" Samuel, do not fool around. I'm advising you. You 'd better think about the consequences. Killing people will cost you your life." Harvey's mouth was dry as well as his throat appeared to be ablaze.

To Samuel, murder was simply a matter of nodding. Killing Harvey was as easy as stepping on an ant. When it comes to the repercussions of this issue, Samuel did not care in any way.

" Old Master of the Sue family members, you eliminated her, really did not you? Since you said that you ought to pay with your life for eliminating someone, I will certainly allow you pay with your life today," Samuel stated coldly.

You would certainly much better remember this hatred for the rest of your life. Possibly in your next life, you'll still have an opportunity to retaliate." Shen Weng sneered.
