

Chapter 529

When Elaine saw that Horiyah was about to come up and do something, she immediately jumped a step back and said coldly: "I tell you Horiyah, you can't offend me, you'd better not indulge me!"

Horiyah cursed with a stern face: "I can't afford to offend you, Lady Willson? If I don't tear your mouth today, I would change my name!"

Elaine snorted and said coldly, "My precious son-in-law Charlie, that's a very good fight! You forgot how he taught the Willson family's dog legs, and your rubbish son Harold? Kick your son up into the sky! You provoke me, believe it or not, I will call him over with a phone call and let him kill you two old turtles?"

As soon as these words came out, Horiyah trembled all over, like a deflated ball, all the rhetoric just now disappeared...

To be honest, Charlie really left a strong psychological shadow on her.

She couldn't understand why the Rubbish who could be bullied before suddenly became so capable of beating. He was a pervert when he struck up people!

Noah was also very afraid of Charlie, after all, he had watched Charlie do it with his own eyes at the beginning, and that guy almost did scare him to pee.

Elaine saw that the two of them were afraid to say anything, knowing that they were both afraid of him, and immediately sneered: "Oh, I really sympathize with you when, I say. The Willson family is over, Harold and Wendy have no objective, and Wendy is now in Aurous Hill, and that is also well-known to all. You will definitely be particularly sad in the future."

As she said, Elaine said with a serious face: "Don't blame me for not reminding you. Just don't buy a villa if you look like a bird. What kind of villa do you buy? There are mines at home? You might eat it any day. In the absence of a last meal, let me see, you should go to the suburbs to buy a cheap small house, and take the remaining money to do a small business."

Noah and Horiyah were so angry that they couldn't speak.

Elaine continued: "Right! I think you might as well open a mahjong hall! In this case, when Shehlain's villa is sold, I will take my sisters to your mahjong hall to support you, so that you will not starve to death. What do you think?"

Noah had a heart attack.

Horiyah on the side wanted to kill Elaine.

This is the first time they have seen Elaine so unsparingly sarcastic!

Even the most ruthless and ruthless sarcasm they have suffered in their entire lives!

What's even more hateful is that they can't talk back!

Why is this mouth back?

Eating, dressing, housing, use, daughter, son-in-law, everything is better than Elaine, this stinky lady!

Thinking of this, Noah and his wife were even more frustrated. They were so ashamed and angry that they wanted to dig a hole directly on the spot!

Elaine was in a mess at this time, and she even wanted to open her throat to sing a few more words, she can't remember how long she hasn't been so happy, she is simply repaying the previous hatred, even with the benefits!

Noah knew that he couldn't find his face today, so he said coldly, "Elaine, sooner or later you will pay for your arrogance of today!"

Elaine nodded and sighed, "Yes, big brother, I think the price will come soon. I will move to Tomson's big villa next month. The house is so big that I might be in it every day, I will be lost several times. How can I live in this house now? The house there is so big and tall, I'm afraid that I won't adapt to it..."

As she said, Elaine sighed again and said, "Hey, when we live in Tomson, we will be separated from eldest brother, and we will not see each other often in the future, so I can't listen to what the eldest brother and sister-in-law say often. These are the prices I have to pay for today!"

Noah felt that he was going to be blown up soon. In order to save his life, he gritted his teeth and stomped his feet and cursed: "d*mn, if you don't buy the house, let's go!"

Chapter 530

After speaking, he took Horiyah and went out.

The intermediary girl on the side greeted her in a very embarrassing manner. Although she despised the two customers after listening to Elaine's words, the customer is god after all.

When Shehlain saw the two gone, she couldn't help sighing: "Sister Elaine, your two relatives are too weird, do they think I am a fool? They wanted to buy my villa for eight million..."

Elaine smiled and said, "They are about to go bankrupt, and they have no money at all. They are just a bunch of poor people. Even if you promise them to sell for 8 million, they may not be able to pay!"

Shehlain nodded and said, "It's really disappointing. Let's ignore them and continue playing cards!"

.....

When Noah and his wife Horiyah left the villa, they scolded the people in the street, in unison!

The main reason why they didn't dare to scold in front of Elaine was because they were afraid of her son-in-law Charlie.

If they really get beaten, it will be a big loss.

The intermediary followed the two of them. After they had enough scolding, she cautiously asked, "Mr. and Mrs. Willson, are you two still looking for other houses?"

Horiyah's face was extremely ugly, she glared at her and cursed: "Look at your mother, get out!"

After speaking, she took Noah and walked out of the community.

The little girl was aggrieved in tears, but because of her weak temper, she didn't have the courage.

But when Horiyah went out, she wanted to get more and more angry, and couldn't help but say to Noah: "This Elaine, she doesn't know how to show off if she has two stinky money! Look at her virtuous attitude. She actually showed off that she was going to live in the Tomson first grade, and she panicked for us. Whose big villa is, does she have no idea? If Charlie's Rubbish goes out to deceive people, what can she do!"

Noah said with a cold face, agreeing: "This stinky girl is really too f*cking too much!"

As he said, he sighed and said helplessly: "However, we have nothing to do with her now. Whoever makes our Willson family fail soon, anyone or a dog can come over and step on... "

Horiyah couldn't help asking: "Then we still buy a house? If you don't, your mother wants you to give her 8 million!"

"Buy, of course we must buy it!" Noah said, "The house must be bought, but not now."

Horiyah hurriedly asked, "When will you buy it?"

Noah said: "Elaine, the stinky lady, has two money now. In my opinion, we might as well make a round for her."

"Do it? What game?" Horiyah was surprised.

Noah said with a sullen expression: "Doesn't she like gambling? Then let's make a bet. First use a little petty profit to lure her into the set, lure her to play the bigger the bet, and then let the experienced Old Master do something. Get all her money, hands and feet!"

Speaking of this, Noah sneered, and said: "It's best to let her mortgage Tomson's first-grade villa to us! In that case, we can turn over!"
