

Chapter 61

Gerald really wants to die!

Oh sh!t!

What's up!

Did you go out today without reading the almanac?

Why did you get slapped by Charlie one after another?

Even if he killed himself, this painting turned out to be real, and it was worth more than two hundred thousand!

However, he has already said his bold words, what should he do now? Should he really eat the table?

Impossible!

When the car burns you can buy it again, but how can the table be eaten?

If you really eat it, don't people want to die?

Other classmates also ridiculed him at this time: "Oh, Gerald, you said to eat the table yourself, don't you regret it again at this time?"

"Yes, everyone is still waiting for your performance!"

Don't know who slapped the table but a voice came: "Brother Gerald, please start your performance!"

Gerald's expression was extremely ugly, and he blurted out: "Everyone, classmates, don't you need to be so downhearted at this time?"

"Callous?" Charlie said with a smile: "You provoked this matter yourself. Everyone just urged you to fulfill your promises. Why do you get down?"

Gerald knew that he couldn't get over with this crop today, so he could only endure his anger. He said in an annoying voice, "I was impulsive just now. I didn't know it. I apologize to Charlie and everyone. I hope everyone will be able to forgive."

Seeing that he suddenly softened, everyone was very surprised. Is this still Gerald? When did he admit it?

But Gerald had no choice.

What to do?

If he doesn't admit that, he's to eat the table, it's impossible to eat it.

If he acts shamelessly, he must have committed public anger, and everyone still doesn't know how to ridicule him.

Therefore, the only way at the moment is to admit the mistake, and only then can he overcome this hurdle.

Sure enough, as soon as he admitted, some classmates said: "Oh, it is not easy for Gerald to admit his mistake and apologize. Besides, it is impossible for everyone to really force others to eat the table, so let's forget it!"

"That's right, forget it! It's impossible to eat a table, no one has eaten a table, let's start it quickly!"

Charlie also knew that it was impossible for Gerald to eat at the table, but now that he admits it, his goal has been achieved. If you pretend to be forced, you have to clean up.

However, it is not enough for you to pretend to be so coercive and to tidy up like this. It is just the beginning, and there will be more miserable waiting for him later.

So he said, "Since Gerald has admitted his mistake and apologized, forget about eating the table. Today is the day when Stephen Hotel opened, so don't steal the limelight!"

Gerald breathed a sigh of relief.

But in his heart, he can't wait to kill Charlie to relieve his only hatred.

Charlie didn't plan to let him go either. He sent a text message to Doris Young: "Which vice president of the company has the surname White, and his son is Gerald, please check for me."

Doris Young quickly replied: "There is a vice president named Younghai White, and his son is named Gerald. What's the matter with the chairman, what is your order?"

Charlie replied: "Knock him off and let him go now."

"OK, sir!"

Gerald didn't know that his father had been expelled from the Emgrand Group and was walking through the expulsion process at the Emgrand Group.

After finally overcoming the gambling spell, he breathed a sigh of relief, but he was secretly thinking that he must find an opportunity to take revenge on Charlie!

Chapter 62:

More importantly, he has to find a way to regain his dignity in front of his classmates. Otherwise, after being beaten by Charlie twice in a row, how can he pretend to be formidable in front of classmates in the future?

When he didn't know how to get his status back, there was a sudden noise at the door of the hotel.

Everyone looked sideways.

They saw a group of wicked young people rushing in, all of them wearing tattoos, holding baseball bats, galvanized water pipes, and the like. They were looking very uncomfortable at first sight.

Seeing such a group of people rushing in, everyone's expressions changed, especially Stephen and Lili, their eyes full of fear.

After the head of the scarred face came in, he first glanced around the hall, then pointed at Stephen, and said with a grin: "Boss, don't say hello in advance for such a big business, do you look down on us brothers?"

Lili's face was pale, she squeezed out a smile, and said, "What are you guys doing?"

Before the opening, Lili heard that there are people collecting protection fees. The last owner of this restaurant was said to have been destroyed by these gangsters and had to transfer this shop out of necessity.

However, Lili felt that, in a bright world, would those black people still dare to grab money in broad daylight? That's why she won this place at a low price and was ready to manage it.

Unexpectedly, just after opening, these people from the community would come here!

Scarface grinned: "When doing business here, we naturally want to take care of our brother Biao. We don't want too much. Give us 20% of the stock of your restaurant. In the future, if something happens to you here. It will be covered by us."

After that, Scarface said coldly: "If you don't give it, then don't blame me for being polite, you have to close the door today!"

Upon hearing this price, Stephen and Lili both took a breath.

Twenty percent of the shares are required for one mouthful!

This is daylight grabbing!

"Give you a minute to think about it."

Suddenly, Gerald felt that he had a chance to come forward!

So he came out immediately and said: "Who are you guys with?"

Scarface asked with a grinning smile: "What are you, do I have to report to you?"

Gerald hummed and said, "Tell you, my father has contacts in both black and white in Aurous Hill! I'll call the leader of the development zone and ask!"

Scarface looked at him with some fear, and tentatively said: "Do you know the leaders of the development zone?"

"Of course!" Gerald said coldly, "Get out if you don't want to die!"

Scarface frowned and said, "Well, if you can find someone who can talk, I won't come to this store in the future, but if you can't find it, then don't blame me for being rude to you!"

Lili said nervously, "Brother Gerald, please contact us, please!"

Gerald smiled faintly and said, "Don't worry, I will call the leaders of the development zone!"

The Emgrand Group also has projects in the development zone, and Gerald's father is in charge, so the development zone leader has a lot of contact with his father, and he also knows Gerald.

Gerald called the first person directly, and he deliberately raised his voice and said: "Uncle Li, why are there a bunch of gangsters in the development zone collecting protection fees? They all came to my classmate's business!"

There was a moment of stunned, and said: "Take off, what's the matter?"

Gerald said: "A friend of mine opened a restaurant and encountered a disturbance and asked for protection fees, so I would like to ask District Mayor Li."

The other end pondered for a moment, and said with a slight embarrassment: "I'm sorry to take off. I don't care about these things you said. I'm in a meeting now, so I'll hang up."

Without waiting for Gerald to speak, he hung up the phone.

Gerald was dumbfounded.

what happened? Wasn't District Mayor Li always cheating on his father, hoping to get more investment from the Emgrand Group?

Why didn't he listen now?

Where did Gerald know that the news that his father was expelled from the Emgrand Group had spread throughout the leadership of Aurous Hill!
