

Chapter 5025

Originally, Duncan admired his son-in-law very much, but he always felt that this boy had the energy to not be overwhelmed,

Not afraid of being poor, and not to admit defeat or bow his head.

To put it simply, he felt that his son-in-law was very similar to him, and even had a shadow of himself.

It is precisely because of this, and Duncan has no son himself, so he treats this son-in-law as a son sincerely.

But the performance of his son-in-law at this moment made him realize that, as a detective who has read countless people,

His views on his son-in-law are one-sided, wrong, and naive.

He used to think that he was the kind of noble character who was rich and could not be promiscuous,

But now it seems that he is just a bit high starting point for “prostitution”.

And this starting point, in the past, neither himself nor his son-in-law could touch it at all.

It is as if a person never knows if he is afraid of heights if he has never been there.

Some people are shouting that they are not afraid of the sky, but maybe their legs will become weak at a certain height.

At this moment, Duncan suddenly despised him. However, after thinking about it,

He felt that he was not the same? Although the boy didn't impress him, but about the so-called surname and bloodline inheritance, didn't he impress him?

Both he and his son-in-law have betrayed their own loftiness,

But one is kneeling in front of money and the other is kneeling in front of inheritance.

Stephen didn't know what Duncan was thinking, but when he saw that his expression was cloudy and sunny for a while,

The whole person couldn't help but feel a little worried, and couldn't help saying:

"Dad, can you do it, you have something to say!"

Duncan hesitated for a moment, sighed, waved his hand, and said, "Forget it, just do as you said!"

“Really?!” Duncan nodded heavily and said,

“This is your grandfather An’s heart, but it is really too heavy.”

“I will find a way to pay it back slowly in the future!”

Excitedly clenched fists. Immediately afterward, the two rushed over excitedly,

Hugging Duncan from left to right, and their excited expressions were beyond words.

On the other hand, Duncan’s wife Julie’s expression has not changed from beginning to end.

At this time, Duncan’s daughter suddenly remembered something and asked,

“Dad...then...that 10 million from Miss Fei...what are your plans for it?”

As soon as these words came out of Paula’s mouth, Stephen on the side also immediately looked at Duncan,

And blurted out subconsciously: “Yes, Dad, do you have a plan now for the 10 million yuan?”

The billions of dollars are to be placed in a family trust, and the trust must be conditionally lifted when the first child turns 18.

That is to say, even if Duncan has already agreed, they must wait 18 years for the golden mountain of 100 million US dollars to achieve a huge leap in class.

No matter whether it is a luxury house, a luxury car, or a luxurious upper-class life,

All of them have to wait eighteen years. If you count the child's expected due date of eight months,

Rounding up equals to 19 years. However, the \$10 million check given by Stella is different.

This is not a conditional family trust, but a real cash check.

Just take this check to any bank in the United States and it can be exchanged for \$10 million in cash.

Duncan listened to them asking about the 10 million, and couldn't help but said:

"Actually, my original idea was to put the money in the trust,"

"But the trust I checked did not have such a high annualized return of 8%."

"Calculated with an annualized income of about %, it will be almost 20 million after 18 years,"

“And then starting from the 19th year, the interest can be taken out every year,”

“Part of which is used as the child’s education fund, and part as the child’s living allowance, etc.”

“After the child gets married, you can withdraw one million US dollars at one time.”

“If you have more than two children, you can divide the two million US dollars equally,”

“And the rest will continue to be placed in the trust...”

As he said this, his daughter said hurriedly: “Dad...you can’t put this money into the trust anymore...”

“In that case, we will put all the money in 18 years before we can withdraw it,”

“From now on, we will still have many uncertainties in the next 18 years.”

“For example, if you move to Houston to live with us in the future,”

“And the child will be born in our house, we will always have to change it.”
