

# Super Rich Dad Chapter 537-538

## Chapter 537

'You mean, the one that was blown up was a fake?' Zhang Xiangyu questioned loudly.

Shen Haoting laughed, 'What else? Do you think I wouldn't be able to guess your calculations? To be honest, that person was a double of mine, I have been in the Shen family overseas for so many years, do you think that I was there in person on many occasions?'

Shen Haoting's words made Zhang Xiangyu chagrined. He had never thought that Shen Haoting would come up with such a move with himself no matter what.

A stand-in? It seemed that he had underestimated this Shen Haoting, he was simply full of tricks.

Shen Haoting then sighed: 'If it wasn't for stabilizing you, I wouldn't even have sent a double, but he's been with me for ten years. In the end, he will die at your hands .....

Shen Haoting's gaze suddenly became vicious as he glared viciously at Zhang Xiangyu and said, 'Today, I will avenge this for him!'

As he spoke. The first thing that happened was that Shen Haoting fiercely scampered forward and sped towards Zhang Xiangyu's direction.

The moment Shen Haoting appeared, Zhang Xiangyu was already prepared.

In the process of talking to Shen Haoting, Zhang Xiangyu had already taken a few steps in the direction of Jiang Hao.

Facing an opponent like Shen Haoting, he had to be prepared, because in front of Shen Haoting, if he was even slightly negligent, he could lose his life in an instant!

As soon as Shen Haoting moved, Zhang Xiangyu also instantly scurried towards Jiang Hao, then a cold light flashed around his waist, and a bright dagger instantly sprang from his waist .....

Zhang Xiangyu jumped behind Jiang Hao in one step, one hand held Jiang Hao's neck, the other hand dagger, directly against Jiang Hao's throat!

Instantly. Shen Haoting stopped his body violently and looked at his opponent with a wary face.

Zhang Xiangyu laughed coldly, and the dagger in his hand was once again placed half an inch closer to Jiang Hao's throat: 'Come on, Shen Haoting, believe it or not, if you dare to take another step forward, I will immediately stab your son's artery with this dagger!'

As he spoke, the sharp tip of Zhang Xiangyu's dagger had already stabbed a wound into Jiang Hao's neck, and blood spilled out instantly.

'If you dare to touch him one more time, I will bruise you to death!' Shen Haoting pointed at Zhang Xiangyu with one hand while shouting a loud rebuke, 'Let go of him right now!'

Shen Haoting had thought that at such a close distance, he could control Zhang Xiangyu before he could react, but he did not expect that Zhang Xiangyu was not an idle person.

It was obvious. The speed that Zhang Xiangyu had just displayed was already considered a master of his craft.

At this moment, Jiang Hao had once again fallen into his hands, and Shen Haoting was a bit anxious as he was throwing his weight around.

'Oh, let me let go of him?' Zhang Xiangyu sneered, 'On what grounds? I let go of him and you can just kill me? Shen Haoting, do you think I'm a fool?'

Zhang Xiangyu knew very well that Jiang Hao was the biggest and last card in his hand at this moment, so releasing him? Is he really crazy?

He had not even thought about how to get out of the situation.

Now Zhang Xiangyu's heart was in a panic. His hands were covered in sweat!

Obviously, Shen Haoting on the other side was also having a hard time, and he was now afraid of really angering Zhang Xiangyu. He was afraid that if he really angered Zhang Xiangyu, he would jump to the wall and really attack Jiang Hao, then wouldn't all his preparations have been wasted?

And he was afraid that he would not only lose a double, but also Jiang Hao, his only son.

Shen Haoting heaved a sigh. He said in a low voice: 'Let's make a deal, I'll let you go, you let go of Jiang Hao, and I promise I won't touch you today!'

'What guarantee do you use?' Zhang Xiangyu laughed coldly and shook his head, 'With your red mouth and white teeth? Shen Haoting, everyone is not a three-year-old child anymore. Do you find this interesting?'

Zhang Xiangyu thought for a moment and continued, 'I can leave, but I have to take your son with me, this boy is now my shield, without him, you can kill me in a minute! I will take him away and when I get to a place I think is safe, I will naturally let him go, then we will not cross the river in well water, I promise not to appear in front of you again, how about that?'

After Zhang Xiangyu finished his words, Shen Haoting and Ye Yunjie glanced at each other. Both of them almost shook their heads.

Shen Haoting snorted coldly and shouted, 'You are dreaming, you don't have the capital to negotiate with me on terms now. You must let go of Jiang Hao, you let go of me, and I, Shen Haoting, take my personality as my guarantee. I will definitely not pursue you!'

'I pooh, your personality?' Zhang Xiangyu said, 'Sorry. I don't believe in your personality. I only believe that your son is my only card, Shen Haoting, don't you find that now is the time to give no capital to negotiate with me?'

As he spoke, Zhang Xiangyu's hand once again exerted a slight force, and at once a deeper blood mark than just before emerged on Jiang Hao's neck, and the blood almost stained the entire dagger red.

Seeing this, Shen Haoting hurriedly beckoned, 'Wait ..... wait, you don't hurt him, let's talk again!'

Chapter 538

'Talk about what? There's nothing to talk about!' Zhang Xiangyu's hands did not let up in the slightest and said, 'Either let me take your son and leave here, or we all die together! Oh, Shen Haoting, it doesn't matter if I die, I'm just a cheap life, but your son is the only bloodline of Ni. But your son is the only bloodline of Nee, and he is also the last sapling of your Shen clan, if he dies, I don't need to tell you the result, right?'

Zhang Xiangyu had obviously pinpointed Shen Haoting's sore point, from which he looked very smug, even thinking that he could really sway Shen Haoting this time.

He knew that it was impossible for Shen Haoting not to agree to his terms, as he had no choice.

Shen Haoting hesitated for a moment, and he looked at Jiang Hao. There was reluctance in his eyes.

Only after a while did he nod and said in a deep voice, 'Alright, I will let you go. But I want you to promise that you must guarantee Jiang Hao's safety, or else I'll find a guarantee to chase you to the ends of the earth and pulverise you.'

Shen Haoting's decision was obviously exceptionally difficult and hesitant.

Moreover, Ye Yunjie behind him also frowned at his words and said softly, 'Mr. Shen ..... will you no longer think about it? If he takes Jiang Shao away, then .....'

Shen Haoting raised his hand and stopped Ye Yunjie's words, 'Well, you don't need to say anymore, how to do it, I know in my heart!'

After Shen Haoting finished, he looked at Zhang Xiangyu with a solemn face and said, 'I can let you go, you can also take Jiang Hao away, but ..... can I say a few words to him again?'

This request from Shen Haoting really made Zhang Xiangyu wary, and he looked at Shen Haoting suspiciously, seemingly with some hesitation, 'What are you going to say?'

Shen Haoting did not say anything, but took a step forward, but his foot had just landed on the ground. He was stopped by Zhang Xiangyu's loud voice: 'Stop right there! Just stand there and say what you have to say, if you take another step forward, don't blame me for being ungracious!'

Shen Haoting stopped steadily, looked at Jiang Hao, and said softly, 'Son, Dad is sorry!'

Jiang Hao froze at his words, then felt his body lighten, only to see the dagger in Zhang Xiangyu's hand instantly cut the rope that was hanging him, Jiang Hao felt his body sore and his whole body nearly fell down.

But Zhang Xiangyu lifted Jiang Hao and then pulled him and tore him outside: 'Well, have you finished? When you're done, just go!'

As he spoke, Zhang Xiangyu couldn't help but glance back at Shen Haoting, his eyes filled with smugness.

He felt that he had beaten Shen Haoting again this time and was wildly happy in his heart!

But he didn't expect that at that moment, at the window behind him, a black hole wound suddenly stretched out and the muzzle of the gun was aimed directly at Zhang Xiangyu's head. The barrel of the gun came out in a ball of fire .....

The moment the barrel of the gun appeared, Zhang Xiangyu already sensed that something was wrong, he almost subconsciously turned his head, the bullet flew right against his scalp, the heat attached to the bullet even scorched a handful of his short hair.

Dodged a bullet!

But before Zhang Xiangyu had time to rejoice, he suddenly realised that he seemed to have been fooled!

For just as he had used all his strength to evade that fatal bullet, the hand he was holding onto Jiang Hao was also subconsciously sent away at that moment.

Immediately afterwards, almost at the same time, Shen Hao Ting also moved!

He rushed straight towards Jiang Hao with a single arrow step, his speed was as fast as lightning, and even before Jiang Hao had time to see his father's figure clearly, his whole body was already in his arms!

Shen Haoting then quickly jumped backwards another step, instantly displacing to three metres away. Almost at the same time as he landed, Shen Haoting flicked his right hand and a flash of white light shot out of his sleeve with a cracking sound. It went straight for Zhang Xiangyu who was in shock.

Zhang Xiangyu had just dodged a bullet and was still having palpitations, and then he lost his biggest card, Jiang Hao, in his hand.

And now Shen Haoting threw a dart at him!

Everything happened almost instantly. Zhang Xiangyu only felt his heart tighten, and before he could even say 'no', his whole body dodged out of position.

Zhang Xiangyu knew his fate today, so he let it go!

As he dodged. A black steel nail flew out under the action of a spring, and the target of the nail was not Shen Haoting, but Jiang Hao in his arms!

Shen Haoting was shocked at the sight of this and fiercely waved his hand to block it .....

‘With a whoosh ....., Shen Haoting’s dart hit Zhang Xiangyu in the chest. A stream of blood spurted out of Zhang Xiangyu’s chest, and his whole body was pushed back a few steps by the force of the dart, and he hit the wall directly.

Zhang Xiangyu wanted to get up and run again, but just as he was about to move, he realised that he could not move at all and felt his body go limp and he had no more strength to stand up.

The steel nails shot by Zhang Xiangyu were also blocked by Shen Haoting’s emergency hand, which directly shifted the direction, and the tip of the knife was stuck dead into the concrete wall on the side.

‘Mr. Shen .....

And at this time, the side of Ye Yunjie and other people only reacted to what had just happened, have rushed up.

Almost simultaneously, from the four sides of this abandoned warehouse. Some people went straight to check on Zhang Xiangyu, who was still convulsing and twitching, but was already unconscious. More people rushed to Shen Haoting’s body to check if he was injured.

But at this point Shen Haoting had long since lost sight of himself, what he was most worried about now was Jiang Hao.

‘Son, are you alright?’ Shen Haoting hurriedly untied the ropes on Jiang Hao’s body. With a worried face, he searched all over Jiang Hao’s body.

When he saw the wound on Jiang Hao’s calf that had been penetrated by steel bars, his whole heart seemed to seize!

‘Is this ..... injury so serious?’ Shen Haoting said urgently, ‘Quickly, prepare the car quickly. Take Jiang Hao to the hospital, go ..... quickly.’

Once Shen Haoting said this, his men immediately walked away and flew out.

And Jiang Hao still seems to have somehow not come back, this day he has experienced too much, his already not thick nerves, seems to have almost reached the edge of collapse.

He just shook his head, as if he was trying hard to hold himself up, but then went limp and his whole body fell into Shen Haoting’s arms again.

When Shen Haoting saw this, a huge stone hung in his heart. He was really afraid that because of today’s incident, this precious son of his would leave some after-effects.

He hurriedly picked up Jiang Hao and got up to run outside.

Only just as Shen Haoting got up, he suddenly felt himself weak, his eyes went black and he fell heavily to the ground.

‘Mr. Shen .....

This scene really scared everyone present, and several people hurried to help Shen Haoting, but they saw that Shen Haoting’s face was miserably white with a few hints of purple.

Ye Yunjie saw this and could not help but be shocked, hurriedly grabbed Shen Haoting’s hand that had just blocked the steel nails to see what was going on, this look, Ye Yunjie’s face suddenly turned white!
