

Chapter 525

"Yeah." Noah said, "This life insurance was bought by my dad when she was alive, so as to leave a way out for future generations."

After that, Noah said again: "You count yourself, how many years my mother can live? It's all three years or five years. Let's take care of her for another three to five years. After her death, there will be more than six million life insurance in our hands, draw it down, one or two million a year, do you think it's worth it?"

"It's worth it!" Horiyah rubbed his hands in excitement, and said excitedly: "Then you have to look good on your mother, and you definitely can't let Jacob's family grab it!"

Noah nodded and said with a smile: "That's natural! More than six million won't be given to Jacob at that time!"

Horiyah hurriedly said, "Not only will I not give him more than six million pennies, when mother is dead, and we have to pay for funeral and the cemetery, Jacob will have to pay half!"

Noah subconsciously said: "The Lady Willson has cut off relations with him, can he pay the money?"

"Are you stupid?" Horiyah blurted out: "The Lady Willson broke off relations with him. It was verbal and does not have legal effect. When the Lady Willson dies, if Jacob is unwilling to pay the money, then let's go to court sued him! After all, before the law, he is still the son of Lady Willson, and he has the responsibility and obligation to pay half of the money!"

Noah instantly beamed his eyebrows and laughed: "Wife, you are right! By then, Jacob's half can't be discounted by a single point! It's my wife who is smart! Hahaha!"

Horiyah was also full of pride, and said with a grin: "Jacob and Elaine's two silly dumb hats, playing with us, how can they be our opponents!"

As soon as the voice fell, a little real estate agency girl in a small suit came over and asked politely, "Are you Mr. Willson and Mrs. Willson?"

"Yes, yes, yes!" Noah nodded hurriedly and said, "You are the granddaughter of Premium Land Real Estate, right?"

"That's right." The little girl smiled slightly and said, "Mr. Willson and Mrs. Willson, I have already made an appointment with the owner of this villa. She is in the villa now. We can go directly to inspect the house."

"Okay." Noah said hurriedly: "Then go over and take a look."

While leading the way, the little girl said: "I will introduce you to this villa. The owner is an aunt. This time she wants to clear the property and immigrate to the United States. So the price is slightly cheaper than the market price!"

Upon hearing this, Noah and Horiyah couldn't help themselves.

It's cheap!

If this villa is suitable, the money saved after it is bought will be used to decorate and save money!

.....

On the other side, Elaine was playing mahjong with Shehlain and other players, and a pleasant doorbell suddenly rang from outside the door.

Shehlain said with an apologetic expression: "I'm sorry, it may be that the intermediary brought someone to see the house. I am unaccompanied and go and open the door."

After speaking, she stood up, walked to the hallway, and opened the door.

Seeing the agent who had previously commissioned the sale of the villa standing outside the door, and seeing her with a middle-aged man and woman behind her, Shehlain knew that this was a client who came to see the house, and smiled and said, "Please come in."

The agent Willson said: "Ms. Shehlain, let me introduce to you. This is Mr. Willson. The one next to him is his wife, Mrs. Willson. These two are the ones I communicated with you on the phone and are interested in buying this villa."

The middle-aged man smiled slightly, took a step forward, and said politely: "Hello, Ms. Shehlain, my name is Noah, I am glad to meet you."

The visitors were Noah and his wife Horiyah.

Chapter 526

Shehlain hurriedly smiled and said: "Oh, please come in quickly, please come in quickly, I haven't lived in this villa for many years, you can watch it!"

"Okay." Noah nodded, and after entering the door with Horiyah, he began to look at the layout and decoration of the villa.

The agent on the side, said with a smile: "Mr. Willson, the XiDollar villa area is the first villa area developed by our Aurous Hill. The supporting facilities are relatively complete, and access is controlled. It can fully guarantee your safety. The villa has an actual living area of 470 square meters, which fully meets your previous requirements..."

The reason why Noah bought the old villa was because it was a cheap one. A normal 470-square-meter villa cost at least 20 million in Aurous Hill, but the price of this villa is generally 134 million, and the price is still dozens. Ten thousand downsides.

So he asked Shehlain: "Ms. Shehlain, how much is your villa going to sell for?"

"I am going to the United States soon. This villa is in a hurry for sale, so the price will be relatively cheaper..."

Shehlain smiled slightly and said, "Well, if you two have intentions, a price of 12 million, what do you think?"

"What, are you stealing the money?" Horiyah couldn't believe it, she raised her voice, blurted out: "For such an old villa, you actually asked for twelve million?!"

Shehlain was not angry, and said with a smile: "In this community, most of the listings are above 13.5 million, and there are even more than 14 million. I quoted 12 million. In fact, It's already a very, very cost-effective reserve price."

Elaine was sitting in the entertainment hall of the villa. She heard the sound outside that was particularly familiar, and quietly glanced out, and suddenly saw Horiyah with a look of disgust.

And next to her is Noah, the eldest son of the Willson family.

Elaine didn't expect that these two people would actually be here. Combined with what Shehlain said just now, it is estimated that they are customers who want to buy Shehlain's old villa.

Isn't the Willson family going cold? Can they still afford a villa?

At this time, Horiyah said with an arrogant expression: "Ms. Shehlain, to be honest with you, only a fool would buy 12 million, and I heard that you are going to the United States soon. I don't think so. Give you a price of 8 million. You sell the house, and we can trade today! You can pack your bags and go to the United States tomorrow. The best of both worlds."

The main reason why Horiyah kept the price down was that the other party was anxious to sell. Since she was anxious to sell, she would definitely have to bargain to death so that she could make a fortune.

She felt that Shehlain was just going to the United States, not anxious enough, if someone in the family was dying and waiting for first aid! Maybe five or six million can be won!

However, Horiyah didn't know that Shehlain had money, and there were only a few houses alone, so she was not the one who lacked money at all. How could she ask Horiyah to cut the meat with a knife because she was in a hurry to sell her house?

Naturally, Shehlain knew that Horiyah was not at ease. She frowned and said with some disapproval: "Mrs. Willson, let's not hide it. Although my villa is a bit old, the price given to you is quite reasonable. In the market, you will definitely not find a lower price than mine. As for the price of 8 million you said, it is simply a fantasy!"

After speaking, Shehlain said again: "Since the two of you don't have this sincerity, then I don't think we need to continue talking."

Noah knew very well in his heart that a counter-offer of 8 million would be a bullshit. Saying 8 million for this house was a joke. As long as the owner hangs out 11 million, someone will eat it within half an hour, because the house is indeed very expensive. It's cheaper!

So he hurried to accompany with a smile and said: "Ms. Shehlain, don't be angry, my wife is not sensible, so she will talk nonsense."

Horiyah glared at Noah and said, "I'm not sensible? Who is in charge of the family, you forgot? I tell you, don't be a sh!t stick with this. I think this house will cost 8 million. Nothing!"

After finishing speaking, she tried her best to wink at Noah, which means, look at her, she specified that this woman can be taken down.

At this time, Elaine came over with a smile on her face and said cheerfully: “Oh, eldest brother and sister-in-law, eight million you want to buy a villa, are you two crazy?”
