghang couldn’t help but roll his eyes.

That’s enough!

Ever since he came in, he had been watching this video three times. He didn't expect that he hadn't seen enough!

'Wasn't it annoying?

Even a blooming flower would be annoyed.

She shook her head and sighed in her heart!

She really didn't expect that the rumored man who didn't get close to women and had no desires was actually an infatuated man.

Ji Yi's concert was the most important event recently. There was only half a month to prepare and there were too many things to prepare. Shen Fanxing became even busier.

A few days later, she spent most of her time with Ji Yi.

At Ji Yi's villa, Qina bought lunch with her two assistants and opened the door.

In the living room, Shen Fanxing was shaking her head solemnly. Her voice was calm and decisive.

"No! Let these slow-paced and lyrical songs last!

You have to know that the people who came to watch your concert weren't there to support you! Most of them were music lovers, fans of your mother and Shen Qianrou! They weren't there to support you, but to cheer you on maliciously. They didn't have the patience to listen to you sing from the start!

Ji Yi panicked and Qina's heart skipped a beat.

"Then what should we do?"

"Rock and roll, DJ." Shen Fanxing made a prompt decision.

"_" Ji Yi was speechless.

"To be shocking enough, we have to appease the audience first! Therefore, the opening song is very important! Ji Yi, can you do it?"

Ji Yi pondered for a moment before nodding.

Shen Fanxing nodded and urged,

"Let's have lunch first."

Just as everyone picked up their chopsticks to eat, the doorbell rang.

Song Miao got up to open the door.

"You..."

Song Miao's tone sounded angry!

'The few people in the room looked up and their faces darkened.

Chapter 483: Hypocrite

Ji Yi stood up from her seat!

“What are you doing here?!”

“Little Yi, long time no see. I haven’t heard from you for so long. I was worried that something had happened to you, so I came to take a look... I brought lunch...”

It was none other than Lin Shijia, whom Shen Fanxing had met once before and had some grudges with!

Shen Fanxing put down her chopsticks and leaned against the sofa, her eyes indifferent.

“Hey, isn’t this Miss Shen? What a coincidence, we meet again!” Lin Shijia smiled politely!

Shen Fanxing raised an eyebrow but didn’t reply.

Lin Shijia didn’t mind. He placed the lunch bag on the table and turned to look at Ji Yi.

“Little Yi, can we... talk?”

[have nothing to say to you!”

Ji Yi glared at him angrily, her face pale. Her petite body seemed to be unable to withstand the anger rolling inside and was trembling uncontrollably!

Lin Shijia was no exception to Ji Yi’s reaction. Instead, he sighed helplessly and said in the tone of an elder brother,

“Little Yi, why are you doing this? With your popularity, you still have to hold a concert.

Moreover, once fans went crazy, there would be many unpredictable dangers! Moreover, within half a month, how could you write so many songs?

Moreover, can a song written in a hurry be used? Have you thought about the consequences?”

Ji Yi clenched her fists and looked at Lin Shijia sarcastically.

“Stop pretending! Why do I have to do this? Who gave me all this? What’s wrong with me holding a concert? What’s wrong with me writing as many songs as I can in half a month?! Do I deserve to sit there and wait for your court summons before going to court to be sued until I have nothing left? There’s

no worse outcome than this! Instead of that, why don’t I give it a try? I’d rather be scolded to death, smashed to death, and trampled to death by those fans on stage than live my life in fear!

Lin Shijia, I was really blind back then. I actually... trusted you so much! Don’t worry, even if I have to beg in the future, I won’t do it at your doorstep! Get lost! Get lost!”

Lin Shijia was still worried. “Little Yi, I’m just trying to scare you. You can withdraw the lawsuit anytime! I’m really worried that something will happen to you! The concert isn’t a joke! Listen to me...”

“Ji Yi, do you have a copy of all the songs that you handed to your senior?”

At this moment, Shen Fanxing suddenly spoke. She had picked up her chopsticks and was eating slowly.

Although she said that, she didn't look at anyone.

Upon hearing this, Lin Shijia looked at Ji Yi nervously.

However, Ji Yi shook her head in despair with her eyes closed.

"No, if I did, I wouldn't have done it that day... and I wouldn't have done it now!"

Shen Fanxing replied calmly, "Really? That's a pity."

Lin Shijia's expression finally relaxed.

"Little Yi, I sincerely suggest that you don't hold a concert. You're not prepared or confident enough. How can you stand on that stage

"Enough! Lin Shijia, remember this. What belongs to me will never belong to anyone else! You're so ungrateful and treat me like this.. I'll definitely make you regret it!"

Chapter 484: Attractive

Lin Shijia shook his head. His attitude was obviously not as persistent as before.

"Since you insist, I have no choice. You're on your own!"

"Get lost!"

Ji Yi gritted her teeth in anger, but her eyes turned red!

Lin Shijia didn't stay any longer and left Ji Yi's villa.

Ji Yi sat on the sofa and her tears fell uncontrollably.

Shen Fanxing glanced at her and asked, "You like Lin Shijia?"

Hearing this, Ji Yi paused and looked at Shen Fanxing with swollen eyes. Then, she wiped her tears forcefully.

"How do you know?"

"In the song you wrote, it's obvious."

Ji Yi gritted her teeth, her face full of resentment.

"I was really blind back then!"

Qina added casually, "Who hasn't loved a few scumbags?"

Shen Fanxing chuckled and said, "It rhymes!"

Ji Yi and Qina looked at each other and suddenly burst out laughing.

"You're not good enough!"

Shen Fanxing smiled slightly.

Unknowingly, the anger from Lin Shijia's sudden arrival dissipated.

Not long after Lin Shijia left Ji Yi's house, he called Shen Qianrou.

"I've confirmed it myself. Ji Yi really doesn't have any of the songs from before. She told Shen Fanxing herself. If she did, she wouldn't have gone astray like this..."

"Who are you talking about? Shen Fanxing? She's here too?"

Shen Qianrou sounded nervous.

"Yeah, she's the boss of a concert for Ji Yi. Isn't it normal for her to be there?"

"But why is she talking to Ji Yi in front of you?"

Shen Qianrou was still worried. She had suffered enough because of Shen Fanxing. Now, Shen Fanxing's every move was a conspiracy!

Lin Shijia frowned in confusion. "She probably wants to embarrass me on the spot!"

But now, she was certain that Ji Yi only wanted to prove herself in this concert!

What kind of situation is she in now... Sigh, she doesn't have much talent to begin with, yet she still has to write a song and organize a concert in just half a month... Hehe, my junior has been spoiled by my master. She's too naive!"

Upon hearing Lin Shijia's words, Shen Qianrou fell silent for a while. She seemed to have understood something and laughed sarcastically.

"Since she doesn't have any evidence, that's the only way. It's not easy for someone to be such a spendthrift. It's a waste if your junior sister doesn't sing! But... 30,000 fans, heh... I really want to see how spectacular the scene will be... and Ji Yi's sorry state, especially Shen Fanxing's ugly face! Hahaha..."

As if the scene was right in front of her, Shen Qianrou couldn't help but laugh smugly.

She couldn't wait to see Shen Fanxing's face!

It must be exciting!

Time flew by and half a month passed in the blink of an eye.

Sometimes, Shen Fanxing wished she could learn a shadow clone.

Ji Yi only started rehearsing in the last three days. However, Shen Fanxing only let her rehearse for two days. On the third day, she locked her in the bedroom and let Ji Yi sleep soundly!

The day of the concert had finally arrived. This was a concert that everyone had been looking forward to.

Because it was special enough, because the concert occupied a stage that all singers dreamed of. Almost all the fans who came were anti-fans. It was a concert that was destined to be criticized!

It was unprecedented!

As Ji Yi had slept well yesterday, although she was nervous, she was in good spirits!

Chapter 485: Concert

“All these years, I’ve never seen Ji Yi so energetic!”

In the dressing room backstage, Qina sighed sincerely.

Ji Yi also felt that her condition was unprecedentedly good. Moreover, she was filled with anticipation for herself!

Shen Fanxing looked at Ji Yi and picked up her long black hair. She twirled it and pondered for a while before saying to the stylist,

“Even scalded her hair. Her hair color is... crimson red.”

Ji Yi and Qina were a little surprised. Although she was an artiste before, she had never thought of dyeing her hair.

In Qina’s eyes, Ji Yi was refreshing, clean, and simple. She had been using this image to promote her.

Aperm was fine, but a crimson lotus

Could Ji Yi handle the noodles?

‘The stylist understood immediately and stared at Shen Fanxing.

“No wonder our Chu Yi asked you to be his manager. You seem to have good taste! I’ve wanted to tidy up this girl’s hair since the first time I saw her... The color you mentioned is also the most suitable color in my heart.”

The stylist’s voice was sarcastic, but she was a good person. She had been following Chu Yi overseas and had only returned recently!

Shen Fanxing pursed her lips.

“You’re Chu Yi’s stylist, Sunny?!”

Qina and Ji Yi were shocked again as they looked at Shen Fanxing in admiration.

What kind of boss did they follow?

She could even invite the personal stylist of the Best Actor?

“Wrong?”

Just now, Sunny said that CEO Shen was the manager of the Best Actor?

In that case.

They had become colleagues with the Best Actor?

Before they could think further, Sunny started waving his hands. It was obvious that he was going to do something big!

“alright, alright. All unrelated people, disperse. I’m going to start work! I promise to blind all of you tonight!”

The concert started at eight in the evening!

At seven in the evening, the Milky Way Plaza was already packed with people!

Looking from afar, the 30,000 people looked like ants.

This was Yin Ruijue’s description.

How could he miss such a lively occasion?

Later on, Bo Jinchuan arranged for a live broadcast of the concert. All the major live broadcast platforms were broadcasting the concert at the same time.

On top of the security that Shen Fanxing had arranged, there were also professional bodyguards and special forces.

Shen Fanxing secretly rewarded Bo Jinchuan with two kisses.

The rotten eggs, tomatoes, and rotten celery that the anti-fans had brought were all confiscated!

Although she wasn’t convinced, she still wanted to see how embarrassing Ji Yi would be tonight.

She still walked into the venue!

The live broadcast had already started!

In the Shen family, Jiang Rongrong and Shen Qianrou were already watching the live broadcast. Su Heng was also accompanying them.

Lin Shijia was also in the villa. He leaned against the sofa and drank red wine. He stared at the television with a mocking and helpless expression. Looking at the obviously impetuous fans, he shook his head repeatedly.

“Little Junior Sister, why are you so stubborn?”

In 40 minutes, all 30,000 tickets had been tested.

‘The stage was still dark. The concert would officially begin in 20 minutes!

Below the stage, there were all sorts of curses.

‘They seemed determined to not give Ji Yi any leeway!

“Ji Yi, get out of the music industry!”

“Get out of the entertainment industry!”

“Plagiarist, go to hell!”

“Get lost...”

In the end, they couldn't vent their anger and started to scream.

On the stage that was the center of attention, there were no lights or sounds. It was like a black hole that swallowed all sounds, making it seem desolate and lonely. It was as if they were really shocked by the aura of these fans!

It was eight o'clock sharp, but there was still no movement on the stage!

“It's eight o'clock! Why isn't he out yet?!”

“Did he escape in the nick of time?!”

“F*ck, are you kidding us?!”

At that moment, all the lights on the stage lit up—

Chapter 486: Visual Effects

At that moment, all the lights on the stage lit up—

Everyone was stunned for a moment. Even the loud shouts stopped.

The lights on the stage dimmed and the entire square fell silent.

Time passed minute by minute. Just as everyone reacted and started shouting again, a beautiful female voice sounded. It was a clear singing.

The entire square was clearly surrounded by people, but the singing seemed to have passed through the endless night and floated across the vast grassland, ethereal and clear.

It pierced into everyone's hearts and shocked them. Everyone wanted to reject this feeling, but their hearts couldn't stop beating!

However, the heavy metal music that followed sounded louder and louder, like a gradually burning flame that gradually turned into a prairie fire!

When the passionate music reached its climax and everyone was almost numbed by it, the lights in the middle of the stage suddenly lit up!

Under the spotlight, a slender white figure stood there!

At the same time, the huge screen on the stage lit up, revealing Ji Yi, who was standing in the middle of the stage.

On the big screen, her entire body could be seen clearly. She was wearing a tight white leather pants and a white leather jacket. Her shoulders and chest were covered in sparkling silver crystals.

This outfit was enough to make people drool and be stunned. More importantly, her face, which had always been low-profile and pure in front of everyone, was now covered with exquisite gold makeup. Her rare red curly hair shone brightly and covered her shoulders!

At this moment, Ji Yi was no longer as pure as before. She had completely transformed. Her unique outfit, unique fashion, and unique beauty were enough to stun everyone!

Right now, she was the brightest star. The light emanating from her was destined to be admired and yearned for by everyone!

“Who... who is this?”

“So beautiful...”

Shen Fanxing stood behind the screen and watched the live broadcast. Her pursed lips moved slightly.

The visual effect was perfect.

‘What happened next.

Bo Jinchuan held her cold hand in his.

Shen Fanxing turned to look at him and her eyes softened. She blinked and allowed Bo Jinchuan to transmit his warmth to her.

On the stage, after the music had reached its climax, there was no time for everyone to react. Another wave of heavy drumming sounded and Ji Yi, who had been motionless, finally moved.

After the song “Take It Off”, Ji Yi did not stop and went straight to the next song—One Day!

Everyone was completely stunned by the shocking music and the loud and beautiful female voice. Their eyes stared at the slender and charming figure moving on the stage, looking forward to the shock and surprise she would bring them next time.

‘The fast-paced rock-and-roll English song was not perfunctory with the lyrics. On the screen in front of the stage, Chinese lyrics were displayed—

“They can’t suppress me.

They can’t keep me out.

They do their thing.

I will be different.

T’ll put people off questioning.

One day, I will make you believe

One day, I will get what I want.

One day, don’t try to warn me I can’t.

At this moment, I’m composing the future.

Chapter 487: One Day, One Day

Translator: Atlas Studios**Editor:** Atlas Studios

Such a fast-paced song coupled with such lyrics made everyone's emotions surge. At the same time, the balance in their hearts had changed without them realizing it!

Everyone's curses had been stifled from the start. At this moment, everyone was infected by the boiling music and were twisting their bodies happily to the rhythm of the music!

They were still shouting, but they were venting their passion!

"Watch carefully. I will never stop moving forward.

One day, you'll see me in a different light.

I will spread my wings and soar freely

This is my destiny. Just you wait. One day.

One day, one day, one day, one day..."

On the stage, Ji Yi focused on her performance and expressed the emotions accumulated in her chest. She was completely immersed in her music.

With such a slender and delicate body, her voice was filled with surprise and appeal.

The passionate singing gradually softened and the music slowed down.

The last "one day, one day, one day" seemed to be repeating itself. In the end, as the tone became lower and lower, the low voice gradually faded.

Ji Yi stood rooted to the ground with her eyes closed. Her slender body trembled and her chest heaved from the exertion.

Although his voice fell, all the audience below the stage felt that "one day, one day, one day" was still echoing in their minds!

The stage was silent, and so were the 30,000 people below the stage. The entire Galaxy Square fell silent.

After a long while, Ji Yi slowly opened her eyes. She adjusted her earpiece and took a deep breath before saying,

"I don't care how others question my character or even other things, but I don't want others to doubt my music. I'm very stupid and I don't know how to explain it to everyone. I believe that music is the only thing that can explain everything perfectly. I know that everyone still has doubts about me, but

since I'm here, please continue listening. At the same time, give me one last chance to sing and prove myself... Thank you!"

Ji Yi's voice was choked and breathless. After she finished speaking, she bowed deeply to the stage!

Everyone below the stage gradually regained their senses. Some were stunned, while others looked at each other. They wanted to persist in their views and continue to hate her, but they couldn't deny Ji Yi's sincerity and passion for music!

After a moment of silence—

“I believe you! Ji Yi, all the best!”

“Continue singing, Ji Yi!”

“All the best!”

“All the best!!”

Finally, a person’s inner shout brought about support and encouragement!

Ji Yi’s eyes turned red as she covered her mouth, determined not to cry!

Qina had been hiding at the entrance of the stage. Looking at the cheers below the stage, she laughed and cried!

Shen Fanxing took a deep breath and tears welled up in her eyes.

Bo Jinchuan lifted her chin and his heart skipped a beat when he saw the tears in her eyes.

“So emotional? Hmm?”

Shen Fanxing bit her lips and buried her face in Bo Jinchuan’s embrace.

At the side, Yin Ruijue was biting a handkerchief that came out of nowhere and staring at the screen!

At the side, Yin Ruijue was biting a handkerchief that came out of nowhere and staring at the screen!

“It’s not easy for this young lady!”

“Sob sob sob, how pitiful...”

Shen Qianrou and Lin Shijia, who had been watching the live broadcast, stared at the screen silently with trembling expressions.

Lin Shijia was no longer as arrogant and confident as before. The wine glass in his hand was already placed on the coffee table. He sat upright and stared at Ji Yi in disbelief.

comment

He couldn’t deny that Ji Yi’s songs made him panic.

At this moment, Ji Yi looked up and suppressed her emotions. Then, she looked straight at the camera and said,

“Next, Waste of Tears! Thank you!”

As soon as he finished speaking, slow-paced music sounded amidst the cheers—

Are you trained to lie professionally?

You didn't learn to secretly wipe your mouth after eating.

It felt like a thread had snapped in his brain.

Kind or foolish,

They had all reached their limits.

Love you, waste time, hate you, waste tears.

Trust your oath. Not yet.

To believe that there are ghosts in this world

When you act pitiful and even cry,

Wishful thinking.

Still waiting for me tomorrow. Please step aside.

If there was a song that allowed Shen Fanxing to guess that Ji Yi had once liked Lin Shijia, it was undoubtedly this song. The lyrics were too obvious.

Lin Shijia also vaguely sensed this, and the lyrics of "believing you is better than believing that there are ghosts in this world" only made him feel humiliated.

A portion of the audience below the stage had naturally sensed something. Those who knew Ji Yi well knew that her emotions were blank. Now that such a thing had happened, the only person they could think of was Lin Shi

In that case, in their hearts, Lin Shijia was clearly a scumbag. They were even more certain that there was something fishy about Ji Yi's plagiarism!

One by one, people realized how fast the news spread among the 30,000 people below the stage. More and more people supported Ji Yi.

After the song ended, the audience cheered!

"I'd rather believe that there are ghosts in this world than a man's mouth!"

"Go to hell, scumbag!"

"Ji ¥ i, you can do it!"

Ji Yi only bowed and sang a few more songs. The audience who had come to cheer regretted not buying glow sticks to cheer for such an outstanding concert!

Hence, some of them picked up their phones and created colorful screens above their heads!

In the beginning, the dark stage was lit up by the colorful lights of the phone.

'Why were they here?

'Idon't know!"

'They were completely attracted by Ji Yi's voice and fell into madness!

Rock, cure, love song. Ji Yi even sang an ancient song in the middle.

"Ji Yi is really awesome. She can perform all kinds of songs perfectly!"

"Her songs are so emotional and I especially like the lyrics. She has character!"

"Who said she's not talented? She's simply a future superstar!"

Seeing the turn of events, Shen Qianrou's face turned pale.

Jiang Rongrong's face darkened as well. She turned to Shen Qianrou and asked with a frown,

"These songs were written by Ji Yi?"

Shen Qianrou paused and shook her head. "I'm not sure."

Yang Liwei snorted.. "Mom, so what if she wrote it?"

Yang Liwei snorted and said, "Mom, so what if she wrote it?"

"I really don't understand. Why did Fanxing put in so much effort to hold this concert for Ji Yi? Is it to prove that Ji Yi can write and sing? But this can't get rid of the fact that she's a plagiarist? What can she do with such a reputation? She won't be liked anywhere, right?"

Jiang Rongrong's expression improved slightly, but she couldn't help but sigh.

"If these were really written by Ji Yi, it's a pity to let her leave Lan Yun Entertainment!"

Yang Liwei nodded in agreement. "That's true. Although her reputation isn't good, staying in Lan Yun Entertainment to write songs for Qianrou is a good way out."

comment

Jiang Rongrong nodded thoughtfully. "I think so too!"

Yang Liwei smiled and said, "But since the truth is already like this, Mom, you have to be more open-minded. Anyway, our Qianrou is in the limelight now. Moreover, isn't there still that Producer Lin Shijia? He's much more talented than Ji Yi. Qianrou doesn't have to worry about singing!"

Upon hearing this, Jiang Rongrong glanced at Shen Qianrou and smiled.

"Yes, Qianrou is enough for Lan Yun Entertainment!"

Ji Yi never spoke much. She sang one song after another. The concert had been going on for almost two hours.

In the end, Ji Yi walked to a piano and sat down slowly.

Everyone's enthusiasm did not diminish as they looked at her excitedly.

However, Ji Yi sat in front of the piano and didn't move or speak for a long time!

Shen Fanxing looked at Ji Yi as she stood up from Bo Jinchuan's embrace. Bo Jinchuan didn't stop her as he watched her enter the control room.

Faced with Ji Yi's sudden silence, the audience started to worry.

"What's wrong, Ji Yi?"

"Jivi, don't cry!"

"Ji Yi, you can do it! We'll always support you!"

Ji Yi cried. She had vented too many emotions tonight and the response she received was something she had never experienced before.

However, tonight, there was still one last step...

She took a deep breath and leaned closer to the microphone on the piano. She paused and gritted her teeth before saying slowly,

'The last song tonight-It's All Love..'

Everyone fell silent. When they heard the last three words, they seemed to have realized their purpose for coming today.

However, at this moment, they only wanted to hear Ji Yi sing forever.

"Alls Love' has an extraordinary meaning to me, but I lost it. I didn't protect it well..."

Perhaps she had thought of something, Ji Yi's tears fell. Her choked voice made one's heart ache.

"It doesn't matter if everyone believes me or not. Next is the original version of 'It's All Love'. Please retain your patience for the last few minutes and listen to me finish singing it. Ji Yi... is very grateful."

The audience cheered in support!

"Sing! Sing! Sing forever!"

"Sing! All the best! I support you!"

"Ji vil jirvil ivi!"

Everyone from Stars International was either present or watching Ji Yi nervously through the screen!

The concert was about to end. This was an important moment for their company's future.

If he succeeded, he would be honored. If he failed, he would die!

Ji Yi reached out to wipe the tears off her face. The exquisite makeup on her face was slightly smudged, and her long red lotus-like hair cascaded down her back, almost enveloping her entire frail body!

She looked a little decadent and quiet.

Ji Yi raised her head and took a deep breath before looking down at the piano.

Ji Yi raised her head and took a deep breath before looking down at the piano.

The support from the audience gradually dissipated as they looked at Ji Yi quietly, waiting for her.

After a moment of silence, the crisp sound of the piano formed a string of music that echoed throughout the entire Galaxy Square.

Ji Yi's clear voice sounded a little hoarse from the previous performance, but it was also this voice that accentuated the emotions of the song!

'When he opened his eyes, the air was boiling and changing.

I suddenly had many new experiences.

If it was a dream, it would be crushed when one woke up.

All are present.

Love, the first stop of the future

Love, teach me to pull dreams apart

Love, want me to look up

The faintest star in the sky.

And the right to strive for the most beautiful brilliance.

Love, want me to look up

The faintest star in the sky.

And the right to strive for the most beautiful brilliance.

The entire song was heavy. Ji Yi played the piano as she sang with all her might.

This song expressed too many things. It was like a person who had been in darkness for a long time. She thought that she was lonely and lost, but she didn't know that she had long been enveloped by warmth. It was just that she hadn't realized it until later...

Along the way, Ji Yi vented her regret and helplessness about her past, as well as her longing for the future.

There was an even greater feeling of being touched. However, no one knew where this deep love came from!

The song finally ended and the last note of the piano stopped.

Everyone fell silent.

Ji Yi's hand was still on the piano keys. She raised her head slightly and closed her eyes as tears streamed down her face again.

After the silence, there was some commotion below the stage.

"Why are you crying?"

"Hub? You too!"

'When everyone reacted, they realized that their faces were covered in tears.

Some of them were even sobbing.

"although Qianrou's version is nice, I like this one more."

"Me too! I really like it!"

"This version is the most touching, I can't stop crying."

Everyone was silently wiping their tears. Their chests were filled with emotions that could not be dispersed no matter what!

At this moment, the big screen on the stage suddenly shook!

Everyone looked up in unison.

The big screen was playing the video that Shen Fanxing had asked Ji Yi to copy for her.

On the screen was the scene of Ji Yi's mother, Shi Sixin, who was sick in bed.

Ji Yi had been waiting on her by the bed, massaging her body, combing her hair, feeding her, and drinking water...

After Shi Sixin fell asleep, she lay on the bed and held her mother's hand tightly. She pressed it against her face and cried silently.

Afraid of waking her sleeping mother, she bit her lips tightly and restrained herself from crying. However, she could still hear Ji Yi's sobs..

In the end, she couldn't control herself and ran out of the room!

'What she didn't know was that her sleeping mother had slowly opened her eyes after she left!

She looked in the direction Ji Yi had left in, her calm eyes staring at the ceiling as tears streamed down her face.

Finally, she took out her phone from under her pillow and dialed someone's number.

At this moment, Lin Shijia's expression changed.

After the call connected, Teacher Shi Sixin's voice sounded clearly—

"Shijia... mow you're busy. I don't blame you... Can Task you for a favor... Ji Yi... After I left, she was left alone. She's too innocent and ignorant..."

comment

I can tell how she feels about you. I won't force you, but can you take good care of her for me... Don't make her too sad...

She was actually very talented in music. I was too strict with her and limited her performance... If possible, help me to enlighten her. She will definitely be an outstanding musician in the future. Perhaps she will help you...

Shi Jia, I've never begged anyone before, but this time, as your master, I'm begging you to take good care of Ji Yi... Take good care of my daughter."

Her voice trembled as she sobbed uncontrollably. In the end, Shi Sixin covered her trembling lips and nodded. She thanked him solemnly before hanging up.

At this moment, Ji Yi was crying uncontrollably.

She had never watched this video before. Ever since her mother left, she had not made a breakthrough. She was afraid that she would miss her, so she did not have the face to face her.

It was CEO Shen who had found her when he rescued her.

She only knew that her mother was usually cold to her and was used to being domineering. She had never revealed her feelings to others, but she did not expect...

She didn't know anything...

She knew how difficult this concert was. She also knew that as a public figure, she needed to spread positive energy. She knew that she couldn't cry at this time, but...

How was that possible...

How was that possible...

Below the stage, more than 30,000 people were sobbing when they saw the video!

However, what made their hearts ache more was the slender figure on stage.

"Ji Yi, you can do it! We'll support you forever!"

"We'll be your fans forever!"

"Ji Yi, you can do it!"

"Ji Yi! Ji Yi! Ji Yi!"

They cried with all their might, trying to comfort this pitiful girl.

The huge Milky Way Plaza was filled with cries and cheers.

It was neat and tidy, with immense and endless power!

Therefore, a celebrity's achievements could not be separated from the enthusiasm and support of every fan!

However, this wasn't the end. The scene on the big screen changed again. Teacher Shi Sixin was sitting in a wheelchair, her body slightly tilted as she faced the window. The sunlight shone on her, and her gentle side profile looked very kind and warm.

Ji Yi sat in front of the piano with a perturbed expression.

"Mom, I wrote a song recently. Can I play it for you?"

Shi Sixin nodded gently.

Ji Yi rubbed her fingers nervously and took a deep breath before her fingers landed on the piano keys.

Although it was very immature and there were no lyrics, even people who didn't know music could tell that the song that Ji Yi was playing was "All Is Love"!

Although it was very immature and there were no lyrics, even people who didn't play music could tell that the song that Ji Yi was playing on the screen was "All Is Love"!

Halfway through the piano performance, everyone understood!

Everyone was shocked.

Their feelings were contradictory. Among the 30,000 people, there were many loyal fans of Lin Shijia and Shen Qianrou.

Until they were completely conquered by Ji Yi's strength, that was their instinct. Later on, they realized that although the scales in their hearts had tilted, it didn't mean that they might not support Lin Shijia and Shen Qianrou.

But now, they realized that they were really wrong.

Other than that, there was deep anger.

"F*ck! We've all been fooled by Lin Shijia and Shen Qianrou!"

"Lin Shijia, that dog. To think that Ji Yi likes him so much and trusts him!"

"The most hateful thing is that Teacher Shi even begged him to take good care of Ji Yi before he left! Is this how he takes care of her?!"

"He was the one who plagiarized Ji Yi's song. With Ji Yi's trust, he was bitten by this b*tch! This kind of person is the scum of the music industry!"

"No! He's a complete scumbag. He's not human at all! Teacher Shi actually has such an ungrateful disciple. I feel sorry for her!"

"Ahhh... 'm so angry! I want to tear Lin Shijia apart. How can there be such a shameless person in this world?!"

"And Shen Qianrou! What's the relationship between that b*tch and Lin Shijia? She even said that she was involved in the production? F*ck!"

In an instant, the entire Galaxy Association was in an uproar.

"Lin Shijia, sh*t! Go sh*t! Get out of the music industry!"

"Shen Qianrou, slut, mistress, get out of the entertainment industry!"

"Lin Shijia, get lost!"

"Shen Qianrou, scam!"

"Ji Yi, you can do it! Ji Yi, don't cry!"

Ji vi! Ji Vi! JEL"

Everyone started to scold Lin Shijia and Shen Qianrou.

It was unknown who started it, but everyone was talking about Ji Yi!

They turned their anger towards Lin Shijia and Shen Qianrou into a hundredfold strength. They endured the intense heartache in their hearts and continued to cheer for Ji Yi!

It took Ji Yi a long time to suppress her emotions!

She reached out to wipe her tears, looking like a child.

She looked like a child who had fallen to the ground. After crying enough, she wiped her tears and stood up again.

Ji Yi wiped her tears, picked up the microphone on the piano, and stood up.

“Thank you for your support! So... you believe that I’m innocent, right?”

The moment Ji Yi finished speaking, there was a commotion.

“We believe you!”

“Ji Yi, we’ll always support you!”

Ji Yi’s face was pale. Although her makeup was smudged, no one said that she was ugly!

“So I’m not a disgrace to Mother, right? I can be her pride too?”

The fans below the stage cried and shouted, “Yes! You’re not Teacher Shi’s disgrace. You’re Teacher Shi’s pride!”

“Ji Yi, I’m sorry. I misunderstood you!”

“Ji Yi, I’m sorry!”

“I’m sorry!”

Ji Yi shook her head with a sincere smile.

“No matter what, thank you for coming. Thank you for listening to me sing. Thank you for liking music and letting me release myself tonight.”

Ji Yi didn’t apologize.

Because she had really suffered too much because of their irrationality.

How could a person who had truly been hurt forgive the person who had hurt her?

But not forgiving her was one thing, but thanking her was another.

“The fans naturally wouldn’t argue with Ji Yi over this matter. After all, they had really hurt her before.”
comment

“Ji Yi, continue singing! We’ll continue accompanying you!”

At the mention of singing, Ji Yi’s expression improved slightly.

“But the company has only rented the venue for two hours. It’s already time...”

“Huh? But we still want to hear more!”

“Ji Yi, sing another two songs!”

Jii.

Ji Yi could only shake her head helplessly as the audience sighed in disappointment.

Ji Yi bit her lips as she listened, unable to bear it.

She yearned to sing and hoped that someone would listen to her carefully. This was the first time in her life that she had such a spectacular concert...

At this moment, a cold female voice sounded from somewhere—

“Ji Yi, can you still hold on?”

The 30,000 people below the stage looked at each other, wanting to know who was speaking.

This voice...

Ji Yi paused before saying hurriedly,

“Yes! President Shen...”

Shen Fanxing fell silent for a while. Sitting in the control room, she watched Ji Yi’s condition through the real-time surveillance cameras and continued,

“Two hours. My stamina should be depleted by now. I can only sing two songs at most!”

Ji Yi was overjoyed and nodded vigorously. “Thank you, CEO Shen!”

“Yeah.”

Her cold and indifferent voice fell silent.

Below the stage.

“Who was the one who spoke just now? Her voice is so nice and domineering!”

“Ji Yi is called CEO Shen. She allows Ji Yi to sing two more songs! It must be CEO Shen from Stars International!”

“Yes, yes. I’ve seen Stars International’s press conference! She has a good temperament and is a good person. Previously, I complained that she always said that she was discerning and shameless. Now that I’ve seen Ji Yi, she’s indeed impressive!”

Ji Yi heaved a long sigh of relief and said,

“Yes, CEO Shen is really a good person. If not for her, I might have done something stupid half a month ago! She gave me a new life. It’s my blessing to have met her in this life..”

She paused for a moment before saying,

“Alright, let’s slow down our bad mood for the next two songs. Let’s start with ‘The Swing!’”

“Okay!”

‘What followed was relatively cheerful music playing—

If one could have a good cry
Would he be able to become stronger?
If this was an escape,
The goal was, where there was no one.
Facing myself, I had no choice but to surrender.
Get hurt less.
I just, want a shoulder.
What I get is your iron heart.
Sometimes when I think about it, I feel the same without you.
At most, her eyes would turn red again...

'The cheerful song once again stirred up everyone's emotions. At this moment, the nervousness and nervousness on Ji Yi's face disappeared. She completely relaxed and a bright and relaxed smile appeared on her face.

After the song ended, Ji Yi stopped. "Thank you again, everyone! I love music. No matter what happens to me in the future, I will always remember—

Never forget your original intention and never fear moving forward!"

I can smile and cry

Along life was like a desert.

But an oasis grows under your feet.

Fate ended the silence.

The night sky exploded with flowers.

In unison, we looked up.

In the sky, countless fireworks were blooming.

Briefly beautiful fireworks.

She had no time to think about it. After tomorrow.

At the climax of the song, colorful sprays and fireworks suddenly burst out in front of the stage!

Immediately after, countless fireworks bloomed in the sky above the Galaxy Square, completely illuminating it!

Below the stage, the fluorescent lights in the hands of the 30,000 people flickered as they shouted in unison—

“Never forget your original intention and never fear moving forward!”

“Never forget your original intention and never fear moving forward!”

“Never forget your original intention and never fear moving forward!”

Lin Shijia collapsed on the sofa with a pale face, completely flustered.

Why did it become like this? Ji Yi... actually kept that thing?!

In the Shen family, Jiang Rongrong and Yang Liwei were completely dumbfounded.

“Qianrou, what’s going on?!”

Jiang Rongrong shouted angrily and threw the cup in her hand to the ground!

Shen Qianrou shrunk her neck and twisted her fingers tightly. Her chest heaved nervously as she shook her head.

“Grandma, I don’t know! I don’t know why it became like this either. It’s Lin Shijia.. It’s him! I’ve asked him repeatedly, and he said that there’s nothing wrong with the song...”

“No problem?! Then how do you explain it now?!”

Su Heng frowned and asked, “Qianrou, why are you so close to someone like Lin Shijia?”

Shen Qianrou looked at Su Heng with a pale face.

“Brother Heng, I’ve told you before. I met him by chance when I went to the capital last time. He has a pivotal position in the music industry. Since I have the chance to befriend him, isn’t it normal for me to know him?”

Su Heng didn’t suspect anything and frowned.

“Lin Shijia obviously caused trouble for Fanxing at Old Master Peis birthday banquet... Since you’re so close to him, does that mean that you’re also hostile towards Fanxing?”

Shen Qianrou was stunned and tears streamed down her face.

“Brother Heng, is that how you think of me? In the entire entertainment industry, who doesn’t know that Lin Shijia is a popular music producer? I’m an artiste, so what if I want to sing a song with him? Do I have to consider my relationship with Sister before doing anything?”

“Why not!”

Su Heng stood up with a cold expression.

“If you had thought about it in advance, this might not have happened. Qianrou, I’ve had enough of you getting involved with Fanxing every time something happens!”

Shen Qianrou looked up at him in sorrow and disbelief.

“Brother Heng, do you mean that I’m to blame for this..”

Su Heng frowned but didn’t say anything.

The Shen family fell into an indescribable silence.

The concert that was despised by everyone at the start had a shocking reversal in the end!

Chapter 495: Retribution

The concert that was despised by everyone at the start had a shocking reversal in the end!

It was an unprecedented sight!

It was more lively and passionate than any concert in the past!

Even after the concert ended, many people were still in a daze.

Those who were obviously shocked by the concert had already caused a huge commotion online.

“I’ve seen it all! I didn’t expect the famous Producer Lin to be such a despicable person!”

“She relied on the fact that she’s Teacher Shi’s disciple to gain a foothold in the entertainment industry. I didn’t expect her to burn the bridge after crossing it. She’s ungrateful! B*tch!”

“You were acting all high and mighty during the interview, saying that you can’t accept Ji Yi’s attitude towards music? Music has nothing to do with reputation? Pfft! Scum!”

“The daughter who entrusted her master to take care of almost died! Why didn’t she die?!”

“And that b*tch Shen Qianrou. It’s clearly someone else’s song, but she’s still so stubborn! Her face is about to be smashed by Sister Shen!”

“Yes, and that Grandma. They’re all trash!”

“Lan Yun Entertainment is really the worst company in the world. Fortunately, Ji Yi has left. Otherwise, she would have been oppressed by Lan Yun Entertainment for the rest of her life because of Shen Qianrou!”

“Yes, yes, yes! Sister Shen is the best. She has discerning eyes and dug out Ji Yi’s Night-Luminescent Pearl!”

‘The comments on the internet were unprecedentedly intense.

That night, a large number of reporters and countless fans surrounded Lan Yun Entertainment. They waited the entire night, vowing to stop Shen Qianrou and Jiang Rongrong.

Even the colleagues who came to work in the morning could not enter the company building!

‘When Shen Qianrou and Jiang Rongrong arrived at the company, the car was surrounded.

It wasn’t easy for them to get out of the car with the help of the security guards. The reporters’ questions rained down on them!

“Miss Shen Qianrou, what do you think of the reversal of the plagiarism incident?”

Shen Qianrou lost her balance and lowered her head to avoid questions.

“Miss Shen Qianrou, do you have any explanation for plagiarizing the work of an artist from the same company and bullying her?”

Seeing that Shen Qianrou refused to speak, some reporters turned to Jiang Rongrong.

“Director Jiang, for her own selfish reasons, Shen Qianrou disregarded the company’s interests and bullied an artist from the same company. She slandered Ji Yi and refused to give an explanation despite our repeated questioning. As the person-in-charge of Lan Yun Entertainment, have you decided to remove Shen Qianrou from Lan Yun Entertainment?”

Jiang Rongrong’s face turned cold.

Seeing the sudden change in her expression, the reporter sneered and continued sharply,

“Chairman Jiang, please answer my question. This shouldn’t be something you need time to consider, right? These are the exact words you said at the Lan Yun Entertainment press conference half a month ago! You even said..”

Lan Yun Entertainment would definitely not allow any artists with bad conduct like plagiarism and plagiarism to exist! Not only that, but you have also advocated—plagiarism, plagiarism, and stealing the hard work of others... The person who enjoys the fruits of others’ labor is equivalent to the most unforgivable scum! Such a person should be banned by society! May I ask if you want to ban Shen Qianrou?*

Chapter 496: You’re Always Right

Jiang Rongrong glared at the reporter who asked the question and said coldly,

“Qianrou isn’t a plagiarist. She was tricked!”

“Haha, so Qianrou won’t be removed from Lan Yun Entertainment and banned? Director Jiang? Didn’t you say those words just now? With your current expression, do you dare to ask Director Jiang if your face hurts?”

“Te already said that Qianrou isn’t a plagiarist! She was also deceived! She’s also a victim?”

“Oh? That excuse again. Every time something happens to Shen Qianrou, she will always look innocent! It’s fine if it’s once or twice, but if it’s too many times, I’ll feel tired! It’s as if everyone in the world is wrong, Only your Shen Qianrou is always right and innocent, okay?”

comment

Jiang Rongrong pursed her lips and her wrinkled face darkened.

“You haven’t even investigated the matter clearly and you’re already accusing another artiste of plagiarism! Now that Ji Yi has proven her innocence and there’s solid evidence, you still refuse to admit it! Everyone says that Lan Yun Entertainment is biased towards Shen Qianrou and bullies other artistes.

Looks like I’ve witnessed it with my own eyes!”

“In order to protect an artiste with serious moral issues, she lost Ji Yi. Haha... Director Jiang, I still remember your words. The general meaning is that the artistes from the same company were suppressed by Shen Qianrou. That’s because their skills were inferior and they deserved to be suppressed! I’m

impressed. Look at your multi-talented Lan Yun Entertainment’s top actress. She really made your company popular! This scene is definitely explosive!”

‘The same reporter’s words were filled with sarcasm. Last night, he had also gone to Ji Yi’s concert. The anger he had accumulated was far greater than others!

As if to support him, a rotten egg flew over and hit Shen Qianrou’s head!

“Ah—”

Shen Qianrou screamed and a strong stench spread.

The reporters retreated and more eggs, tomatoes, flour, and rotten vegetables were thrown at Shen Qianrou and Jiang Rongrong!

“B*tch, get out of the entertainment industry!”

“Go to hell, plagiarist!”

“That b*tch almost killed Ji Yi! I hope you’ll be struck by lightning sooner or later!”

“Ji i is being bullied by all of you! You’re right and wrong. You’re playing us like idiots. F*ck you! The more I think about it, the angrier I get! I’m being played by a b*tch. I’ll beat you to death!”

The security guards had been protecting them, but there were only a limited number of them. Faced with the agitated fans, they were implicated because they were protecting Shen Qianrou and Jiang Rongrong!

The entire Lan Yun Entertainment building was in chaos!

On the other side, there was a group of fans and reporters outside Lin Shijia's studio. Seeing that he refused to come out, they went to his house.

Lin Shijia wanted to go out and hide, but he was caught by the reporters and fans in disguise.

"Mr. Lin Shijia, what do you have to say about the plagiarism of All Is Love?"

Lin Shijia looked dispirited and hurriedly replied, "There must be a misunderstanding. I must have made a mistake back then! My studio has too many scores, so it's inevitable that there's a mistake..."

"Oh? In that case, how do you explain Mr. Lin's action of suing Ji Yi in court?"

At this moment, a cold and clear voice sounded, full of strength and capability!

Chapter 497: Get Lost!

At this moment, a cold and clear voice sounded, full of strength and capability!

'The reporters paused and looked back.

The fans behind them were already screaming!

"Ahhh! Ji Yi! I've finally seen her with my own eyes!"

"She's really beautiful. Her hair is so beautiful!"

"Ji Yi, | watched your concert live yesterday. All the best! I support you!"

"Thank you!"

Ji Yi smiled and nodded at them before jogging after Shen Fanxing.

Shen Fanxing wore a simple blue shirt and a black knee-length skirt. She strode over like the wind.

'When the reporters saw Shen Fanxing and Ji Yi, they made way for them.

Shen Fanxing walked towards Lin Shijia with a faint smile on her face.

"Producer Lin, you accidentally took someone else's score as your own. Then, you accidentally destroyed all the original scores that Ji Yi had left with you. Then, you accidentally changed those scores to traces of your own creation. In the end, you accidentally walked into the court... The carelessness you mentioned almost forced our Ji Yi to a dead end... You almost lost your life doing something as elegant and noble as music... Speaking of tarnishing music..."

Lin Shijia wiped the cold sweat off his forehead and swallowed hard. Ever since Shen Fanxing approached him, he could feel a strong sense of oppression!

His clear and slow words were like pieces of black iron pressing on his body, making it difficult for him to breathe!

Before Shen Fanxing could finish her sentence, everyone mocked her.

"It's really... a misunderstanding..." He braced himself and said.

Shen Fanxing smiled and shook her head. "You think there's a misunderstanding, but I don't think there's a misunderstanding between us."

'As she spoke, she handed the document to Lin Shijia. Lin Shijia took it subconsciously and asked curiously,

"What's this?"

Shen Fanxing raised an eyebrow and said, "The court has given you a subpoena. The court will start in a week. Remember to appear in court!"

At the same time, Lin Shijia opened the folder. When he heard that, he was stunned.

Instinctively, he looked up at Ji Yi and asked in disbelief,

"Ji Yi, you're suing me?!"

Ji Yi frowned and sneered.

"You're surprised too? But you shouldn't be as shocked and desperate as I was back then! You deserve it if I sue you. How about you sue me? That's undoubtedly a bolt from the blue for me..."

Lin Shijia panicked and hurriedly walked towards Ji Yi, wanting to grab her hand!

In the end, two tall and strong bodyguards in black appeared out of nowhere and stood in front of Ji Yi!

Lin Shijia froze and looked at Ji Yi through the gap between the two bodyguards.

"Little Yi, I've said it before. I was just scaring you... Let... Let's talk!"

"We have nothing to talk about! I'm only here to take back my mother's studio. The studio has always been under my name. I inform you to pack your things and leave my mother's studio immediately!"

'When Lin Shijia heard that, his expression changed drastically!

"Little Yi, are you trying to force me to death?!"

"I just want what belongs to me! It's just like Love. If it's not yours, it will never be yours! Lin Shijia, the thought of a scumbag like you existing in my mother's studio disgusts me!"

Ji Yi was about to leave when Lin Shijia chased after her in a panic.

"Little Yi, Little Yi, listen to me..."

"Get lost!"

Lan Yun Entertainment, Shen Qianrou, and Jiang Rongrong had just washed themselves when their manager, Bai Huanhuan, rushed in.

Chapter 498: Consequences

Lan Yun Entertainment, Shen Qianrou, and Jiang Rongrong had just washed themselves when their manager, Bai Huanhuan, rushed in.

‘There was a strong stench in the room. Bai Huanhuan frowned in disgust.

“What’s wrong?” asked Shen Qianrou hurriedly. Seeing her like this, she had a bad feeling.

“Hongxiu canceled your cover shoot next month?”

“What?!” Shen Qianrou couldn’t help but scream.

“Not only are the other magazines saying the same thing, but...”

“And what?”

Shen Qianrou asked again, looking even more nervous.

Bai Huanhuan frowned and observed Shen Qianrou and Jiang Rongrong’s expressions. She deliberated and said softly,

“all your previous endorsements and films have requested for a change...”

Shen Qianrou’s face turned pale instantly!

“No... you can’t!”

She panicked for a long time before shaking her head in a daze. “There’s a contract between endorsements and movies.

“But the contract also states that during the cooperation period, your public image must be positive. If the negative impact is too serious, it will be considered a violation of the contract. We have to pay the penalty...”

Jiang Rongrong leaned back in her chair and pressed her forehead with her fingers. Her face was dark and tense!

Shen Qianrou tried her best to calm herself down. Suddenly, she thought of something and took out her phone from her messy bag.

At this moment, Lin Shijia was sitting on the sofa in his house. His phone rang for a long time before he picked it up.

“Hey, Lin Shijia!”

“Yes...”

It was obvious that something was wrong with Lin Shijia!

Shen Qianrou gritted her teeth and suppressed the anxiety and anger in her chest.

“Do you have any solution? Why did you become like this? Didn’t you promise me repeatedly?!”

Lin Shijia snorted and looked around the entire villa.

“Don’t worry. Now that things have come to this, I was blinded by greed. I only have myself to blame. Don’t worry...”

Shen Qianrou’s expression immediately relaxed. “I’ll hold a press conference immediately!”

Lin Shijia didn’t say anything and hung up!

Shen Qianrou then said to Bai Huanhuan,

“Contact the media. I want to hold a press conference!”

Bai Huanhuan frowned and shook her head. “There are reporters downstairs, but there are also restless fans!”

The hall on the first floor has almost become a dumping ground. It’s dangerous to hold a press conference. Let’s make a statement on the official Weibo first! Be more assertive and cut ties with Lin Shijia!”

Shen Qianrou remained silent. That was all she could do for now.

At this moment, a high-pitched scream suddenly sounded on the television in the office!

The few of them looked up and saw Stars International’s building!

There were also too many reporters and fans gathered there!

The moment Ji Yi got out of the car, the fans screamed!

“ahhh, it’s Ji Yi. Ji Yi is here!”

“Ji Yi, all the best!”

“Ji Yi, I love you!”

Ji Yi smiled and bowed sincerely to her fans. “Thank you!”

Seeing such a humble and gentle Ji Yi, her slender figure and beautiful face were filled with discomfort and nervousness at the sudden popularity. She was cautious and cautious every step of the way, and she looked like an innocent child who was worried about personal gains and losses!

Chapter 499: Two Hundred Million

Thinking of how they had once scolded and mocked her because they trusted Lin Shijia and Shen Qianrou, and even asked her to leave the entertainment industry, the fans felt guilty and heartbroken!

“Ji Yi! I misunderstood you previously. I’m sorry!”

“Ji Yi, I’m sorry! You really... have to work hard! I’ll always support you!”

“Ji Yi! Ji Yi! Ji Yi!”

The fans expressed their love for Ji Yi without reservation. Ji Yi only thanked them and waved at them!

At this moment, Shen Fanxing alighted from the car.

Ji Yi hurriedly retreated to her side and crossed her hands in front of her, standing beside her like a good girl!

Shen Fanxing was dressed in a sky-blue high-waisted jumpsuit. On the left side of her waist was a huge bow of the same color. When she alighted from the car, her wide-legged pants curled up. The moment her feet landed on the ground, the high-end chiffon felt good!

She had a beautiful and elegant face with an indifferent expression. Her unique temperament was noble and domineering!

Seeing Ji Yi's obedient attitude, the fans retreated and shouted at Shen Fanxing,

"Hello, CEO Shen!"

They spoke in unison as though they had discussed it beforehand. They were in unison and their attitude was filled with respect and admiration!

Shen Fanxing smiled, finding this treatment refreshing!

She glanced at them and nodded lightly!

Then, he walked towards Stars International!

The fans retreated again, leaving a path for Shen Fanxing.

Ji Yi hurriedly followed behind Shen Fanxing.

With Shen Fanxing around, no one dared to approach Ji Yi!

It wasn't until the two of them were escorted by the security guards to the entrance of Stars International that the fans started shouting regretfully!

"EYE."

"EYE."

It wasn't easy for them to meet Ji Yi. They really wanted to spend more time with her and get her autograph!

Shen Fanxing stopped in her tracks and stood at the entrance, facing the reporters and fans.

The reporters rushed to the front and asked Shen Fanxing,

"CEO Shen, I heard that the chief editor of Hongxiu magazine personally invited Ji Yi to shoot the cover of the next issue of Hongxiu magazine. Is that true?"

Shen Fanxing nodded and said calmly,

"Really."

"Also heard that many fashion magazines in the country have sent invitations to Ji Yi. Is that true?"

“Really.”

“I also heard that many international fashion brands are optimistic about Ji Yi becoming the local spokesperson. CEO Shen, is this true?”

Shen Fanxing smiled and said, “Yes!”

“CEO Shen, since the end of last night’s concert, more than ten live-streaming platforms have displayed the number of viewers and the final statistics of the gifts! I’ve calculated. The live-streaming revenue for the past two hours was nearly 200 million yuan. Is this true?”

Shen Fanxing smiled mysteriously and shook her head. “Well... I can only say that the fans are too enthusiastic!”

He didn’t deny it?!

Upon hearing this, disbelief flashed across Jiang Rongrong’s eyes!

It was only an investment at the start of the concert, but she didn’t expect the income from the live broadcast to be 200 million yuan!

Chapter 500: Meaningful

The concert was supposed to be an investment, but she didn’t expect to earn 200 million yuan from the live broadcast!

With this number, Shen Fanxing had already profited greatly. Furthermore, Ji Yi had all sorts of resources.

Hongxiu, Shang and Barlin were the top fashion magazines in the country!

There were also endorsements from international brands. Ji Yi was obviously the most popular artiste now. She was extremely popular and had endless resources. She had already become Stars International’s money tree!

And she had personally chased her out of Lan Yun Entertainment. Moreover, she was the artiste that she wanted to ban!

She was the one who had pushed Ji Yi to Shen Fanxing!

Two hundred million yuan.

Looking at Shen Qianrou.

Not only would she have to terminate the contract, but she would also have to pay the penalty.

What was wrong?

What was going on?

‘What was wrong with the lucky star of the Shen family?’

Ji Shen Qianrou stared viciously at the television screen! He bent down and wished he could hack Shen Fanxing into pieces!

It was all Shen Fanxing's fault!

She hated her to the core!

He hated her to the core!

She had to take revenge!

At Stars International, Shen Fanxing said,

"Thank you for your support for Ji Yi. I believe that your enthusiasm will allow Ji Yi to produce more outstanding works! And I, Stars International, will naturally do my best to support her!"

"Thank you, CEO Shen! You're so good to our Ji Yi!"

"Thank you, CEO Shen!"

Shen Fanxing smiled and shook her head. "Don't thank me so early. Don't forget that I'm a businessman! What happens to her in the future depends on herself. It depends on how much you support her and how long you can support her."

Shen Fanxing's words sounded official, but they were actually very ingenious. She was encouraging the fans' enthusiasm and a realistic question about the shelf life!

No matter how capable she was, she couldn't guarantee that these fans would support Ji Yi forever.

All she could do was to extend the shelf life as much as possible!

At this moment, a fan teased,

"CEO Shen, you must be joking. You chose to support Ji Yi when she was in her most difficult and helpless state!"

I dare say that there might not be anyone in this world who is as bold as you! To choose to help her when the season is at its lowest, this shouldn't be something we can decide, right?"

Shen Fanxing raised an eyebrow and said, "That's because I'm discerning! I realized Ji Yi's talent and value..."

She paused, looked at the man, and smiled slowly.

"But I might have understood what you said. That's right... I chose to help her up when she was abandoned by everyone. I won't give up on her easily when everyone abandons her again!"

Ji Yi looked at Shen Fanxing, touched.

Shen Fanxing continued,

"However, I can't help her forever! No one will like a useless person! As for those who like to support Ah Dou, I believe that it won't end well! Therefore, I can't be the one to support Ah Dou!"

After saying that casually, she nodded and walked into Stars International Building!

Ji Yi stood rooted to the ground and looked at the stunned fans around her. She comforted them,

“Don’t worry, everyone! I’m definitely not that useless person!”

The fans immediately screamed in response!

“Of course you’re not! We believe you!”

“Ji Yi, you can do it!”

Ji Yi smiled sweetly before running after Shen Fanxing.

Seeing Ji Yi and Shen Fanxing leave, the fans were puzzled.

“Why do I have a feeling that President Shen is referring to Ah Dou?”
