

# Catch Me If You Love Me

## Chapter 55

I don't know how long it took, Zoey Gu opened his eyes groggy.

The air smelled of mud and grass.

With the faint light, she vaguely saw several tall and shaking figures not far away, hands up and down, digging hard on the ground.

Zoey Gu woke up suddenly.

When I moved my body, I discovered that my hands and feet were tightly bound, and my mouth and nose were stuffed!

She immediately struggled with horror, and her mouth kept making violent whimpers.

“Hmm! Hmm...”

Hearing her voice, the man who was moving not far away paused, and the leader dropped the tool in his hand, turned and walked towards her.

A dazzling light hit her face, and the man looked at her and sneered.

“I advise you to stop struggling and save some energy to get on the road.”

Zoey Gu trembled all over.

She shook her head desperately and whimpered, while she kept stretching her legs and thumping on the ground, trying to speak.

The man raised his hand and ripped off what was in her mouth.

Zoey Gu took a sigh of relief, trembling all over, gritted his teeth and stared at the other party and asked with trembling.

“who are you?”

“Even if you want to kill me, you should make me understand!”

The man looked at her condescendingly and snorted coldly.

“Understood? The only thing you didn't understand before you died was that you shouldn't worry about other people's men, fiance!”

Zoey Gu was startled, and a deadly coldness rushed into his body quickly.

It's Anna Yun!

She not only wanted her to disappear from Liam Lu's side, but also wanted her to disappear from this world. This woman is really a beauty and viper!

"What? Are you surprised?"

The man in front of him squatted down at some point, raised her chin with one hand, and patrolled her face with a flashlight.

"The little girl looks so beautiful, she really has some capital. Just hit the road like this, it feels a pity to think about it. It's better..."

Zoey Gu tensed his body, feeling the hairs all over her body stand up.

"Do not touch me!"

She lowered her head, opened her mouth and bit the man's hand hard.

The man let out a muffled snort, and suddenly withdrew his hand, the back of his hand was already covered with blood. He was angry and slapped him with a slap.

Snapped!

"The stinky girl is pretty handsome! I want to see how virgin and loyal a woman who is about to die can be!"

The man rushed in desperately and rode hard on Zoey Gu's body, tearing her clothes frantically with scarlet eyes.

Stabbed...

The body was exposed, and a crazy chill came quickly!

The man ravaged her recklessly-a mouth full of smoky smells constantly biting in her neck, and there was a constant excitement and comfort in the mouth.

"My little lady, cooperate obediently, let's hurry up, and I promise to let you get comfortable once before you hit the road..."

Zoey Gu was trembling all over, and there was a sound of violent teeth fighting between his lips and teeth.

Her hands couldn't provide a trace of strength, she could only avoid the touch of the man desperately.

When the man reached the excitement, he subconsciously reached out to untie the rope on her leg.

When he was free, Zoey Gu suddenly bent his knees and pushed hard against the man's legs...

“what!”

The man held his lower body and rolled off her.

She struggled to get up from the ground in an instant, stumbled all the way and ran out.

But within a few steps, a few figures suddenly rushed towards her in the darkness and pressed her firmly.

Then, a man's voice rang.

“There are so many women who want to sleep, but it's delayed for the young lady. If you can't eat it, go around and send her on the road!”
