

The One and The Only Chapter 51 - 60

Song Pingting still wanted to question, Yash Nics immediately said: "Don't you think our project is a good investment choice?"

Song Pingting subconsciously said, "Of course. , First of all, this project is a key project in the city. As long as we do a good job and complete the project, then the return in the later period will definitely not be small."

Yash Nics said with a smile, "This is not enough, the group of consortium bosses don't. Stupid, they naturally know who will have trouble with money!"

Song Pingting always felt that things were not as simple as Yash Nics said, but what Yash Nics said was reasonable and explained.

She didn't delve into it anyway, it was a good thing anyway.

.....A

few are happy and some are sad, Song Pingting's side is happy, and the Song family's side, everyone's face is ugly.

Song family mansion, in the study.

The old man Song Qingsong, sitting in the chair of the teacher with a dark face, coldly looked at Song Zhongxiong, Song Zhongping, Song Haoming, Ge Meili and others in front of him.

He asked angrily: "Zhongxiong, you said that Song Pingting's little bitch made a big investment?"

Song Zhongxiong smiled bitterly: "I don't know what's going on. A bunch of consortium bosses are vying to give her. Investment."

Ge Meili couldn't help but interject: "Yes, a large group of bosses are just like the aunts who are robbing vegetables in the vegetable market. You are fighting for me. This one says that you need to invest 300 million yuan, and the other says that you need to invest five. Billion.

I've grown up so this is the first time I have seen such a shocking scene..." Song Qingsong shouted with a dark face: "Enough, don't talk about it, make trouble !" Ge Meili was so scared to shut up, and the rest of the people's faces looked on They are all ugly, just as the old man said, it's too disturbing.

Song Zhongping said bitterly: "What the hell is going on, we can get the Haitang Shopping Plaza project just now. But the bosses of this group of consortia suddenly all came to invest."

Song Qingsong and others were all gloomy and puzzled.

Finally, Song Zhongxiong said slowly: "In fact, it is not difficult to explain. After all, the

Haitang Shopping Plaza is a key project in the city. As long as this project is completed, the

investment money will definitely be able to get a generous return."

"We all know this project. Well, those bosses, how could they not know that their investment

is also a matter of course."

Everyone nodded one after another after hearing Song Zhongxiong's explanation.

Song

Zhongping said regretfully, "We should have known Song Pingting in advance.

Speaking, oh,

what a pity."

Song Qingsong said with a black face: "Now that these are useless, Song Pingting has no

funding problems, how can we grab the project?"

Song Zhongxiong sneered, "Dad, You don't have to worry about this level."

"Although Song Pingting has been able to invest now, her Ningda company is ultimately

weak, and she and Yash Nics have offended Boss Cao."

"Boss Cao was broken by Yash Nics with a wine bottle. He won't let go. He will definitely fix

Yash Nics and Song Pingting to death."

"We just need to watch from the sidelines and wait for Yash Nics and Song Pingting to be

driven to a dead end by Cao's boss. We are at the last juncture, After standing up to be a

good person, I asked Boss Cao to spare Song Pingting, on the condition that Song Pingting return the project to us." After Song Qingsong and others heard Song Zhongxiong's

words, they all smiled, saying that they are still the boss. thorough.

Song Qingsong also instructed Song Zhongxiong to say: "During this period of time, you

should get close to Boss Cao to increase your relationship. At that time, we will get the

Haitang Shopping Plaza project. My grandfather can let Song Pingting and Yash Nicsna

Divorce and marry Boss Cao."

Song Zhongxiong smiled and said: "Yes, Dad!"

The One and The Only Chapter 52

That night, Song Zhongxiong, his son and daughter-in-law, came to visit Cao Jianbin with a large number of valuable gifts. Cao Jianbin, wearing a retro Tang suit with a bandage on his head, is in the living room discussing revenge against Yash Nics and Song Pingting with Lei Zhennan, the underground overlord of Mannitynan City. When Cao Jianbin saw Song Zhongxiong's family, he narrowed his eyes and said faintly, "Lao Song, you are here." Song Zhongxiong pretended to ask his son and daughter-in-law to offer a bunch of ginseng *Ganoderma lucidum* and *Cordyceps sinensis*. I was injured by a madman and brought these supplements to see you quickly. I hope you will recover soon." When he talked about getting a headshot, Cao Jianbin's face became ugly. He had been in Mannity for decades and was headshot. This is the first time. Cao Jianbin said with a gloomy face: "I can't forgive that kid!"

Wearing a floral shirt next to him, he can vaguely see Lei Zhennan with a hideous tattoo on his chest from the collar. At this time, he grinned and said, "Boss Cao, revenge for you. I'll leave it to Ben Leihu to take care of it and make sure that Yash Nics and his wife are properly arranged." Song Zhongxiong looked at the burly man in the flower shirt in shock at this time, and said silently: "You are the underground overlord of Nancheng. , Ben Leihu Lei Zhennan, Brother Tiger?" Lei Zhennan said triumphantly: "It's Lei." Song Zhongxiong said to Cao Jianbin in surprise, "Boss Cao, you actually called Brother Tiger to help, then this Yash Nics is dead." Cao Jianbin looked at Lei Zhennan and asked deliberately: "Brother Tiger, I want Yash Nics to die. I want his company to go bankrupt and his family to be destroyed. Can you even get his wife? "

Lei Zhennan grinned and said: "Simple." In order to prove his strength, Lei Zhennan called Liao Xuewen, President of China Overseas Bank, in front of Cao Jianbin, Song Zhongxiong and others. Feel the details of Yash Nics,

make decisions.

Although Liao Xuewen is a bank executive, the bank often has some accounts that cannot be collected.

This requires dealing with people like Lei Zhennan in the underground circle, and letting people like Lei Zhennan go and get the accounts back.

At this moment, Liao Xuewen is at his lover's house, having a tryst with his little lover Zhou Xiaohong.

The two of them had just finished taking a shower, and fell on the sofa in a loving embrace, about to engage in some kind of intimate interaction.

Liao Xuewen's cell phone rang suddenly, and he was so scared that he almost wilted.

Zhou Xiaohong in his arms

was unwilling to yell : "Who, don't call early or late, but it's really boring to call at this time."

Liao Xuewen checked that the caller ID was Lei Zhennan's number, not his mother. The tiger called.

He let go of his anxiety, but his anger rose up, resisting his anger, connected to the phone, and said lukewarmly, "Hello?" Lei

Zhennan was in front of Cao Jianbin and Song Zhongxiong at this moment. , Directly pressed the hands-free button on his mobile phone, and then smiled and said to Liao Xuewen: "President Liao, there is something I want to ask you about. Calling you at night, did you not disturb you?"

Liao Xuewen's face was dark, but his tone was Quite calmly: "No, what's the matter?"

Lei Zhennan made a long story short about the grievances between Yash Nics and Cao

Jianbin, and then indicated that he would help Cao Jianbin get ahead and retaliate against Yash Nics.

Then he tentatively asked: "President Liao, I heard that today a large group of bosses ran to

Yash Nics and his wife's company, rushing to invest. I want to inquire with you, what the hell is going on, apart from Dong Tianbao, Yash Nics, Is there any backstage?"

Liao Xuewen is one of the few people in Mannity who really knows Yash Nics's identity. It is

precisely because of this that he and a group of bosses scrambled to invest in order to

please Yash Nics.

However, Yash Nics had instructed them not to reveal their identity secrets. At this time, Liao Xuewen heard Lei Zhennan say that he would teach Yash Nics, and asked him about Yash Nics's background? Liao Xuewen blinked: "As far as I know, Yash Nics has no background." He was telling the truth, Yash Nics was the young commander of the North and the pillar of the country. Only Yash Nics is the backer of others, and Yash Nics does not need any backer.

When Lei Zhennan heard this, he looked at each other with Cao Jianbin, Song Zhongxiong and others, and smiled at each other. He continued to ask: "If this is the case, then why are you all bosses rushing to invest in Yash Nics? The couple's company project?" Liao Xuewen said lightly: "Of course I am optimistic that the Haitang Shopping Plaza project can make money."

Lei Zhennan and Cao Jianbin, Song Zhongxiong and others showed such expressions as expected.

Lei Zhennan laughed and said: "So, I thought that this kid surnamed Chen is so capable that even Boss Cao would dare to fight. It turned out to be just relying on Dong Tianbao's momentum."

"His mother, I'll cut him tomorrow. President Liao, I'll interrupt you to rest tonight. Thank you for telling me. I will invite you to dinner another day."

"Haha, okay."

Liao Xuewen hung up the phone with a sneer, muttering to himself: "Fool Stuff, bother me to be happy, and I said I want to cut Mr. Yash, I don't know how to write dead words."

The One and The Only Chapter 53

At this time, Lei Zhennan was proudly showing off to Cao Jianbin, Song Zhongxiong and the others: "I have inquired clearly with President Liao, Yash Nics has no other backers, it is

Dong Tianbao who is fighting. Situation."

"And as far as I know, Dong Tianbao's father passed away. He just returned to the countryside yesterday to organize a funeral for his dead ghost father. He will not come back to Mannity before the first seven." Cao Jianbin

squinted his eyes and smiled. Said: "That means that Yash Nics's backer was not in Mannity

during this period. Then, Brother Tiger, you can let go of your hands and feet and teach Yash

Nics and his wife hard.”

Lei Zhennan laughed and said, “Don’t worry, boss Cao, I Yash Nics and his wife must be

cleaned up, and they can’t survive and die.”

Cao Jianbin said, “I want them to know that I’m fixing him. I want Song Pingting to be desperate and run to me begging for mercy.”

Lei Zhennan: “Okay!”

Cao Jianbin promised to give Lei Zhennan 30 million yuan in benefits after the event was

completed.

Lei Zhennan was also very concerned about this matter, and the next day he called the curly

hair of his confidant and gave such orders.

Curly nodded again and again: “Brother Tiger, I understand, I must do things beautifully.”

Today is the weekend, Yash Nics and Song Pingting, daughter, and father-in-law and mother-in-law went out early in the morning to go hiking in Baiyun Mountain. .

The family was having fun in Baiyun Mountain Park, Song Pingting suddenly received a call

from Hong Daxiang, the person in charge of the company’s construction team.

Hong Daxiang said anxiously on the phone: “Ms. Song, something has happened again.”

Song Pingting was startled when she heard the words: “Old Hong, don’t worry, what happened?”

Hong Daxiang said anxiously, “The earthwork of our demolition team. The truck was stopped by a group of people on the way to transport waste materials. A dozen of our

company’s earth-moving trucks were forcibly detained by them. The driver argued with them

and was injured by them.”

Song Pingting frowned: “Who is the other party, why stopped our car, who gave him the

power to stop the car, and dare to hurt our people.”

Hong Daxiang said: “The group of people claiming to be residents of the neighbourhood,

claiming our earthwork The cars passed by their streets, crushed their roads, and dropped a

lot of wasteland and garbage. They did not allow our cars to pass here, saying that they

would smash our cars and beat our people if they pass here again. ”

Song Pingting was uncertain: “Is there any violation of the regulations on our car, such as

overloading or failing to build a tent, causing garbage to fall on the road?”

Hong Daxiang: "Absolutely not. My supervisor is very strict. Everything is carried out in accordance with the site regulations." . And that group of people doesn't look like ordinary neighborhood residents, like troublemakers. Mr. Song, what should we do?"

Song Pingting: "Can our earthmoving truck be changed to another transportation route? As for the detained Vehicles, and the injured driver, I go to communicate with them to deal with it?"

Hong Daxiang said: "No, that area is the only way for our team to go through and cannot be bypassed."

Song Pingting frowned and said: " Did you call the police?"

Hong Daxiang: "Reported, but I have not seen you to deal with it. Mr. Song, this matter is very tricky. If you don't get it done quickly, then we will not be able to carry out the demolition, and the team will not be able to demolition. The waste will be transported away."

Song Pingting said, "Okay, I'll come to deal with it immediately."

Song Pingting placed the order and looked worried.

Yash Nics asked softly: "What happened to the construction site again?"

Song Pingting said with a wry smile: "Yes, it is said that a group of people made trouble and prevented our convoy from passing. He injured the driver and detained more than a dozen vehicles. Earthmoving truck. If it is not resolved, the construction site will be forced to suspend work."

Yash Nics said lightly, "I will accompany you to take a look!"

Song Pingting nodded: "Okay!"

Yash Nics asked Song Zhongbin and Ma Xiaoli to take care of their daughters first. , He and

Song Pingting drove away first.

The two drove to an intersection only a few kilometers away from the construction site, and

saw a dozen earthmoving trucks parked on the road.

There were more than 30 arrogant punks on the scene, led by a curly man.

Hong Daxiang is following this curl theory, asking the other party to return the detained

earthmoving truck and allow the construction site fleet to pass.

Curly raised his hand and slapped Hong Daxiang with a loud slap, cursing: "What are you, I

said Curly, vehicles on your construction site must not pass here in the future."

"Otherwise, see me. Buckle one, and I will call one

The One and The Only Chapter 54

Hong Daxiang was beaten with swollen cheeks and bleeding from the corners of his mouth,

but he dared not speak.

Yash Nics and Song Pingting saw this scene in the car. Yash Nics said to Song Pingting,

“You stay here and I will come as soon as I go.”

Actually, Yash Nics and Song Pingting’s BMW M760Li xDrive are in the same position. When

the roadside stopped, the group of gangsters at the scene had already noticed.

After all, this is a luxury car worth more than two million yuan, and ordinary people can’t

afford to drive such a good car.

Curly hair and other gangsters noticed Yash Nics and Song Pingting in the car, and they

knew that it was the boss of Ningda Group.

At this moment, I saw Yash Nics getting off the car.

Curly Mao and a group of his men exchanged glances at each other, and both looked at

Yash Nics who came over with unkind expressions.

When Hong Daxiang saw Yash Nics coming, he hurried up and said respectfully, “Mr. Yash,

you are here, these people are

pretty unreasonable...” Yash Nics glanced at Hong Daxiang and said lightly: “I know all about

it. Wipe the blood from the corner of your mouth first.”

Hong Daxiang heard the words and wiped the blood from the corner of his mouth with

embarrassment with his sleeves.

Yash Nics

turned his head to look at the evil gangsters of Curly Hair, and said indifferently:

“Who sent

you to make trouble?” Curly looked at his subordinates, and both sneered.

Curly hair looked up and down Yash Nics, hehe said: “Boy, do you want to be a hero in front

of your beautiful boss?”

“Then I will weigh, do you have this ability!”

Curly said, suddenly raising his hand. The palm of his hand was yanked towards Yash Nics’s

face fiercely.

He wanted to give Yash Nics a resounding slap in the face as he did when he hit Hong Daxiang just now.

Such a trick is always unfavorable, and he has tried repeatedly.

But this time, his hand hadn’t landed on Yash Nics’s face. Yash Nics had already raised his

left hand and grabbed his wrist easily, leaving his palm in the air, just unable to fall down.

“You!”

Curly felt that his right hand was clamped in a vise. No matter how hard he tried, he couldn't

move a bit. He stared at Yash Nics in shock and anger.

Yash Nics had already slapped him backhand!

Snapped!

Curly hair is like a tree struck by thunder, the invincible terrifying power, no matter how

strong you are, you can't fight it.

Yash Nics's palm fell on Curly's face. Curly's face was like mud and blood that had been

blown up by firecrackers.

The tall body was like a tree struck by thunder, flew out at an angle, and knocked down two

companions.

Seeing this scene, everyone on the scene couldn't help but gasp.

Although Yash Nics's slap was curly hair, the terrifying power carried by this slap had amazing visual effects. It caused a lot of psychological pressure on everyone, as if

Yash

Nics's slap was slapped on their faces.

“Dare to hit Brother Curly, brothers, kill him!” The

bastard yelled in anger when someone came back to his senses in public.

In an instant, all dozens of gangsters on the scene recovered, and they drew out iron pipes

and machetes and other weapons, like a pack of wolves, fiercely rushing towards Yash Nics.

Song Pingting, Hong Daxiang, and passers-by who stopped to watch in the distance couldn't

help but sweat for Yash Nics when they saw this scene.

Yash Nics snorted coldly, greeted a group of enemies, and slammed a punch in the face of

the opponent who was charging in front.

With a bang, in the scalp tingling bone cracking sound, the guy couldn't make a horrible

grunt, and he threw his head up and fell down.

Yash Nics walked through the wolves like a tiger.

He shot cleanly, and every move must have an opponent screaming and falling down.

Although there are many gangsters at the scene, no one is his enemy.

In less than two minutes, the more than 30 gangsters on the scene were all lying on the

ground.

The One and The Only Chapter 55

Song Pingting and Hong Daxiang weren't the first time they saw Yash Nics take action, but

they were still deeply shocked by Yash Nics's skill.

At this time, Song Pingting and Hong Daxiang have both come to Yash Nics. Song Pingting

asked with concern: "Yash Nics, are you not injured?"

Yash Nics smiled and said, "A few lice thief, I don't deserve to let me. Injured."

Hong Daxiang asked, "Mr. Song, Mr. Yash, what should we do now?"

Yash Nics said, "Continue to call the police and ask them to deal with the troublemaker. In

addition, he ordered the driver on the construction site to come and take our The earth-moving truck drove away to restore normal work on the construction site."

Hong Daxiang: "Yes!"

Yash Nics and Song Pingting drove away, first arrived at Baiyun Mountain Park, and picked

up their daughter and mother-in-law to go home.

When they got home, Song Zhongbin and Ma Xiaoli both cooked by themselves and made a

sumptuous dinner.

But at this moment, the doorbell rang.

Song Pingting went to open the door, and then saw only a man in the costume of the security brigade standing at the door with a serious face.

The leader was a middle-aged man with deep eye sockets and high cheekbones. He said

with a solemn face, "Are you Miss Song Pingting?"

Song Pingting was surprised: "I am, what's the matter?" The

man with high cheekbones was serious. Said: "I am Li Haibo, the deputy captain of the

Public Security Brigade. Is your husband here? He is suspected of intentionally hurting

people. Please ask him to come out with us to assist in the investigation."

Yash Nics walked out at this time and squinted: "I am Yash. Ning, are you sure you are here

to catch me?"

Li Haibo glanced at Yash Nics coldly: "It's not to catch you, but to ask you to go back and

assist in the investigation." The

corners of Yash Nics's mouth rose slightly, and he said with a smile, "Okay, I Go with you and

see how you investigate."

When Song Pingting saw Yash Nics go with these security brigade members, she panicked,

and quickly asked her parents to take care of her daughter. She also hurried out to go to the security brigade with Yash Nics. Coming to the office of the security brigade, Curly and waiting for a group of gangsters, all sitting here carelessly. Curly is still yelling: "Hey, who will give me some safflower oil and boiled wine, let me wipe the wound." When Song Pingting saw these troublemakers, she was not arrested. Being served by Haocha, she turned her head and asked Li Haibo angrily: "What's the matter? They gathered in a crowd to make trouble, privately detained our earth-moving truck and injured our driver. Why don't you treat them now? Handcuffed?" Li Haibo coldly snorted, "Miss Song, are you teaching us how to work?" Song Pingting was choked by the other party's words, her pretty face flushed, and she shook her head and said, "I didn't mean that, but they... .." Li Haibo said loudly: "They are innocent. They are just protesting that the car on your construction site passed by the road where they lived and damaged their road."

"And your husband, Mr. Yash, beat them. Injured. Now I call your couple here to hold your couple responsible for beating." Curly has already come over now, clutching his badly hurt cheeks, and he looks at Yash Nics with pride and hatred, viciously. The man said to Yash Nics: "Boy, you dare to hit us. I don't think you know how to write death words." Curly hair finished speaking and turned to Li Haibo and said, "Vice team Li, their couple injured 30 of us. Everyone doesn't have one million medical expenses, so don't think about it privately." Song Pingting was shocked and angry: "What, you're making trouble, and we have to compensate you 30 million!"

The One and The Only Chapter 56

Li Haibo said coldly to Song Pingting: "Your couple injured so many people, it is only natural for them to demand compensation for medical expenses." "Now I give you both a chance to negotiate. If you don't seize the opportunity, then I can only do business, and your husband will probably sit in prison by then."

Yash Nics's mouth raised slightly, "No wonder the people on our construction site made a

report, but you didn't show up for a long time. A nest!"

Li Haibo heard Yash Nics's words, and instantly furious: "It seems that you are not aware of

the seriousness of the matter."

"Come on, put this person in the detention room for me first. He is 24 hours so that he will

be sober and sober."

Li Haibo was about to lock Yash Nics, and Song Pingting was impatient.

Curly gangs of injured gangsters laughed and gloated.

Yash Nics said with a faint smile: "You want to detain me, yes, but before you detain me, I

want to make a call."

Li Haibo squinted, "You want to call your lawyer, haha, you think the lawyer is just

Can I save

you?"

Yash Nics ignored Li Haibo, took out his mobile phone and called Dianchu, only to say that I

was in the security brigade, and then hung up.

Yash Nics followed Li Haibo and several security team members into the detention room,

and the mobile phone on Li Haibo's back rang frantically.

Li Haibo took out his cell phone and took a look, his face changed drastically, and he quickly

answered the phone respectfully: "Liu Ju, what do you want, how can you call me in person."

"Are you tired of your dog stuff? Do you know Yash? Who is your husband? You want to

detain him! Lao Tzu fucks your 18th generation ancestor. You are going to die, but you don't

want to hurt me. I will retire in a few months. If Mr. Yash has a slight mistake, I Kill you with

your own hands."

Li Haibo was scolded by the top boss and asked him to immediately apologize to Mr. Yash

and ask for forgiveness, otherwise he would be dead.

Li Haibo's face was pale and his head was sweaty.

I just hung up the phone from Bureau Liu. I didn't expect the call from Captain Gao Feng to

come in immediately, and Captain Gao immediately gave another roar and scolding like

never before.

When Li Haibo hung up Captain Gao's call, he had already fully realized that he had provoke

a big man that he could never provoke.
The expression in his eyes looking at Yash Nics next to him was also full of fear.
Yash Nics said with a smile, "Do you still want to shut me down?"
Li Haibo trembled and begged for mercy: "Mr. Yash, I was wrong, please give me a chance
and spare me this time..."

Li Haibo Several of the players looked at Li Haibo in amazement.
They didn't understand why the deputy captain, who was aggressively trying to punish Yash
Nics just now, was so frightened after answering two consecutive calls?
Yash Nics looked at Li Haibo indifferently: "Do you know where you are wrong?"
Li Haibo hurriedly said: "I was wrong about not knowing Taishan, being rude to Mr. Yash, I
deserve to die."
Yash Nics said coldly. "Wrong, you are not wrong to be rude to me, you are wrong to protect
the crime and insult the innocent!"
Li Haibo sweated: "Yes, yes, I know I was wrong, I beg Mr. Yash to give the villain a chance
to change. Mr. Yash, This is not suitable for you to stay, please go out to the VIP room
outside and sit down and talk."
Yash Nics said, "No, I'm going to be here, and you go and call me that curl."
Li Haibo heard Some of Yash Nics's words were stunned, but he immediately understood
something and immediately said, "Yes, I will do it."
After speaking, Li Haibo walked out with a few team members.
The One and The Only Chapter 57
office lobby, Song Pingting was calling the lawyer, and she was in a hurry.
Curly and his brothers, although they were wounded one by one, were full of energy.
Curly even molested Song Pingting with a smile and said: "Hey, beauty boss, you don't need
to call a lawyer, no lawyer can help you."
"If you promise to sleep with me Curly for one night, maybe I can follow Deputy Li
said, let
him let your husband go." When the

surrounding gangsters heard Curly's words, they all laughed, and their eyes greedily looked
at Song Pingting, who was a man of grace.
Song Pingting was anxious and angry, but helpless.
At this moment, when Curly saw Li Haibo coming out, he immediately greeted him, deliberately, in front of Song Pingting, and said to Li Haibo: "Vice team Li, Yash Nics beat

me. So hurt, just lock him up, brother, it's hard to get rid of the bad breath in my heart!"

Li Haibo asked calmly: "Then what do you want?"

Curly sneered, "Naturally want to beat him up." I took the revenge back."

Li Haibo's eyes flashed a sneer, but his mouth said: "You go to the detention room!"

Curly heard Li Haibo's words and thought it was Li Haibo who asked him to go in and clean

up Yash. rather.

Yash Nics is now locked up in it, and his hands should have been handcuffed. Li

Haibo let

him in now, instead of giving him a chance to beat Yash Nics, what was that?

Curly was ecstatic, thanked again and again, and then headed towards the detention room

with a grinning smile, led by the two security team members.

Two security team members, when they came to the door, motioned for Curly to go in by

themselves, but they did not go in.

Curly grinned, "I understand, when I beat Yash Nics, you weren't fit to be there, haha." After

he finished speaking, he opened the door and went in.

As soon as he entered the detention room, the door behind him was locked with a click.

With the sound of the door being locked, Curly's heart beats uncomfortably.

He began to look around the room, and then saw Yash Nics sitting on a chair in his spare

time, not being handcuffed like he imagined.

Something is wrong!

The triumphant smile on Curly's face froze. He looked at Yash Nics in horror, stepping back

step by step, and then turned around and kept tapping the door: "Open the door, open the

door, why didn't he get handcuffed? Quick, let me go out, ah—"

Curly screams came, and the two security team members standing at the door were expressionless, as if they hadn't heard of it.

At this time, in the surveillance room, Li Haibo and others were accompanied by Song

Pingting respectfully. They watched the surveillance video with Song Pingting, and Yash

Nics fiercely cleaned up the curls.

Li Haibo accompanied Song Pingting with a smile and said: "Miss Song, I said Mr.

Yash will

be

fine, now you should believe it?" Song Pingting looked at everyone at Li Haibo who was

smiling, and was a little bit by Li Haibo. The actions of Houhou Gong, and the scene of Yash

Nics violently beating Curly in the surveillance video, were shocked to speak.

After Yash Nics taught Curly again, Li Haibo led a group of men and accompanied

Song

Pingting to the detention room.

Li Haibo looked at the curly hair that had been mistreated, and then reverently said to Yash

Nics: "Mr. Yash, what else do you have to say?"

Yash Nics said coldly, "Punish this group of troublemakers severely."

"Also, Curly has already admitted that they were sent by Lei Zhennan to make trouble. You

tell Lei Zhennan and ask him to compensate our company for 30 million losses.

Otherwise,

the consequences will be at your own risk."

Yash Nics said here, his eyes falling on Li Haibo: "As for you, I don't think you are qualified

for your current position. Go to the grassroots to exercise."

The One and The Only Chapter 58

Hearing Yash Nics's words, Li Haibo's face was as gray as death, but he didn't dare to be

dissatisfied at all, and said yes.

As soon as Yash Nics and Song Pingting left, Li Haibo received a call from the top boss:

"Xiao Li, hand over your work. The Buffalo Mountain Forest lacks a Shoushantang Reservoir.

You will start working there tomorrow. Squat guarding the reservoir."

Li Haibo wanted to cry without tears, Buffalo Mountain is a remote mountain forest in the

suburbs.

When he got there to guard the reservoir, he was only accompanied by mosquitoes and

poisonous snakes. This was considered a frontier distribution.

Yash Nics and Song Pingting drove home, followed by more than a dozen police cars before

and after, personally escorting them.

On the way back, Song Pingting, who was sitting in the passenger seat, kept staring at him,

and stopped talking.

Yash Nics couldn't laugh or cry: "If you have anything you want to ask, just ask."

Song Pingting bit her lip: "Yash Nics, what is going on with Li Haibo and why are they respectful?"

Yash Nics blinked: "If I said that I called my old leader and he helped me handle it, do you

believe it?"

Song Pingting had already begun to doubt Yash Nics's identity, and said humbly, "You old leader, why do you have it every time? He will help you in the first time. It's too good for you, don't you think?"

Yash Nics glanced at Song Pingting: "Well, I won't pretend, I'll showdown. Actually, I don't have anything Old leader, I'm the young marshal of the Northern Territory..."

Before Yash Nics's showdown was finished, Song Pingting rolled his eyes and interrupted him in an angry manner: "Don't brag, tell the truth. "

Yash Nics smiled bitterly and was forced to change his words: "Well, in fact, I used to be the guard of the leader. Although I am a soldier, I am a member of his guard who is responsible for protecting him. He has some feelings for me. , Knowing that I have something to do, will give me some care."

Song Pingting believes it is true, after all, she has seen Yash Nics's skill, it is indeed very powerful, one person can defeat a group of people.

Then Yash Nics was once a guard member of an old leader, so that makes sense. The old leader now takes care of Yash Nics a lot, and it also makes sense.

Song Pingting's doubts disappeared, and she said softly: "Yash Nics, this time your old leader has helped us a lot. If you have a chance to see him in the future, you have to thank him."

Yash Nics smiled and said: " I will."

Song Pingting remembered Yash Nics's words and demanded that the underground circle Lei Zhennan pay 30 million yuan.

She said worriedly: "Yash Nics, I have heard people say Lei Zhennan's name. It is said that he is not easy to provoke, so I don't care if I don't pay compensation. I am afraid that we will fall out with desperadoes like them. Construction site."

Yash Nics said lightly: "Don't worry, just leave this to me." Jiangbin Garden Villa Community, at the door of the most luxurious villa.

Daughter Song Qingqing is squatting at the door of the house with her cheeks in her hands, her face full of worry.

No matter how they persuaded Song Zhongbin and Ma Xiaoli, Song Qingqing just didn't want to go back to the house. She wanted to wait here for her parents to come back. At this moment, she suddenly saw her mom and dad's car coming back, accompanied by a team of police cars, her eyes widened involuntarily.

Song Zhongbin and Ma Xiaoli also showed surprise expressions. After Yash Nics was taken away by the security brigade, they were also very worried. They didn't expect that the security brigade would escort Yash Nics and Song Pingting back with great fanfare. Yash Nics and Song Pingting got out of the car, and Gao Feng, the captain of the security brigade and others, accompanied them with a smile: "Mr. Yash, Miss Song, we are home and there is nothing to do, we will go back first."

The One and The Only Chapter 59

Yash Nics said coldly.

Song Pingting said gratefully, "Thank you, Captain Gao, for escorting us back. I'm bothering you."

Song Pingting is thoughtful. She feels that Yash Nics and her were taken away by the security brigade in front of her daughter, so it's best. It was sent back personally by members of the security brigade.

This proves to the children that the couple are not bad guys and were not taken away.

Gao Feng repeatedly said: "No trouble, no trouble."

"Mom and Dad!"

Song Qingqing rushed over, shouting excitedly.

Yash Nics bent over and hugged her daughter. Just now, she was still indifferent, showing a

petting smile, and said softly: "Little baby!"

Song Zhongbin and Ma Xiaoli also came over, knowing that Yash Nics and Song Pingting

are all right. They were also very happy and warmly invited Gao Feng and others into the

house for tea.

Gao Feng quickly said: "Uncle and Auntie, no need, we escort Mr. Yash and

Ms. Song back. We will go back to work if there is nothing to do." Song Qingqing couldn't

help asking: "Uncle, aren't you just catching bad guys? Why did you take them away just

now? My parents?"

Gao Feng sweated on his forehead and hurriedly said: "Children, your parents are not bad guys. Uncle asked your parents to come over to help us catch bad guys." "Your parents are heroes. We still need to look back. give your mom and dad to distribute it pennants good citizen "

Song Qingqing heard confused little face totally disappeared, Ning affectionate arm around the neck, proud to say: " I said, my father is a hero, the most powerful of the " Song Zhongbin , Ma Xiaoli and others couldn't help but laugh.

Gao Feng also took the opportunity to leave and left with his men.

Yash Nics and Song Pingting's family entered the house, and the family sat down to eat again, enjoying themselves well.

.....

At this time, Nancheng, Tiandu Hot Spring Club.

Lei Zhennan, Cao Jianbin, Song Zhongxiong and Song Haoming were chatting while soaking in the hot springs.

Song Zhongxiong smiled and complimented Lei Zhennan and said, "Brother Tiger went out and got immediate results. Then Yash Nics dared to hurt Brother Tiger your men. He didn't know the relationship between you and Li Haibo. Now he was locked up, and he probably knew it was wrong. "

Lei Zhennan said triumphantly: "I have a very strong relationship with Li Haibo. Yash Nics injured a group of my men. I have let Curly go to talk. If I don't compensate me for 30 million medical expenses, Yash Nics would Just wait to sit in the prison."

Cao Jianbin said slowly now: " Brother Tiger, only extorting him for 30 million medical expenses, that kid is too cheap."

Lei Zhennan said with a smile, "Boss Cao, you Don't worry, 30 million is just the beginning. After they gave 30 million, I immediately changed my mind and asked for another 50 million. Anyway, I kept making claims and sent Yash Nics to jail after they lost money." Cao Jianbin squinted his eyes and said, "It's interesting."

Lei Zhennan continued, "I also have many brothers in prison. When Yash Nics enters the prison, I will let the brothers inside take good care of him and torture him to the same extent.

Kill him inside.” Cao Jianbin had a smile on his face: “Yes!”
Lei Zhennan said with a smile: “Yash Nics was punished to death, and Song Pingting is hard to support. I just need to send people to the construction site to make trouble, Song Pingting. The engineering project will not continue. At that time, the creditors will come to collect debts, and boss Cao, if you offer to save her, can she compromise and climb into your bed honestly?”
Cao Jianbin smiled satisfied: “Very good.”
He turned his head and looked at Song Zhongxiong and his son intentionally or unintentionally, and deliberately asked, “Brother Song, what do you think?”
“Song Zhongxiong laughed and said, “Song Pingting can have a good relationship with Boss Cao. It is her blessing. Our Song family also very much hopes to become in-laws with Boss Cao.”
Cao Jianbin laughed happily, and said to Song Zhongxiong, “Very good. After I get Song Pingting, I will work on the Haitang Shopping Plaza project with your Song family, and everyone who has money will make money together.”
Song Zhongxiong’s father and son were overjoyed. Qi Qi said: “Thank you, Boss Cao.”
The One and The Only Chapter 60
At this time, a man in a black leather jacket walked in.

He looked a little flustered, and whispered: “Brother Tiger, the latest news from the security brigade has come.”
Lei Zhennan did not notice the strange expression on this little brother’s face, and asked triumphantly: “What news is it? It’s not that Yash Nics and his wife were so ill-tempered that they originally intended to compensate us 30 million?” The younger brother lowered his head and whispered, “No, Yash Nics and his wife have been released, and all the Curly gang have been arrested. It’s said to be severely punished.”
Lei Zhennan was shocked: “What are you talking about, Li Haibo, call him and ask him to explain to me what’s going on, and play me?” The younger brother said with a bitter smile, “Li Haibo has been demoted. He was dispatched to the remote mountainous area to guard the reservoir. He is now a mud bodhisattva and it is difficult to protect himself. In addition, Yash Nics has also sent a message to

Brother Tiger.” Lei Zhennan did not expect the situation to take a turn for the worse, he said in anger: “What is he telling me?” The younger brother bit his head and said: “He said that you should compensate them for the loss of 30 million on the construction site, otherwise we will be destroyed.” Lei Zhennan said angrily: “Laughter!” This sudden news, Not only completely disrupted Lei Zhennan’s plan, but also surprised Cao Jianbin and Song Zhongxiong. Cao Jianbin frowned, and said displeased: “Brother Tiger, what did you do?” Lei Zhennan was also very depressed. He ordered his subordinates to bring their mobile phones, and he wanted to call Li Haibo personally to ask what’s going on? Soon, the call got through. Li Haibo was packing up his things at the moment, preparing to handover work, and left sadly.

When he saw the call from Lei Zhennan, a hatred surged in his heart. If he wasn’t trying to help Lei Zhennan deal with Yash Nics, he wouldn’t have offended Yash Nics, and he would be assigned to guard a reservoir in a remote mountainous area. However, although he was full of anger, his voice was calm: “Mr. Lei, what’s the matter?” Lei Zhennan asked, “Brother Li, what’s the matter? Yash Nics was released, but my brothers are going to be released. Severe punishment. I even heard that you were transferred. What is Yash Nics’s background?” In fact, even Li Haibo doesn’t know what Yash Nics’s background is. However, Li Haibo knew that Yash Nics’s background was absolutely terrifying, the kind that could reach the sky, otherwise his top boss would not be scared like that. But Li Haibo hated Lei Zhennan in his heart at this time, so he didn’t intend to remind Lei Zhennan, but said vaguely: “I’m helping you this time, it’s an illegal operation. I was caught by the boss, so I was caught. Relegated .” Lei Zhennan thought Yash Nics had a strong background. He didn’t expect that the reason was Li Haibo. It was Li Haibo who was caught by someone that caused the matter to become like this. He felt more at ease, as long as Yash Nics didn’t have a great background. Even if Yash Nics

escaped this time, he still had a thousand ways to clean up Yash Nics.
At the moment, he gave Li Haibo a few words of hypocritical comfort, saying that
Brother Li
was hurt this time, and if there is anything that needs help in the future, even if he
speaks,
he will definitely help.
Li Haibo naturally knew that Lei Zhennan was hypocritical, but he didn't expose it. He
just
sneered in his heart: Dog stuff, I'm unlucky for doing things for you, so you don't
even pay
any benefits. But don't be proud, Mr. Yash is not annoying, I will just watch how you
get
killed by Mr. Yash.
Lei Zhennan had a hypocritical chat with Li Haibo, and then hung up the phone.

Cao Jianbin and Song Zhongxiong's father and son are staring at him at this time,
asking
what's the situation?
Lei Zhennan sighed and said: "It can be regarded as the luck of Yash Nics and his wife.
Li
Haibo was caught by the upper hand in this illegal operation, and he was directly
demoted.
Yash Nics and his wife also escaped because of this."
Cao Jianbin and Song Zhongxiong After the father and son listened, they looked at
each
other.
Cao Jianbin said fiercely: "Brother Tiger, you are not doing things well this time!"
Lei Zhennan said quickly, "Boss Cao, don't worry, I will gather hundreds of brothers
tomorrow and personally go and give them to the construction site. It's smashed,
I've scrapped Yash Nics's boy." Cao Jianbin squinted his eyes: "Okay, I'll wait and
see."
