

Chapter 4935

When the two heard Charlie's invitation,

Issac and Orvel hurriedly nodded, and then followed him and Ruoli on the plane.

As soon as he got on the plane, Charlie said to the three of them:

"Make yourself comfortable, I'll go inside and make a call."

The cabin of this Concord is divided into four parts, in addition to the cockpit and the working area of the crew,

The cabin is divided into a seating area, office area, and rest area from front to back.

The seating area is full of large first-class seats, which can accommodate thirty people,

The office area has a conference room, an office, and a lounge area with a double suite.

After Charlie greeted the three, he went to the back office first,

And the first thing he did after sitting down was to call Stella.

After Stella received the call, she respectfully asked,

"Mr. Wade, what are your orders?"

Charlie said, "Miss Fei, I will send you a list of medicinal herbs in a moment,"

"And you can hurry up and prepare it for me in New York. If you can get it all together, it's the best,"

"If you can't get it all together, you can tell me in time which ingredient is missing,"

"And I will have it shipped from China."

"No problem." Stella hurriedly said: "Mr. Wade, here in New York. There are many Chinese, and there are also many well-known traditional medicine practitioners."

"The business of Chinese medicine and medicinal materials is also quite large, and I believe that I can gather what you need."

Charlie hummed and said, "Then I will send you the list later,"

"Thank you for your hard work."

"Mr. Wade is very polite, it is my honor to serve you."

She then asked: "By the way, Mr. Wade, when will you return to New York?"

Charlie said, "My plane is about to take off, and I should be there in two hours."

Stella said hurriedly, "Then I'll pick you up at the airport!"

Charlie didn't plan to stay at Fei's house tonight, because he wanted to make alchemy,"

"And Issac and Orvel were both around, so he planned to stay at the Shangri-La Hotel in New York.

So, he said to Stella: "Miss Fei, don't bother, I'm going to Shangri-La tonight."

"Just prepare the medicinal materials from your side and come to Shangri-La to find me directly."

Although Stella was a little disappointed, she was still feeling very refreshed and agreed:

"Okay, Mr. Wade, please send me the list, and I will prepare it as soon as possible."

Charlie then sent her the list of materials needed to refine the Reshaping Pill.

Although the materials required for this are very valuable, at least they are not as rare as the phoenix vines.

With the phoenix vine, it should not be too difficult to match other materials.

Once the materials are ready, Charlie will be able to directly refine the Reshaping Pill in New York.

At that time, after the pill is completed, Roma, Ito Yuhiko, and Tanaka Koji can all fly to New York,

And he can solve the problems of these people at one time.

Thinking of Takehiko Ito, Charlie couldn't help but think of Nanako Ito.

He has not seen her in a while days.

Although he didn't want to admit it,

He knew in his heart that he had always missed her.

If Ito Takehiko comes to the United States, Nanako will definitely be with him,

And he will be able to meet her at that time.

However, Charlie didn't think anything wrong,

He just subconsciously hoped to take this opportunity to meet her.

Later, he was afraid that his wife would be worried about her mother,

So he picked up the phone and called her.

After the phone call, Claire asked, "Husband, where are you now?"

Chapter 4936

Charlie said, "I flew out of town to help mom find a reference,

"And now I am coming back to New York, and has mom contacted you in the past two days?"

"I got in touch." Claire sighed and said, "Husband, I was just about to call you to tell you about it."

"Mom called me just ten minutes ago. You know on the phone. What did she say to me?"

Charlie, already guessed, but still pretended to be curious and asked: "What did Mom say?"

Claire said helplessly: "She said that she is doing very well in prison now."

“She wanted to call you, but your call never got through, so she called me and asked me to tell you that she is not in a hurry to come out right now,”

“So let you don’t get her out of there too soon... What else can I say,”

“I thought as long as she can make it back to China with us that would have been the best,”

“If it doesn’t work, she can come back by herself after she is released from prison... ..”

After speaking, she asked nervously: “Husband, don’t you think she is too strange?”

“What could she be doing in prison, and say that she doesn’t want to come out too soon... ..”

Charlie sneered and thought to himself: “My silly wife, you have to know that your mother is the ghost of Bedford Hill now,”

“I guess you can understand why she doesn’t want to come out... ..”

But he didn’t say much, just comforted:

“Wife, I guess mom didn’t want us to worry, so she said that.”

Claire said seriously: “mom is not the kind of person who knows how to...”

“There are only two possibilities that she doesn’t want to come out for someone who thinks about others,”

“One is that she was coerced, and the other is that she lived very comfortably in there.”

He sighed in his heart: “It really is her confidence.”

He said with a sigh of relief: “Don’t worry, the prison is not a place outside the law, and no one should coerce her.”

“As for the second possibility, I think this may be the case.”

“It may be that she made friends inside and wants to experience new life in it,”

“And I also asked a client in New York to help me find a relationship, I guess I can take care of her in there.”

Claire said helplessly: “To be honest when I heard her tone on the phone at that time, it didn’t seem like she was being coerced,”

“Her tone was weird, she seemed very happy, but she didn’t want me to hear it,”

“So she did it on purpose. It was some restraint... I really don’t understand...”

Charlie smiled: “Good wife if you don’t understand, don’t think so much,”

“Since Mom can tell you that herself, then there must be no trouble, and all should be good.”

“Well...” Claire sighed and said helplessly:

“I can’t do anything about her, I just have to ask you to work hard and also find a way to rescue her.”

Charlie smiled and said, "It's not hard work, as long as mom is fine, everything else is not important."

After saying that, Charlie saw the seat belt warning light in the office turned on,"

"So he told Claire: "Wife, the plane is about to take off,"

"And I have to return to New York overnight, so I will hang up now."

"You take care of yourself these days, take classes well, and don't worry about the rest of the things."

"Okay... .." Claire instructed: "Then husband, you must also pay attention to rest, don't be tired."

After exhorting each other for a while, the two hung up the phone with no end in sight.

Immediately, the aircraft's thrust was fully turned on,

And after taxiing for a certain distance on the runway,

It rose into the air and disappeared into the night.

The flight, which originally took at least five or six hours to fly, landed at JFK Airport in New York in just two hours.

The convoy of Shangri-La Hotel was already waiting at the airport.

After Charlie and everyone completed the customs formalities from the VIP channel,

They took the concierge convoy of Shangri-La directly to the hotel.

When he was about to arrive at the hotel, Stella called and said to him,

"Mr. Wade, I have all the herbs on your list. Should I bring them to the hotel now?"

Charlie didn't expect Stella's efficiency to be so fast,

After all, it only took more than two hours, and it was a big night.

But Charlie didn't ask much. Stella is now the head of the Fei family,

And she is also a householder in New York. Naturally, the relationship channel is deeply rooted.

Chapter 4938

Ruoli's cheeks instantly became flushed,

And Issac and Orvel had a sense of clarity on their faces as if they had realized something.

How could Charlie not see the wretchedness on the faces of these two people,

So he said sternly: "I asked Miss Fei to prepare some medicinal materials for me,"

"And I will make some medicinal herbs tonight,"

"She is among the three of you, the strongest,"

"She will follow me and help me in time in case of any need."

For Charlie, refining higher-level medicinal pills is a big challenge.

The higher the level of medicinal pills,

The greater the loss of spiritual energy during refining,

And the more dangerous the refining process.

If there is a deviation in the middle, it will fall short in the light, and it will devour his energy too much.

Although Ruoli can't help with alchemy, she is the strongest among them.

With her there, at least she can help Charlie avoid,

Any external interference as much as possible, which is an extra layer of protection.

The two of them suddenly realized, and then they couldn't help showing some regretful expressions,

And Ruoli also appeared a little ashamed at this moment of her own thoughts.

Then the four came to the top floor, and Charlie took Ruoli to the presidential suite,

Instructing her to close the doors and windows and the curtains tightly,

And then said to her: "Ruoli, I will be in the main room later."

"Refining the medicine, don't let anyone in before I come out."

Ruoli nodded and asked him, "Mr. Wade, is there anything else I need to do?"

Charlie smiled slightly: "No, no. Just don't let people come in and disturb me."

Ruoli said without hesitation: "Okay, Mr. Wade, I am guarding at the door."

Charlie suddenly remembered something, and asked,

"Ruoli, how does a four-star warrior feel like?"

Ruoli still couldn't hide her excitement when he mentioned the four-star warrior,

She said respectfully: "Mr. Wade, I have had no time to feel... so far I feel like It's like a dream..."

"Grandpa waited for a lifetime to become a four-star warrior,"

"But I'm only in my twenties, and I have already reached this state... Really..."

"Really it's a little unbelievable, I've been in a trance all the way,"

"And I may not be able to adapt for a while."

Charlie nodded and smiled: "Since it's hard to adapt to this time,"

"I'll save you some trouble right."

Ruoli asked in surprise, "Mr. Wade, what do you mean? I don't understand..."

Charlie smiled lightly and said, "I'll teach you how to adapt more quickly."

Then, he said again: "Come on, close your eyes first and take a few deep breaths."

Ruoli obeyed and did as she was told. Closed her eyes and took a deep breath.

At this time, Charlie urged: "The efficiency of ventilation should be faster,"

"And you can use your mouth to assist breathing."

Ruoli immediately did as instructed, opened her mouth,

And tried her best to improve the efficiency of exhalation and inhalation.

Suddenly, she felt that something the size of marble was thrown into her mouth.

She opened her eyes subconsciously, and before she had time to speak,

She felt that the thing in her mouth instantly turned into a warm current and quickly merged into her dantian.

She was shocked and couldn't help looking at Charlie, and asked in horror,

"Mr. Wade...you...Did you give me a pill?!"

Charlie nodded his head, and said lightly: "It's a blood-scattering and heart-saving pill,"

"This pill can help you quickly break through to five stars,"

"Haven't you been used to breaking through to four stars,"

"Just adapt to four stars and five stars together."

Ruoli was stunned for a moment, she never dreamed it would turn out to be such a thing in her life.

Just when she was so overwhelmed that she was so frightened that she didn't know what to do,

Or even what to say, Charlie said lightly, "I'm going to make medicine, hurry up to absorb and digest the power of the medicine,"

"At most in ten minutes, you will be able to break through the fifth meridian."

After saying that, before Ruoli could respond,

He turned around with the herbs and went into the bedroom, leaving Ruoli in a motionless and confused state.....

Chapter 4939

Other warriors in the microcosm will wait for a few years or even decades,

For the opportunity to let their cultivation level breakthrough another hurdle.

However, in just a few hours, Ruoli broke through two meridians one after another,

And jumped from a three-star warrior to a five-star.

This kind of speed is almost unheard of in the field of martial arts.

She didn't expect that Charlie could give her such good fortune.

After all, she was able to upgrade from a two-star warrior to a three-star,

And it was because of Charlie's help, which was equivalent to Charlie's single-handedly pushing her from two-star to five-star.

Just when she was surprised and happy, and even more moved by Charlie,

Charlie closed the door directly, locked himself in the bedroom, and began to refine the reshape pill.

This kind of favor to Ruoli was just a little effort for him, and he didn't take it to heart.

Although the Blood Dispersing Heart Saving Pill is consumed very quickly,

It is not too difficult to refine. When the batch at hand is used up,

The next batch can be refined, which is nothing more than consuming some medicinal materials and spiritual energy.

However, for Charlie, refining Reshaping pills is a real challenge.

A reshaping Pill is actually no longer a medicinal pill for ordinary people.

Its significance is not only to allow people's limbs, internal organs, and six internal organs to regenerate.

Its significance is that as long as the person's brain is not damaged,

Reshaping Pill can make him alive, and it is completely restored to the original.

At this point, Rejuvenation Pill is far from being able to do.

Take Duncan's situation as an example, no matter how much Rejuvenation Pill is given to him, he will surely die.

For that kind of comprehensive fatal damage, even the rejuvenation pill could not hold his breath.

Only the reshaping pill, which is not about martial arts, can save him.

Rejuvenation pills can make people go back in time and return to a younger state,

But reshaping pills can make people reborn into nirvana. This is the real magic of it.

The most amazing thing about Reshaping Pill is that it ignores the user's own strength,

No matter how strong or weak, it can regenerate its nirvana.

Not to mention an ordinary person like Duncan, even an expert in the dark world like Joseph,

In case one day he encounters a strong enemy and is seriously injured,

As long as his brain is not damaged, he can use a Reshaping Pill to save him intact. return him to the pre-death situation.

This is the real value of Reshaping Pill. It is like working insurance with no upper limit.

It can always guarantee that no matter how much loss you encounter, it will pay the full amount.

If you lose 100, it will pay you 100, if you lose 10 billion, it will also pay you 10 billion.

Therefore, once the Reshaping Pill is successfully refined,

It will not only be of great use for Duncan and Yuhiko Ito but also very important insurance for Charlie.

In order to refine the pill, he took out all the medicinal materials he needed from the box,

And placed them in front of him one by one according to his own needs.

Then he took out the bracelet made of phoenix vine from his pocket and used spiritual energy as the Knife,

Cut off about a tenth of it from above.

These are all the materials that Charlie needs to refine and reshape the pill this time.

According to the records in the Nine Profound Heavenly Scriptures,

These materials should be able to refine about 15 to 20 Reshaping pills.

However, the most uncertain factor is that the reshaping pill consumes too much spiritual energy.

Although Charlie didn't know how much, he knew that the spiritual energy in his body was definitely not enough.

So, just to be cautious, he took out two very precious Cultivation Pills.

Keep these two Cultivation Pills handy for emergencies.

In case, in the process of alchemy, he finds that the spiritual energy in his body is unsustainable.

He immediately uses the help of Cultivation Pills to replenish his spiritual energy.

When everything was ready, he activated the small piece of phoenix vine with spiritual energy,

Chapter 4940

According to the method recorded in the "Nine Profound Heavenly Scriptures".

The phoenix bone vine is like nuclear fuel.

Once activated, the medicinal properties rapidly increase, so almost in an instant,

The powerful medicinal power surged out from it.

Charlie immediately wrapped the powerful medicinal properties together with the prepared medicinal materials with aura.

Immediately afterward, the phoenix vine, which was activated by the spiritual energy,

Completely penetrated its medicinal properties into all the medicinal materials like magma.

Just like nuclear radiation, these medicinal materials are also undergoing,

Earth-shaking transformation under the action of Phoenix vine.

It can be said that all the medicinal materials in front of Charlie have completed a certain degree of mutation at this moment,

And the medicinal properties have also undergone a reborn evolution under the dual action of Phoenix vine and aura.

What surprised Charlie most was that when the phoenix vine was activated,

Its powerful medicinal properties quickly formed an unimaginable law of operation in the aura wrapped in it.

It is like a gaseous planet, constantly rotating, expanding, and collapsing towards the center under the action of aura.

And when it spins faster and faster, it is like a super powerful centrifugal pump,

Frantically extracting spiritual energy from Charlie's body.

Originally, Charlie controlled the output speed of the aura himself,

But he soon discovered that the speed of the aura output was no longer within his control,

And it soon changed from active output to being extracted.

It didn't take long for the spiritual energy in his body to be drawn away,

And the vortex, which was spinning as fast as a gaseous planet, began to rotate faster and faster,

And the degree of collapse inward became more and more terrifying.

The man quickly collapsed from a large ball with a diameter of more than one meter to the size of a football.

However, its density has grown exponentially at an exponential rate.

Charlie felt that his spiritual energy was soon showing signs of being unsustainable,

So he grabbed a Cultivation Pill without thinking, and immediately stuffed it into his mouth.

The surging spiritual energy was just melted from the medicinal pill,

And before it was warm, it was immediately sucked away by the swirling vortex.

He suddenly found that he was a little too optimistic before.

Two Cultivation Pills, it seems won't be able to hold this ghost at all.

So, he didn't dare to wait for the spiritual energy to be consumed,

So he immediately swallowed another Cultivation Pill.

And the speed at which the vortex rotates and collapses is still accelerating.

At this time, it has collapsed from the size of a football just now to the size of a baseball.

However, this thing shows no sign of stopping, and it seems to be turning more and more fierce.

And the aura in Charlie's body soon showed signs of being unstoppable.

At this time, he was already a little horrified.

He never imagined that this thing had such great power,

It was almost equivalent to using a centrifugal pump to draw blood from his body,

How could the blood in his body withstand such a violent pumping?

But now he has opened the bow without turning back the arrow, he can only grit his teeth,

Take out another Cultivation Pills, put it in his mouth, and pray in his heart:

"Don't let me take another Cultivation Pill... Cultivation Pill is the most useful elixir for me right now."

"If I lose four or five or more Cultivation Pills just for refining Reshaping Pills,"

"It would be a dream to wake up and cry..."

Charlie thought so, biting his head, and put the third Cultivation Pills into his mouth.

Like the previous two Cultivation Pills,

The spiritual energy of this Cultivation Pill was quickly drawn away, even faster than before.

Charlie felt exhausted, so he gritted his teeth and scolded with difficulty: "Today is really a big loss!"

After that, he took out another Cultivation Pill, intending to swallow it and hold on.

And at this time, the vortex has already accelerated to the extreme.
