

## Chapter 589

Elaine has completely fallen into the pit now. She didn't realize that she was pitted. All she thought was about winning the money back.

Therefore, when Lian said that she would not play, Elaine immediately became excited, and blurted out: "How can I say that I don't want to play and stop playing? After saying that I will play eight laps, only three laps!"

Lian said helplessly: "Sister, it's not that I don't want to play with you, the point is that you have no money."

After that, Lian said again: "Let's take a step back. You settle the money first, and then we can always play a little bit smaller? I will accompany you if we play one thousand or one hundred. play!"

"One thousand? One hundred?" Elaine was anxious, and blurted out: "How can I do it! If I play such a small game, I can only win the ear of the monkey?"

Lian reluctantly said: "Then if you want to continue to play 10,000, you have to take out the money first, otherwise I won't play, and this is the end of today."

Horiyah hurriedly sang red face and said: "Sister Lian, Elaine really doesn't have so much money in her hands. We are all friends. You give accommodations..."

After speaking, she did not forget to wink at Lian.

Lian immediately understood, and said: "Well, from Horiyah's face, if you don't have cash, you can take other things of equal value as collateral."

As soon as these words came out, Elaine suddenly seemed to have grasped the last straw.

She hurriedly said: "The house I live in now is a three-bedroom house, which is worth a small two million. I will mortgage the house to you. Is this alright?"

"That's okay!" Lian said with a smile: "But you have to get the real estate certificate first, and then write me a mortgage contract."

Elaine blurted out: "Okay, you are waiting for me, I will go back to get the real estate certificate!"

After speaking, Elaine hurriedly got up and was about to leave.

Lian hurriedly stopped her and said, "Hey, don't worry, sister Elaine, you haven't given me the five hundred and sixty thousand just now."

Elaine looked at the balance of the mobile bank and found that it was only two hundred and sixty thousand, so she said: "Sister Lian, I only have two hundred and sixty thousand, I will transfer it to you, and the rest will wait until I take the room book. Deduct from the mortgaged money, this head office?"

"It's OK." Lian said, "Then you first write me an IOU for 300,000, and then you go, otherwise, if you don't return, who should I go for 300,000? Am I right?"

Elaine just wanted to take the room book and continue to fight with them until she turned over. So when she heard this, she nodded without hesitation and said, "Okay, I will pay you an IOU!"

Lian immediately brought paper and pen, Elaine wrote an IOU for 300,000 owed on it, and then pressed another fingerprint, and Lian let her go.

As soon as Elaine got out of Tomson's first product, she hurriedly drove home.

She calculated that her daughter must be busy in the company, and her husband and son-in-law must still be attending the class reunion. She hurriedly went back and took the room book before coming back. They would definitely not find it.

In this way, she can continue to fight with them until the turn over!

Soon, Elaine took the book from the house and returned to the villa.

After Lian got the house book, she immediately searched the second-hand house quotation of the same type in this community with her mobile phone, and found that the lowest quotation was only 1.8 million. The unit size is only 1.8 million, and the general bank mortgage only recognizes 90% of market value, so if she mortgaged, she can only mortgage 1.62 million."

Elaine just wanted to continue playing cards quickly so that she could turn over, so she blurted out: "Then it will be mortgaged with 1.62 million. I owe 300,000, and you can just give me 1.32 million! Let's continue to fight, what do you think?"

Lian said, "That's okay, but we have to draw up a mortgage contract. If you lose or don't accept it, I will care who wants the money, right?"

Elaine said impatiently: "Then hurry up, sign early and continue early!"

Later, after she finished the contract with Lian and pressed her fingerprints, Lian transferred her 1.32 million back from the mobile bank.

But she didn't care at all, because she knew that the 1.32 million was transferred to Elaine's account and would come back soon.

Elaine secretly made up her mind at this time, this time, she must bring back all the profits!

## **Chapter 590**

Then immediately put into the game.

But she never dreamed that she would have entered the 1.32 million in just half an hour!

Elaine had completely lost her eyes at this time. At the moment when all the money was lost, she was extremely unwilling to say: "Come, come, come again!"

Lian said: "Sister, you don't have any money anymore. Come again, if you lose again, what will you pay?"

"I....."

Elaine suddenly didn't know how to answer this question.

She is indeed exhausted.

All the savings in the family were entered, even the only house.

Now, she has nothing to mortgage.

However, with sharp eyes, Lian recognized the jade bracelet on her wrist and blurted out: "Oh, I think your bracelet is good!"

"Bracelet?" Elaine looked down at her wrist, and then remembered that she still has a valuable treasure!

This bracelet was a gift specially given by Qin Gang, the Patriarch of the Qin Family, to curry favor with her son-in-law, Charlie.

Charlie gave this bracelet to his daughter Claire. Claire stole it by her before she wore it, and later blatantly took it and refused to return it.

It was just a bracelet, Charlie didn't care, and Claire was too embarrassed to ask his mother for it, so this bracelet was always on her hand.

Elaine hurriedly took off the bracelet, handed it to Lian, and said with red eyes: "This bracelet, but the finest Laokeng jade, when I bought it for 5 million, you have to mortgage me 4 million, right?"

Lian took the bracelet, looked at it carefully, and was shocked.

This bracelet is indeed top-quality, old pit jade, and it also carries a variety of very good things, five million is not expensive.

However, she herself has been in the casino for many years, how to cheat people, how to take advantage of the fire, she is simply a connoisseur.

So she smiled, handed the bracelet back to Elaine, and said with a smile: "Sister Elaine, your bracelet is good, but to be honest, it's not worth five million, but at most hundreds of thousands."

"How is it possible!" Elaine blurted out: "This thing was bought for five million, and I have seen the receipt!"

"If you buy five million, you may not really be able to sell it for five million." Lian smiled disdainfully: "The jade business itself is extremely watery. If you are slaughtered, you will be slaughtered. You can never come again?"

After that, Lian said again: "Let's do it, for the sake of everyone's good relationship, I will mortgage you one million for this bracelet, which is the most. If you are willing, you can sign it. If you don't want it, forget it."

Elaine had long been gambling, and blurted out: "I am willing!"

Horiyah said at this time: "Oh, Elaine, or just forget it today. If you pledge one million for this bracelet, it is estimated that two or three will be gone. Why bother?"

When Lian heard this, she nodded and said, "She is right. One million is really not a big deal. Why don't we make an appointment another day?"

“No!” Elaine suddenly became anxious and blurted out: “You think I have no money, don’t you? Tell you, my Lady Willson still has a villa, which is in Tomson first-grade a05, worth 130 million!”

Horiyah hurriedly said, “Oh, isn’t that villa owned by Charlie? Can you use it as a mortgage?”

Elaine was anxious and blurted out: “Of course I can! Why not? He is my son-in-law. If he dares to refuse by then, I will show him his death!”
