

Chapter 587

Although Horiyah tried to stabilize Elaine's mentality, in fact Elaine's mentality at this time had collapsed!

To put it bluntly, she does have a set of mahjong, but the brand is really stinky. The biggest problem is not being able to lose, and all emotions are on her face.

For example, she would be excited for a long time if she slapped her a**, but when her card happened to be stopped by someone else, she would grin and wait for her to be eaten alive.

She won three laps, and finally won more than 300,000, but she lost two big ones at once. Naturally, it was very uncomfortable. Not only did she win three hundred thousand and lost all, she also lost two hundred. In the early days, this really lost half of her life savings!

Elaine hasn't made much money in her life, and her husband has no skills, so it is very rare to save two million.

When she was buying p2p financial management, she almost lost a lot of money. Fortunately, Charlie came forward and asked for the profit.

Later, she even misrepresented her daughter's rent refund of more than 100,000, plus the little money that Jacob made by dumping antiques, and the total amount was two million.

As a result, in the two cards games, they were almost all lost...

Seeing that her face was green, Lian deliberately agitated her and said, "Sister Elaine, do you still want to play? You don't feel sorry for the money, right? Only more than two million, you can even afford Tomson's first product. The big villa, isn't this little pocket money for you?"

"Play! Why don't play!" Elaine's face twitched slightly, and said, "This little money is not a problem, mainly for fun, let's continue!"

"Just to be happy! Money doesn't count." The other two followed.

At this time, Elaine had no idea that the other three not only cooperated with each other, but also calculated her to death.

This automatic mahjong table, when shuffling the cards, you can directly shuffle the cards according to the predetermined plan.

Even throw the dice can be controlled!

In this way, Lian can distribute the cards she wants to everyone in accordance with her own requirements.

In the last hand, Elaine got the card, but the sixty thousand and ninety thousand were already divided by the other three people. Therefore, Elaine's card was already a dead end as long as the three of them didn't fire a gun. She can never win.

But Elaine doesn't know this.

After Elaine got the Tianting card, she was naturally confident. Although she didn't win in the end, she also felt that she just missed the goal.

It was this mentality that made her more impulsive to fight.

Next, Lian used her mobile phone to control the mahjong machine and gave Elaine a little water.

Elaine won two hands in a row, both hands were neat, but there is nothing to do, winning is just a sh!t.

Therefore, Elaine only won 100,000 in total with the two, which is a drop in the bucket compared to what she lost!

Elaine's mentality has become more unstable. Losing two can lose more than two million, and winning two can only win one hundred thousand. Is this too disgusting? Can't she let herself fight two big ones?

Thinking of this, she gritted her teeth, ready to smash to the end with these three people!

The game continues.

With this hand, Elaine has three east, three west, three south and two north, and the other two are two red.

Elaine was stunned when she saw this deck of cards.

Chapter 588

This deck of cards is Tianting again, winning the two.

More importantly, if you can get a north wind, it will be three in the south, east and north. This is a big four!

The big four can win the biggest number!

If you can touch a north wind, you can return two million!

Thinking of this, she shouted directly with excitement, and then began to feel the north wind.

She felt that whether it was, it might not be of much use to others, and ordinary people would definitely type it out after taking it, so even if she couldn't touch it, she could at least wait for others to fire it.

However, how did she know that this hand was already done.

The North Wind and Hongzhong that she needs are all in the hands of Nivia, that is to say, like the previous hand of the day, her hand is a dead end that can never be won!

Elaine waited hard for North Wind and Hongzhong. She waited for several rounds and didn't wait until after Lian drew a card, she knocked it down and said with a smile: "Oh, I'm drawing it myself again! This time it's in front of the gate. A total of forty-eight times, clear, all, and right!"

Nivia saw that she was touching six of them, and hurriedly said, "Oh, sister Lian, you are the last six. I have three in my hand! You are over the Moon!"

"Oh, it's really the Moon!"

Lian happily clapped her hands and said, "Then add eight times, fifty-six times for a family, or five hundred and sixty thousand."

Elaine felt dizzy!

Only two hundred thousand are left in her own bank card, and this one loses another five hundred and sixty thousand, how can she afford it!

Elaine couldn't help pulling Horiyah over, and asked in a low voice: "Sister-in-law, tell you the truth, I don't have much money, can you lend me a little?"

Horiyah cursed secretly in her heart that deserved it, but said in a pretentious manner: "Sister, I don't have this, you don't know the situation of the Willson family..."

Elaine hurriedly asked: "No, you and your eldest brother went to see the villa last time. Anyway, an old villa costs more than 10 million? Can you borrow hundreds of thousands?"

Horiyah sighed and said: "The money was all taken away by the dead Lady Willson to fill the hole in the Willson Group!"

Elaine said anxiously: "Then what should I do, I don't have enough money to give! If I can't continue to fight, what can I do to turn over!"

At this time, Lian said: "Sister Elaine, you don't have any money, are you? If you don't play, please settle this account quickly."

Elaine couldn't do it anxiously, and said with a smile: "How come I don't have money, but I didn't bring so much. Can I owe this account first? When the eight laps are finished, we will make the knot together."

She felt that she had to find a way to win the money back today. If she doesn't fight now, the more than two million will be lost forever!

She thought that Lian was so rich, and often lost millions at a time, she should not care about the money, she was very talkative, and she should be able to agree to her request.

Unexpectedly, Lian's face suddenly became cold, and she said sharply, "Sister Elaine, you can't do this! Playing mahjong is the result of every win or loss. How can there be any reason to owe it? It was given to you right away. Why do you want to go back on the bill now that you lose?"

Lian said again, "Besides, if you don't take out the money, you still have to play mahjong with us. Isn't that the empty glove white wolf? If you win, it's okay to say, if you lose, what will we do?"

Elaine's face flushed, and could not speak.

Lian looked at her and said with some contempt: "I heard Horiyah say that your card is good, so I am willing to play with you. If you are unwilling to pay to continue playing, please put these five One hundred and sixty thousand knots, this is the end of today, no more play!"
