

Chapter 5032

Charlie said without thinking at this time:

“Forget it, don’t bother, let’s arrange for her out of prison tomorrow.”

In fact, Charlie didn’t want to let Elaine out so early.

After all, he doesn’t really look forward to see her face every day.

However, he also has to consider the feelings of his wife.

He has been away from Providence for some time. During this time,

His wife goes to school and lives alone, and she has to worry about Elaine in prison.

Life is a bit torturous for her.

Although she was 100% sure that he could bring Elaine out at any time,

In her view, even if she was more sure of what he said, she would still feel insecure.

After all, from her point of view, her mother was framed this time and stabbed out a big basket,

And she might be sentenced to life imprisonment for the slightest carelessness,

So she could not reassure herself completely before her mother was released from prison.

Charlie didn't want Claire to continue to worry,

So he planned to let Elaine come out tomorrow, and then take her to Providence,

So that Claire could feel at ease as soon as possible.

Right now, at Bedford Hills Correctional Facility.

Since Elaine met James White, her mood has become uneasy.

When she returned to the restaurant, she lost her appetite even for the tomato and egg braised noodles.

When a group of people saw that she was in a state of dismay,

They hurriedly asked, "Sister Elaine, what's wrong with you? Did something happen?"

Elaine shook her head dejectedly and said,

"It's nothing, you don't have to worry about it."

Elaine didn't want to tell them that she might be leaving soon.

In that case, it is estimated that many of them will celebrate with the crown.

Even inmates in other cells will celebrate the departure.

Therefore, Elaine decided not to say a word,

And let every second she stayed in the Bedford Hills Correctional Institution be fearful.

However, in order to ensure that she could stay in prison for a few more days,

She used the public phone in the playground to call Charlie when she was out for fresh air.

After Charlie connected, Elaine hurriedly said on the other end of the phone:

“Good son-in-law, it’s Mom!”

Charlie said politely: “Mom, how are you doing these two days?”

Elaine said repeatedly: “All fine. Good, very good,”

“I called you just to tell you don’t worry about Mom, I am okay inside.”

Charlie snorted and said, “That’s good, by the way, Mom,”

“I heard about the suspect who lied to you. The person has been caught, I believe you will be out soon.”

Elaine hurriedly said: “Good son-in-law, I am calling to talk about this matter,”

“Can you help Mom to tell your client and let them find a relationship,”

“Don’t let me come out so early, I don’t want to come out now...”

Charlie pretended to be curious and asked, “Mom, what’s wrong with you?”

“It’s hard to get a chance to regain your freedom. Now, why don’t you want to come out?”

Elaine said hesitantly: "That... the thing is that mom made some friends in here,"

"And I'm quite speculative with these people. I want to talk to them every day."

"So I want to stay for a few more days! Charlie, I don't care! You must help Mom find a way!"

Charlie said vaguely: "Okay, then I'll give it a try, but I'm not sure it will work."

Elaine reminded: "It must be done! If you can't help your mother,"

"She will give the prison guard a big mouth immediately so that they could lock me up again!"

Charlie smiled helplessly: "Okay. Okay, I'll help you think of a way to make you satisfied."

"It's almost the same!"

Elaine hung up the phone contentedly after receiving Charlie's promise.

However, Charlie didn't have any idea of helping Elaine get her wish.

He directly sent a voice message to Joseph, which read:

"Joseph, all the people you arranged for the Bedford Hills Correctional Institution can be evacuated,"

"And find a way to let them complete their evacuation tomorrow at noon."

Joseph immediately replied with a message:

“Okay, Mr. Wade, your subordinate will make arrangements!”
