

# Super Rich Dad Chapter 639-640

## Chapter 639

When Dean Jiao saw the meaningful look Chen Shao gave Jiang Hao, he couldn't help but hesitate for a moment and spoke, 'Ahem, this is my hospital's current attending doctor, Shen Yan.'

Hearing this, Chen Shao nodded slightly and looked at Jiang Hao and said, 'Oh, so your name is Shen Yan, and you're an attending physician. No wonder you were so powerful that day.'

After Dean Jiao looked at the look on Jiang Hao's face and then at the look on Chen Shao's face, a bad feeling suddenly surged up in his heart.

After a few moments of contemplation, Dean Jiao secretly stabbed Jiang Hao with his hand and said, 'That, cough cough, Chen Shao ah. Do you think there's some kind of misunderstanding?'

Hearing this, Chen Shao shook his head with a faint smile, then turned around and spoke to more than ten men and women dressed in luxurious clothes, 'Come, come, everyone stop for a moment.'

After saying this. He pointed at Jiang Hao and said, 'This is the dude I told you guys about earlier, the one who was competing with me to pour the wine.'

Dean Jiao looked at Jiang Hao in surprise, he was a bit baffled!

'Little Shen, when have you ever fought with Young Chen?'

Jiang Hao shook his head somewhat helplessly when he heard this, 'It's all in the past, who knows how he suddenly flipped out and said it.'

After Chen Shao said this, the crowd looked at Jiang Hao with a somewhat playful look in their eyes.

'A mere attending doctor who can casually throw out more than 100,000 to play with?'

'I'm afraid this doctor has some unclean hands, Young Chen, do you want me to ask my uncle to check it out for you?'

'Don't accuse people unjustly, what if it's someone who is stealing money from the family, pity the old man.'

Jiang Hao looked at the crowd and couldn't help but have a bit of a headache for a while, slightly smiling and shaking his head before speaking, 'There really is no good feast, I'll leave first.'

Just when Jiang Hao wanted to leave, Chen Shao hurriedly stood in front of Jiang Hao: 'You just came and want to leave, where are you going in such a hurry?'

Chen Shao looked into Jiang Hao's eyes and gave an evil smile, 'I didn't have a good time with you that day. How about having a good time with you today?'

As soon as the words left his mouth, four or five waiters suddenly rushed out from the surroundings, looking as if they all had a good friendship with Chen Shao.

Jiang Hao didn't even look at the four or five people rushing out to surround him, but looked at Chen Shao plainly and said, 'You didn't lose badly enough that day, do you want to play again today?'

After hearing this, Chen Shao's face was slightly embarrassed, and then he shouted angrily, 'Come on, give me ten bottles of 100,000 bottles of Long Brew Imperial Cannon!'

He started with a million, Chen Shao was playing hard to get today.

Seeing that things were not going well, Dean Jiao rushed up and said, 'It's all a misunderstanding, it's all a misunderstanding, Mr. Chen!'

Chen Minggang simply ignored Dean Jiao, but continued to look at Jiang Hao and said, 'I don't like to beat you, don't you like to play with money, come on. I'll have to smash you to death with money!'

Jiang Hao turned his head to look at the ten bottles of wine the waiter brought up, and the playful faces of those behind Chen Shao and smiled.

'With such a small amount of money trying to smash me to death, I'm afraid you're still a bit inadequate, put Dean Jiao back, I'll play slowly with you today.'

After hearing these words Dean Jiao looked at Jiang Hao in horror and said, 'Xiao Shen, Xiao Shen you must not cause any trouble, this is not a place where you can mess around!'

At this moment, Dean Jiao was so remorseful that his intestines turned blue, if he had known he would encounter such a thing, he would not have brought Jiang Hao here!

But things had come to this point, and Jiang Hao was too lazy to back out.

If Jiang Hao had to retreat in the face of such a waste, he would be living a life that was too stifling.

Hearing Dean Jiao's words, Jiang Hao only spoke softly, 'Dean, you should go back first. I guess it won't take long for me to come back, so I'll talk to you slowly then.'

Chen Shao gave a sideways glance at Dean Jiao and laughed, 'Dean Jiao, I advise you to go first. Remember not to tell anyone about what happened here, you know the rules.'

After saying that, Chen Shao gave a wink and immediately two waiters came up and took Dean Jiao away.

At that moment, only Jiang Hao was left alone in the room, as well as more than ten of Chen Shao's friends.

Those people looked at Chen Shao and Jiang Hao going toe-to-toe, and they all felt a little excited!

‘Brother Chen, do you want my brother to come up and play with me too? This kid looks like he deserves to be beaten up a bit.’

‘That’s right, look at his poor look, a suit on him is so faded!’

Jiang Hao couldn’t help but roll his eyes when he heard this, ‘Don’t tell me your men are all this kind of goods and their suits will fade?’

After saying this Jiang Hao couldn’t help but laugh out loud, while Chen Minggang’s face this was slightly embarrassed, then turned his head and glared at those people viciously.

‘All of you shut the fuck up with me. It’s enough for you guys to watch the show properly today, I bet it’s absolutely exciting!’

After saying this, Chen Shao looked towards Jiang Hao and spoke, ‘That day was several tens of thousands of bottles, blame me for not having enough money on me, otherwise I would have bought the hotel and smashed it for fun.’

Saying this Chen Shao turned his head to look at the wine on the table and said, ‘Today it is 100,000 bottles, still dare to play with me?’

Jiang Hao looked at Chen Shao’s arrogant face and frowned slightly before sighing, ‘You know, what annoys me most is seeing you guys acting like such a dude, there’s no professionalism at all.’

As soon as the words left his mouth, Jiang Hao took out a bank card and handed it to the waiter, ‘Go and swipe me ten bottles over first, I’ll play with the smash.’

The waiter took the card and nodded. He was about to agree when he suddenly looked at Jiang Hao in surprise: ‘What? Smashing, smashing for fun?’

A hundred thousand yuan bottle of wine smashed for fun!

The friends behind Chen Shao who heard this were also surprised for a moment, and then they shouted excitedly!

‘Chen Shao is a bully. Is that how you all play these days?’

‘My goodness! A hundred thousand dollars for a bottle of good wine and you guys just smash it for fun, don’t give it to me either!’

Jiang Hao nodded slightly before opening his mouth and laughing, ‘Why don’t you go and swipe it, if it’s late it will affect my game with Chen Shao. I’ll see how you can make amends for me!’

Hearing these words several waiters took a few steps back, because someone who could casually take a million out to beat the odds.

Although not necessarily a ruthless man, but definitely a rich man!

And a rich man's men. There was never a shortage of ruthless people, and they didn't want to be involved in these things just yet.

At first, the reason why they listened to Chen Shao was mainly because Chen Shao was their old customer after all, and it was also true that Jiang Hao wasn't wearing anything good, they were all some ground floor goods.

But after seeing Jiang Hao casually swipe a million, the crowd suddenly had a subtle change in their hearts, this person in front of them is also not easy to mess with ah.

Jiang Hao looked towards Chen Shao and smiled slightly, 'How much money did Chen Shao bring with him today, I wonder if it's enough to play with.'

Chen Minggang looked at Jiang Hao's calm and unafraid expression and felt slightly shaken in his heart, but spoke firmly, 'Don't worry, I'll play with you to the end today!'

Chapter 640

Soon the waiter came up with ten bottles of the same wine as Chen Minggang and placed them in front of Jiang Hao in a disciplined manner.

The two men stared into each other's eyes without blinking, and Jiang Hao took the lead by picking up two bottles and smashing them on the floor.

Chen followed suit. He didn't let his hands go softly, and also followed the two bottles to the ground.

Jiang Hao smiled, then suddenly threw a fist and smashed one bottle, then lifted two more bottles and dropped them.

'Young Chen. I wonder if you can break this bottle with your fist, want to try?'

The waiter looked at Jiang Hao as if he was looking at a monster. With a single punch, the bottle was blown right out, and the bottom of the bottle didn't even move at all!

Others might have only noticed that Jiang Hao had burst the bottle, but Chen Shao and the waiter were sensitive to the flat bottom.

After noticing this, Chen Shao's pupils shrank twice: 'I'm afraid I'm not that capable, but the small goal of killing you with money, I think I should still be able to accomplish it.'

The two of them were laughing and smashing, and the whole room became filled with the smell of alcohol!

At first, Chen Shao's friends were cheering for him, thinking that a poor man like Jiang Hao wouldn't be able to support him for long.

But as ten, twenty, thirty bottles passed.

The way the crowd looked at Jiang Hao had changed as well. You know not just any card can transfer three million a day!

Just a simple judgment could tell that Jiang Hao was definitely not an ordinary person.

Although he was dressed in some ground floor goods, but the other party definitely had more than that much money on him.

Looking at Chen Shao already started to blush a little, every time the crowd present looked at Chen Shao smashing.

It was like watching him smash his own life span, smashing a day less, after all, his father although very profitable but also only so little family money!

Jiang Hao looked at Chen Shao's face some anxious look can't help but open his mouth and laugh: 'What, you can't do it like this, why don't I give you a hand.'

As soon as the words left his mouth, Jiang Hao raised his hand and called out, 'Waiter, send me twenty more bottles for Chen Shao to smash!'

Hearing these words. The friends behind Chen Shao looked at Jiang Hao Dao with a fierce change in their eyes!

Many of the women looked at Jiang Hao Dao as if they were looking at the God of Wealth, so hot that it was as if they were about to burn up.

Jiang Hao smirked as he looked at Chen Shao breathing heavily, 'Don't think you're so powerful for being rich, don't worry, I'm always ready to accompany you if you want to take revenge, but you'd better remember one thing.'

Chen Shao looked viciously at Jiang Hao and said in a deep voice: 'What is it!'

Jiang Hao couldn't help but laugh at his angry expression and leaned in to Chen Shao's ear and whispered, 'If you dare to mess with me again, next time it won't be your face that will be unlucky, but your family's company.'

Hearing these words. A cold smile flickered slightly in Chen Shao's eyes as he said, 'What ability do you have to say that to me?'

Jiang Hao was about to open his mouth when suddenly a female voice came from outside, 'He doesn't have the ability to say that. Am I capable enough to say this?'

Everyone looked towards the door, but they saw that it was Lin Yan who had rushed over.

She was wearing a showy trench coat and a hat as she walked over.

The crowd unconsciously made a way for her, in the Northern Mansion. She was like a new generation of queens.

‘Chen Minggang, what do I have to say to you to put away that mind of yours, I won’t marry you.’

After saying this, Lin Yan looked towards Jiang Hao and rolled her eyes, ‘Why did you come here today. You didn’t even call me when you came.’

Jiang Hao shook his head helplessly, ‘I also just arrived, but I didn’t expect to run into him, and then it turned out to be like this.’

Lin Yan glanced at Jiang Hao somewhat helplessly, ‘Do you know that the wine here is all really good!’

After saying this, Lin Yan looked at the wet ground and said with some heartache, ‘These are all really good wines, you bunch of losers, Chen Minggang you get out of here!’

After seeing Miss Lin’s anger, the crowd scattered. Jiang Hao also intended to take the opportunity to bolt.

But to his surprise, Lin Yan said coldly in a frosty voice, ‘Shen Yan, stop right there!’

Hearing these words, Jiang Hao stood motionless in place with his head hanging in defeat.

‘I say, Miss. I really didn’t start it today, if you want to find trouble you can go to him.’

Jiang Hao turned his head to look at Lin Yan. He was also a little helpless.

If Dean Jiao hadn’t gone crazy and brought him here for dinner today. He wouldn’t have come across such a mess.

The money was not shallow Jiang Hao was not distressed, it was mainly because he had come across such a demoralising thing that made him a little upset.

Lin Yan looked at the somewhat annoyed Jiang Hao and pondered for a moment, then shook her head and said, ‘I have nothing to be angry with you, I asked you to stand still because I have something to tell you.’

‘I don’t want to hear it, but I suddenly realized that the dog at the entrance of the hospital is going to have puppies, and I have to go back to watch!’

Lin Yan looked at Jiang Hao, who had a straight face, and was crying and laughing.

And the crowd who hadn’t gone far had almost fallen to the ground after hearing Jiang Hao’s words!

The number one woman in the Northern Province, Miss Lin, had asked him to stay, but he wanted to leave because the dog wanted to have a baby?

He was so lazy that he didn't even care about her.

'Shen Yan, if you have the guts, don't ever call me for a drink with you again!'

Lin Yan wanted to threaten Jiang Hao in a fit of anger, but she found out helplessly.

There didn't seem to be any place where she could threaten him, so she had to push out all this only bargaining chip.

But she didn't expect what those people would think when they heard her!

I've never heard of anyone begging to drink with Miss Lin, but I've never heard of Miss Lin drinking with anyone else!

After hearing Lin Yan's words, Chen Shao, who had walked out of the doorway, clenched his teeth and glanced back.

In his heart, he said, 'Lin Yan, one day I will make you know == kneel in front of me and say with your own mouth that I am your only saviour!'

And as Jiang Hao looked at Lin Yan's little daughterly demeanor, he somewhat helplessly pulled out his ears before smiling, 'Alright, you've threatened me, now is it alright if I sit down?'

Lin Yan smiled slightly as she watched Jiang Hao sit down and spoke back somewhat smugly, 'That's more like it.'

After saying this, she frowned and looked at the room before shaking her head and saying, 'Forget it, let's just change places.'

Jiang Hao nodded before getting up and walking over to Lin Yan, then spoke, 'Say, what brings you here?'

The reason why Lin Yan had come was not because Dean Jiao had hastily asked someone to check the last medical records and then called her to inform her to come.

Otherwise, if you really let Jiang Hao continue to play like that, Chen Ming just tore his face off and it really wouldn't look good on anyone.
