

## Chapter 5041

Elaine subconsciously said: "Monica, isn't this free?"

After speaking, she quickly said to the woman:

"Monica, for the sake of sister who helped you before,"

"I beg you to help me this time, as long as You can protect your sister,"

"And let me go to the playground to call my son-in-law later!"

The woman called Monica hummed and stood up suddenly,

Elaine thought that the other party got up to let her sit Next,

She was about to open her mouth to thank her,

But she didn't expect that the other party suddenly grabbed the plate in her hand,

And directly took the plate with the meal, and threw it into the trash can next to her!

Just when Elaine looked surprised and wanted to ask the other party why she did this,

Monica said coldly: "Elaine, I have long disliked you because there are a few who can fight."

"You, you don't look like a goddamn float, and you still act like my mother,"

"Who the hell are you to get me as far as you want!"

Elaine never dreamed that the person who used to wag her tail in front of her and begged for pity,

And then followed her with respect and sadness, will now turn into this face.

She couldn't get over her anger and blurted out,

"Monica, you can't be so unconscionable,"

"How did I do when you guys knelt in front of me and cried and begged me to help you get ahead?"

"Now I need your help. Do you still have a conscience?"

The woman called Monica gave Elaine an ugly look, and said coldly,

"Don't give me your face, right? No more. Don't blame me for being rude to you!"

Elaine was very indignant and couldn't help but grit her teeth:

"You have to be rude to me, I have helped you so much, do you still want to hit me?!"

An angry rebuke attracted the attention of many people in the prison.

Many people know that these few Chinese female prisoners have been with Elaine all the time,

So many people who want to do something for Elaine are also observing the performance of these women,

To see if they will be able to do it.

Monica also saw that everyone around her was paying attention to them.

She didn't want these people to mistakenly think that she would help Elaine to get ahead,

So her face darkened, she slapped Elaine in the face with a flick of her hand, and scolded loudly:

"Dmn, you're so shameless! Get out of here! No more of this nonsense!"

Elaine never dreamed that this woman who used to cry in front of her and begged for help...

Would raise her hand and slap her when she needed help the most.

She covered her face, tears were already swirling in her eyes, she choked and asked:

"Monica, even if I didn't help you before, you should at least give me a hand for the sake of my compatriots?"

"Even if you don't Give me a hand, there's no need to get into trouble at this time, right?!"

Monica said impatiently: "Who the hell is your compatriot, I have an American passport!"

"Unlike you, you don't even have a fcuking green card. You still have a tourist visa!"

"You..." Elaine only felt that the whole person's heart was cold to the extreme.

She really did not expect that the people she helped would become so vicious!

Desperate and collapsed, Elaine's tears flowed uncontrollably like a broken thread.

She thought that she was heartless enough, but she didn't expect to encounter a more shameless existence than herself.

At this moment, she realized how ridiculous she was before.

And those who were respectful to her before did not really fear or respect her at all.

In the end, she is the real joke.

When Monica saw Elaine burst into tears in front of her,

She couldn't help but said fiercely: "If you want to cry, get out and cry,"

"Don't fcuking cry in front of me, otherwise don't say those people are going to kill you,"

"I don't care. It will make me feel better!"

Elaine felt resentment in her heart, but she could only turn around silently,

And hid in a corner of the restaurant alone.

At this time, a Chinese woman who was a few years younger than her took the initiative to sit in front of her,

**Chapter 5042**

And at the same time handed a fried chicken leg in front of her, and said,

“In this kind of place, no one can believe it, especially when you go out.”

“You have to be more vigilant when you are outside.”

Elaine said aggrievedly: “I really didn’t expect these people to be so shameless.”

The woman smiled and said lightly: “What is this... This is nothing, your stay here has been too short,”

“If you stay longer, you can encounter anything.”

After speaking, she asked Elaine, “Do you know how I got in?”

Elaine shook her head, blankly. Ask: “How did you get in?”

The woman laughed and said, “Because of selling hairy crabs...”

Elaine asked inexplicably, “How can you sell hairy crabs and get to prison?”

The woman shook her head and said, “You don’t know that hairy crabs are an invasive species,”

“In this part of the United States. Selling hairy crabs here is essentially illegal.”

Elaine asked in surprise: “You still sell and you break the law?”

The woman smiled bitterly: “In the past, everyone sold it secretly,”

“And all of them were sold to the Chinese. You know, we Chinese love to eat hairy crabs,”

“Especially when people in the United States miss the bite of their hometown,”

“So we find some channels to import a batch of crabs. Coming here, on the one hand,”

“You can make some money, and on the other hand, you can help your compatriots get back the feeling of hometown,”

“And this kind of business is carried out in private, only in the Chinese circle, and it has always been safe... .”

Elaine hurriedly asked: “Since it’s been safe all the time, why is there still an accident?”

The woman sighed: “I bought a batch of hairy crabs some time ago.”

“Because the quality was good and the price was not too expensive, they sold very well and quickly,”

“A Chinese man heard about it and drove a long distance to buy it,”

“But it was sold out by the time he came.”

“He was so angry that he called the police, and the police immediately arrested me.”

Elaine was stunned and blurted out: “How can such a thing happen?!”

“Yeah.” The woman laughed at herself and said, “So like I told you just now,”

“You must always be vigilant, don’t trust anyone.”

After speaking, she lowered her voice and said seriously: “When you helped them in their earlier,”

“I wanted to find an opportunity to remind you, but I haven’t spoken to you.”

“Individuals are not bullied like they told you. In fact, they have always wanted to compete with that woman for the position of the cell boss,”

“But because the number of people was a little different, and the methods are not as ruthless,”

“They are always being bullied. The other party suppressed them and never got their wish.”

“Later, when they saw that they couldn’t beat the other party,”

“They ran to ask you for help. You directly let that woman be maimed, and they became the boss.”

Elaine heard this. She trembled, gritted her teeth, and said:

“Dmn, these people are so good at acting! They knelt in front of me and cried,”

“And said that that woman has been bullying them and didn’t even treat them as human beings,”

“I thought they were really bullied, I thought they were pitiful to help them...”

The woman on the opposite side smiled slightly and said,

“There are basically not many poor people who can come here,”

“And most of them deserve what they deserve! You should take it as a lesson,”

“And you must polish your eyes up when looking at people in the future.”

Elaine was angry and regretful in her heart, but now she knew that regret had no meaning,

So she asked the woman, “Why did you tell me this?”

The woman said lightly, “I think you are not bad. Just a little crazy,”

“But at least there is a little conscience, otherwise it is impossible to help them for no reason, so I thought of reminding you.”

Elaine suddenly felt ashamed, and couldn’t help but choked:

“I should have known them earlier. So shameless, even if they die in front of me, I won’t reach out!”

Saying that she lamented: “I knew it would be like this,”

“I shouldn’t have been so high profile.”

“I don’t know how many people want to kill me, I’m really afraid I won’t survive today...”

### **Chapter 5043**

Elaine endured a long twenty minutes in darkness and fear.

As the twenty minutes passed, Elaine rushed to the public phone on the side of the playground.

Seeing her desperately running, many prisoners watched with cold eyes.

Although many of them were eager to teach her a lesson, they were just starting to let loose.

There were many prison guards staring around, and they didn't dare for a while to immediately act on her.

According to the practice of the prison guards at Bedford Hills Correctional Institution,

In the first fifteen minutes and the last fifteen minutes of the one-hour release time,

It is necessary to focus on this group of prisoners,

Because according to their consistent experience,

The most frequent node of escape from prison is,

In the middle of the prisoner's journey through the different areas.

From the cell to the restaurant, from the restaurant to the playground,

And from the workplace to the cell, these processes are generally the high-incidence stage of prison escapes.

It often happens that there are 20 people just now, but they pass through a certain area.

Note that there are only nineteen left.

Therefore, after they escorted the prisoners to the playground,

And before they are ready to bring the prisoners back to the cell from the playground,

The prison guards spend fifteen minutes to count the number of people,

And observe whether there is any abnormality in numbers.

As for the middle half an hour, it is the prisoner's free time.

In prison, fights are almost impossible to avoid.

Therefore, for managers, it is also a very important control method to set aside a little time,

Every day for prisoners to resolve conflicts.

If the prisoners are not given the opportunity to resolve their conflicts for a long time,

And let the prisoners squeeze out their dissatisfaction with hatred, it is often easy to cause big troubles.

If they are given the opportunity to have a meal with their bare hands every day, then basically nothing big would happen.

In the past few days, Elaine has used this half-hour of vacuum time,

To continuously establish her prestige and make herself the ghost in Bedford Mountain.

Right now, her biggest wish is to make a call to Charlie before the half-hour vacuum time,  
And let him find a way to save her no matter what.

After running all the way, she was the first to pick up the public phone,  
And then dial Charlie with trembling hands.

As soon as the call got through, she couldn't care less about losing face,  
And cried and said, "Good son-in-law, when are you going to get Mom out!"

Charlie said on the other end of the phone, "Mom,"

"I have asked someone to say hello, today You must be released before the evening."

When Elaine heard this, she blurted out: "Ah?! We have to wait until the evening!"

"Good son-in-law, Mom is telling you the truth, I can wait at most ten minutes now."

"If you don't think of a way to save Mom, Mom may die here."

Charlie actually knew everything about her,

But at this time he still pretended to be surprised and asked,

"Mom, what happened? Aren't you very happy in prison?"

Now, Elaine is no longer just trying to save face, she choked and said to him:

"My good son-in-law, the reason why I didn't want to be so fast some time ago,"

"Was because I met a few Chinese friends inside. They not only have a good relationship with me,"

"But they were also very good at fighting. With them covering me,"

"I was very comfortable here..." Speaking of this, Elaine lamented:

"But...but I never dreamed that they would be released this morning."

"Now they have been released from prison, but the people they offended before are waiting to get revenge on me!"

"If you don't get your mom out quickly, those people will probably beat me to death!"

Charlie exclaimed, "Mom, you shouldn't be in a gang in prison anymore. Right?"

Elaine said angrily: "That's almost what it means... Good son-in-law,"

"Can you help me and save me right away... I am begging you."

"Now! The situation is so urgent, Mom really can't wait any longer!"

#### **Chapter 5044**

Charlie sighed and said, "Mom, this is America after all, and I'm not familiar with things here,"

“So it’s really not that easy to operate, and I’m also entrusting others to help,”

“So there will definitely be delays in efficiency... ..”

After speaking, he said again: “Mom, let’s see, I’ll rush over now,”

“Call my client on the way, see if he can help find a way,”

“And try to release you as soon as possible. When the time comes,”

“I will pick you up directly, and let’s go back to Providence together!”

In fact, Charlie himself had already arrived at the Bedford Hill Correctional Institution at this time.

Along with him, there was Douglas from the Fei family.

The two were standing in the warden’s office at this time,

Overlooking the entire prison playground from a height.

Elaine was so anxious in front of the public phone at the moment that Charlie had a panoramic view.

For him, if he wanted to get her out, with just one sentence,

Douglas could make the warden release her immediately within ten seconds.

But for Charlie, it was really too cheap for Elaine.

She is a person who always remembers what to eat and not to fight.

If there is little benefit, she will completely lose her normal judgment.

Even if it is licking blood with the tip of a knife or taking food from a tiger’s mouth,

As long as she is allowed to taste the benefits, she will become braver and braver.

The more you do it, the more addictive it becomes.

Just like this time at Bedford Hills Correctional Institution, if she has food and knows how to advance and retreat,

If she knows how to take it as soon as possible, then the first time James White finds her,

She should be ready to be released from prison and quickly leave that place of right and wrong.

However, because she was greedy for her unique influence here,

She took the initiative to request a delay in her release from prison.

In Charlie’s opinion, it was outrageously stupid.

If he doesn’t take this opportunity to teach her a lesson,

Then she will not have a long memory next time.

Therefore, he has planned a whole set of reality shows for her in advance,

But now it is only just entering the warm-up stage.

Now he is embarrassed on the phone, but it is to make Elaine more frightened,

Even more regretful, and to teach her a complete lesson.

Elaine is indeed very regretful, but it is too late to say anything now,

She can only pin all her hopes on him, and choked:

“Good son-in-law, it must be as soon as possible, otherwise,”

“You can only wait to collect mom’s corpse...”

As soon as she finished speaking, a black shadow appeared in front of Elaine’s eyes,

And then the phone in her hand was snatched away.

Before she came back to her senses, the other party had hung up the phone,

Then kicked her in the stomach, and she flew far away, and said cursingly,

“This is a public phone, not your home. Why is it taking you so long!”

Elaine fell to the ground with a hoot, only to see clearly when she got up,

The one who kicked her, it turned out to be Monica.

Elaine was a little angry, and blurted out: “Monica! You are going too far!”

“I’m calling my family, what does it have to do with you?!”

The woman called Monica Zhang smiled and said coldly:

“We have a relationship! Don’t we?”

She said this and stared at her through gritted teeth, and scolded:

“Do you know that I thought you could cover me, so I asked you for help,”

“I gave Mandy a hard lesson in our cell, but now? Your backers are gone,”

“And now a lot of people are waiting to teach you,”

“Have you ever thought that when Mandy comes back from the infirmary, What should we do?!”

“That Mandy, she’s been detained for two or three years, and there are quite a few good inmates.”

“Those people didn’t dare to help her against me before because they were afraid of you.”

“The people around me, now that they are out of prison, when Mandy comes back,”

“She will definitely call her fellow inmates to seek revenge on me,”

“And I am afraid my end will be miserable!”

**Chapter 5045**

Saying that she stepped on Elaine's chest and shouted angrily:

"You fcuking made me miserable! I'll let you make it clear in front of everyone in a while,"

"It's not me who told you to teach Mandy, it's you who watch Mandy yourself."

"It's not pleasing to the eye! If you say it honestly,"

"I'll let you go, otherwise, I'll break your dog's legs!"

For Monica, what she is most worried about now is self-protection.

Once the injured Mandy comes back, she will definitely seek revenge,

And she, who lost her backer, is not her opponent at all,

So the only thing she can do now is to distance herself from it.

Right now she is in the release stage, everyone is watching from the playground,

And even can't wait to do something to Elaine later.

If she beats Elaine violently in front of everyone at this time,

It would be equivalent to telling everyone with practical actions that she has nothing to do with Elaine.

If she forces Elaine to take the blame in public again, then her risk will be greatly reduced.

She really can't wait for Mandy to come, and kneel down and beg her for mercy, maybe she can escape this disaster.

It was only at this moment that Elaine understood how sinister the human heart can be.

She had a rare bit of backbone, and scolded her through gritted teeth:

"Monica, you fcuking want your mother to take the blame for you,"

"You are just dreaming! You were the one who knelt in front of me and begged me to help you solve that Mandy,"

"If you want me to take the blame for you in front of everyone, let me tell you, there is no door!"

Monica didn't expect that Elaine would dare to expose her own bottom line in public,

And suddenly became angry and kicked Elaine again.

Pointed at her and scolded: "You are courting death yourself, don't blame me for being ruthless!"

After that, she winked at the two beside her, and said loudly: "Beat her to death!"

In addition The two were still a little worried at this time,

And one of them whispered: "Monica, it's not good to do it at this time,"

"Let's wait for a while, or if we are seen by the prison guards, we will be in trouble!"

Monica scolded in a low voice: "Dmn, are you out of your mind!"

"The problem now is not the prison guards at all?"

"Now we must let everyone see how we taught Elaine, otherwise in case she goes back before Mandy comes back."

"What should I do if she gets out of prison? When Mandy has nowhere to take revenge,"

"We will definitely be blamed! If we can help her teach Elaine a hard lesson in the presence of everyone,"

"When she comes back, We can tell her that we have already avenged her!"

The other two suddenly came to their senses, so without saying a word,

They rushed up and started punching and kicking Elaine.

In the upstairs office, Charlie saw that she was suddenly beaten by several oriental-looking women,

And asked Evelin next to him in surprise:

"Who are those women? Why did they attack my mother-in-law?"

With a surprised face, she said, "Mr. Wade, these women are all people your mother-in-law helped."

"They were bullied a lot here before. Later, your mother-in-law instructed,"

"Us to take action and help them solve the boss of their cell."

"And let them take the other's place."

Charlie frowned and said, "That is to say, my mother-in-law was kind to them, right?"

"Yes!" Evelin nodded without hesitation, and said,

"Before whenever it's time to eat and let out the air, they always follow your mother-in-law,"

"To the front and back, very attentive, and I don't know why they suddenly attacked her this time."

Charlie nodded and said coldly, "No matter what the reason is,"

"It's definitely the case. It's a favor and avenging, so let's start Plan B."

When Douglas on the side heard this, he immediately said to the warden, "PlanB!"

The warden agreed without hesitation, and immediately took out the walkie-talkie and ordered a few times.

And Charlie turned around and said to the female soldiers of Cataclysmic Front:

"You also follow the alternative plan, and teach a good lesson to these ungrateful ba5tards!"

The three immediately said, "Subordinates obey!"

After saying that, she immediately turned around and walked out.

## Chapter 5046

At this moment, the alarm sounded loudly in the playground,  
And several prison guards rushed out of the door and ran all the way to Elaine,  
Who was being surrounded and beaten, and directly controlled by the three who were beating her.  
Monica didn't panic at all at this time. She knew that when she was fighting at this time,  
The prison guards would definitely not ignore it. However, in her opinion,  
It didn't matter even if she was locked up by the prison guards.

After all, she beat Elaine in public because she wanted to express her attitude.  
So, she tried her best to break free from the prison guard who was hugging her,  
Rushed to Elaine's side, and stomped her foot on the calf of her right leg.

Elaine had broken her right leg several times,  
But now she is not completely agile. She was suddenly stomped on by Monica,  
Only to hear a click, and instantly felt a sharp pain,  
The whole person collapsed and shouted: "Ah... ..my leg...my leg! It's broken again!"  
Monica watched Elaine rolling on the ground with her broken leg,

And scolded deliberately in a loud voice: "Listen you b!tch! I gave you this kick for Mandy!"  
"Don't forget that Mandy's leg was interrupted by you!"

"Then I'll break your leg to avenge her! This is called Blood debt is paid for by blood!"  
Elaine rolled on the ground in pain and couldn't help shouting to several prison guards:

"My leg...my leg is broken again! Please take me to the hospital."  
"Come on! Don't let me stay here any longer! Please!"

For Elaine, the pain was secondary, the most important thing was that she had to quickly find a way to  
leave the Bedford Hills Correctional Institution,

If it really doesn't work, go to the hospital to delay,  
Maybe Charlie will be able to let the prison release her at night.

At this moment, the female prison guard suddenly ran over and said out of breath,  
"Sister Elaine, you have been released!"

Elaine even forgot the pain and subconsciously heard this.  
"Really?! I am really released?!"

“Yes!” The prison guard had already started to execute according to Charlie’s plan B,  
So she said without hesitation: “The relationship your son-in-law is looking for has already called our warden,”  
“And the warden asked me to arrange for you to be released immediately!”  
“Great!” Elaine almost cried with joy.  
Although she was beaten by the three and even broke her leg,  
But now that she is to be released, it means that she has stopped her losses in time!  
She originally thought that if she couldn’t get out at noon,  
She was afraid that she would be beaten for half her life.  
So, she blurted out and choked: “Quick... let me out... I don’t want any personal belongings,”  
“I just ask you to let me out immediately...”  
The prison guard immediately said, “Don’t worry, Sister Elaine,”  
“You can go through the formalities with me now.”  
“I’ll call an ambulance for you first and take you to the hospital for treatment!”  
“Okay, okay!” Elaine was excited. With tears in her eyes, she quickly said,  
“Please, send me there now, I don’t want to stay here for a minute...”  
The prison guard asked her, “Sister Elaine, are you sure you want to get out of prison?”  
“Don’t want to stay in Bedford Hill Correctional Institution anymore, right?”  
“Yes, yes!” Elaine nodded like an oil drilling machine, choked up: “No more, no more!”  
Just after finishing speaking, another prison guard walked in with three women in custody.  
Elaine took a closer look, and suddenly her jaw dropped.  
Because these three women are none other than Evelin and her friends who were taken away before lunch and released.  
She ignored the pain and asked in astonishment: “Evelin...you...why are you back?”  
Evelin said helplessly, “Don’t mention Sister Elaine, the plaintiff gave up again.”  
“The lawsuit was withdrawn, saying that we had to discuss the conditions with our lawyers,”  
“There is no way, we have to continue to be detained here...”  
As she spoke, she looked at Elaine and asked in surprise: “Sister Elaine, what happened to you?”  
Elaine was full of grievances and had nowhere to vent.

She pointed at Monica and the other two of them and cried,

“They beat me...I helped them so much, and they beat me to death...”

When Evelin heard this, she immediately gritted her teeth and said,

“Sister Elaine, don’t worry, we will definitely teach these ba5tards who will pay for what they did!”

### **Chapter 5047**

Monica, who just beat Elaine, had never dreamed that the three of them,

Who had just been released from prison, would come back!

At this moment, she was completely frightened!

She has seen the strength of these three people. As long as they are here,

No one at the Bedford Hills Correctional Institution will be able to overturn the sky.

Even if Mandy comes back, she can’t be their opponent...

This means that the act of hitting Elaine is simply going to be a disaster!

Terrified, she quickly knelt on the ground with a thud, and said tearfully,

“Sister Lan, I’m sorry, Sister Lan, I really didn’t mean it...I...I was completely blind. Sister Lan...”

Elaine hated the woman, gritted her teeth, and said,

“You fcuking have the face to say that you didn’t mean it!”

“I have lived so this long, and I have never seen a person with such a face!”

After speaking, she looked at Evelin and choked:

“Evelin, you must avenge me, and you can’t let her go!”

Evelin said without thinking: “Sister Lan, don’t worry, what I hate the most in my life,”

“Is a rubbish that doubles down on both sides and repays kindness and vengeance!”

“If I don’t break all three of their legs, I won’t be named Evelin!”

Monica was so frightened that her face was pale, she knelt on the ground and kept slapping herself while crying:

“Sister Lan .....Please forgive me, Sister Lan...I was wrong, Sister Lan...Just forgive me this time...”

Monica’s two servants were also extremely frightened at this time,

And they all knelt on the ground and kept begging for mercy.

At this time, the three of them also regretted the original.

They thought that Elaine lost power, but they never thought that they would turn over so quickly.

Those who were watching the excitement on the playground,  
And even those who were waiting to attack Elaine were dumbfounded at this time.  
While they resented that Elaine's backer had returned,  
They were also glad in their hearts. Fortunately, they held back and did not rush to do it,  
Otherwise, they would definitely be hammered to death by these three women.  
Elaine was naturally furious in her heart,  
And she wished she could break the legs of these women with her own hands.  
But when she thought that she had to go to the doctor immediately,  
She could only explain to Evelin: "Evelin, don't let them go!"  
"As long as they are still here for a day, don't let them feel better!"  
Evelin did not hesitate and said: "Don't worry, Sister Lan!"  
After speaking, she deliberately asked:  
"Sister Lan, are you... going to be released from prison?"  
"Ah? Me?" At this moment, Elaine suddenly hesitated.  
When Evelin and the others were away, she wanted to leave ten thousand times,  
Wishing to grow a pair of wings and fly directly out of this purgatory.  
However, now that Evelin is back,  
She feels a little sad about leaving Bedford Hills Correctional Institution.  
After all, she experienced the pinnacle of her life here.  
That feeling of being alone made her very high.  
At this time, Charlie looked at his mother-in-law from a distance from a height,  
And was a little curious in his heart. He wondered whether his mother-in-law could have a long memory.  
If she sees Evelin coming back and decides to stay out of prison, for the time being, it will be hopeless.  
After a bit of ideological struggle, Elaine said with difficulty:  
"Yeah, Evelin...I...I'm going to be released from prison..."  
Evelin smiled and nodded and said: "Sister Lan, you can rest assured that you are released from prison."  
"I will help you teach a lesson to these sgums."  
"If you still have someone who needs to be taught a lesson,"  
"Just tell me the name of the person and I will solve it!"

When Elaine heard this, she nodded vigorously and blurted out:

“Evelin, after you return to the cell, you must teach a lesson to Chloe and Jessica,”

“You just left at noon, these two ba5tards turned against me, you must not let them go!”

### **Chapter 5048**

Evelin solemnly promised: “Sister Lan, don’t worry,”

“As long as we are here for one day, they will not have a good life!”

At this time, The prison guard on the side said to Elaine: “Sister Lan,”

“I think you should go to the infirmary with me first,”

“And let the doctor check whether your injury is serious!”

Elaine felt the pain in her right leg and couldn’t bear it.

She choked and said, “Is it serious, my leg seems to be broken again...”

After speaking, Elaine asked her quickly,

“Can you take me to the hospital? Give me my mobile phone by the way,”

“I want to call my son-in-law...”

The prison guard said, “Your son-in-law has already came and is waiting outside to pick you up from prison.”

“Really?” Elaine said with great relief:

“Quick, take me out to meet him!”

The prison guard hurriedly found a colleague,

And the two carried Elaine away from the playground together.

What made her extremely gratified was that before she could go far,

She heard the tragic wailing from Monica and the others behind her.

Listening to the screams of those people, her mood was a little relieved.

At this time, Charlie was already waiting in the family meeting area of Bedford Hill Correctional Institution.

Soon, Elaine, with a bruised nose and a swollen face,

Was carried by the prison guard into a wheelchair and pushed out.

The moment she saw Charlie, Elaine burst into tears and said,

“Good son-in-law, your mother’s leg is broken again. , what can I do...”

Charlie shook his head helplessly.

He didn't expect that those women would be so ruthless when they hit Elaine.

However, this is indeed Elaine's own fault.

If she knows how to accept it when she sees it,

And go out happily when she is ready to release her for the first time,

This situation could have been naturally avoided.

So, Charlie could only say: "Mom, then I'll take you to the hospital first!"

"We have to look at your legs as soon as possible, so as not to leave any sequelae."

When Elaine heard this, she nodded quickly and said,

"Yes Right, let's go to the hospital, I have broken my leg too many times,"

"If I don't recover well, I will be in trouble in the future if I become lame..."

Charlie then asked the prison guard to help him and put Elaine in the car,

He drove to the New York City area.

At the same time, he did not forget to take out his mobile phone and send a message to Douglas,

Asking him for the location of Fei's hospital, and planning to send Elaine there for a simple treatment.

At this time, Elaine was sitting in the back seat, crying and saying,

"Good son-in-law, Mom really regrets this! If I knew there would be today,"

"I could just come out of prison in a hurry yesterday."

"My legs won't be able to go down in a month or two... My life is so hard!"

Charlie asked inexplicably, "Mom, is this prison so comfortable? You didn't want to come out."

Elaine said angrily: "Didn't Mom tell you the truth on the phone,"

"The main reason was that I met a few girls who were particularly good at playing,"

"And they covered me, No one dared to provoke me in Bedford Hills,"

"And anyone who saw me would respectfully call me Sister Elaine, it was more enjoyable..."

Charlie sneered and said seriously:

"Mom, do you know what kind of person can make money from the casino?"

Elaine shook her head and asked curiously, "Is it me?"

"No." Charlie said lightly, "It's the one who knows how to stop profits in time."

"Only people can make money from casinos. As long as you are still in casinos,"

“You must understand a truth. Money in casinos is not money, but a pile of worthless plastic chips.”  
“Only the plastic chips you win can be exchanged for If you choose to continue to stay in the casino,”  
“You may end up losing all the chips in your hand, and even losing all the money you have come in.”

#### **Chapter 5049**

After speaking, Charlie said again: “It’s the same for you,”  
“You have someone covering you in Bedford Hill, and after a few days no one dares to be addicted,”  
“This is the net profit, at this time, once the opportunity is suitable,”  
“You must quickly stop the profit and put your money in your pocket,”  
“Otherwise, it is very likely that you will spit it out with the profit.”

Elaine was stunned for a moment, and said angrily:

“Good son-in-law, you are right. Ah! Mom didn’t understand this truth!”  
“I should have understood this truth earlier, I would have been running around outside now...”

Charlie didn’t care about her awakening at this time.

He just pondered in his heart that if she was like this now,

If he took her back to Providence, Claire would definitely feel distressed when she meets her.

Moreover, Elaine’s leg is broken again, and most of her self-care ability has been lost.

If she is taken back, who will take care of her daily life?

Claire still has to attend classes, and it is inconvenient to take care of her by himself,

So the best way is to let her stay in New York for treatment.

However, there are still two problems, one is how to make Elaine willingly stay in New York,

And the other is how to explain this to his wife.

But the top priority is to send Elaine to the hospital for treatment first.

Although she has a leg injury, half a blood-scattering pill can make her walk,

But he still feels that it is somewhat wasteful to use the pill on Elaine.

So, he drove her to the Fei family’s private hospital.

Because Douglas had greeted them in advance, the hospital was waiting in full force.

As soon as Elaine arrived, she was carefully lifted out of the car by several nurses,

And then pushed to the orthopedic treatment room in a wheelchair.

A group of orthopedic specialists surrounded Elaine and used all kinds of professional means to treat her,

Which made Elaine regain the feeling of being a ghost in Bedford Hill Correctional Institution.

After the doctor's diagnosis, although Elaine's right leg has a certain fracture,

It is not too serious and does not require surgical treatment,

But still needs to be immobilized in a plaster cast,

Combined with drug treatment and self-cultivation.

Later, in order to allow Elaine to rest better,

They directly arranged her in the best ward,

And its interior luxury was much more upscale than a suite in a luxury hotel.

Several nurses gently moved Elaine onto the hospital bed and adjusted it to the most comfortable angle for her,

And then one of the nurses said to Elaine:

"Ms. Ma, wait a moment, I'll get you some fruit."

"And snacks, you need to replenish your stamina first."

"Okay! It's really hard for you!"

Elaine's condition improved a lot because of the use of the analgesic pump.

In addition, lying on the comfortable hospital bed, she finally regained her smile.

The nurse said respectfully, "Ms. Ma, you are welcome, this is what I should do."

After the nurse went out, Elaine couldn't help but sigh to Charlie,

Looking at the luxurious surroundings, "Good son-in-law."

"The hardware conditions of this hospital are also very good."

"This ward must be at least 100 square meters, right?"

"Such a luxurious ward cannot cost less than a thousand dollars a day?!"

Charlie smiled: "Mom, this hospital is my client's."

"He has already said that your treatment here will not cost you a penny,"

"And you will definitely be provided with the best doctors, nurses, and ward."

"No money?!" Elaine was stunned, and blurted out:

"Mom, it's really cool not to spend a penny to live in such a big ward!"

Just after speaking, the nurse knocked on the door and came in,

Bringing a very beautiful fruit plate and dessert.

She put all the food on the small table in front of Elaine, and said respectfully,

“Ms. Ma, please have some fruit snacks first,”

“And I want to introduce to you that the screen at the head of your bed is actually a touch screen.”

“There is an ordering interface, where you can choose the meal you like,”

“And we will deliver it to you as soon as possible.”

Elaine said in surprise: “Mom, so considerate?”

“Let me see what you all have. Is it delicious!”

### **Chapter 5050**

Then, Elaine clicked on the ordering interface and exclaimed,

“Chinese, French, Japanese, Italian... Oh my God, you have so many menus...”

“These menus are not even in general hotels. So many varieties?”

The nurse nodded and said, “We have many Michelin restaurants that we cooperate with.”

“Generally, after you choose, the restaurant will deliver your order within an hour,”

“So you should place your order a little in advance to avoid the long waiting time.”

Elaine asked quickly: “Why isn’t there a price on this?”

“I don’t dare to order it without a price.”

“If this meal costs several thousand dollars, wouldn’t the family be bankrupt?”

The nurse explained: “Ms. Ma, you are now in the top VIP ward of our hospital,”

“Which is generally used internally by our president’s family members,”

“So you don’t need to pay for everything when you live here.”

My god, it’s free??” Elaine asked in surprise and delight:

“Then are there any desserts, drinks, perfumes, or skin care spas on it, are these also free?!”

“Yes.” The nurse nodded and said: “All the services that can be provided are free.”

“You can order whatever you like. If there is something that is not suitable for your current physical condition,”

“We will give you professional advice.”

Elaine was extremely excited. She said,

“Okay, okay, then I’ll study it carefully later!”

The nurse bowed slightly and said, “Then you can ring the bell whenever you need something,”

“And I’ll be on standby at the nurse center next door to you.”

After the nurse left the ward, she looked at Charlie, and said with admiration:

“You have to be my good son-in-law! That’s why you have such great skills!”

“In such a good place, you don’t need to spend money on seeing a doctor and being hospitalized,”

“And you don’t need to spend money on food and drink.”

“If there is no time limit, I can live here until my 80th birthday!”

After speaking, she hesitated for a moment and asked experimentally:

“Good son-in-law, do you think Mom can live here and rest well?”

“Recuperate, I won’t go to Providence for the time being.”

Charlie didn’t expect that Elaine would offer to not return to Providence,”

“So he agreed without hesitation: “Actually, I also think it would be better for you to stay here.”

“Better because there are the best doctors and nurses here who can give you the best treatment and care 24 hours a day,”

“Much more convenient than going to Providence, after all,”

“No one in Providence can take care of you 24/7.”

Elaine nodded again and again, and said seriously:

“Anyway, you don’t need to spend money here, and there are people waiting for everything,”

“Such a big advantage, don’t take it for nothing!”

After speaking, she said again: “Oh, yes, Claire’s course is estimated to have only a week left,”

“And then you will definitely be leaving from New York.”

“In my opinion, it is better for me to live here alone. While recuperating,”

“You go to Providence to accompany Claire first, and after she graduates,”

“The two of you will come to New York to pick me up, and we will go back together.”

Charlie nodded and said, “This arrangement is quite good.”

“Yes, but the only problem is that Claire has always been worried about you.”

“We have to let her know that you are out of prison before she can relax,”

“And we can’t let her know that your leg is injured. Otherwise,”

“She will definitely want to come to New York to see you.”

“It’s easy!” Elaine said without hesitation: “I will call her in a while and say that I have been released from prison,”

“And then met a very close prisoner in prison friend,”

“My inmate invited me to stay in New York for a few days,”

“So I won’t go back yet, when you come from Providence to New York, I will tell her the truth.”

Charlie felt that Elaine’s this idea was good.

So he said, “Okay, if that’s the case, then you can call her.”

Elaine took out her mobile phone, charged it for a while and turned it on, then immediately Call Claire.

Claire had just returned to the hotel from school at this time,

And suddenly saw her mother’s mobile number calling her,

The whole person was startled at first, and then she realized that her mother was probably out of prison,

So she immediately answered the phone, Excitedly asked: “Mom, is that you?!”

Elaine quickly said: “It’s mom, Claire!”

“I want to tell you good news, I have been released from prison!”
