

Chapter 493

The attendant at the Clinic saw that Liang had walked back again and immediately said with a cold face, "Why are you here again? Go away! You are not welcome here!"

Liang begged: "Little brother, I have something to say to the genius doctor Tianqi in person, I will leave after speaking!"

The guy frowned and said: "The genius doctor Tianqi doesn't want to see you, don't you know anything about yourself?"

Liang knelt on the ground with a puff and shouted loudly into the inside: "Mr. Shi, Liang begs to see you, and speak to you face to face, please be merciful! If you don't want to see Liang, Liang will be with you. Kneel down in front of the store!"

Tianqi had already walked to the room behind the Clinic, and he sighed when he heard Liang's voice.

The illegitimate child of the Wei family has been in contact with him several times, and he feels that he is indeed very educated and knows how the etiquette.

And Tianqi did feel that Liang's situation in the Wei family was worthy of sympathy.

Therefore, hearing Liang's words at this time, he felt a little compassionate in his heart.

So he paced out and saw that Barena had already left, leaving Liang alone at the door, and said to him, "You come in with me."

"Thank you doctor Tianqi!" Liang was overjoyed, got up in a hurry, and followed Tianqi to the back hall.

As soon as he entered the back hall, Liang immediately took out a slender wooden box made of mahogany from his arms, then opened the wooden box, revealing a whole body of white ginseng.

He offered the ginseng in front of Tianqi with both hands, blurting out: "Genius doctor Tianqi, this thousand-year-old snow ginseng is the thousand-year snow ginseng that my mother left to me when she was alive. It is her treasure for a lifetime. I know that you respect that Mr. Wade, so I want to dedicate this thousand-year-old snow ginseng to Mr. Wade, and ask Mr. Wade to take action to save the Wei family!"

Tianqi was stunned when he looked at the small snow ginseng.

It turned out to be a thousand-year snow ginseng!

This thing, he has only seen the description in the classical medical books, when he once thought that this thing did not exist, and the snow ginseng was at most a hundred years old.

Although this snow ginseng is not as long as a folding fan, its whole body is already a little translucent. This is because it has been waxed. Normal ginseng will not wax. It must be so obvious that it is waxed, a sign of its long life!

This also allowed Tianqi to conclude that 80% of this snow ginseng is really a thousand-year snow ginseng!

Unexpectedly, this thing actually exists!

He couldn't help but ask in surprise: "This...this is really yours? How come you have such precious medicinal materials?!"

Liang nodded and said earnestly: "Mr. Shi, to tell you, my mother is a native of Changbai Mountain. Following my grandfather, my ancestors have been collecting medicine in Changbai Mountain for generations. This thousand-year-old snow ginseng was handed down from my mother's family for generations."

After speaking, Liang said again: "My father Youngzheng just started the medicinal material business, and he often went to Changbai Mountain to collect medicinal materials. He lied and deceived my mother. After my mother was pregnant with me, he left. I also grew up at the foot of Changbai Mountain..."

"Until my mother was seriously ill and was about to pass away, she was afraid that I would be alone, so she contacted my grandfather. Grandpa thought I was of Wei family blood after all and could not be left outside, so he ordered my father to pick me up in Changbai Mountain and bring me back to Wei's house."

"When my mother was leaving, she left this snow ginseng plant to me, so that I must keep it close to my body at all times to prepare for emergencies. Now that the Wei family is in disaster, if Mr. Wade is willing to lend a hand, I would like to dedicate this thousand-year snow ginseng to Mr. Wade!"

Tianqi was speechless in shock.

He only knew that Liang was an illegitimate child, but he didn't know that there was such a story behind it.

Chapter 494

For Liang, he had never said these words to anyone in his life, and Tianqi was the first.

Ever since he was brought to Wei's house, Liang has been humiliated and tortured by others.

Since childhood, his father Youngzheng hated him, and his brother Barena hated him even more. He has always been scolded, beaten, and subjected to various humiliations. He himself has long been used to it.

He has been patient, waiting for the day when he can meet a suitable opportunity to get rid of this dark and skyless status quo.

Just as the Wei family is suffering from disaster, Youngzheng also let out a word that whoever can solve this crisis can become the chairman of Wei's Pharmaceuticals. Therefore, he took out this thousand-year-old snow ginseng that has been hidden closely for 20 years. , In exchange for it to exhale.

This thousand-year-old snow ginseng has no market value its preciousness.

The 300-year-old purple ginseng, if not for the last time Charlie and Fredmen competed, the normal price is estimated to be around 30 million.

And this thousand-year-old snow ginseng can be sold for at least 100 million at the normal price.

Liang took it out at this time and gave it to Charlie willingly, so that Charlie could help the Wei family resolve the crisis, so that he could become the chairman of the entire Wei's Pharmaceutical Company. From now on, it will be a shame!

Tianqi was also shocked by this thousand-year-old snow ginseng.

He knew that Charlie had magical medicine refining skills, and this thousand years of snow ginseng would definitely be of great help to Charlie.

So he immediately took out his cell phone and called Charlie.

At this time, Charlie received the medicinal materials sent by Qin Gang, and combined the 300-year-old purple ginseng with other medicinal materials to make 30 rejuvenating pills.

As soon as the Rejuvenation Pill was refined, Charlie suddenly received a call from Tianqi.

On the other end of the phone, Tianqi's respectful voice rang: "Mr. Wade, Liang, the illegitimate son of the Wei family, want to ask you for help. If you can help the Wei family tide over the difficulties, he is willing to give you a thousand-year-old snow ginseng!"

"Thousand-year snow ginseng? Is it true?"

Charlie was very surprised. The 300-year-old purple ginseng is very rare. Snow ginseng is more precious than purple ginseng, so it is even rarer.

What's more, snow ginseng, which is still a thousand years old, is definitely considered the treasure of medicine.

Charlie is a little excited about the Thousand-Year Snow Ginseng. There is a record in the Nine Profound Heaven Scriptures that the snow ginseng more than 500 years old is a treasure of heaven and earth with aura. If he can get it, he will improve his own strength. It really has strong effect.

Tianqi said at this time: "Mr. Wade, to be honest, it's the first time I have seen 1000-year-old snow ginseng. I'm really not sure if it's a thousand years, but it's at least five hundred years old."

Charlie sighed and praised: "Old Shi, you have done a good job of this matter. I just made a new pill that can make you more than ten years younger. I will give you one back."

When Tianqi heard this, his excited voice trembled a little, and respectfully said: "Mr. Wade, you really praise Shi. In fact, this is what I should do. It's all part of it... "

Charlie smiled indifferently, and said: "Old Shi, Charlie has always distinguished rewards and punishments. If you do things for me, you will forget your merits if you are unnatural. You will bring Liang to see me first, and you will have rewards in the future."

After that, Charlie said again: "You bring Liang over now, let me see if his thousand-year snow ginseng is genuine or not."

Tianqi said excitedly: "OK, Mr. Wade, I will bring him over!"
