Tian Changsheng was sitting in the living area. He was very baffled when he listened to Samuel had actually lost the game. He clearly saw the last game between Samuel and Ouyang Xiujie.

Because of his carelessness

Provided Samuel's personality, he would certainly never make such a low-level blunder.

The tea was currently boiling, however Tian Changsheng didn't discover it at all. It was just when Tian Ling'er approached him that he claimed, "Grandpa, what are you believing concerning?"

"Ah." Tian Changsheng concerned his detects, had a look at the teapot with white eyes, and responded quickly. "Oh, a good pot of tea was nearly broken."

Tian Ling'er emergency room was putting on loosened house garments that totally hid her gorgeous figure. She sat opposite Tian Changsheng as well as asked, "What can make Grandfather be so absorbed in your thoughts?"

Tian Changsheng was originally reluctant to tell Tian Ling'er regarding SamuelSamuel. Due to the fake experience on Cloudridge Hill, Tian Changsheng had actually caused Tian Ling'er to be exceptionally unfortunate once more. Tian Changsheng felt that it was as well odd for Samuel to have shed the competition. Hence, he was not able to endure any kind of longer.

"Ling'er emergency room, Samuel shed the competitors," claimed Tian Changsheng.

"Who did he shed to?" Tian Ling'er asked in surprise. Tian Changsheng had claimed that Samuel would definitely have not a problem obtaining the champ place. It was impossible for him to lose.

" Ouyang Xiujie."

Frowning, Tian Ling' emergency room frowned as well as stated, "Didn't grandfathers state that he won Ouyang Xiujie conveniently? Exactly how did he shed?"

" Yeah, I was wondering how he shed." Although this matter had little to do with Tian Changsheng, Samuel's loss would not make him lose face; Tian Changsheng thought it was difficult.

" Humph." Tian Ling' emergency room snorted coldly and said, "He needs to have been also big-headed. He didn't put Ouyang Xiujie in his eyes. That's why he came a cropper. This big-headed individual remains in trouble, isn't he?"

Tianling' emergency room appeared to rub salt in the wound, however Tianchangsheng might feel that this little girl's genuine thoughts were not like this.

" Ling' er, he lost this moment. When he goes back to Cloud City, those members of the Go Association will certainly not let him go," Tian Changsheng said.

Hearing this, Tian Ling' er's worry instantly showed up on her face. She thought twice for a very long time prior to she stated, "Grandpa, Samuel lost arrogantly, he has actually likewise learned a lesson. You can help him handle those individuals from the Go Association. He must have been sad that he shed the video game. Why should he be condemned by those old people?"

Tian Changsheng smiled helplessly. His granddaughter stopped speaking, but in her heart, she was still assuming concerning Samuel.

"He can manage it himself; grandpa is simply losing my time." Tian Changsheng claimed.

"Hey, grandfather, you think too highly of him. Those people from the Go organization have quite a lot of firms in Cloud City. How could he be able to handle it by himself?" Tian Ling'er said disdainfully.

Tian Changsheng sighed in his heart. Tian Ling'er did not believe Samuel would certainly have the ability to handle this matter. Nonetheless, this issue was predestined to make her check out him with brand-new eyes. If she took place such as this, her impression of Samuel would only expand more powerful as well as more powerful.

It was a pity that the Tian Changsheng couldn't cover Samuel's quality.

Tian Changsheng recognized a little concerning the Hannigan family's events. As for how he had done it and also what he had done, at existing, Tian Changsheng did not know.

There was one thing that might be confirmed that it was worthy of Nangong Qianqiu's separation from the resources, which was the best proof of Samuel's strength.

"My dear granddaughter, you have ignored Samuel," stated Tian Changsheng.

Tian Ling'er pouted. What was so wonderful about him? With the exception of playing chess, he was just a plaything child in the Sue family. It was not a genuine ability for him to depend on Yvonne's assistance.
