

Chapter 5021

Ruoli, who was beside him, was also very relieved,

And hurriedly urged: "Dad, please bring the ring to Mom!"

"Oh, yes!" Zynn came back to his senses and quickly took the ring out of the jewelry box.

And Roma didn't get used to her right arm being recovered at all,

So she handed over her left hand subconsciously.

Zynn held Roma's palm lightly, and when he was about to put the ring on her,

Ruoli reminded him again: "Dad! Men are on the left and women are on the right!"

"The ring should be worn on the ring finger of mother's right hand!"

Zynn's mind was completely blank at this time, and he had to rely on his daughter's instructions,

So when he heard this, he said without thinking: "Oh, right, I forgot about this..."

Roma came back to her senses, not too skilled, she handed her right hand to Zynn.

Zynn was nervous and just wanted to put the ring on her quickly,

So he didn't notice anything unusual.

When he held the ring and carefully put it on Roma's right ring finger,

He suddenly realized that something was wrong.

He stared at Roma's right hand for a long time, followed it all the way up,

And found that the entire arm was actually grown on Roma's right shoulder!

At this second, he subconsciously looked at Roma and asked in horror,

"Roma...this...what's going on?!"

Because of the nervousness, Zynn, who was a little confused,

Has only just found out that Roma, who lost her right arm for more than 20 years,

Actually, become a normal person with healthy arms!

At this moment, he also thought that Roma was wearing some kind of advanced prosthesis.

So he subconsciously said: "This...Where is this prosthesis made? This...this is too real!"

Roma said gratefully: "This is not a prosthetic... .."

"It was Mr. Wade who gave me an elixir, and after taking it, the arm that was missing grew back..."

"What?!" Zynn asked dumbfoundedly, "It grew back?! How is this possible?"

Ruoli on the side reminded: "Dad, you have seen Mr. Wade's magical powers on Waderest Mountain,"

“So we can’t use our limited common sense to measure his ability.”

Zynn’s expression froze for a moment, and he immediately remembered what he saw on Waderest Mountain that day.

The unbelievably powerful of Joseph was also defeated in a single blow in front of Charlie.

And the second of the four war commanders of the Cataclysmic Front also died easily.

Charlie’s strength and ability are indeed beyond his understanding.

Therefore, it seems that there is nothing incomprehensible about being able,

To come up with an elixir that can regenerate a severed limb.

Thinking of this, he couldn’t help sighing: “I didn’t expect our family to be blessed by Mr. Wade...”

Roma nodded lightly and said, “Young master, please get up first, I want to thank Mr. Wade!”

“Yes, yes!” Zynn was completely convinced, he quickly picked up the roses,

Handed it to Roma, and said seriously, “Let’s go thank Mr. Wade together...”

Charlie, who was in the living room, heard the conversation between the three people,

And without waiting for them to come out, he immediately stood up and said loudly,

“The three of you can have a good chat, I’ll go back to the room first.”

Has already stepped out.

Ruoli hurriedly chased out, and Charlie was already out the door.

After hesitating for a second or two, she chased out the door and shouted at Charlie’s back,

“Mr. Wade...”

Charlie turned around, glanced at Ruoli, and said,

“Don’t do anything. I said you will accompany them back tomorrow.”

“I believe your grandfather and the others will be very happy to know the good news.”

“Why don’t you go back and give them a surprise? Besides, when I return to China,”

“I will hold a wedding for your parents. If this daughter has any ideas,”

“She can find a wedding company in advance to start communication.”

Ruoli was very moved, and quickly asked, “Mr. Wade, can I stay here and wait for your dispatch?”

“When you are here there must be many places where people need to be employed!”

Charlie waved his hand and said, “You don’t have to stay here,”

“Go back to accompany your parents, from today onwards,”

“You will be considered the only child of the family of three.”

After speaking, he said again: “Oh, by the way, go to my place to sleep at night,”

“There are many rooms, you can choose anyone and give them both a little private space.”

She stuck out her tongue, closed the door directly,

Ran towards Charlie lightly, and said with a smile,

“I don’t think I should stay as a light bulb... “

...

Chapter 5022

One night, many people stayed up all night because of their happiness.

Ito Yuhiko was lying on the bed of the hotel at this time,

While he was pedaling his ‘air bike’ into the air, while looking at the chandelier with silly joy.

He liked the feeling of regaining his legs so much, if he wasn’t afraid of his daughter’s anger,

He would have wanted to go out and run three laps around New York.

The same goes for Tanaka Koichi.

He didn’t lie on the bed for less than five minutes,

And he couldn’t help but get down and walk around a few times,

And then put his legs on the table to look carefully and touch them carefully.

Roma didn’t have much chance to experience the feeling of having her right hand again,

Because Zynn couldn’t wait to carry her to the bedroom.

After more than 20 years, the two relived the passion of the year.

As for Duncan, who was the first to take Reshaping Dan,

He returned to his home in Houston with his wife, daughter, and son-in-law on the private jet of An family.

Since Stella endorsed him, his image in the eyes of his family is comparable to that of a superhero.

In their early years, his wife and daughter lived with him in New York.

At that time, he devoted himself to work and seldom asked about his wife and children.

And because of his identity as a policeman, he is quite strict with his wife and daughter on weekdays,

And the atmosphere at home has been very depressing without knowing it.

Later, his relationship with his family became tenser and tenser.

When his daughter was in college, she deliberately gave up the school in New York and chose to study in Houston,

In order to stay away from him so that she could breathe a sigh of relief.

The wife also took the opportunity to choose to accompany her daughter to study in Houston,

And began to separate from him in fact. But fortunately, the two sides have only been separated for a long time,

And it has not risen to the point of needing a divorce.

Duncan's daughter is not very good at her studies. She was rebellious when she was young,

And her father is a resolute detective who is more strict than ordinary parents.

Therefore, although her rebelliousness is struggling, she has never had a chance to emerge.

Although Duncan has lived in the United States for most of his life, He is a downright Chinese-style parent.

The way he treats his daughter's education can be summed up in the words

'excessive intervention and strict restraint'.

And because of the high pressure he brought, his daughter turned from rebellious to a relatively decadent school-weary mentality.

Because of this, the relationship between father and daughter has never been eased.

Duncan's income before retirement was almost \$400,000 to \$500,000 a year.

Although this income level is not low, it also firmly welds his family's social stratum to the middle class.

His daughter got married last year to a young Chinese man who graduated from a prestigious university and worked for NASA.

Although his son-in-law is somewhat talented, he is too high-spirited.

In addition, he is not valued very much in NASA, and he is even marginalized and thus a bit depressed.

Duncan understands his son-in-law quite a bit.

He is a professional in aerospace and has excellent education and skills.

However, because of his unrelated background, he has been suppressed where he works.

After returning home, Duncan left his family in the living room and said with emotion:

"It's hard to come back, let's have a meeting with everyone first."

His wife, daughter, and son-in-law agreed without hesitation and sat on both sides of Duncan.

Duncan took out the \$10 million check given by Stella from his arms and said,

“As for this money, my current idea is to leave it all to the baby in Paula’s womb and make a family trust.

The daughter hurriedly said: “Dad, the child has not yet been born, you don’t have to think so long for him...”

Duncan said solemnly: “This is something I must consider because I did not think too much about you before.”

“That’s why our family is so alienated, and besides, I didn’t do it for you, but for your children and his future children...”

Speaking, he sighed: “I have more contact with your Uncle An and his family,

And I understand the truth. The reason why the rich in the West can keep getting rich is that their asset inheritance pays more attention to contracts, not blind inheritance.

So starting from the baby in your womb, we will also make a family trust,

And invest all ten million dollars into it. Before the child turns eighteen,

All this money will be used for the lowest-risk investment.

At the age of eight, it should be at least doubled.”

Duncan’s son-in-law couldn’t help but said at this time:

“Dad... there is something, I have been looking for a chance to tell you on the way back. But don’t be mad at me...”

Duncan looked at his son-in-law, nodded, and said, “Stephen, you can talk about it.”

The son-in-law hesitated for a moment, and then said bravely,

“When I was in the Anbang Building, Mr. Marsshal An talked to me,”

“And he said that the An family was willing to take out 100 million US dollars to make a trust for Paula’s children and me,”

“On the condition that if the child in Paula’s womb was a boy, we would give him the surname Li,”

“If it’s a girl, you can choose the surname Li, or wait for a boy to be born and let the boy’s surname Li...”

Duncan and his wife and daughter were both surprised.

Duncan was even more guilty. He didn’t expect that Marshal would tell his son-in-law about this in private, and quickly said:

“Stephen, don’t be angry, your uncle An told you this, mainly because you, Grandpa An is a bit of an old feudal person.”

“Don’t take it to your heart, let alone blame him...”

“No...” The son-in-law said awkwardly:

“Dad...I... ..I’ve...I’ve made my own...promise...”

Chapter 5023

“You agreed?!”

Duncan was surprised and excited when he heard his son-in-law’s answer.

Although he said that Mr. An was an old feudalism, he was actually told by Mr. An for a long time.

He knows that the old feudalism should be criticized to some extent,

But he also agrees with the logic of Mr. An, that is: the surname needs to be inherited.

Whether it is a man or a woman, as long as there are descendants of the surname,

Then this line will surely be passed down. However, once there is a break in the middle,

This vein will completely withdraw from the stage of history within a few decades.

Therefore, if the son-in-law promised to give his daughter’s child the surname Li,

Then his family’s surname could continue to be passed down.

Because of this, he was very excited when he heard that his son-in-law had agreed.

However, he didn’t expect that his son-in-law, a talented man who had always regarded himself very highly,

Would be so easily persuaded by Marshal.

The son-in-law also seemed a little ashamed at this time.

He explained embarrassingly: “Dad, it’s not that I have no prospects...”

“It’s just that the conditions offered by the An family were too tempting...”

“Even if I work hard all my life, I can’t leave it to future generations. It is so much money...”

The son-in-law at this time was just eager to give himself the reason for compromising with money.

But he didn’t realize that his compromise was the result Duncan was most looking forward to.

However, in order to wash away his shame on his dignity, he continued to explain:

“Dad, what Uncle An said is almost the same as what you said just now,”

“What he means is, first take 100 million US dollars as a trust, and the trust is operated by An family’s trust company,”

“And because An family’s trust company is backed by the resources of the entire An family,”

“Their income is much stronger than that of most trust companies on the market,”

“So at least about 8% a year yield, as long as I fulfill my promise,”

“After 18 years, this trust can be conditionally lifted!”

After speaking, the son-in-law continued with a little bit of excitement:

“Dad, I probably used a quick calculation in my heart.”

“If Under the condition that an 8% rate of return can be guaranteed every year, and calculated according to compound interest,”

“Then after 18 years, the child will become an adult,”

“And the money will be changed from 100 million US dollars to a full 400 million US dollars!”

Speaking of this, the son-in-law is even more emotional and excited, he couldn't hold back his emotions, and blurted out:

“Dad, Mom, Paula! What is the concept of 400 million US dollars!”

“Even if we don't move the 400 million US dollars principal,”

“We will continue to calculate it according to the 8% rate of return every year.”

“Then the annual interest is 32 million dollars!”

“32 million dollars! And there are so many every year!”

“No matter how serious inflation is in the future,”

“32 million US dollars will definitely be enough for a family's daily expenses for a year!”

“At that time, we can give our children the best living standard,”

“The top educational resources, let them become the top group of people in society!”

“This is a step-by-step class leap!”

“Also, in addition to our annual interest income of 32 million US dollars,”

“This principle of 100 million US dollars is immovable. In this case,”

“As long as the An family Trust Company that we rely on does not go bankrupt, we can continue at an interest rate of 8%!”

“But what if the trust company goes bankrupt? The law has long stipulated that the trust company's own assets,”

“And the client's trust property is completely separated.”

“Even if he goes bankrupt, it is impossible to liquidate our money during liquidation!”

“We only need to change a trust company, just transfer the rights.”

“In other words, as long as the United States is still there,”

“Our money will always be there! This is the eternal preservation of assets and the eternal prosperity of the family!”

Chapter 5024

The excited son-in-law, when he came to this point, his heart beat faster and his breath was short.

His whole face was flushed and sweat was pouring down, his eyes widened to the extreme involuntarily, and all the blood vessels were faintly bursting.

Duncan was a little dumbfounded when he heard it.

He couldn't help but ask: "100 million US dollars...can it have such a large amount of energy?!"

The son-in-law nodded his head without thinking:

"That's right! Dad! 100 million US dollars is such big energy!"

After speaking, he added: "Of course, the most important point here is that An family can guarantee us an annual net profit rate of 8%."

"Uncle An said that if the market environment declines, the net profit rate cannot reach 8%,"

"And there may even be losses. An family will also make up 8% of the net profit for our trust."

"For example, under normal circumstances, 100 million US dollars will add 8 million in the first year."

"But if the market environment is not good this year, and only 90 million is left of the 100 million,"

"An family will give 18 million to ensure that our trust has 108 million remainings!"

"Yes! We don't have to worry about loss at all when the An family endorses it,"

"We just need to wait for the trust income to be lifted after 18 years!"

Duncan's wife and daughter were already dumbfounded, but Duncan said subconsciously:

"Stephen, this money. Is it not too much? How can our family,"

"How can we take so many benefits from others? This is really inappropriate..."

Duncan was not lying.

After listening to his son-in-law finish the calculation,

He realized that his family is not just giving him a sum of money, he is giving an indefinite and eternal promise.

As long as An family still exists, it will guarantee the interests of the trust.

This means that the An family has issued a long-term meal ticket to the Li family,

And the denomination of this meal ticket is still very high.

Therefore, although he expected that his son-in-law would agree to Marshal's request,

When he heard this, he also felt that the affection was too heavy, and he couldn't bear it.

But his son-in-law saw that he was a little hesitant, and said nervously:

“Dad! Don’t forget about it, Dad! This is a great opportunity for our family to jump into the dragon gate. If you miss it, you will regret it in your life!”

Having said that, he hurriedly winked at his wife Paula and blurted out,

“Paula, hurry up and persuade Dad!”

Paula was also frightened by this number, but she was not the same as her father.

Duncan has been a policeman all his life, and he has long looked down on life and death,

So he doesn’t really care about money at all.

Otherwise, based on his relationship with An family,

He could quit his job as a police officer at any time in the past few decades of his life and go to them for a bite to eat.

And An family will definitely give him excellent treatment.

With An family’s behavior and economic strength, maybe Duncan would have been now worth billions of dollars.

But Paula is different.

Paula’s living conditions and the living environment from childhood to adulthood can barely reach the level of the American middle class,

But there are too many middle classes in the United States.

Moreover, Paula studied and lived in a capitalist society since she was a child.

It’s just that she knew before that she yearned for the return,

But it was impossible to have the opportunity to achieve it.

But now, she suddenly realized that a rare opportunity is in front of her and within reach.

So she hurriedly said: “Dad... Even if it is for the sake of the children, you must accept it.”

“If we have this trust, Stephen and I can have more children.”

“In this case, our family will all of a sudden, will be prosperous.”

Stephen couldn’t help but blurted out: “Yes, yes! We must have more children!”

“And these children can all be surnamed Li, I agree with my hands and have no opinion!”

Chapter 5025

Originally, Duncan admired his son-in-law very much, but he always felt that this boy had the energy to not be overwhelmed,

Not afraid of being poor, and not to admit defeat or bow his head.

To put it simply, he felt that his son-in-law was very similar to him, and even had a shadow of himself.

It is precisely because of this, and Duncan has no son himself, so he treats this son-in-law as a son sincerely.

But the performance of his son-in-law at this moment made him realize that, as a detective who has read countless people,

His views on his son-in-law are one-sided, wrong, and naive.

He used to think that he was the kind of noble character who was rich and could not be promiscuous,

But now it seems that he is just a bit high starting point for "prostitution".

And this starting point, in the past, neither himself nor his son-in-law could touch it at all.

It is as if a person never knows if he is afraid of heights if he has never been there.

Some people are shouting that they are not afraid of the sky, but maybe their legs will become weak at a certain height.

At this moment, Duncan suddenly despised him. However, after thinking about it,

He felt that he was not the same? Although the boy didn't impress him, but about the so-called surname and bloodline inheritance, didn't he impress him?

Both he and his son-in-law have betrayed their own loftiness,

But one is kneeling in front of money and the other is kneeling in front of inheritance.

Stephen didn't know what Duncan was thinking, but when he saw that his expression was cloudy and sunny for a while,

The whole person couldn't help but feel a little worried, and couldn't help saying:

"Dad, can you do it, you have something to say!"

Duncan hesitated for a moment, sighed, waved his hand, and said, "Forget it, just do as you said!"

"Really?!" Duncan nodded heavily and said,

"This is your grandfather An's heart, but it is really too heavy."

"I will find a way to pay it back slowly in the future!"

Excitedly clenched fists. Immediately afterward, the two rushed over excitedly,

Hugging Duncan from left to right, and their excited expressions were beyond words.

On the other hand, Duncan's wife Julie's expression has not changed from beginning to end.

At this time, Duncan's daughter suddenly remembered something and asked,

"Dad...then...that 10 million from Miss Fei...what are your plans for it?"

As soon as these words came out of Paula's mouth, Stephen on the side also immediately looked at Duncan,

And blurted out subconsciously: "Yes, Dad, do you have a plan now for the 10 million yuan?"

The billions of dollars are to be placed in a family trust, and the trust must be conditionally lifted when the first child turns 18.

That is to say, even if Duncan has already agreed, they must wait 18 years for the golden mountain of 100 million US dollars to achieve a huge leap in class.

No matter whether it is a luxury house, a luxury car, or a luxurious upper-class life,

All of them have to wait eighteen years. If you count the child's expected due date of eight months,

Rounding up equals to 19 years. However, the \$10 million check given by Stella is different.

This is not a conditional family trust, but a real cash check.

Just take this check to any bank in the United States and it can be exchanged for \$10 million in cash.

Duncan listened to them asking about the 10 million, and couldn't help but said:

"Actually, my original idea was to put the money in the trust,"

"But the trust I checked did not have such a high annualized return of 8%."

"Calculated with an annualized income of about %, it will be almost 20 million after 18 years,"

"And then starting from the 19th year, the interest can be taken out every year,"

"Part of which is used as the child's education fund, and part as the child's living allowance, etc."

"After the child gets married, you can withdraw one million US dollars at one time."

"If you have more than two children, you can divide the two million US dollars equally,"

"And the rest will continue to be placed in the trust..."

As he said this, his daughter said hurriedly: "Dad...you can't put this money into the trust anymore..."

"In that case, we will put all the money in 18 years before we can withdraw it,"

"From now on, we will still have many uncertainties in the next 18 years."

"For example, if you move to Houston to live with us in the future,"

"And the child will be born in our house, we will always have to change it."

Chapter 5026

Paula continued: "For the older ones, Stephen and I don't have to live in an apartment in the city."

"We can come and live with you. In this case, you can also help us take care of our children,"

"And if there are more children, we may have to invite nannies,"

“There is still a lot of money needed to purchase all kinds of hardware...”

Duncan looked at the woman and asked her, “Paula, how do you mean to arrange ten million?”

Paula thought for a while, opened her mouth, and said,

“Dad, that’s what I think, let’s take a million dollars to exchange for a house,”

“We can change to a villa that is closer to the city, bigger, newer, better,”

“And then we can change the rest of the house. Upgrade the hardware,”

“Such as food and clothing expenses, cars, and home appliances,”

“And the rest will be put into more flexible financial management first,”

“And if necessary, you can withdraw at any time.”

Stephen couldn’t help but agree: “Yes, Dad, I think this is more flexible.”

“With this money to support, we can choose a better private hospital for Paula to give birth,”

“So that her prenatal check-up during pregnancy can be more comfortable and convenient.”

Duncan hesitated for a moment, sighed, and said, “Well, as you said,”

“\$1 million to buy a house, \$500,000 to upgrade the family expenses, and another \$500,000 as a reserve for flexible withdrawals.”

“As for the remaining 8 million, all of them will be handed over to your mother.”

“How to arrange the specific arrangements is not counted by the three of us, your mother has the final say.”

Paula couldn’t help but ask: “Dad, we only get the total amount.”

“Two million is it a little less... Why don’t you take three million first...”

Duncan waved his hand: “I have made up my mind, what should I do first?”

“If you both feel there is another place to use the money next, go and apply for it with your mother.”

After speaking, he looked at his wife and asked her,

“Julie, do you think this is okay?” Julie was stunned for a moment before returning.

When she came to her senses, she smiled and said,

“Duncan, if you want my opinion, you don’t give me this money,”

“Isn’t it a total of 8 million? Just put it in the trust, just get a short-term trust,”

“From now on, in the future For 18 years, take out 1/18 of it every year,”

“Until it is fully taken out after 18 years. As for how to use the money, we have the final say.”

Duncan couldn't help but be a little confused, but he soon understood,

The wife also found that the child took money a little too seriously,

And didn't want to be the money manager directly.

So, he sighed softly and said, "Okay, just do it like this."

After speaking, he said, "Oh, by the way, if we want to buy a house,"

"Let's do it as soon as possible. I will go to another place in a few days,"

"I want to do something for the old man and Miss Fei."

Julie hurriedly asked: "What's the matter? Is it dangerous?"

Duncan smiled and said, "Don't worry, it's just to investigate something,"

"There is nothing dangerous, you know that the old man has a grandson who they have been unable to find,"

"He wants me to help him find the grandson, it's just looking for someone, there's no risk."

Julie breathed a sigh of relief, looking at her daughter and son-in-law,

Who were so excited that they couldn't control it and kept winking at each other,

She sighed silently. With a sigh, she stood up and said,

"Okay, Duncan, it's getting late, let the children go back first, and we both have an early rest."

The daughter and son-in-law didn't think much about it,

And the two of them still had a lot to talk about in private,

So they agreed without thinking. After saying goodbye, they quickly drove back to their apartment in the city.

Seeing that Duncan was a little absent-minded and lonely,

Julie couldn't help asking softly, "What's wrong? Are you disappointed?"

Duncan smiled bitterly: "A little bit... a little bit."

"I'm disappointed, but I think it's understandable, so I'm more entangled."

Julie nodded and said seriously: "Duncan, never test human nature, human nature is like this real world."

Speaking of this, she changed the subject and said seriously: "But even the universe has boundaries!"

Chapter 5027

When Yuhiko Ito and Koichi Tanaka were running in Central Park wearing masks,

Ruoli and her parents, after saying goodbye to Charlie thankfully,

Went to the airport and took a flight back to Aurous Hill.

Charlie stayed in New York for two more days.

After spending two days with Ito Nanako and other members of the Ito family,

Ito Nanako also reluctantly said goodbye to Charlie, and the family set off for Japan.

After Ito Nanako left, Charlie gave Cataclysmic Front an order to bring back Phaedra,

Who had handed over the contraband to Elaine.

Phaedra's real name is Sivana Yan. In recent years, she has been with her head and followed Georgina to go offline.

This person's main task is to pretend to be a female entrepreneur under the false identity of Phaedra Zong,

And bring contraband to those who are going out of the country and hand it over to that mule selected by Georgina.

Although this woman did not kill anyone with her own hands,

But she followed Georgina and gave her help and did harm many innocent victims.

If it is reasonable, she should also be dead.

However, considering that she is now the key to Elaine's release from prison,

The people at Cataclysmic Front left her alone.

As for her companion who was also full of evil,

She was killed by the soldiers of Cataclysmic Front and thrown into the desert near Las Vegas.

At the same time, the Cataclysmic Front officers also possessed the identity information of Phaedra's domestic family,

So they used this as a bargaining chip to ask her to take the initiative to confess all her crimes to the police,

Otherwise, not only would they kill her, but also let her family pay the price.

Phaedra, who knew that she could not escape, did not dare to disobey the demands of the Cataclysmic Front Palace.

She knew that if she confessed to the police,

Although she would never be able to get out of prison again in her life, she could at least save a dog's life.

Therefore, at the moment, she has no second choice at all.

When Phaedra was brought back to New York and surrendered to the New York police,

She was at the Bedford Hills Correctional Institution on the outskirts of New York City,
And it was time for the inmates to have lunch.

According to the regulations of the Institution, before lunch starts,
The early morning will conduct a roll call for each cell. After the roll call,
The door of the cell will open and everyone will go to the restaurant in an orderly manner.
After eating in the restaurant, everyone will then go to the playground to let the wind out,
Return to the cell after the wind blowing, and count the number of people again.
After confirming that it is correct, close the door and wait for the afternoon meal.
At this moment, Elaine didn't know that her good days had already begun shrinking.
Right now, the number of people in her cell has just been counted,
But even though everyone else has already started to line up,
Elaine is still lying lazily on the bed, leisurely reading a book with her legs crossed.

The prison guard who counted the number of people turned a blind eye to Elaine's behavior.

After confirming that no one had escaped from the cell,

The prison guard said loudly: "Now you can go to the restaurant to eat!"

After speaking, she came to Elaine and said attentively:

"Sister, today the kitchen made pasta with bolognese sauce and shrimp steak."

"I asked the chef to prepare you a marinade with tomatoes and eggs."

"If you need it, just go to the restaurant and find her directly."

The main reason why this prison guard is acting so good to Elaine is because the warden has specific orders to take care of her.

As well as she knew the former prison guard was reduced to a prisoner just because she offended Elaine.

Therefore, every prison guard at the Institution knows that Elaine has a very strong background,

So they are very respectful when they see her.

Chapter 5028

The reason why the warden took care of Elaine was mainly that Elaine was the person Stella named her to take care of.

Stella's influence in New York is extraordinary, and it is by no means comparable to a small warden.

Therefore, for the warden, Elaine is a perfect opportunity for her to cling to the upper class,

So no matter what she doesn't want to miss it either.

It is precisely because of this that the prison guards in the entire Institution are even more afraid of Elaine.

And Elaine is not only authoritative in front of the prison guards,

Because the combat effectiveness of the three Cataclysmic Front Temple soldiers is really overwhelming,

The thorns, almost all of them have been cut several times.

Now it all stopped, and no one dared to be in prison for the slightest bit.

With the support of these three people, Elaine has long since become the veritable number one person and even gave herself a nickname, Bedford Hill Ghost.

At this time, Elaine looked at the prison guard, slowly put down the magazine reading in her hand,

And said with some dissatisfaction: "These magazines sent in the past few days are too boring,"

"The story inside is rotten and vulgar, and there's no nutrition at all,"

"So can't you show me a few books of "Zhiyin"?"

"Ziyin?" The prison guard is a native Chinese-American, so she doesn't even know what "Ziyin" is.

So she asked nervously: "Sister Ma, what do you mean by "Zhiyin"?"

Elaine said arrogantly: "Zhiyin" is a very deep and literary book.

"These magazines are my favorite literary publications for so many years."

"If it wasn't for the prejudice against our writers,"

"The authors of "Zhiyin" would have won the Nobel Prize for Literature!"

The prison guard said embarrassedly: "Sister Ma, the Nobel Prize is not awarded by us, but mainly by the Swedes..."

Elaine frowned and asked, "Really? Why don't I know?"

The prison guard quickly introduced: "Because Nobel was a Swede...he donated the money to give out the Nobel Prize."

Elaine realized that she had missed out, and immediately snorted coldly and said:

"So what? What about Sweden and Switzerland? Isn't it all controlled by you Americans?"

The prison guard hurriedly said: "Sister Ma, this Nobel... It really has nothing to do with the United States. ..."

Elaine said impatiently: "Oh, I won't talk nonsense with you anymore,"

"Hurry up and find a way to get me a batch of "Friends" to have a look."

The prison guard had to respectfully say: "Okay, Sister Ma, I'll go and find a solution for you now!"

Elaine snorted and waved her hand: "Okay, you can go out."

The prison guard nodded quickly and said: "Okay, Sister Ma, then I'll go out first."

After the prison guard left, a group of attentive female prisoners gathered around and said,

"Sister Ma, how was your rest?"

"Sister, let's accompany you to dinner!"

Elaine hummed and sat up slowly from the bed, she stretched lazily.

Later, she saw the obedient Chloe in the crowd.

That Chloe, the prison tyrant in the previous cell, has been trying every means to impress Elaine,

But unfortunately, in this cell, she has completely become Elaine's venting object.

Seeing Chloe, Elaine waved to her impatiently and said,

"Come on, Chloe, I have something to do with you."

Chloe suddenly trembled nervously, and quickly asked respectfully:

"Ms. Ma, what's the matter?"

Elaine asked coldly, "I can't call you if I'm fine?"

Chloe kept shaking her head and said, "Yes, of course,"

"You can call me, I am at your disposal 24 hours a day..."

Elaine snorted in disdain and said sharply: "You and Jessica don't go to dinner today,"

"Stay here and take everyone's dirty clothes and clean them up,"

"If you have left one, I'll slap you fifty times!!"

Chloe said in horror: "I...I just washed everyone yesterday."

"The changed sheets, quilts, and pillowcases have been washed until twelve o'clock at night, can we take it easy..."

Elaine threw the reading in her hand directly on Chloe's face, instantly smashing half of her face flushed,

And then said coldly: "If you dare to bargain with him, I will give you everyone's pants and br@s in the future."

Chapter 5029

Elaine's icy voice made Chloe and Jessica pale in fright.

In recent days, their lives have been like hell.

What the two of them did to Elaine before, combined with Elaine's stubborn character,
It is doomed that the two of them will not have a good end.

And Elaine also started beating and torturing the two of them,
And gradually turned into the extreme humiliation and enslavement of the two of them.
She won't let them eat, find them all kinds of work, and watch them work hard,
Without a moment's breath, this is Elaine's favorite thing to do.

For example, when the weather is hot, she likes to go barefoot in the cell,
So the two of them have to take turns to wipe the floor at least five times a day.
If the soles of her feet get dirty after walking in the cell for a day,
Then the two of them will not want to sleep that night.

When others are sleeping, they have to kneel on the ground and wipe the floor all night.
Right now, Elaine asked the two of them to wash dirty clothes,
And neither of them dared to have any disobedience, so they could only accept it silently with tears.
Seeing that the two of them began to honestly collect the sheets and quilts that every one replaced,
Elaine sneered with satisfaction, then stood up and greeted the people around her: "Let's go, let's eat!"
The others quickly followed. Surrounded her and walked out of the cell.

Along the way, no matter who she meets, no matter what the identity, age, or skin color of the other party,

They will almost always greet Elaine respectfully saying "Hello Sister Elaine."

This feeling of responding to all kinds of calls made Elaine extremely satisfied and extremely inflated,
And the whole person was a little flirtatious.

When they came to the restaurant, the people who were queuing for dinner immediately consciously moved away from left and right.

The woman who was originally in the first line immediately said respectfully,

"Sister Elaine, please you first!"

Elaine hummed and took a step. Walking up, looking at one of the staff members, she asked,

"Is the tomato and egg marinade I wanted ready?"

The staff immediately nodded and said, "Sister Elaine it is ready."

With that, she took out a heat preservation box from under the dining table,

Which was filled with scrambled eggs with tomatoes made in Chinese cuisine.

Elaine nodded with satisfaction. This is what she specifically asked the prison guards to arrange for her.

Eating the meals provided by the prison every day really makes her feel a little bored.

In addition, they eat too much meat, sugar, and oil.

So much that she now misses the light and simple food of tomato and egg noodles.

Elaine winked at another prisoner beside her, and the other party immediately understood,

And hurried forward to take the insulation box, and then asked Elaine:

“Sister Elaine, where else do you want to eat?”

Elaine said lightly: “Just prepare a bit of everything and bring it over.”

“Okay!” The prisoner nodded respectfully, and then, together with another prisoner,

Put all kinds of food on the plate, and followed Elaine to Elaine’s royal palace dining table.

This dining table is by the window, with the best and most comfortable view.

Ever since Elaine became a ghost at the Bedford Hills Correctional Institution,

She has made a rule that she can only use this table in the future.

Originally, almost every day there would be quarrels and even conflicts between prisoners for this table,

But since she became the boss here, everyone will consciously stay away from this table to avoid angering her.

After all, Elaine not only has three extremely capable sidekicks,

But more importantly, from the prison guards to the warden,

They must give her face. It can be said that she is all in all here.

She came to her favorite table and sat down.

Chapter 5030

The attendants on both sides hurriedly put the plates and lunch boxes in front of her.

A staff member also quickly brought a glass of iced Coke and said respectfully,

“Sister Elaine, this is sugar-free cola, you can drink it with confidence without worrying about blood sugar.”

Elaine hummed with satisfaction, took a sip of the cola,

And immediately felt a refreshing comfort in this hot summer.

She couldn’t help but sigh in her heart: “This person is also strange.”

“I never want to drink Coke when I see it outside, but here,”

“Drinking a sip of iced Coke can be so satisfying.”

Thinking happily, the previous prison guard was in a hurry.

Running to her dining table, she said with joy,

“Sister Elaine, Sister Elaine! There is good news, Sister Elaine!”

Seeing her excited face, Elaine suddenly thumped, and couldn’t help but blurted out and asked,

“What good news made you so excited.”

The prison guard hurriedly explained: “Sister Elaine, your lawyer is here!”

“My lawyer?!” Elaine’s expression instantly froze, and she exclaimed:

“Is that James White? What is he doing here?!”

The prison guard said excitedly,

“He came to meet you, saying that there is great news to convey to you.”

Elaine was stunned frowned and said: “Could it be... Did he clear my suspicions?!”

The prison guard said without hesitation: “It should be,”

“Otherwise how can it be called good news?! Sister Elaine, congratulations to you,”

“You will be able to clear your suspicions and regain your freedom soon!”

Elaine’s expression was a bit depressed, and she thought to herself:

“But I don’t want to recover my freedom now...”

“If I recover now Now that I am free, how can I be a ghost in Bedford Mountain?”

The prison guard saw that Elaine was a little lost, and couldn’t help reminding:

“Sister Elaine, the lawyer is waiting in the interview room now, do you want to go now?”

After speaking, she hurriedly said: “Sister Elaine, why don’t you eat first,”

“It’s the same thing before you go after you’ve eaten enough,”

“Just let the lawyer wait in the meeting room for a while.”

Elaine felt a little bit in her heart. Unsteady, what is going on,

She has to see James White before she can eat know.

So, she stood up and said, “Take me to see him first, otherwise I really can’t eat!”

With that, she followed the prison guard to the interview room of the correctional institution.

At this point, New York’s most famous criminal lawyer, James White, was already waiting here.

Seeing Elaine come in, he immediately stood up and said with great respect:

“Hello, Ms. Ma, we meet again.”

Elaine nodded absently, and then asked him:

“What did you come to see me for? Is something wrong?”

James said with a smile: “Ms. Ma, I came here to tell you good news,”

“The woman who handed you the contraband at the airport has finally been brought to justice!”

“What?!” Elaine blurted out and asked, “Are you talking about Phaedra?”

James explained: “That woman’s real name is not Phaedra, her name is...”

Elaine put it down impatiently and waved her hand, interrupted him, and said,

“I don’t care what her name is, I just want to know what the state of the matter is now.”

James thought that Elaine couldn’t wait to go out, so he looked excited

“According to my informant in the NYPD, the woman has confessed to the police what she did,”

“And the police can now basically confirm that you are innocent,”

“But the police still need to go further with some legal process, and when it’s over,”

“You’ll be issued a certificate that you really didn’t know anything about it,”

“And then a document will be sent to Bedford Hills Correctional Institution, and then you’ll be free .”

When Elaine heard this, she quickly asked, “Then when will they let me out?”

James looked at the time and replied, “I’m afraid it’s a bit late today, but tomorrow will be fine!

“Ah?!” Elaine blurted out with a look of disappointment:

“Then what... can’t we let them slow down for a few more days?”
