

Chapter 696

“Go! What are you trash doing! Kill me this bastard!”

“Kill him!”

Wu Xuepeng cursed at the surrounding security guards in horror.

And this sentence made the bodies of the security guards tremble.

They held sticks one by one and wanted to pounce on them, but no one dared to come forward first.

After all, Lin Fan’s method just now was simply too harsh, which also made them fearful.

“Go! Who will interrupt this kid’s arm for me, I will reward him... 100,000 yuan!”

What!

When Wu Xuepeng’s crazy words fell, the surrounding security guards all shocked.

Every month, they only cost a few thousand yuan, one hundred thousand yuan, almost without eating or drinking, saving for two years.

And now...

“Go!”

All the security guards went crazy, they waved the electric batons in their hands, and howled and rushed towards Lin Fan!

Suddenly, it was as if wolves pounce on the tiger, which shocked people.

See this scene!

Bai Yi’s pretty face became paler, and dense cold sweat continued to flow down her forehead.

On the faces of those Bai family members, there were thick and excited smiles.

“Hahaha...fight! Beat this bastard as badly as possible! Cai Guofu took the money, but failed to do it, so his subordinates can do it well!”

“Hey... I really look forward to it! Okay! I want to hear the screams of the bastard Lin Fan!” The smiles on

the faces of the Bai family members grew richer.

At this moment, they seemed to have seen Lin Fan's broken arm, screaming miserably.

Wow!

Ten steps!

Five steps!

At this moment, dozens of security guards were getting closer and closer to Lin Fan, and in the blink of an eye they rushed in front of Lin Fan.

But just when the densely packed electric batons in their hands, they wanted to wave down fiercely at Lin Fan!

"Stop it! Stop it all!!"

A voice full of horror came from outside the building.

Ok?

As soon as this remark came out, the surrounding security guards suddenly stopped.

Everyone turned around and saw that at the door of the building, a full five Mercedes-Benz luxury cars had stopped.

A middle-aged man in a suit and leather shoes, as if burning his buttocks, quickly walked out of the Mercedes Benz one by one.

"Zheng... President Zheng? President Wang, and President Li..."

Seeing these people, Wu Xuepeng was shocked.

High level!

All of these high-level figures in the headquarters, except for Cai Guofu himself who did not come, all the high-levels in the group actually came.

In particular, the person headed is the second-in-chief of the headquarters, a business genius-Zheng Tian!

Chapter 697

boom!

Shocked!

This scene fell in Wu Xuepeng's eyes, and immediately shocked him.

Especially after seeing this chaotic scene, he quickly trot up and said to Zheng Tian and the others:

"Mr. Zheng, you are finally here! Please bosses for me!"

"That kid, before the threat Come to take over our Blue Ocean Building! Even when I made trouble here, I asked him to be kicked out. This guy turned out to be brutal and broke my arm!"

"Mr. Zheng, please be fair to me!"

Wu Xuepeng vilified first. He immediately identified Lin Fan as a bastard who came to make trouble.

However, what made him stunned was.

Zheng Tian and the others didn't seem to hear his words at all, and they hurried towards Lin Fan's direction.

"Haha...this kid is miserable! The second in command in the headquarters is here!"

"Yeah, this kid hit and deceived people, this time let's see how he ends up!"

"..."

After seeing this scene at this moment , The smiles on the faces of many Bai family members became more intense.

They seemed to see that Lin Fan's end would be even more miserable.

And the other side!

After Bai Yi saw this scene, her whole body trembled a little.

"Lin Fan, what do we do now?" Dense cold sweat dripped from Bai Yi's forehead.

After all, in her opinion, everything today is because of herself and others.

If you don't threaten to take over the Blue Ocean, then these things won't happen at all.

In particular, Bai Yi felt his scalp numb when he saw Zheng Tian's group getting closer and closer to him.

Just after Zheng Tian and a group of high-level officials came in front of the two.

Everyone's heart all mentioned their throats.

just!

Hoop!

Under the incredible gazes of everyone, Zheng Tian and others bowed to Bai Yi:

"Zheng Tian, have seen the chairman!"

"Li Ming, have seen the chairman!"

"... "A series of deafening sounds came from Zheng Tian and others' mouths.

Only this sentence fell.

Quiet!

In the entire hall, it seemed as if the mute switch was turned on, and instantly fell into deathly silence.

Whether it's Wu Xuepeng, Bai's family, or even Bai Yi, there is nothing in his head at this moment, and it just feels like he's dazzled.

bow?

Chairman?

Bai Yi! ?

This... how is this so possible!

Wow...

When the reaction came over, the entire hall was completely exploded.

Especially those Bai family members, as if they had seen a ghost, kept exclaiming.

“What happened? Why did these people bow to Bai Yi?”

“Yeah! Isn’t their chairman Cai Guofu? How to become Bai Yi!”

“Impossible, how could Bai Yi be the owner of the Blue Ocean Building!”

Chapter 698

Shocked!

In the eyes of the Bai family, Bai Yi’s rejection was a normal thing.

Especially in the future, she wants to buy the Blue Ocean Group, which is nothing less than a dream.

What a pity now!

The scene that happened in their eyes made every Bai family unbelievable.

Even more incredible, it was Wu Xuepeng.

He looked amazed Zheng Tian et al., Voice trembling and full of dismay:

“Zheng total, you you are not mistaken this woman wants to buy Blue Ocean Group, chairman of the board but we refused ah!!”

Can not Believe it!

For Wu Xuepeng, he simply couldn’t accept that the woman in front of him would be his chairman.

Huh huh!

All eyes were gathered on Zheng Tian.

And hearing this, Zheng Wu Xuepeng looked cold day, and then said:

“!! Yes before Cai chairman, did gather the acquisition of Miss White Iraq”

call

Upon hearing this, everyone else , A long sigh of relief.

Sure enough, Cai Guofu rejected Bai Yi.

That is to say, Zheng Tian and others made a mistake.

At the moment, everyone breathed a sigh of relief.

But at this moment.

Zheng Tian's words continued to pass.

"But now, President Cai has already transferred the Blue Ocean Building and all the properties under his name to Miss Bai Yi!"

What!

Zheng Tian's words fell, causing everyone around him to breathe again.

Everyone's eyes widened, wondering if they had heard it wrong.

Not only the Blue Ocean Building, but also all the industries have been transferred to Baiyi?

This... how is this possible.

Wu Xuepeng's eyes almost fell out. He looked at Zheng Tian tremblingly, and asked in disbelief:

"Mr. Zheng, this is impossible! Mr. Cai told me before that the Blue Ocean Building is absolutely impossible to sell. Let alone the transfer!"

"Could it be that she made a sky-high price?"

In addition to the unimaginable sky-high price, Wu Xuepeng did not believe that Cai Guofu would sell the Blue Ocean Building.

Not only him!

All the Bai family nearby looked at Bai Yi in the same way.

In their eyes, it is only possible for Bai Yi to get this mansion if he pays a price that is difficult to refuse.

Especially the Baihai father and son.

Their heads were blank for a while. The father and son knew that Cai Guofu had already set the price of the Blue Ocean Building at 3 billion in order to embarrass Bai Yi.

If other industries under the name of Cai Guofu are added, Baiyi will have to spend at least tens of billions to acquire all of them.

Just tens of billions?

Is this really possible?

At this moment, Bai Hai and his son looked at each other, and the two of them could see the deep awe in each other's eyes.

All of a sudden.

Everyone in the hall just felt that their heart was beating wildly, even Bai Yi covered his small mouth in astonishment, with a face full of disbelief.

However, this does not stop.

"It's not a sky-high price, but...free transfer!"

What!

When Zheng Tian's words fell.

boom!

Like a calm lake, a bomb was placed, and suddenly everyone's heart was set off with a terrible storm.

Chapter 699

"Free transfer? It is impossible! Cai Guofu if not mind being kicked ass, would not make such idiotic things!"

"Yes ah! This is billions of net worth, how could giving this away!"

"False Yes, this is absolutely false!"

"..." At this moment, the voice of doubt in the hall kept coming and going.

Whether it was the uncle Bai Hai and others, or Wu Xuepeng, they couldn't believe it.

More than them!

The most unbelievable is Bai Yi.

At this moment, Bai Yi was completely stunned. This feeling was like being hit by a pie falling from the sky, leaving her head blank.

“Give it to me free of charge ? How is this possible!” Bai Yi knew that Cai Guofu was plotting against him, and even at that time, she was slapped in the face, and the hatred had long since ended.

This kind of person doesn't want to deal with himself in any way, even if he is good, how could he give himself his wealth.

This is like a fantasy.

“No...No!”

Suddenly, Bai Yi seemed to think of something, her beautiful eyes turned, and she couldn't help looking at Lin Fan.

She remembered that at that time, Lin Fan led a group of Yunhai City bosses and faced Cai Guofu in the room.

Even during the period, there was still the scream of the two brothers Cai Guofu.

“Could it be that Lin Fan did this? What he said is to surprise me. Could this be...surprise?”

Bai Yi covered his small mouth and looked at Lin Fan's eyes, which became more and more incredible.

Do not know why.

She felt more and more that her husband had changed.

It was no longer the former wimp, but an unfathomable, terrifying man like a god.

Even Bai Yi wondered whether there are things that Lin Fan can't do in this world?

“Don't question everyone!”

At this moment, Zheng Tian looked at Wu Xuepeng and others, and said with a cold face:

“As for Mr. Cai’s free transfer of the property under his name, there are not only signing contracts, but also lawyers to testify! In addition, Yunhai Fei Lao, Qi Lao, King Kong and others from the city can testify!”

What!

As soon as this remark came out, everyone around him was shocked.

Fei Lao, Qi Lao, King Kong and others testified.

These people are all the top giants in Yunhai City. With their testimony, that is to say, this matter is absolutely impossible to be false.

Puff!

Wu Xuepeng’s whole body seemed to be hit by a thunderbolt from the blue sky, causing him to fall into the dark and fall to the ground.

It’s over...

he still thinking about beating his new boss?

Isn’t this looking for death?

Thinking of this, Wu Xuepeng’s face was as pale as paper, and he was almost fainted with fright.

But at the moment!

Lin Fan didn’t look at this person any more. He looked at Bai Hai and Bai Yifan with a smile, and said playfully,

” Right , uncle, cousin! I would like to thank you a lot for this trip to the sea of clouds!”

Chapter 670

what!

Uncle Bai Hai, Bai Yifan and others, as well as all the Bai family around, were all taken aback.

thank?

Did they get it wrong? They and the others were determined to prevent Lin Fan and Bai Yi from

acquiring the Blue Ocean Building, and even paid a huge amount of compensation to make Cai Guofu interrupt Lin Fan's legs.

And now, this guy actually wants to thank them?

This made everyone incredible.

However, under their suspicious gaze, Lin Fan touched it from his pocket, then took out two checks, and waved at the Bai Hai father and son:

“Uncle! Cousin! Presumably these two checks, Are you unfamiliar?”

Boom!

After seeing these two checks, the uncle Bai Hai and Bai Yifan felt that their hearts were full, and they almost squirted out a mouthful of old blood.

One hundred and fifty million cheque!

This is exactly the money the father and son gave to Cai Guofu.

“Lin Fan, this...this is our Bai family's money! Give it to us, you...return it to us soon!”

Uncle Bai Hai stared at Lin Fan, gritted his teeth with hatred.

Bai Yifan, who was on the side, even rushed up, trying to snatch it.

It's just that his behavior is ridiculously pitiful in Lin Fan's eyes.

As soon as Lin Fan turned, he dodged Bai Yifan straight away.

“What? Do you Bai family want to rob?”

“If so, then I have to call the police! After all, Cai Guofu personally gave me these two checks! Fei Lao and Qi Lao can testify!”

Wow...

Hearing Lin Fan's words, the faces of everyone in the Bai family were green with anger.

It's Fei Lao Qi Lao again.

They naturally understood that as long as Lin Fan moved out of the names of the two old men, even if their white family broke their teeth, they could only swallow in their stomachs.

“In addition, I now announce that starting from today, all business contacts between the Blue Ocean Building and the Bai family will be cut off! There is nothing to do!” Lin Fan said slowly and straightly.

And this sentence made many Bai family members black for a while.

One hundred and fifty million, it was in vain!

The cooperation that was originally promised will be terminated directly!

This was definitely a major blow to the Bai Family. This trip to the Sea of Clouds obviously fattened Lin Fan and harmed the Bai Family.

I thought of myself being led by Lin Fan’s nose all the time.

Uncle Bai Hai only felt angry, and his mouth suddenly became sweet.

“Wow...” A mouthful of blood spurted out from his mouth.

Was so angry that he vomited blood.

This scene shocked many Bai family members and hurriedly stepped forward to check.

But Lin Fan was happy.

His face was interesting look at Grandpa White Sea, mouth an Alice, smiling, he said:

“Uncle, you really Niu elderly, women are lower body bleeding, your old direct mouth spurting!”

“It is high! High!”

What!

Lin Fan’s words are full of teasing and ridicule.
