

Chapter 503

“Using human urine?!” Fredmen immediately said with an embarrassed face: “This...isn’t this disgusting? Is it really necessary to use urine?”

Charlie snorted coldly: “Do you think I’m bluffing you?”

After that, he pointed to Youngzheng, and said, “You should have been in the medicinal material business for many years. I ask you, in many ancient recipes, do you want to use urine as a medicine?”

“Yes, yes, yes!” Youngzheng nodded immediately, and said, “Many ancient recipes require urine as a medicine. In the south, there is even a tradition of using urine to boil eggs. It does have a certain health effect.”

Having said that, Youngzheng said to Fredmen: “Fredmen, don’t worry too much. urine in traditional medicine is a very pure thing and it is not dirty.”

Hearing that it was a boy peeing, Fredmen’s expression eased slightly.

He used to watch costume movies and TV shows. This boy has a high rate of appearance, so now he wants to come, not so disgusting.

However, when he had just accepted boy urine, Charlie suddenly said: “In fact, this drug primer cannot be used with boy pee, because boy pee is produced by the pure body that has never touched a woman, so boy pee energy is extremely strong, and you have blood stasis. If you use boy urine again, it will only aggravate your condition!”

When Fredmen heard this, he asked in amazement, “Mr. Wade, can it be done with a girl’s urine?”

“Nor for girls.” Charlie waved his hand and said, “To treat your disease, you have to use adult male urine, and this adult man must have slept with many women, the more the better! Because he has slept. The more women there are, the more cloudy the urine will be, and it will have an excellent effect on your blood stasis.”

Fredmen was stunned, and couldn’t help asking: “Mr. Wade, do you have a grudge against me, so you deliberately play with me? Why do I feel more mysterious as I listen?”

Charlie said calmly: “I, can swear with my life. If you do exactly what I said, your fester will be cured. If it doesn’t work, let the thunder hit me.”

After all, Charlie glanced at Fredmen disdainfully, and said: “That’s the end of the story. If you don’t believe me, then I have no other way.”

Seeing Charlie’s incomparable sincerity, Fredmen believed a little bit in his heart.

At this time, Charlie saw that he was still a little bit unbelieving, and said: “This way, so many people have witnessed that if my medicine is ready, if you drink it and it is not completely cured within ten minutes, I will give you 100 million.”

Last time at the auction of the traditional medicine Expo, Charlie spent 100 million on a 300-year-old purple ginseng, so no one doubts that he can bring forth another 100 million.

When Fredmen heard this, he felt that Charlie was probably not cheating him.

Otherwise, at the price of 100 million, he would drink a pee for himself, then he wouldn't lose his life?

If he is really willing to give up, with a grit and a stomping, he can directly drink as the world's first defeat!

So he gritted his teeth, for the sake of his own roots, blurted out: "Okay! Then as you say!"

Having said that, he thought about it for himself, and said seriously: "Mr. Wade, I have not used many women in my life, but there are a hundred smaller ones, so I should just drink my own urine?"

Charlie frowned and looked at him: "What do you think? If your own urine is useful, do you still need to drink it? It has already worked in your bladder!"

"Huh?" Fredmen blurted out: "I can't use my own? Whose one should I use?"

Charlie looked around and said: "Come on, everyone who is present, please report how much experience you have in that area. Please answer honestly. Don't brag, otherwise it will delay Fredmen's treatment. Be responsible here!"

Chapter 504

Everyone didn't speak, but they started to look at each other. In the end, they all looked at the Old Master of the Wei family, Youngzheng.

Who doesn't know that Youngzheng, the elder of the Wei family, was ultra-romantic when he was young?

When he was young, he could eat his poisonous recipe for strong sheep every day, and he was about to die when he was only in his sixties, so he should be the one with the most women.

Seeing that everyone was looking at him, Youngzheng suddenly felt a sense of accomplishment. He said proudly, "Mr. Wade said that he was dissatisfied with that when he was young, Wei was more exposed to the wind, and there were more women who liked me. I roughly calculate Forget it, there are three to five hundred!"

Charlie nodded, pointed at Youngzheng and said to Fredmen: "Okay, it's him."

Fredmen's expression is very ugly.

Let himself drink the urine of Youngzheng? This is too f*cking disgusting, right?

However, Charlie said that the more experience in that area, the better the effect.

Youngzheng is a terrible Old Master who can play better than himself, and really can't find someone more suitable than him...

So he had to gritted his teeth and said: "Then... then so be it..."

Charlie nodded, and said to Youngzheng, "Come on, Mr. Wei, you first take two liters of pure water, hold back your urine, and when you feel like urinating, get a basin and connect it. When you save one liter, and then you will you tell me."

“One liter!?” Fredmen was about to collapse: “Mr. Wade, this is too much...”

Charlie said: “What if the effect is not good? Are you trying to corrupt my one hundred million?”

“No, it’s not about that.” Fredmen hurriedly waved his hand and said, “I was thinking about it. Almost two mouthfuls are enough. One liter is too scary...”

Charlie said seriously: “If you want to cure the ulcer in one step, you have to drink one liter, otherwise, in case of sequelae, don’t blame me.”

Fredmen’s heart was depressed, and he didn’t know if Charlie was playing with him. It can be seen that he was serious, and he was willing to swear by his life. He also attached a promise of 100 million. He always felt that this man should not be playing.

At this time, the person who was sent to grab the medicine came back.

According to Charlie’s request, the dried and dehydrated medicinal materials alone cost more than 20 kilograms.

Charlie said, “Come on, divide these medicines into four parts, put each part in a casserole, add ten liters of water, and boil it on high heat for one hour, then mix the four parts of the soup together, and cook for another half an hour, and finally 40 liters of water. Boil it to a liter.”

After speaking, Charlie said to Fredmen: “When the medicine is ready, and Mr. Wei has enough urine, you will have one liter of medicine and one liter of urine. Drink the urine first, then the medicine, understand?”

Fredmen was really crying.

Two liters in one breath? ! One liter of Chinese herbal medicine that is so bitter to death, and one liter of the Old Master’s urine, which is probably too bad, is absolutely terrible!

However, in order to cure his own roots, he did not dare to bargain. Instead, he asked, “Mr. Wade, can you drink the medicine first and then drink the urine? In this case, the medicine will have a strong taste, and you won’t be able to taste it after drinking urine. “

“What are you kidding?” Charlie said contemptuously: “Drinking first, of course you have to drink the urine first, and then drink the medicine! You are upside down, is it urine inducement or not?”
