

## Chapter 523

Because there was a card house waiting, Elaine didn't wait for the meal to finish, so he walked out with her bag on her back and immediately took a taxi to an older villa complex.

An old friend of hers lives in this villa area.

XiDollar Villa was regarded as a relatively good villa in Aurous Hill twenty years ago, but after all, it has been a long time since it has gradually lost some ground.

In the past, Elaine felt that XiDollar Villa was already a standard mansion, and her family might not be able to live in such a single-family villa in this life.

But now it's different. As soon as she thought of being able to live in the best Tomson villa in Aurous Hill, Elaine was a little scornful of this XiDollar villa.

The old friend who lives here is named Shehlain, who Elaine has known many years ago.

Shehlain's family was a good family. Her husband made a lot of money in the early years, and then died because of an accident, leaving Shehlain with a lot of money.

After Shehlain pulled the child up and sent the child abroad for higher education, she played mah for fun every day.

Moreover, Shehlain has money and poor card skills. She always loses more and wins less when playing cards. Every time Elaine plays cards with her, she can win points.

So Elaine regards Shehlain as her god of wealth, as long as Shehlain asks her to play cards, she will definitely be there.

Ringing the doorbell of Shehlain's house, the door opened quickly, and a woman about the age of Elaine, with a warm smile on her face, greeted, "Sister Elaine is here, come in!"

This middle-aged woman is Shehlain.

Elaine hurriedly greeted her, stepped through the door, and said with a smile: "Oh, Shehlain, I'm so embarrassed to keep you waiting for a long time."

When they came to the living room, the other two mahjong friends who often played cards with her were already sitting at the mahjong table and waiting.

"Sister Elaine, you can count it!"

Seeing her coming, another middle-aged woman said impatiently: "Sit down, let's make an eight-lap hot hand!"

After Elaine and Shehlain were both on the mahjong table, the card game officially began.

Elaine rubbed the mahjong while saying, "Shehlain, you have lived in this villa for some years, right?"

After touching a card, Shehlain smiled and replied: "This house was bought more than ten years ago, but it was mainly for investment at the time. After my child went abroad, I have been living in a building in the city. The villa is too big. Living alone is discomforting."

“Then have you thought about redecorating it?” Elaine came to be interested and said, “I told you that my girl happened to be running a decoration company, and also cooperated with our Aurous Hill Emgrand Group, and the level is absolutely guaranteed. If you want to redecorate, I can ask her to give you a friendly price. When the time comes, she will definitely make your villa as magnificent as the palace!”

“Sister Elaine, thank you for your kindness.” Shehlain smiled slightly, then sighed, and said, “However, I plan to sell this villa.”

“Sell it?” Elaine asked puzzledly: “Why do you want to sell it? You are not the one who lacks money. Your husband left you seven or eight sets of the house, and you have invested in so many real estates yourself. , How nice it is to put it here to appreciate!”

### **Chapter 524**

Shehlain shook her head and said with a smile: “In fact, I am going to the United States in a while, and I am not going to come back.”

Elaine asked in surprise: “How do you plan to settle in the United States?”

Shehlain nodded and said, “I’m telling you, my son has never come back from the United States since he went to study there. Now he is married there, and the daughter-in-law is also pregnant, so he doesn’t plan to come back anymore. , So he wants me to live with him in the future and help them bring their children by the way.”

A woman at the poker table blurted out, “Oh, Shehlain, are you ready to take action in so many houses in Aurous Hill?”

Shehlain said: “Leave a set of flats in the urban area. If there is a chance in the future, the family can come back for a few days.”

Hearing this, Elaine couldn’t help but feel sorry.

She didn’t regret that she was about to lose a card friend she got along with, but she felt that Shehlain would leave as soon as she said it. In the future, she estimated that it would be difficult for herself to encounter someone like her, who has poor card skills and still enjoys losing money every day.

.....

At this moment, at the door of XiDollar Villa, Noah and Horiyah parked their car and waited for the real estate agent at the door.

Noah planned to find a suitable house and spend the 10 million, so he contacted the agency and asked the agency to help find a house worth about 10 million.

The average price of house prices in Aurous Hill is a little more than 30,000, but the villa will be more expensive. If you buy a new villa for 10 million, it is basically useless, so you can only buy this old villa.

Horiyah looked at the door of the XiDollar villa and said with some dissatisfaction: “Noah, this villa area is a bit too old? Look at these houses, they look a bit older than the Lady Willson’s, or else Let’s not look at the room here.”

Noah said: "There is no way, the flat floor of Tomson First Grade is good, but you are not willing to buy it."

Horiyah said angrily: "That Rubbish Charlie has a villa in Tomson First-Class. I don't want to stand guard for Jacob and Elaine in the future! I can't buy Tomson First-Class flats for anything!"

Noah said: "So, it is more cost-effective to buy this kind of old villa. The area is large enough, and it is a single-family house. It is also comfortable to live in. It does not matter if the house is old. Just we can renovate it."

With that, Noah said again: "You have to consider our situation. Harold has no object, and Wendy has no object. They are one person and one room, plus the two of us, this is three bedrooms. In case Harold gets married in the future, He must live with us. When he has a child, he has to give the child a room? That's four rooms."

Noah continued: "Mum will definitely have to live with us in the future? At that time, we will have to leave a room for her. This is five rooms, so the villa is more practical."

Horiyah annoyed and said, "Why does your mother live with us? Why not live with Jacob?"

Noah shrugged: "The Lady Willson has severed ties with Jacob's family. Do you think Jacob will let her live?"

Horiyah was very dissatisfied and said: "Then she can't follow us, we are not affected by the Lady Willson! Now the Willson family is almost finished, and it is no good! If I want to say it, I will take her to Jacob's house, whether it is his business or not, we don't care about the Lady Willson anyway!"

Noah said, "You don't know that. My mother has a life insurance that has been bought for more than 20 years. It is a wealth management type. After her death, this life insurance can get more than six million. If you drive the Lady Willson to that Home, after the Lady Willson's death, the six millions will belong to Jacob!"

"More than six million!?" Horiyah's eyes lit up and she asked in surprise: "Really there are so many?"
