

The One and The Only Chapter 61 - 70

Lei Zhennan didn't get things done this time, and he felt a bit slapped.
At this time, I pleased Cao Jianbin, Song Zhongxiong and others: "Boss Cao, Mr. Song, wait for dinner at the Luming Hotel, and then go to my Shura Stadium to watch the black market boxing match. Everyone is happy, Yash Nics's matter, I It will be done tomorrow."
The largest black boxing arena in China Shipping, the Shura Field, is run by Lei Zhennan. Many wealthy men and women in the upper class like to watch this bloody and exciting black market boxing match to vent their dark desires.
Cao Jianbin and Song Zhongxiong are also very interested in black market boxing matches, and they all agreed.
As night fell, the lights came on.
Yash Nics and Song Pingting's family were after dinner and were watching cartoons with their daughter.
Suddenly the door bell rang. Song Pingting went over to open the door and found that Dong Tianbao was standing at the door a little bewildered. She was surprised and asked: "Mr. Dong, why are you here."
Dong Tianbao, who is usually not alive, seems to be going. The students visited by the teacher's house looked cautious and restrained. He respectfully said: "Madam, I'm here to see the young master."
Yash Nics's voice came from the room: "Tianbao is here, come in!"
Dong Tianbao followed Song. Ping Ting entered the room, Yash Nics handed the daughter in his arms to Song Ping Ting. He said to Dong Tianbao faintly: "Come to my study." The two moved to the study. Song Ping Ting brought two cups of tea. , Then retired.

Yash Nics's eyes fell on Dong Tianbao, and he asked faintly: "I heard that your father has passed away. Is the funeral done?"
Dong Tianbao felt Yash Nics's concern and flattered and said: "Report to the young master, my father's funeral has already It's done, thank you Master for your concern."
Dong Tianbao hesitated for a moment, and then said: "Master, it is said that these days

when I was not in Mannity, I went to Leihu Lei Zhennan's mess and sent people to the young wife's construction site to make trouble. The team leader asked me to ask you if you want to send one. The army, go and kill Lei Zhennan and his group directly?" Dong Tianbao used to be a member of the Yash Nics guard. The captain he was talking about was naturally the guard captain Dian Chu. Yash Nics said indifferently: "There is no need to waste national resources. Besides, aren't you here? Could it be that you have no confidence to kill Lei Zhennan and his gang?" In fact, Lei Zhennan has been in the underground circle of Mannity for many years. More powerful than Dong Tianbao. However, Dong Tianbao absolutely cannot say no in front of the God of War he worships. He said loudly without hesitation: "Of course he has confidence, and his subordinates will lead people to destroy Lei Zhennan and his gang." Dong Tianbao secretly decided in his heart . , Summoning all his power, no matter how heavy the price is, we must destroy Lei Zhennan and the team, and we can't lose the young commander. Yash Nics is good at observing words and colors. He knew that Dong Tianbao was biting his head. He smiled slightly and said, "Don't worry, when you come with me to Lei Zhennan's site, teach him a little lesson first." Dong Tianbao's eyes widened: "Master, what is Lei Zhennan worthy of your own shot?" Yash Nics said lightly: "There are a lot of beam jumping clowns recently. I'm bored and play with them." ...

Tiandu Hot Spring Club, Mannity's largest black-market boxing arena is the Shura venue. Tonight because of the black market boxing match, the parking lot in front of the Tiandu Hot Spring Club was full of all kinds of luxury cars. Many wealthy people came to watch the game and seek excitement. Suddenly, a convoy composed of a Rolls Royce and three black Audis appeared at the entrance of the Tiandu Hot Spring Club. The door opened, and a burly man, a slender boy, and ten bodyguards got out of the car.

This slender boy is naturally Yash Nics.

The burly man is Dong Tianbao.

The One and The Only Chapter 62

Yash Nics belongs to the kind of man who feels good at first sight, and finds more attractive as he sees it.

There are no shortage of celebrities, daughters, and wealthy young women. When they see

Yash Nics who had come from Rolls Royce, they couldn't help being overwhelmed. If it weren't for seeing Dong Tianbao's gang guarding Yash Nics, they would take the initiative to post and say hello.

A beautiful manager wearing a cheongsam hurried up when he saw this and asked with a

smile: "I am the manager here, Tan Meiling, can I ask you, son, what can I do for you?"

Yash Nics did not say a word, and Dong Tianbao beside him was angry. Said: "Our young

master is here to watch the black boxing competition."

Tan Meiling said

with a smile : "Then please inside!" Tan Meiling took Yash Nics and her group into the

clubhouse and took the elevator to the basement floor.

Because the Shura black market boxing arena is built underground.

The Shura Boxing arena is the size of a football field with an octagonal cage in the middle.

There are huge LCD screens on four sides in the sky, so that the audience at the back can

see the battle on the arena.

There were already hundreds of spectators at the scene, men in suits and leather shoes,

and women's long skirts fluttering, all high-class figures.

Everyone is discussing with each other, discussing which fighter to bet to win.

Tan Meiling took Yash Nics and his party to the VIP box, which had a glass side.

People outside cannot see the situation in the box, but in the box they can see the movement outside and the competition on the ring.

The box is not big, so Dong Tianbao's bodyguards can only wait at the door of the box.

Tan Meiling now ordered the waiter to bring tea and desserts, and then smiled and said to

Yash Nics, "My son, you are very face-to-face, should this be the first time you come to play

with us?"

Yash Nics smiled lightly: "Yes. , You introduce the gameplay here."

Tan Meiling said: "The most basic thing here is to watch the black market game. The

admission fee is 1,000 yuan per person, but I have already waived the admission fee for you, son.”

Yash Nics and a group of 12 people, the admission fee It was 12,000 yuan, and Tan Meiling actually avoided it directly.

However, Yash Nics and Dong Tianbao also knew in their hearts that Tan Meiling definitely felt that they were not ordinary guests, so she didn't care about earning Yash Nics and the others a small entry fee.

Yash Nics asked with a smile, “What else is there except the most basic?”

Tan Meiling took out an ipad-like electronic product and said to Yash Nics: “From this, you

can browse all the black market boxing matches tonight. Players' information can also be placed before the game.”

Yash Nics said lightly: “It turned out to be gambling, is that all?”

Tan Meiling looked at Yash Nics with a pair of wonderful eyes and affectionately, and she

leaned closer to Yash Nics, his tone became ambiguous, and Jiao Didi said: “Our most senior VIP here, you can do anything here, including to me.”

Dong Tianbao next to him, watching his nose, his nose and his mouth, as if he could see

everything. No, I can't hear anything.

Yash Nics raised her eyebrows: “Can you do anything?”

“Yes!” Tan Meiling leaned closer, trying to take the opportunity to sit on Yash Nics's lap, and

said seductively: “The son wants me to do What is it?”

Tan Meiling hadn't sat down on Yash Nics's lap, Yash Nics had already pointed at the corner

of the box: “Very well, you can go there and do two hundred push-ups for me.”

Tan Meiling smiled and froze instantly. , Looked at Yash Nics incredulously.

When she saw that Yash Nics's car was a Rolls Royce, she knew that Yash Nics's background was extraordinary.

She originally intended to use her body to do anything for Yash Nics, and she could please

Yash Nics in any way.

But what she didn't expect was that Yash Nics actually let her do push-ups in the corner!

She bit her lip as if she was greatly insulted, and said: “My son, are you serious?”

The One and The Only Chapter 63

Yash Nics said indifferently: "Isn't it said that you can do anything, a push-up of 10,000 yuan, is this embarrassing?" Tan Meiling opened her eyes again, although she felt that Yash Nics It is an insult to her to let such a beautiful woman do push-ups. But in the end, she couldn't match the temptation of a push-up with a tip of 10,000 yuan.

The wronged past corner, she really started to do push-ups.

Dong Tianbao next to him wanted to laugh, but he didn't dare to laugh. He endured very hard.

Yash Nics looked out the window at this time, and a group of brightly dressed people came

in the hall outside. It was Cao Jianbin, Lei Zhennan, Song Zhongxiong and his sons. Lei Zhennan, Cao Jianbin, Song Zhongxiong and his son came to the Shura boxing arena

and also entered a box.

The first game tonight is about to begin, and the two contestants are codenamed Fire Bull

and Gray Wolf respectively.

The two are similar in size and have the same record, so the odds are 1:1.

The audience enthusiastically placed their bets, and bought their favorite boxer to win.

Cao Jianbin, Song Zhongxiong and his son were both very interested in this bloody and

thrilling black market boxing match, and each bet more than 100,000.

In the next box, Tan Meiling did fifty push-ups and couldn't hold on. She stopped dripping

with sweat and stared at Yash Nics.

Obviously waiting for Yash Nics to fulfill her promise and give her 500,000 yuan in consumption.

Dong Tianbao asked Yash Nics: "Master, do you want to bet on this game?"

Yash Nics said indifferently: "If you don't bet on the game, it will be boring. Let's make a point."

Dong Tianbao heard the words and immediately took out. Throw a bank card to Tan Meili,

let her swipe the card and bet 10 million Gray Wolf to win.

Dong Tianbao is also a master, and he can naturally see that the gray wolf is a little stronger.

Tan Meiling was originally worried that Yash Nics would be accountable for her tip, but she

didn't expect Yash Nics to bet a little, which was a full 10 million.

She became excited in an instant. This Mr. Yash in front of her was so lavish. She just did

fifty push-ups for 500,000 tips, so she shouldn't be wronged.
Soon, the game officially began.
The two fighters only fought for two minutes, and the gray wolf kicked Fire Bull in the head like lightning.
The fire ox is like a beast headed by a bullet, without screaming, it rumbling and falling to the ground.
The audience hundreds of meters at the scene all exclaimed.
In the box, Tan Meiling also looked at Yash Nics in shock.
Within two minutes of the break, Yash Nics had won 10 million.
After removing 10% of the tips, Yash Nics also earned nine million.
Yash Nics calmly instructed Dong Tianbao: "Don't forget the tip to this manager Tan."
Yash Nics's words, Tan Meiling's account is indeed more than 500,000 yuan.
When Yash Nics asked her to sit on push-ups just now, she felt that Yash Nics was insulting her.
But at this moment, she couldn't help but want to say to Yash Nics: Son, I can continue to do push-ups.

In the Shura boxing arena, anyone who wins more money will be noticed by the boxing arena.
Yash Nics's box had just won 10 million, and someone immediately came in to report to Lei Zhennan.
When Lei Zhennan heard that someone had won 10 million in a game, he frowned slightly.
However, in front of Cao Jianbin, Song Zhongxiong and his son, he didn't say anything, just instructed his subordinates to watch closely and report anything at any time.
The second game was Tianlong, a Chinese monk, against the world boxing champion Ba-faced Buddha from Thailand.
The monk Tianlong is a famous boxer who came out of packaging, but the eight-faced Buddha is the real world boxing champion.
The people at the scene were not fools, and they all placed bets and bought the eight-faced Buddha to win.
In the box, Tan Meiling also stared at Yash Nics with wonderful eyes and asked: "Mr. Yash, do you want to place a bet on this game?"
Yash Nics said lightly, "The odds of the Eight-faced Buddha are a bit low in this game. , 1:0.5,

then buy a little more, buy 200 million.”

The One and The Only Chapter 64

Tan Meiling’s eyes widened instantly, her mouth widened, and she couldn’t speak. Betting 200 million, she has been working in the Shura boxing field for so long, and this is

the first time she has seen such a proud person like Yash Nics.

Dong Tianbao couldn’t help but said to Yash Nics softly: “Master, it doesn’t matter if the bet

is small here. If the bet is big, they will play dirty tricks.”

After all, Dong Tianbao is from the underground circle. For the black market boxing match,

Naturally it is very understanding.

The two participating fighters were invited from the boxing arena. In fact, the boxer who

wants to lose in the boxing arena will lose.

Yash Nics bet 200 million to buy the eight-faced Buddha to win, and the boxing field must

secretly order the eight-faced Buddha to lose the game.

Yash Nics smiled slightly and said, “It’s okay. I said that if the eight-faced Buddha wins, he

must win.”

Dong Tianbao was stunned, and immediately he understood.

Who wins and who loses, isn’t it just a word from the young commander?

Betting 200 million, Dong Tianbao’s card quota was insufficient, and Yash Nics took out a

black American Express card for Tan Meiling to bet.

Tan Meili was shocked once again. The American Express black card is universal, with a

limited number of places, and it is said that there is no limit.

The identity of those who can have a black card of American Express is not simple.

Someone bet 200 million!

This news soon reached the ears of the owner of the Shura Boxing arena, Lei Zhennan.

After listening to his report, Lei Zhennan said silently: “What, someone in the next box bet

200 million to buy the eight- faced Buddha to win?” His subordinates

respectfully said: “Yes!”

The father and son Cao Jianbin and Song Zhongxiong next to him were also respectful.

Speechless.

There are many people who gamble on black market boxing matches, but it is the first time

they have seen such a person who has spent a lot of money.

Lei Zhennan asked suspiciously: "What is the identity of the guest in the box next door?"

The

subordinate said: "I have checked it out. One of the two people in the box next door is Dong

Tianbao, the underground overlord of the East City, and the other is Yash Nics."

Yash Nics!

Lei Zhennan, Cao Jianbin, Song Zhongxiong and his son looked at each other.

Lei Zhennan quickly recovered from the shock and sneered: "I said who made such a big

bet. It turned out that it was Yash Nics and Dong Tianbao. These two people came to hit my

place." The

subordinate asked cautiously. "Brother Tiger, what should we do now? They bet 200 million

yuan, do we want to pick it up?"

Lei Zhennan grinned and said, "They came to give me money, why not pick it up?"

"You go to the backstage and ask eight Face Buddha, he must lose this game. I gave him

double the appearance fee and another one million for the hard work

."

The subordinates said loudly, "Yes, Brother Tiger." Lei Zhennan sent someone to the backstage. ,

Order the eight-faced Buddha this game must be released when losing.

In the box next door, Yash Nics also calmly sent a message to Dian Chu with his mobile

phone that he wanted the eight-faced Buddha to win the game.

The eight-faced Buddha just agreed to Lei Zhennan's counterfeit match, and then he was

ready to go on stage for the match.

But when he was about to come out of the background, his cell phone suddenly rang, which

turned out to be a call from his mentor.

He quickly answered the phone and listened to the teacher's words. Although he was

surprised, he still said, "Yes, Master, I know how to do it."

Soon, the two fighters Tianlong and Ba Mian Buddha formally stepped onto the ring, cheering on the scene like thunder.

At this time, Lei Zhennan dialed Yash Nics's mobile phone number, and he sneered and said

to Yash Nics: "Boy, how dare you come to my site with Dong Tianbao to find the difference,

you two billion, I will win, hahaha "

Yash Nics said lightly: "You will lose nothing tonight."

The One and The Only Chapter 65

After finishing speaking, Yash Nics hung up the phone and didn't bother to talk nonsense with the other party. Lei Zhennan was furious with Yash Nics's attitude, and he scolded fiercely: "I don't know whether to live or die." The competition soon began, and the Tianlong on the ring and the Eight-faced Buddha immediately began a fierce battle. Lei Zhennan looked at the arena, his fists like cannonballs, his legs like a whip, and the swift and violent eight-faced Buddha. He frowned slightly and muttered, "Isn't it said that the eight-faced Buddha was given a fake match? Song Zhongxiong next to him guessed: "Maybe the Eight-faced Buddha wants to make the game look more realistic?" Lei Zhennan nodded, "It's possible..." His words have not fallen yet, and the Eight-faced Buddha has already banged three punches. Shengsheng blasted Tianlong's defenses, and then a lightning kick swept Tianlong's head. Snapped!

Tianlong's head was like a watermelon being kicked, with blood splashing, and the whole person was like a felled tree, tumbling to the ground. Like a thunderbolt from the blue sky, Lei Zhennan cried out in exclamation, "What!" Dong Tianbao admired Yash Nics in the next box, "Master, it really is the same as you said. Whoever you want to win must win. He won the eight-faced Buddha." Yash Nics smiled slightly, noncommittal. Throwing two hundred million arbitrarily, breaking for a few minutes, and winning one hundred million! Tan Meiling flushed and her eyes were excited. Her heart was pounding and she looked at Yash Nics straightforwardly. She wished to rush up and say to Yash Nics: Mr. Yash, I can not only do push-ups, but also one-handed push-ups. Would you like to watch it? Lei Zhennan didn't expect that the Eight-faced Buddha did not follow his instructions to fight a fake match, which caused him to lose 100 million by losing to Yash Nics alone. He angrily summoned a group of subordinates and came to Yash Nics aggressively to settle accounts. When they arrived at the door of the box, they were stopped by Shi Qing and a group of

bodyguards. Shi Qing said coldly, "Brother Tiger, are you okay?" Lei Zhennan said coldly, "A good dog can't stop you." Lu, let your master Dong Tianbao and Yash Nics get out and meet me." As soon as his words fell, the box door creaked open. Yash Nics showed up in front of everyone with Dong Tianbao and Tan Meiling. Yash Nics squinted his eyes and said indifferently: "Lei Zhennan, you are the number one person in Mannity with no

eyesight." Lei Zhennan's eyes fell on Yash Nics and Dong Tianbao, murderous intent condensed in his eyes, and said slowly: "Yash Nics, Dong Tianbao, you guys actually came to die!"

Yash Nics's mouth raised slightly, looking at Lei Zhennan and the hundreds of fierce thugs

around him, with a faint smile: "To die, it's up to you?"

Lei Zhennan said with a sneer. "With these brothers on the scene, you can die several times."

Yash Nics turned his head and looked at Dong Tianbao: "What do you think?"

Dong Tianbao smiled arrogantly: "Master, I think they are like chickens and dogs in front of me."

Lei Zhennan did not expect that Yash Nics, Dong Tianbao and the others, surrounded by

three layers inside and outside of his men, would dare to speak wildly.

He said coldly: "Take hands, kill them, and then follow me to Dongcheng and take over Dong Tianbao's place."

As Lei Zhennan's voice fell, hundreds of thugs around him immediately looked like a pack of

wolves. Pounced on Yash Nics and his party.

Dong Tianbao roared to protect the young master, and then followed his ten bodyguards to meet the enemy.

Dong Tianbao came tonight prepared, and the ten bodyguards he brought were all his capable men.

Therefore, although Lei Zhennan has many subordinates, he will not be able to defeat Dong

Tianbao and his group for a while.

On the contrary, it was Dong Tianbao, with great skill, fists like a cannon and body like a

dragon, with one move and one opponent, successively hitting more than a dozen of Lei

Zhennan's men.

Seeing that Dong Tianbao was able to fight like this, Lei Zhennan snorted and shouted:

"Rattlesnake!"

"Yes!"

A towering man with a height of two meters, an exceptionally burly head, and a bright bald

head appeared in front of everyone.

It is the strongest fighter in the Shura field, and the strongest fighter in Lei Zhennan's captivity, the Rattlesnake!

The One and The Only Chapter 66

There was a centipede-like scar on the rattlesnake's skull, which made him look a bit fierce.

He asked in a muffled voice at this moment: "Brother Tiger, what's the order?"

Lei Zhennan pointed to Dong Tianbao, who was skilled in the melee, and ordered:

"You, kill

him."

"Yes!" "The

Rattlesnake said, pushing the companion who was in front of him directly, and strode

towards Dong Tianbao with a murderous stride.

Dong Tianbao was also taken aback when he saw this giant weird man rushing towards

him.

He quickly flew up and kicked the rattlesnake in the chest.

Snapped!

Dong Tianbao kicked the rattlesnake in the chest.

With the strength of his foot, he can kick a tree with a thick bowl.

But this kick was on the rattlesnake's chest, and the rattlesnake's huge body remained motionless.

Dong Tianbao's eyes appeared shocked, and the rattlesnake had grabbed his ankle with one

hand, like a sack bag, grabbed his foot abruptly, and flew him out.

boom!

Dong Tianbao knocked over two companions and fell heavily to the ground.

Although the rattlesnake is huge and heavy, he is not clumsy at all.

The moment he flew Dong Tianbao, he had already strode out.

At this moment, with the help of running, he suddenly jumped high, and smashed down at

Dong Tianbao who fell on the ground like a huge boulder.

The rattlesnake weighed more than three hundred jins, and he jumped high with the help of

running, and this swift smash can trample anyone into flesh.
When Shi Qing and others saw this, Qi Qi exclaimed: "Brother Bao, be careful!"
Dong Tianbao also wanted to dodge, but he was powerless at this time, watching the
huge
figure in the sky, getting bigger and closer.
"Death!" There was
a cold shout at the scene, and a figure appeared beside Dong Tianbao, kicking it high,
shocking the sky.
Snapped!
The feet in leather shoes kicked the rattlesnake's breast fat in mid-air fiercely,
making a
violent sound.
The rattlesnake's cumbersome body weighed more than 300 kilograms, and it was
kicked
upside down like a ball, knocked over a dozen people at once, and fell to the ground
like a
mass of dead flesh.

His chest was deeply sunken, all ribs on his chest were broken, and his mouth was
wide
open like a dead fish, blood was constantly vomiting, and it seemed that he could
not live.
Who was it that shot at the critical moment and saved Dong Tianbao?
Who was it that kicked the rattlesnake weighing three hundred catties upside down
and
killed him with a shocking kick?
Everyone's eyes on the scene focused on the man next to Dong Tianbao.
I saw the man in white shirt and black trousers, his figure was as straight as a javelin,
and
his handsome face was slightly angry. It was Yash Nics!
Everyone at the scene was stunned!
Tan Meiling looked at Yash Nics in disbelief.
This gentle-looking man, the son who spent money to make her do push-ups and
trick her,
has such a terrifying combat power!
Lei Zhennan and the others were also dumbfounded, wishing to protrude their eyes,
and
carefully see if the scene before them is true?
With a kick, Yash Nics kicked the strongest boxer in the Shura field, the monster
master
Rattlesnake under Lei Zhennan's command, to death?
All of Lei Zhennan's men were shocked, and they all backed away involuntarily in
fright.
Leizhen Nan Ning to see his men had been scared back, immediately shouted:
"What are
you afraid of, then he is a powerful person on the whole gave me, kill him."

The One and The Only Chapter 67

Yash Nics looked at Lei Zhennan coldly: "Have you finished talking nonsense?" As soon as the voice fell, he moved, and the speed was astonishing.

Yash Nics's body brought out a phantom, Dong Tianbao, Shi Qing, and Tan Meiling all watched Peng Bai with great pains.

Snapped!

A crisp sound!

Lei Zhennan only felt that the figure flashed, and Yash Nics had already appeared in front of him.

Before he could react, Yash Nics slapped him severely.

He was slapped and turned around two times before stopping, half of his cheek swollen.

"Kneel down!"

Yash Nics let out a cold snort, putting a hand on Lei Zhennan's shoulder.

Lei Zhennan subconsciously resisted hard!

But the hand that Yash Nics put on his shoulder seemed to be powerful.

Lei Zhennan was pressed so that he kneeled heavily on the hard ground.

Two crackles of bone fracture sounded.

When his knees hit the ground, they were all broken!

"Ah!"

Lei Zhennan let out a sorrowful cry, and everyone around him felt frustrated.

Yash Nics looked at Lei Zhennan condescendingly, and asked coldly: "Did you know what

was wrong?"

Lei Zhennan opened his eyes wide, like a wounded beast, with a loud voice in his throat,

hoarsely said: "Yash, you have Plant it and kill me. My brother is the famous Lei Gong in the

underground circle of the provincial capital. If you dare to move me, my brother will kill your

whole family."

Yash Nics raised his foot and kicked Lei Zhennan in the neck with a click, directly

Kicked Lei

Zhennan's neck off.

Lei Zhennan couldn't scream again, and his whole body was like a rooster whose neck had

been wiped off, falling to the ground feebly and dead!

All the people on the scene were deeply shocked. The dignified Nancheng underground

overlord Ben Leihu was ruthlessly killed by Yash Nics.

It's like killing a chicken and a dog!

This is really overbearing!

Those of Lei Zhennan's subordinates looked at Yash Nics's eyes, full of fear and awe. They looked at each other, threw away their weapons, and ran away. Shi Qing and the others looked at Yash Nics's eyes, particularly enthusiastic. They only knew that Yash Nics was the most awe-inspiring object of Brother Bao, and they saw Yash Nics's power for the first time tonight. Whether it is Yash Nics's super skill, or Yash Nics's unique domineering style, they deeply stimulate their nerves. Brother Bao's young master is really amazing! Lei Zhennan, the overlord of Nancheng, said he killed him, without any hesitation, like killing a chicken and a dog. Yash Nics looked at Lei Zhennan's men who had fled, and said to Dong Tianbao faintly: "You accept Lei Zhennan's place!" Dong Tianbao said respectfully, "Yes, master!"

Yash Nics finished speaking and looked around. But Cao Jianbin and Song Zhongxiong's father and son were not seen. It turned out that when Cao Jianbin and Song Zhongxiong and his son realized that Lei Zhennan and Dong Tianbao were about to clash, they immediately found an excuse to slip away. In the eyes of Cao Jianbin and Song Zhongxiong, Lei Zhennan and Dong Tianbao are desperadoes in the underground circle. The two desperadoes fought for fear of harming Chi Yu, so they slipped away early. It was also Cao Jianbin and Song Zhongxiong's father and son slipping away in advance, which caused them to miss a good show, and they can be regarded as escaped. Yash Nics asked Dong Tianbao to deal with the aftermath, and he left here. When I got home, it was already ten o'clock in the evening. Song Pingting was watching TV with her daughter and her parents. When she saw Yash Nics come back, she had been secretly worried before she let go. "Dad is back!" The daughter cheered and rushed towards Yash Nics. Yash Nics bent down to hug her daughter, took out an ice cream like a trick, and said dozingly: "Dad bought it for you." "Wow, ice cream!" The daughter's little face was full of surprises: "Thank you Dad!" Song Ping Ting came over and said softly to Yash Nics, "You go out with Mr. Dong, is nothing wrong?"

Yash Nics said with a smile, "It's okay, and Lei Zhennan's affairs have been settled, and he will never give us another construction site.

Trouble." Song Pingting thought that Yash Nics and Dong Tianbao had gone to negotiate with Lei Zhennan, and she was pleasantly surprised: "Really, that would be great." What she didn't know was that Lei Zhennan was now It was already a dead body, so naturally there was no way to cause trouble.

The One and The Only Chapter 68

Yash Nics watched TV with his family for a while before going to the bath.

After taking a shower, the father-in-law and mother-in-law have returned to the room to rest.

Song Pingting also carried her daughter back to the room and coaxed her to sleep. However, the daughter said she refused to sleep, clamoring for her father, and plausibly said

she wanted to sleep with her father.

Seeing Yash Nics's arrival, Song Pingting said to her daughter sternly, "Okay, Dad is here, you

can go to his room with Dad to sleep." The

daughter shook her head and said, "No, I want to talk to Dad. Mother sleeps together."

Yash Nics laughed at the words, and Song Pingting's face flushed. She asked in embarrassment, "Dad and mom can't sleep together." The

daughter said plausibly, "I have asked the kids in the kindergarten. They said that their

parents sleep together. They also said that only couples with bad relationships will sleep in

separate rooms."

Yash Nics and Song Pingting were embarrassed when they heard what their daughter said,

thinking that they are now in the kindergarten. Do your children know so much?

After the daughter finished speaking plausibly, she suddenly looked suspiciously at Yash

Nics and Song Pingting: "Mom and dad, are you not in a relationship?"

Song Pingting said quickly, "How is it possible? Where is the relationship between mom and

dad? Okay?" The

daughter's little cheek was filled with disbelief, and she bit her little lip and said, "Then why

don't you sleep together, are you going to get a divorce?"

Yash Nics sweated on his forehead when he heard this, and Song Pingting was also angry.
He was funny again and coaxed: "You little guy, what do you think in your mind, why do mom and dad want to divorce? That's true." The daughter cried and said, "This is how it is played in TV dramas. Mom and dad will be divided if they are not emotional Sleep in the room, and then get a divorce..."
Song Pingting said in embarrassment: "You are not allowed to watch TV for a week." Every time Song Pingting punished her daughter not to watch TV, she would feel wronged.
But this time, the daughter was not so unreasonably wronged. Instead, she begged Yash Nics and Song Pingting pitifully:
"Mom and Dad, I won't watch TV anymore after Qingqing, and I won't be arguing about eating ice cream. I make them on time every day. Qingqing will help grandma wash the dishes and do the housework for homework and sleep. Mom and dad, don't divorce, okay, Qingqing doesn't want to be an orphan..."
Song Pingting couldn't help feeling sore when she saw her daughter look like this. She knew that her daughter had grown up in a single family over the years and had just had a father. The daughter was too afraid of not having a father or mother.
She hurriedly hugged her daughter and said softly: "Little fools, mom and dad won't divorce, and you won't be orphans. If you don't believe me, ask Dad."
Song Qingqing raised his face and looked at Yash Nics next to him.
Yash Nics promised mildly: "Dad promises that he will never divorce his mother. Mom and Dad will always accompany Qingqing."

Song Qingqing blinked: "Are you really not getting divorced?"
Yash Nics and Song Pingting With a wry smile: "We never said we should get a divorce, okay?"
Song Qingqing immediately said: "Then you would like to sleep together with other children's parents?"
Yash Nics couldn't call the shots.
Song Pingting's face was red, she wanted to say no.
But if she says no, then the daughter must think that their relationship is not good and they are about to divorce.
Finally, she bit her head and said in a low voice, "Well, mom, dad, and you are all sleeping in

the same room,
okay ?” Song Qingqing cheered after hearing this, ” Oye, Qingqing can finally follow
Mom
and Dad slept in the same room.”
The words of the daughter made Yash Nics and Song Pingting involuntarily
remember that
when they lived in the old apartment building in Haitang City Village, there were only
two
rooms in the house.
Yash Nics was living in the same room with Song Pingting and her daughter, and Yash
Nics
was on the floor.
However, today is different.
Song Zhongxiong and Ma Xiaoli have recognized Yash Nics as a son-in-law, and Song
Pingting has also greatly changed Yash Nics’s view.
Yash Nics paid a lot for this family and left a good impression in Song Pingting’s mind.
No matter what, Song Pingting was embarrassed to let Yash Nics lay on the floor.

The One and The Only Chapter 69

Song Pingting’s face flushed, and she whispered to Yash Nics in a shy tone: “You can
sleep
with me and your daughter in the master bedroom tonight. In the middle of your
daughter’s
sleep, you and I will sleep on each side. Don’t cross the line, otherwise...”
Song Pingting has a strong personality and strong working ability. Yash Nics rarely sees
her
so coy. She couldn’t help but play with her heart, and deliberately asked softly,
“Otherwise?”
Song Pingting widened. Looking at Yash Nics, when she saw the narrowness in Yash
Nics’s
eyes, she hummed and said, “If you dare to cross the boundary, I will kick you out of
bed.”
In fact, although Song Pingting was ashamed, she treated Yash Nics. Ning is still very
trusting.
If Yash Nics were to be rude to her, then when Yash Nics hit the floor, it would
have
been implemented long ago, and there is no need to wait until today.
Soon, the family of three turned off to sleep.
Daughter Song Qingqing, Yash Nics and Song Pingting accompany each other to
sleep.
Song Pingting had always suffered from insomnia, but tonight, with Yash Nics by her
side,
she fell asleep quickly.
Yash Nics also slept soundly, feeling dazedly that someone was approaching him, as
if he
was hooking his neck with both hands and burying his head on his chest.

He thought it was his daughter in a daze, so he didn't care about it and went on sleeping.
The next day, when the first ray of sunlight came in from the window in the early morning,
Yash Nics had already woke up.
After opening his eyes, he was shocked to find that it was not his daughter but Song Pingting in his arms.

Song Pingting is like a lazy cat, sleeping comfortably in his arms with her eyes closed. As for the daughter, she has reached the end of the bed and is sleeping soundly with her arms and legs spread out.
What's the situation?
When Song Pingting fell asleep last night, she rolled over and got into her arms automatically?
Yash Nics was surprised, and suddenly noticed that Song Pingting's eyelashes trembled twice.
She is about to wake up.
In order to avoid embarrassment, Yash Nics quickly closed his eyes and continued to pretend to sleep.
Soon, Song Pingting in her arms moved, obviously waking up.
She seemed to be stunned after she woke up and opened her eyes, and then she heard her exclaiming in a low voice, and then she hurriedly fled from Yash Nics's arms like a frightened deer.
Yash Nics also vaguely heard her rejoicing in a shy tone: "Huh, fortunately he didn't wake up, otherwise he would be ashamed to death."

...

Last night, Dong Tianbao led his men, staying overnight, to Lei Zhen. Nan's subordinates chased after him and took Lei Zhennan's business all at once.
In the morning, he took all the business accounts and came to see Yash Nics. Yash Nics met Dong Tianbao in the study, and Dong Tianbao respectfully offered the account book, and respectfully said: "Master, I have already beaten Lei Zhennan's relics to pieces, and took over all his business."

"Business ." All the ledgers are here. There are 200 million funds and 900 million fixed assets. Please check and accept them."
Yash Nics did not accept the ledgers, and calmly said, "Don't show me this kind of things."

Dong Tianbao originally thought, He won all the land and business of Lei Zhennan, and such a fruitful result would naturally be dedicated to Yash Nics. But now hearing Yash Nics's slightly unpleasant words, his forehead instantly sweated. How could Yash Nics look at Lei Zhennan's business and capital? Is Yash Nics someone who needs this kind of dirty money? Dong Tianbao quickly bowed his head, fear and said: "Yes, sir, I know that was wrong," Ning Dong Tian looked at, faint: "Although you have retired, but a time to remember where he came from." "If If you give up the principles in your heart, there will be no more principles;" "If you give up the bottom line you insist on, there will be no bottom line in the future." "So, you have to follow the bottom line in principle, and do something but not." Dong Tianbao stood up straight and replied in a deep voice: " Follow the instructions of the young master." Yash Nics said: "Some of the gray businesses you originally ran, as well as the gray businesses you are now taking over from Lei Zhennan, must all be discarded. You can't do any more gray businesses, you can only keep serious business. " Many of Dong Tianbao's businesses are gray businesses. If they are directly abandoned, the losses will be very serious. However, he did not hesitate, and said respectfully: "Yes, I will do it immediately as the young master ordered."

The One and The Only Chapter 70

Last night, Dong Tianbao, the overlord of the East City, suddenly attacked Lei Zhennan, the overlord of the South City, and the fact that he uprooted Lei Zhennan and his group caused a lot of shock in the underground circle of Mannity. Many people are discussing the matter after a meal. However, many people are hearsay and do not understand the truth of the matter. They did not know that Lei Zhennan was destroyed by Yash Nics, and mistakenly thought that this was a premeditated attack by Dong Tianbao on Lei Zhennan and annexed. In Cao Jianbin's mansion, Cao Jianbin sat with Song Zhongxiong and Song Zhongping and talked about Lei Zhennan's extermination by Dong Tianbao.

Song Zhongxiong is still full of disbelief, frowning and saying: "Lei Zhennan has been in the Mannity underground circle for many years, and his strength should be much stronger than Dong Tianbao. How can I be destroyed if I am destroyed?" Cao Jianbin also said. The hope of revenge rested on Lei Zhennan, who hoped that Lei Zhennan would teach Yash Nics and Song Pingting, but he did not expect Lei Zhennan to fall overnight. He wondered: "Dong Tianbao is cruel and very cunning. He came prepared, Lei Zhennan probably spent his entire life playing eagles and accidentally blinded the pigeons." Song Zhongping said angrily: "Dong Tianbao took the thunder. Zhennan is gone. This is a vain bargain for Yash Nics and his wife. We were thinking of letting Lei Zhennan take care of Yash Nics and his wife. This is all right." Song Zhongxiong also sighed and said, "Yes, Yash Nics and his wife are lucky. It's okay." Cao Jianbin squinted his eyes and said, "Hehe, I don't think they are lucky." The

two brothers Song Zhongxiong looked at Cao Jianbin in surprise, and asked suspiciously, "Boss Cao, what do you say about this?" Cao Jianbin sneered. He said: "Yash Nics asked Dong Tianbao for help and killed Lei Zhennan. But do you know, Lei Zhennan's brother, who is Lei Gong?" Song Zhongping was at a loss, obviously not knowing who Lei Gong was. ? Song Zhongxiong showed a shocked expression, and said silently: "Lei Gong, is the ruthless man who has been in the underground circles of the provincial capital in recent years. In the southern underground circles, everyone talks about Lei Zhennan's brother. ? " Cao Jianbin proud: " Yes, you think why the Leizhen Nan able to lord it over us in the sea in underground circles, in fact, because of his backing behind his older brother, " " Thunder character, cruel, ruthless, and extremely shield their mistakes. " "Yash Nics and Dong Tianbao killed his brother. Lei Gong must be furious and can't spare the two of them." Song Zhongxiong and Song Zhongping were happy when they heard Cao Jianbin's words. Cao Jianbin said with a smile: "It just so happened that I was fortunate to have dinner and wine with Lei Gong back then, and I had a little friendship. Let's write to Lei Gong and tell

him that someone has killed his brother.”

...

Tianhai Provincial City, Bar Street , The Devil’s Club.

The first floor of the Devil Club is the lobby and deck, the second floor is the VIP box, and

the third floor is Lei Gong’s lair.

On the third floor, the shrine enshrines Erye Guan and burns incense.

Lei Gongyi sat on a chair with a big horse and a golden sword. A huge Tibetan mastiff was

lying beside his feet. The Tibetan mastiff was sticking his tongue out, which seemed very

ferocious.

Behind him stood a dozen subordinates, and each of these subordinates looked fierce and

violent, and at first glance they knew that they were cruel characters who had killed people.

In front of Lei Gong, he knelt down on a middle-aged man with glasses.

The man with glasses held a handbag in his arms, and he tremblingly said: “Lei Ge, I owe

you all the money, including 300,000 yuan in profit. It is all cash according to your request.”

Lei Gong’s expressionless Nunu’s mouth, and a person next to him knowingly, stepped

forward and took the handbag from his glasses, opened it and counted it, nodded and said,

“Lei brother, the number is right.”

The man with glasses kneeling on the floor heaved a sigh of relief, wiped the sweat from his

forehead, and whispered: “Brother Lei, I have already paid the money. If there is nothing else, then I will go first.”

He finished. , I want to bugger when I stand up.

Lei Gong spoke at this moment, his voice was low and hoarse, as if the devil in the abyss

called: “Stop!” The

man with glasses froze, looking back at Lei Gong uncertainly, and tremblingly asked: “Lei

brother, what else do you have to order? “Is it?”

Lei Gong reached out his hand and stroked the head of the Tibetan mastiff by his feet, and

asked blankly: “I said before, when is your final repayment time?” The

man with glasses changed his face slightly, and replied bitterly: “ Before nine o’clock tonight.”

Lei Gong asked coldly: “So what time is it?” The

man with glasses began to tremble, and his voice was also shaking: "It's ten o'clock now!"

Lei Gong raised his head and looked at him indifferently. The man with glasses shaking the

branch: "I said at the time, if you dare to pay the money one minute later, I will throw you off

the roof, do you remember?"
