

Chapter 591: No

Once again, she was pressed down on the bed. Bo Jinchuan's hot and moist kiss followed, landing on her chin, shoulders, and collarbone.

When his large palm landed on her, Shen Fanxing's body trembled and a familiar numbness spread throughout her body.

"Mmm..."

She couldn't help but moan softly. Bo Jinchuan's breathing became heavier.

The kiss traveled from her collarbone to her chest, and then bit by bit, it moved towards the part of her that was rarely touched. It was a torturous kiss that made one's heart itch.

Her tensed body had softened at some point. Bo Jinchuan seemed to be playing a prank on her, or giving her time to get used to it. He lingered on the edge for a long time before he suddenly sucked on her the moment her nerves relaxed...

This was a place that had never been touched by anyone before. The warm and moist touch made Shen Fanxing moan softly and her body bent abruptly.

"Bo Jinchuan... Bo Jinchuan..."

Little –

It was as though there was an electric current swirling in his abdomen, and his entire body was trembling violently.

Bo Jinchuan was shocked. She was like an inexperienced girl, so sensitive that it was shocking.

She had never experienced anything...

He had never been a pedantic person, and his pursuit of Shen Fanxing had never been based on whether she had gone through any human experience.

She had her own life, her youth, and her previous world. There was no sign of him. Whatever happened was something he couldn't choose.

It was just that they had missed each other too much.

Regrets were only regrets.

But now, her reaction made him feel a sense of anticipation.

Shen Fanxing's face was flushed as she stared at her. Her eyes were filled with a depth and confusion that he had never seen before.

He looked at her with a hint of surprise and his voice was as low as a whisper.

"Fanxing, you..."

The sound of the doorbell pierced Bo Jinchuan's ears and his face darkened.

Shen Fanxing was also shocked by the doorbell. Her body stiffened and her eyes regained clarity.

The doorbell rang continuously, and Bo Jinhang's high-pitched voice could be heard faintly through the door.

"Brother, open the door. Wanwan and I are here to celebrate your birthday!"

"Brother! Open the door! Brother! Wanwan, call me!"

"Big Brother... open the door quickly. It's time to eat the cake..."

Shen Fanxing watched as Bo Jinchuan's handsome face darkened. Green veins popped on his forehead.

Shen Fanxing suddenly felt an inappropriate sense of pity for Bo Jinchuan. She found him pitiful and funny.

"This brother of yours... is in charge of tricking you, right?"

Bo Jinchuan lowered his gaze to her, his eyes full of displeasure.

Shen Fanxing caressed his handsome face helplessly.

"Since he's here to celebrate your birthday, you should go down. Don't waste his kindness."

Bo Jinchuan frowned and wrapped his arms tightly around her waist.

"No."

Bo Jinchuan pinched her waist and bent to kiss her on the lips.

Caught off guard, Shen Fanxing gasped and a trace of confusion flashed across her eyes. Her lips parted involuntarily at his scent and actions.

Bo Jinchuan smiled and entered her mouth quickly. He sucked on the tip of her tongue and their bodies were entangled again..

Chapter 592: Together

Bo Jinchuan smiled and quickly entered her mouth. He sucked the tip of her tongue and chased after her. His body was aroused again.

"Brother... Sister-in-law.

"Big Brother... Sister-in-law..."

The two pitiful voices outside the room made one have mixed feelings.

Shen Fanxing's eyes flashed as she looked at Bo Jinchuan.

In the end, Bo Jinchuan gave up on kissing her and was forced to end the banquet for the second time.

“Maybe... this time...”

Shen Fanxing couldn't bear to say it.

Instead, she got out of bed silently and put on a simple set of home clothes.

Under Bo Jinchuan's heavy gaze, she walked out of the room. It was obvious that she was going to open the door.

Just as she reached the living room, someone pulled her back. Bo Jinchuan's tall figure swept past her and strode to the door.

Shen Fanxing stopped in her tracks and stood at the staircase.

Bo Jinchuan opened the door and Bo Jinhang looked up in surprise.

“F*ck!”

A punch landed on Bo Jinhang's face. He let out a cry and leaned back to avoid Bo Jinchuan's punch.

After avoiding the disaster, Bo Jinhang heaved a sigh of relief. He looked at his gloomy brother and said, “It's your birthday. Why are you so angry? I even bought you a cake!”

“Big Brother...”

Wanwan stood at the side in fear. She held the cake box and looked up at him timidly.

“Get lost! Don't come looking for me if the sky can't fall!”

Bo Jinchuan didn't look at Wanwan as he spoke darkly to Bo Jinhang.

Bo Jinhang stared at Bo Jinchuan for a long time before looking down at his watch.

“No way. You've only been home for less than an hour. Are you going to get to the point so soon?”¹

With a loud bang, Bo Jinchuan slammed the door shut. His dark face was filled with dissatisfaction.

When Shen Fanxing heard Wanwan's voice, she wanted to welcome her in. But just as she took a step, Bo Jinchuan closed the door.

The smile on her face froze when Bo Jinchuan closed the door and turned around to stare at her.

She turned around instinctively and walked upstairs. “I... I'm going to take a shower!”

However, before she could take a step, she was pulled into someone's embrace.

“I told you, I won't let you off tonight.”

Lo

Bo Jinchuan didn't give her any chance to retort. He carried her and headed upstairs.

He carried her into the bathroom.

“Why did you come here?”

“Didn’t you say you wanted to take a shower?”

Shen Fanxing blushed shyly.

She felt like she had shot herself in the foot again.

“I wash myself.”

“Together...”

Bo Jinchuan placed her on the ground and Shen Fanxing couldn’t help but take two steps back. She leaned against the wall, but her shoulders were leaning against the hot water.

With a beep, warm water suddenly splashed down from the showerhead.

Startled, she took a step forward and was instantly drenched.

Looking up again, she was about to turn off the shower when she slipped. It wasn’t enough for her to fall, but Bo Jinchuan pulled her into his embrace and pushed her back against the wall..

Chapter 593: Couldn’t Stop

After escaping the shower, Shen Fanxing wiped the water off her face.

When she looked up again, she saw that Bo Jinchuan was drenched. His black hair was messed up by the water and landed on his forehead. It was messy, but he didn’t look disheveled.

At this moment, he was looking down at her. His dark eyes were filled with fire as he stared at her.

Shen Fanxing blushed and avoided his gaze.

It was for no other reason than shyness and awkwardness.

Bo Jinchuan looked down at her, but his arms didn’t loosen.

Shen Fanxing pursed her lips as she panted nervously. Her heart was beating wildly.

“What... are you doing?”

The moment she said that, Shen Fanxing bit her tongue lightly.

It was too easy for her to create a topic for this man.

Bo Jinchuan pulled her arm away slowly, his voice low and hoarse.

“Kissing you...”

Shen Fanxing’s heart skipped a beat before it raced again. She looked up at him frantically.

Bo Jinchuan’s eyes were burning as he stared at her intently. He lowered his head and kissed her.

What would come would come.

The dividing line... the dividing line... the dividing line.

“Bo Jinchuan...”

“Yes?”

His rough breath tickled her ear.

“What’s wrong?”

He looked up at her and saw her biting her lips and blushing. His Adam’s apple suddenly bobbed.

He bent his head and placed a hand on her leg.

“No...” Shen Fanxing shook her head as a strong sense of shame filled her eyes.

Bo Jinchuan’s eyes darkened.

“Be good... Let me see...”

His gentle words were veiled and Shen Fanxing’s face turned red.

Shen Fanxing bit her lips tightly, unwilling to compromise.

How could she let a noble and elegant man like Bo Jinchuan see her like this?

Her pitiful look moved Bo Jinchuan and he lowered his head to kiss her again.

‘When her secret was exposed, Shen Fanxing closed her eyes tightly, embarrassed to face the man.

However, Bo Jinchuan’s heart skipped a beat. What followed was novelty and joy.

Shen Fanxing was so embarrassed that she wanted to bite her tongue off.

Let’s end it here.

Bo Jinchuan stared at her. “Here...”

Shen Fanxing opened her eyes and covered his mouth forcefully.

“Don’t say it!”

A smile appeared on Bo Jinchuan’s face.

“Okay, I’ll listen to you.”

Shen Fanxing blinked in relief.

Bo Jinchuan said in a low voice,

“But it’s said that it hurts. You... I’ll be careful...”

Shen Fanxing blinked and looked at Bo Jinchuan’s awkward expression. Her nervous and shy face broke into a smile.

ptt”

Bo Jinchuan narrowed his eyes and asked, “What are you laughing at?”

“Are you really inexperienced?”

Since they were in the same boat, who was better off than the other?

Shen Fanxing gradually relaxed and smiled at Bo Jinchuan.

“Most men will the first time, so don’t worry if you’re the same. That’s normal.”

Bo Jinchuan’s handsome face darkened.

Shen Fanxing had committed a grave sin.

Although she was only being kind and had only considered Bo Jinchuan’s feelings, to a man, using the word “fast” to describe such a matter was the greatest provocation to his dignity.

“Is that so?”

After a long while, Bo Jinchuan’s voice sounded. He had a sinister smile on his face.

The smile on Shen Fanxing’s face faded and a bad premonition arose. She wanted to escape again.

However, the man had already seen through her thoughts. With one hand on her slender waist, he flipped over and looked down at her.

“Let’s try it first.”

Shen Fanxing couldn’t smile anymore.

His fingers continued to burn her body.

In the end, there was only one thought in Shen Fanxing’s mind.

A woman’s first time was painful.

Aman’s first time might not be “fast”.

Bo Jinchuan’s appetite was unimaginable.

“No, that’s enough...”

Her soft voice was hoarse and pitiful.

Bo Jinchuan looked at her flushed face. Her exquisite collarbones were moving as he had imagined. Coupled with her dazed eyes, how could he let her off?

Addiction.

He was addicted to her.

He was addicted to her every frown and smile.

He was addicted to her body.

He lowered his head and kissed her soft lips. His low voice sounded in her ears.

“I’m sorry, Fanxing...”

He was addicted, as if he had been poisoned.

She couldn't control herself...

Chapter 594: I'm Not Going With You!

'When Bo Jinchuan was finally satisfied, it was already midnight.

Shen Fanxing was like a puddle of water in Bo Jinchuan's embrace. Her eyes were closed and her eyelashes fluttered as she breathed. She was too tired to even move her fingers.

After a long while, Shen Fanxing was carried into the bathroom by the energetic man.

'When she was placed into the bathtub filled with hot water, Shen Fanxing opened her eyes slightly. She suddenly felt as though she had been revived.

Bo Jinchuan bent down and planted a light kiss on her lips.

Her voice was filled with guilt, but it was still hoarse.

"Rest. I'll help you shower."

Shen Fanxing's fingers twitched and she didn't even have the strength to speak. In the end, she blinked slowly, not knowing what to say.

Bo Jinchuan was already wiping her body seriously.

Her round eyes moved quickly before calming down.

The bathroom was filled with steam again and Shen Fanxing's eyelashes fluttered.

In her daze, she felt the scent of his hands on her body change. She suddenly opened her eyes and met Bo Jinchuan's dark orbs.

Through the mist, Shen Fanxing was familiar with the dark emotions in his eyes.

Recalling the endless torment just now, Shen Fanxing gasped in shock. Her legs bent in the water and the water in the bathtub splashed.

"LI wash myself..."

"Don't move. Do you have the strength?"

Bo Jinchuan pressed her bent knees down again.

Shen Fanxing held her breath.

She glared at him angrily.

There was still a hint of charm in her eyes.

Her current appearance added to her charm.

Bo Jinchuan's Adam's apple bobbed.

"I'm done."

Shen Fanxing was quick-witted. Since strength wasn't the best answer, she might as well avoid the question.

Bo Jinchuan glanced at her before standing up to scoop her out of the bathtub.

Placing her wet body on the soft bed, Bo Jinchuan wrapped her in a blanket like a baby.

Confused, Shen Fanxing said,

"Go back and sleep downstairs tonight! I'm not sleeping with you."

Bo Jinchuan frowned and leaned towards her unhappily.

"Why?"

Shen Fanxing gripped the edge of the blanket tightly and looked up. Her eyes were filled with gentleness and grievance.

"I'm weak all over... My bones are about to fall apart..."

Bo Jinchuan looked at her and chuckled softly.

"Do you still dare to say it's fast?"

Shen Fanxing shook her head firmly.

Bo Jinchuan chuckled and bent to kiss her.

She bent down and carried Shen Fanxing in her arms before walking out.

"What are you doing?" asked Shen Fanxing, who was wrapped up.

"Go downstairs. You can't sleep on the bed here."

"I'll get dressed!"

"No need, it's troublesome."

There was only one level between them. Bo Jinchuan carried her through the emergency exit.

"What else did you prepare for me?" asked Bo Jinchuan as he walked.

Shen Fanxing suddenly recalled the bottle of rose essential oil in the middle of the roses and shuddered.

"No."

If he knew about the rose essential oil, he would definitely kill her!

Bo Jinchuan sensed her reaction and asked softly,

"Nothing else?"

Shen Fanxing nodded and emphasized.

“No!”

Bo Jinchuan gave her a meaningful look before falling silent.

Carrying Shen Fanxing to the door, Bo Jinchuan stood still and glanced at her.

Shen Fanxing understood immediately and entered the password.

The moment the door opened, a strong fragrance wafted in

Chapter 595: Sit Down

The moment the door opened, a strong fragrance wafted in.

Shen Fanxing was familiar with the smell.

The room was dark and she couldn't see the scenery inside, but she had a guess.

‘At the same time, anticipation arose.

Confused, she looked up at Bo Jinchuan and asked, “Is there something in your room?”

Bo Jinchuan pursed his lips and carried Shen Fanxing into the room.

In the darkness, Shen Fanxing could feel Bo Jinchuan carrying her to the coffee table.

She wanted to know what was in the room, but her hands were wrapped in a blanket and she couldn't take it out.

“Sit properly.”

Bo Jinchuan reminded her softly before standing up slowly. He walked to the side and the warm lights in the room lit up.

Due to the light, Shen Fanxing closed her eyes gently.

She opened her eyes slowly and everything in the room came into view. Shen Fanxing's beautiful eyes were filled with disbelief.

The room was filled with the fragrance of roses, and in front of her were clusters of roses.

The entire room was filled with roses.

‘The difference was that the roses here were gorgeous.

Red, pink, yellow, white, purple, and blue filled the room.

The place where she sat on the coffee table was filled with stars.

Before the shock dissipated, a strong sense of happiness suddenly overwhelmed her.

So this was how it felt to be given roses by someone she liked.

Moreover, it was such a huge force.

Shen Fanxing was touched by his romantic gesture.

She didn't expect Bo Jinchuan to do such a thing.

What right did she have to become such a blissful woman in this world?

It turned out that she liked surprises from men just like other women.

Looking up at Bo Jinchuan, who had once again walked towards Shen Fanxing, Shen Fanxing was visibly moved.

"It's too difficult to find roses in the entire city, so I brought all kinds of roses from all over the world."

Shen Fanxing wrapped her hands tightly around her chest.

She looked at him excitedly. "You... Why did you prepare all these?"

Bo Jinchuan looked down at Shen Fanxing, who was sitting in the middle of the room. His lips curled into a smile.

"Want another birthday present from you."

Shen Fanxing's fingers trembled as she continued to stare at the handsome man.

"What gift?"

"You."

Shen Fanxing blushed and looked down at herself.

'Wasn't she already eaten clean?

Did she want to do it again?

Bo Jinchuan could tell what she was thinking and he couldn't help but smile.

Then, he bent down slowly and knelt on one knee in front of her.

"Marry me. Hmm?"

Shen Fanxing's heart skipped a beat.

Her lips pursed tightly and her eyes turned red.

Caught off guard, the city wall that he had built in his heart collapsed.

She suddenly felt that her happiness now was enough to bury all the pain and injustice she had experienced in the past.

Shen Fanxing sniffed. There was a hint of coyness in her eyes and her fair skin was flushed. Her clear eyes seemed to be filled with stars..
