

# Noble Husband At the Door Chapter 481

Samuel had battled 6 challengers in a row today, which was very tiring for him. In this instance, it was very unreasonable for Samuel.

Samuel was very worn out today. It's currently 10 o'clock in the night," Wang Mao answered back angrily.

The boss glanced at Wang Mao with disdain and stated, "This is our choice. You are not qualified to conflict, and the individual that takes part in the competitors is not you. Why are you so desperate?"

Currently, a sneer showed up on Qi Yiyun's face. She couldn't recognize why the competitors format was so strange today, now she saw through everything.

Shangguan Heibai didn't all of a sudden have a trouble. This had been organized a very long time ago. Also the challengers Samuel dealt with today were intentionally organized by Shangguan Heibai. They purposely slowed down the rate of their placement, extended the moment of the video game, and wore down Samuel's psychological state in order to let Samuel face Ouyang Xiujie in his tired state.

" This old thing really does not respect his face in order to beat you," Qi Yiyun said with a jeer.

Samuel massaged his holy places, a wry smile on his face. He did not expect Shangguan Heibai to be so shameless. It was evident that it was unfair, yet he had the ability to use it openly.

" It's a pity that, aside from us, no person else would believe so. With Shangguan Heibai's position in the Go World, that would oppose him transforming the competitors style if he intended to?" Samuel stated.

Certainly, just like Samuel had actually stated, the other people did not have the tiniest argument to the sudden change in the competition layout. As a matter of fact, they felt that they ought to continue as soon as possible to avoid postponing Shangguan Heibai's break.

" Because Elderly Shangguan has something crucial to take care of, it's only all-natural for him to execute the finals ahead of schedule."

" That's. We can't throw away at any time on Senior Shangguan. It'll be useless if he's not in the finals."

" If some individuals think they can't fight, they can stop consciously. Anyhow, they can not beat Ouyang Xiujie."

Wang Mao's temper burned when he heard this. Samuel had currently defeated Ouyang Xiujie as soon as, so it was very easy for him to win the second time. Nonetheless, Wang Mao was not exactly sure if he would certainly still be able to do so in such a disadvantageous scenario.

It was such an apparent dark story that those individuals hadn't seen through it, however had also spoken up for Shangguan Heibai.

" I do not agree." Wang Mao said.

" If you don't agree, who do you believe you are? Just how dare you postpone Elderly Shangguan?"

" If you don't agree, just withdraw from the competition. No one will certainly compel you. Anyway, the champ belongs to Ouyang Xiujie. It doesn't matter whether you quit or otherwise."

Presently, Shangguan Heibai brought Ouyang Xiujie out.

The old man looked apologetic as well as appeared to feel a little guilty. He stated to every person, "Every person, it's my fault, Shangguan Heibai, however I do have something vital to do tomorrow, so I need to go to the finals in advance."

" Elderly Shangguan, what are you speaking about? Your organization is essential. How can we contrast it with the competitors?"

" Senior Shangguan, you are the leading gamer in the chess area of China. Exactly how can you be delayed by such a small competitors?"

A couple of old men in a dog-dog state shamelessly flattered Shangguan Heibai. There were extremely noticeable traces of flattery, but they did not feel ashamed at all.

Shangguan Heibai sighed intentionally as well as claimed, "If you actually think it's unfair, then I'll have Ouyang Xiujie take out from tomorrow's competition and allow you win the champion. What do you think?"
