

Chapter 567

Now that Panming reported his family, Charlie sent Issac a WeChat along the way.

In WeChat, he asked Issac to help him investigate the personal information of the petrochemical company employee Panming and his wife. At the same time, he asked him to check the relevant situation of Aurous Hill Daz Technology Company.

When Issac was helping to inquire about information, Panming was accepting all the worship.

Most of these elderly people are now working within the system or in state-owned enterprises. Most of them are just ordinary workers. They have been working for a lifetime, and now they have only a few thousand in wages, which is more than enough.

However, Panming is already a section-level cadre employee of the petrochemical company, which makes them very envious.

The petrochemical company's original benefits are very good. The department-level cadres do not seem to be very high, but they are actually very rare. You can see from the salary. This level is already very popular, and everyone is out of it all at once.

What's more, their son-in-law, Jian, turned out to be the CEO of a company that is about to go public. This is really powerful. Listed companies are quite powerful, with a market value of several billions or even tens of billions, and Jones Jian is still so young. , Give him a few more years, wouldn't he be a super rich man?

Jacob also felt very hit.

Back then, this Panming was his defeated man. He desperately pursued Meiqing, but Meiqing didn't even look at him. On the contrary, Meiqing had a soft spot for him.

Now Panming is spreading rumors everywhere, saying that Meiqing only used him as a spare tire, which is nothing but bullsh*t!

Back then, he and Meiqing were in love with each other, and they had long been private for life. The most precious first time Meiqing give to him.

It's a pity that the shameless woman Elaine made a pitfall. She got drunk and had a relationship with him, and then went to Meiqing to show off. In the end, Meiqing was hit hard and decided to go abroad.

So speaking of it, today, he is completely harmed by Elaine.

Otherwise, he must have been married to Meiqing, and even the two of them were likely to go abroad to study together and then stay abroad!

When he thought of this, Jacob felt mixed, but more bitter.

It's so painful that he just wants to cry now, and he doesn't bother to be familiar with Panming.

Charlie received the WeChat from Issac at this time, and in just a few minutes, he had obtained the detailed information of Panming's family.

Panming, the deputy chief of the sales department of the petrochemical company, does have a bit of authority, earns a lot, and is greedy. It looks like he only earns 20,000 wages a month, but in fact he has long used his position to be greedy for thousands Million assets.

Some of the assets he embezzled were transferred abroad, some transferred to his daughter's name, and some were laundered by investing in Jones Jian's company.

As for Jones Jian, a few years ago, he was still a stinker who failed many times in his business. Knowing that Panming is a small leader with real power in the petrochemical company, he went after his daughter frantically, and then quickly enlarged his daughter's belly.

Immediately afterwards, Jones Jian married his daughter and asked him to support the business. Panming privately gave Jones Jian 30 million, and Jones Jian started the company.

Moreover, Jones Jian's Aurous Hill Daz Technology Company is basically a money laundering company for several black gambling shops on Aurous Hill Road.

They built an Internet crowdfunding app, and they called it free crowdfunding for sick patients. The result was that people on the road donated the black money in more than n accounts, and then aggregated them together, one million, one hundred donated to those fictitious "patients", so the company's book performance is also very beautiful.

And ironically, the biggest customer of Jones Jian's Aurous Hill Daz Technology Company is Orvel.

Orvel has several underground black gambling shops in Aurous Hill, and a considerable part of the cash is laundered through the crowdfunding app of Aurous Hill Daz Technology Company.

After Charlie saw these messages, a gratified smile appeared on his face.

Panming, Jones Jian, let you have a while, waiting for you to have enough, waiting for you, there will be endless darkness!

Chapter 568

At this moment, someone outside shouted: "The teacher is here, hurry up and two young boys to help carry it."

Jacob finally breathed a sigh of relief, and said to Charlie: "Hurry up and help."

Charlie nodded.

Panming also said to Jones Jian, "You too, we are all old guys. We are not as good as your young ones, so we can't lift them anymore."

"OK." Jones Jian nodded, and walked out the door with Charlie.

When he went downstairs, Jones Jian's nose was upright, and he didn't bother to look at Charlie.

Charlie didn't bother to talk to him either, anyway, this grandson and his Aurous Hill Daz Technology Company were destined to be stunned today.

However, Charlie still want to find a suitable time to give him a fatal blow.

As the saying goes, extreme happiness produces sadness, and Jones Jian is not so happy yet.

When they got downstairs, they saw an 80-year-Old Master with all white hair sitting in a wheelchair and looking up at the old school building.

Next to him, there was a middle-aged man who saw Charlie came down and said with a smile: "It's really hard work for you. I've grown older, and I've grown older, so I really can't lift it. The teaching building of University is too old. There is not even an elevator installed. After I retired, he always wanted to come back to school to have a look, but my legs were inconvenient and couldn't go anywhere."

The Old Master smiled and said, "Even if you look at me and don't let me move, otherwise I can climb over."

The middle-aged man laughed and said, "Taught for a lifetime, haven't you been in school enough?"

The Old Master shook his head, and said in a righteous manner: "Teaching and educating people is a lifetime matter."

The middle-aged man smiled helplessly and said, "Okay, fulfill your wish today, and then teach your old students."

Charlie listened in awe. The attitude of these older generation of educators to education can almost be called faith.

A trace of disdain flashed across Jones Jian's face, but he didn't say anything, just said: "Let's go up quickly, everyone is waiting."

After finishing speaking, he looked at Charlie and said: "Hey, come and help me!"

Charlie didn't bother to look at him, and said lightly: "I'll do it alone, lest I don't cooperate with a clumsy person like you, and then fall or touch the Old Master."

"Can you do it alone?" Jones Jian had an expression of disbelief.

Charlie ignored him, walked to the back of the wheelchair, shook his hands, directly lifted the entire wheelchair, and walked upstairs steadily.

Charlie's physical fitness is different from ordinary people. After making the rejuvenating pills a few days ago, he himself ate two pills, and his physical fitness has been greatly improved, let alone a man carrying an Old Master and a wheelchair. , Even if it is several times the weight, it is nothing to him.

Jones Jian's eyes were a little surprised, but he didn't need to lift him, it just saved a little effort, so he followed behind and said with a smile: "Oh, you have so much strength, you can go to the construction site to carry bricks and concrete! I have a friend who works on a construction site. Would you like me to introduce?"

Charlie looked at him, smiled and asked, "Do you want to go to the construction site to carry bricks and cement?"

Jones Jian contemptuously said: "I'm talking about you!"

Charlie smiled slightly and said happily: "Okay, you made the arrangements for yourself clearly! Then go to the construction site to carry cement for 20 years, what do you think?"
