

Chapter 543

At the same time, Tianqi was staring at the Rejuvenation Pill given to him by Charlie in his Clinic.

He recalled what Charlie said to him, and Charlie told him that this medicine can make him ten years younger and extend his life by ten years.

Although he knew that Charlie had great magical powers, he still felt that such a medicinal effect was like a fantasy.

As the saying goes, there is a day when a flower blooms, and a person will never be a teenager.

Human beings can control everything in the world, but they can't control aging alone.

How many in this world, how can there be any elixir to rejuvenate people?

However, when he thought that the medicine was given by Mr. Wade, Tianqi was full of confidence in the medicine again.

He felt that Mr. Wade would never deceive him. Since he said so, then this medicine must have such a magical effect.

So, he made up his mind to take the medicine according to Charlie's instructions.

Tianqi carefully put the Rejuvenating Pill in his mouth. He thought this pill would be more difficult to eat, but he didn't expect that as soon as the pill was taken, it instantly turned into a sweetness and directly flowed into the abdomen.

Immediately afterwards, it was a magical moment that Tianqi would never forget.

He felt that his body was tightly wrapped up and down by a warm current, which was like a strange energy, working in every part of his body.

At first, he felt a little tightness on his face, then his scalp was itchy and numb, and then he felt all the joints become hot.

A few minutes later, Tianqi felt a feeling of rebirth.

It seems that the whole body has really returned to the way it was ten years ago!

He came to the mirror subconsciously, and when he glanced at it, he was shocked by himself in the mirror!

No wonder he felt tight on his face just now. It turned out that the wrinkled skin before was tightened a lot, so he looked a little younger at once!

What's even more amazing is that he was already full of silver hair, but he didn't expect that this full head of silver hair turned out to be more than half black!

The body that was already a little rickety can now stand up straight, and the joints that have been severely degraded have also been greatly improved.

Tianqi hurriedly got on his pulse, signaled his pulse, and then found that his whole person's breath and pulse had been greatly improved compared to before!

In other words, not only does he look younger, not only his bones are younger, but his internal organs, inside and out, are all young!

It's tantamount to suddenly returning from more than seventies to the state of sixties!

Tianqi was crazy!

If a person's life is a clockwork alarm clock, then the energy stored in the clockwork will continue to fade with the passage of time, until the moment when all the energy stored is exhausted, the alarm clock will also stop completely.

And now, Tianqi's life alarm clock is equivalent to being used by Charlie with his God's hand to force back twice!

This also means that Tianqi's life alarm clock can go two more laps!

Isn't this a miracle? !

Chapter 544

If such an elixir is sold, let alone one billion, it means more than one billion. Those old and rich will all rush to buy...

When people are old, what is the use of making more money? If money can return to youth, those billionaires worth billions or tens of billions will definitely spend half or even most of their worth without hesitation to give themselves 10 or 20 years of life!

This is exactly how difficult it is for someone to buy an inch of time!

Tianqi was in tears of excitement at this moment!

Even crying!

He immediately took out his cell phone and sent a WeChat message to Charlie, saying, "Mr. Wade, your immortal medicine, Shi has already taken, thank you very much for your reward, Shi is willing to treat you with all his heart and mind, and will not give up!"

Charlie replied lightly: "It will be effective, but you must remember not to tell anyone other than Zhovia."

Refining such a rejuvenating pill requires three hundred years of premium purple ginseng, which is really precious.

He called for his granddaughter Zhovia who was grinding medicine next door. When Zhovia saw Tianqi, she was shocked and said: "Grandpa...what's wrong with you? Do you feel that you are suddenly younger! With me ten years ago when I was a few years old, I had exactly the same impression of you!"

Tianqi sighed with excitement, "It's all thanks to the elixir given by Mr. Wade! Mr. Wade said that I could be ten years younger and live ten years longer. I didn't expect it to have such a magical effect!"

Zhovia was also stunned, and blurted out: "Grandpa, how can this fairy medicine have such a magical effect? This is incredible!"

Tianqi tremblingly said: "I said earlier that Mr. Wade is a real dragon on earth, which is beyond our comprehension. I have lived such an old age. I never expected that the greatest opportunity in life was to meet Mr. Wade."

With that said, Tianqi hurriedly took out the small wooden box containing the pill from his close-fitting pocket.

In the wooden box, there is also a half pill.

This is the last time Charlie refined the pill that can treat body and nerve damage and strengthen the body.

Half of it was used when he helped Charlie save Jacob, his Old Master.

The whole one was specially rewarded by Charlie after knowing that he refused to treat Fredmen.

Tianqi kept thinking that when he was old, he would take this one and a half pill with him at all times for emergencies.

However, today suddenly had such an opportunity, he prepared to give one of these pills to his granddaughter Zhovia.

So, Tianqi took out the pill and said: "Zhovia, this is the medicine that Mr. Wade previously rewarded at that moment. I originally wanted to keep it for myself..."

Speaking of this, Tianqi looked at Zhovia and said sincerely: "Zhovia, don't blame Grandpa for being selfish. After all, Grandpa is getting old, and the older people are afraid of death and don't want to leave you too early... "

Zhovia hurriedly said: "Grandpa, don't say such things, I never think you are selfish!"

Tianqi smiled slightly and said, "Actually, I understand in his heart that I am selfish."

With that said, Tianqi handed the pill to Zhovia, and said seriously: "Zhovia, Grandpa has received too much favor from Mr. Wade. I have a handful of old bones. It is a blessing that I have been able to have such an opportunity for several lifetimes. Therefore, Grandpa can't enjoy these blessings of Mr. Wade alone. Grandpa will give you this medicine. You can keep it next to your body in case you need it."

Zhovia hurriedly waved her hand and said, "Grandpa, you should keep this medicine, Zhovia don't!"

Tianqi said seriously: "Zhovia, listen to Grandpa's words and accept this medicine. Grandpa alone will not be blessed to endure such a great destiny. You should be helping Grandpa share the destiny."

After speaking, he sighed again: "Zhovia, from today, you must serve Mr. Wade well. Even if your grandpa dies in the future, you must continue to serve. This is not only to repay Mr. Wade's kindness but also for yourself. Seek a greater good fortune!"
