

## Chapter 701 Not Like Fighting

Ever since the two of them broke through the last line of defense, Bo Jinchuan seemed to have discovered a new continent. It was as if a switch had been turned on.

Some words made her even more embarrassed.

Shen Fanxing's tensed body made her look even tighter.

That feeling made him want to compromise every moment.

Shen Fanxing heaved a sigh of relief and her body relaxed.

The next second, Bo Jinchuan took action and pushed her against the mirror.

"Ah—"

Shen Fanxing almost screamed. Fortunately, her rationality told her that someone had been watching them outside the door.

Hence, she covered her mouth immediately.

Even though she had tried her best to conceal her voice, the heavy impact caused the entire dressing table to hit the wall with a thud.

Lan Xi was about to turn and leave when she heard a voice from inside.

After a pause, she suddenly asked doubtfully,

"Why do I feel like... there isn't a fight inside?"

The corners of Yu Song's lips twitched. He stood at the door, not intending to give Lan Xi a chance to approach.

Shen Fanxing endured the discomfort as she clung onto Bo Jinchuan's shoulders nervously. She shook her head repeatedly.

However, the man had already shot an arrow and there was no way out.

He pulled Shen Fanxing closer to him.

Shen Fanxing bit her lips tightly. Her suppressed voice turned into short and heavy breaths. Every time Bo Jinchuan approached, her breathing would become heavy.

The dressing table beneath her creaked from time to time.

The strength in her body drained bit by bit and her body became softer and softer. In the end, she could only instinctively lean into the man's strong embrace and endure the man's increasingly uncontrollable strength.

"Bo Jinchuan... that's enough..."

"Do you think it's enough?" asked Bo Jinchuan in a husky and sexy voice.

She was angry and embarrassed, but the truth was...

The desire in her body made her unable to let go of him...

The few people at the door were sent away by Yu Song. At that moment, Xiao Mingjie's attention was focused on the photos he had just taken. He held the camera and looked at the negatives repeatedly.

Lan Xi sat alone on the sofa while Xiao Mingjie's assistant waited carefully.

Because the shoot had ended, Ji Yi had long returned to her dressing room to remove her makeup and change her clothes.

Twenty minutes later, Bo Jinchuan and CEO Shen had yet to come out.

As if she had thought of something, her cheeks reddened silently.

When Lan Xi saw Ji Yi, her sharp gaze landed on her.

She had coveted the man for so long and racked her brains to ask him out without hesitation. In the end, she didn't expect to fall for such a woman.

And because of her, he disregarded his reputation and got together with another man...

"How's the CEO and CEO Shen? This battle has gone on for a long time!"

"Yes, it's been more than half an hour!"

"Aiya, don't kill her!"

"Hurry up and take a look. Don't let anything happen!"

The few of them wanted to go backstage to take a look, but the moment they turned around, they saw a handsome man walking out with a person in his arms....

## **Chapter 702 It's Clear Who's Better**

The few of them wanted to go backstage to take a look, but the moment they turned around, they saw a handsome man walking out with a person in his arms...

Everyone hurriedly made way, but in the next second, their jaws dropped to the ground!

Who was the handsome and well-dressed man?

It was Chief Executive Bo!

But who was he carrying?

She had short hair and a pair of white pants. Her body was covered by an expensive black suit. Her ears were red and her face was buried in CEO Bo's arms. She looked like she would rather die than show her face.

Who was this person?!

Of course they knew who this person was!

This was the CEO Shen who had charmed them so much!

Oh god, my Buddha, Guan Yin Bodhisattva, what was going on?!

Why were the two of them together?!

Besides—

Moreover, what happened in the dressing room just now?

So their so-called “fight” was actually a fight between demons?

Gosh!

One was noble, cold and handsome.

One was strong and cold, elegant and handsome (beautiful).

This pairing...

She still couldn't imagine. What should she do?

“I'm going to die, I'm going to die. I've lost two male idols!”

“My heart hurts! How can this be? I've lost my faith in life.”

“But... | actually think these two are quite compatible...”

“Yes, it's pleasing to the eye...”

Xiao Mingjie was still immersed in his work. As he drank the water, he shook his head and praised.

Hearing a low voice coming from not far away, he looked up. The water that he had just drunk sprayed out instantly, forming a dense mist in the air.

What followed was a series of violent coughs!

What the f\*ck!

What kind of magical day was it today?

Look at what he had gone through!

What did she see!

This was a fantasy world!

Lan Xi stood up from the sofa immediately.

When she saw the man in Bo Jinchuan's arms, her head buzzed and her legs went weak. She almost fell to the ground.

Yao Rao's beautiful face turned pale as she stared at the two people in front of her in disbelief.

She had long heard that the CEO of the Bo Corporation was gay, but she refused to believe it. She had always felt that such a low probability wouldn't happen to Bo Jinchuan.

But now...

She had always thought that Bo Jinchuan was doing this for Ji Yi...

Unexpectedly, when the two of them reached the dressing room, it was not what she had imagined.

She recalled the sounds she had heard at the entrance of the dressing room. There were low cries and the sound of tables and chairs colliding. How could that be the sound of a fight?!

They...

The two of them were actually doing that in the dressing room?!

That abstinent and noble man was really gay!

Sensing the gazes of the people around her, Shen Fanxing tightened her grip on Bo Jinchuan's shirt as her head burrowed deeper into his chest.

Bo Jinchuan looked ahead without stopping. However, when he noticed her actions, his lips curled into a faint smile.

Although it was faint, it was enough to show how much he doted on her.

"It's obvious who is better."

### **Chapter 703 Swallowed**

"It's obvious who is better."

"Isn't that obvious? His height, physique, and aura are all perfect!"

"That's right. Look at the situation now. It's obvious that the one below can't walk anymore, right?"

Shen Fanxing was overwhelmed with shame. Hearing these words, she wished she could disappear from this world.

Was there anything more shameful than this?

"Hey, wait... Did we make a mistake?"

"What... Ah!"

At that moment, Bo Jinchuan had already left with Shen Fanxing. Yu Song said,

"I hope that everyone can control your actions. I hope that everyone can let today's incident happen silently and pretend that it never happened..."

The few of them paused and nodded quickly.

"We know, we know!"

None of them were fools. Who would dare to spread news about CEO Bo without his permission?

Yu Song looked at Xiao Mingjie and said calmly,

“I hope that the final selection can prevent anyone from recognizing CEO Shen.”

Xiao Mingjie coughed lightly and nodded. “Don’t worry, I won’t be recognized.”

Yu Song nodded and looked at Lan Xi. Seeing how shocked she was, he decided to leave first.

After a long time, Lan Xi came back to her senses.

“What... what happened?”

“CEO... CEO Bo is really... gay?”

Everyone in the studio kept quiet and remembered Special Assistant Yu’s warning.

She would never mention another word about what happened today.

In fact, even they had just realized that he was CEO Shen and not a real man.

Therefore, CEO Bo was not gay.

Downstairs, Shen Fanxing was carried into the car by Bo Jinchuan. The moment she was placed in the car, she scrambled to sit on the other side.

It was her first time doing it in a place that wasn’t on the bed, but Bo Jinchuan was getting more and more fierce. Her entire body was sore and weak. She moved to the other side, exhausted.

Bo Jinchuan smiled at her actions and got into the car.

Before she could sit properly, she received Shen Fanxing’s accusing gaze.

Turning his head to look at her flushed face and swollen lips, Bo Jinchuan couldn’t help but pull her into his embrace.

He kissed and bit her red and swollen lips.

“Bo Jinchuan, are you a wolf?”

It took a long time before he let go of her. Even Shen Fanxing’s breathing became soft, let alone her voice. Her voice was hoarse and she was sobbing.

Calling how she had begged him for mercy, Bo Jinchuan’s Adam’s apple bobbed.

His thin lips caressed her temples and his deep voice landed on his eardrums. His body went even softer.

“Yes, I can’t wait to swallow you.”

Shen Fanxing glared at him, her accusation deepening.

However, the softness in her eyes was not as strong as before.

Instead, she looked like a kitten who was trying her best to be angry. Her fur was standing on end, but she had no offensive power at all.

He gave a low laugh, his warm breath bringing his soft kiss to her ear. "Home, huh?"

Shen Fanxing rubbed against him and buried her face in his neck.

Her voice was lazy and weak. "I still have unfinished business in the company..."

## **Chapter 704 Checking Up**

"You still have the energy to work at the company?"

The moment Bo Jinchuan finished speaking, Shen Fanxing heaved a sigh of relief. The mention of this made her angry.

"But I don't want to go home... It's too boring."

Bo Jinchuan caressed her shoulder and pondered for two seconds. "Get your assistant to send the documents to me."

"Huh? Why?"

Half an hour later, the car stopped outside the Bo Consortium.

In the simple and elegant hall, various companies and employees from all over the world were wearing high-end suits and dresses. It was like a miniature world.

When Bo Jinchuan led Shen Fanxing into the hall, the passersby stopped and bowed to him.

However, most of the attention was on Shen Fanxing. There was shock, envy and ambiguity.

Shen Fanxing was wearing a pair of white pants that she had yet to change out of. Bo Jinchuan's black suit jacket was draped over her shoulders. Her short hair and makeup accentuated her exquisite features.

She looked like a fair and handsome young master.

Bo Jinchuan was wearing an expensive white shirt without a tie. The top two buttons of his collar were not fastened and one could vaguely see his fair neck.

His facial features were perfect, and he was extraordinarily handsome. Every inch of his face was exquisite, and his features were perfect.

His deep and indifferent eyes had always been devoid of any unnecessary expression. Now that his collar was slightly open, he looked even sexier, enough to make people go crazy.

Just by looking at him, one could not help but imagine how such a noble and cold man would look like in bed.

Shen Fanxing lowered her head and allowed Bo Jinchuan to pull her along.

Her body was still sore, but she rejected Bo Jinchuan's offer to carry her.

Under everyone's gazes, she followed Bo Jinchuan into his private elevator.

Shen Fanxing heaved a sigh of relief.

"Why did you come to your company?"

Bo Jinchuan looked at her, his eyes full of love.

"This will also be your company in the future. Recognize the company in advance and familiarize yourself with the business."

Shen Fanxing pursed her lips and said, "Haven't we acknowledged each other before? If that day comes, I will definitely be the one who only takes money and doesn't do anything! What business do I have to familiarize

myself with?"

"I'm here to check on you."

When they reached the top floor, Bo Jinchuan pulled Shen Fanxing towards the CEO's office.

The moment she entered the office, the secretary knocked on the door and entered.

"CEO..."

The moment she entered, work came. Shen Fanxing walked to the sofa and sat down. Her secretary reported to Bo Jinchuan seriously.

Just as the secretary was about to leave, Bo Jinchuan stopped her.

"Send lunch to the office for two."

The secretary glanced at Shen Fanxing and nodded slightly.

"Okay."

Shen Fanxing felt at ease.

If she went out... how would she have the strength?

Lunch was sumptuous and the two of them ate slowly. To the two of them, there didn't seem to be anything in this world that was worth being surprised by.

The two of them didn't eat much. After spending so many days together, they naturally knew each other's appetite. Even though they didn't eat much, they didn't force themselves to eat more.

The secretary had just finished cleaning up when Yu Song brought over all the documents that Stars International needed to handle..

**Chapter 705 No Way Out**

The secretary had just finished cleaning up when Yu Song brought over all the documents that Stars International needed to handle.

After flipping through a few documents, Shen Fanxing caught a glimpse of Bo Jinchuan at work.

After lunch, the two of them took a shower. Bo Jinchuan had changed into a clean blue striped shirt and was sitting upright on a chair. His well-defined fingers were holding an expensive fountain pen as he looked at

the document coldly.

His cold and stern expression was filled with wisdom and nobility.

She sat quietly without doing anything, exuding an indescribable charm.

Shen Fanxing stared at him for a while. Seeing his serious expression and the documents beside her, she sighed and yawned silently. She picked up another document and placed it in front of her...

After Bo Jinchuan was done with the afternoon's documents, he looked up and saw the figure on the sofa. She had fallen asleep.

He smiled in surprise. He had always thought that she was hardworking and capable, but she was also lazy and slippery!

He got up and walked to her side, taking out the document in her hand.

Alarmed, Shen Fanxing opened her eyes.

However, when she saw Bo Jinchuan's familiar face, she heaved a sigh of relief.

Bo Jinchuan carried her in his arms.

"Huh? Where are we going?"

"Sleep in the lounge," whispered Bo Jinchuan.

Shen Fanxing didn't say anything and allowed Bo Jinchuan to carry her into the lounge.

After being tormented in the dressing room for so long, she should be tired.

On the other hand, Gu Zeyan poured cup after cup of coffee, but his assistant never appeared again.

Pei Yaochi sat at the side and never mentioned anything about filming again.

Previously, he refused to step down. Now that there was no one to step down for him, he felt uneasy.

She called her assistant over angrily. "What's going on? How many calls did the production team give?"

The assistant looked embarrassed and helpless.

"Not a single call."

"What?" Gu Zeyan frowned.

The assistant saw his expression and knew that he was anxious. He took the opportunity to say,

“President Gu, I think we’ve left them hanging for almost three hours. That’s enough. Xiao Mingjie is a famous photographer in our country. If we offend him badly, it will be troublesome if he makes things difficult for

us... Why don’t we go over now? When the time comes, we can treat Xiao Mingjie better to avoid adding fuel to the fire... What do you think?”

How could Gu Zeyan not understand this? He just wanted to remind Shen Fanxing. If she really caused trouble for him, regardless of her size, he would have to spend time and energy to resolve it.

“Alright, let’s go.”

Pei Yaochi stood up, looking exhausted.

“I’m not feeling well, so I won’t be going with you.”

Gu Zeyan frowned, but Pei Yaochi had already left.

When the assistant drove Gu Zeyan to the studio, he realized that it was no longer Xiao Mingjie’s filming team, but another team that rented the studio.

They were filming for a new product.

Gu Zeyan’s face darkened and his assistant hurriedly called Xiao Mingjie’s assistant..

## **Chapter 706 Big Shot**

On the other side, Xiao Mingjie happened to be beside his assistant. Seeing that it was a call from Gu Zeyan’s assistant, he snatched his phone away.

“Hello...”

Gu Zeyan’s assistant didn’t recognize the other party and said,

“Assistant Gao, what happened? Why aren’t we filming today? Why didn’t you inform us?”

Xiao Mingjie snorted and said, “It’s not that I don’t want to film it, but it’s already done. Celebrity Gu is too popular. V-V, Choprad, I, Xiao Mingjie, am too insignificant and can’t afford to hire you. I won’t trouble you.”

Upon hearing this, Gu Zeyan’s assistant immediately knew that it was Xiao Mingjie.

“Teacher Xiao, what big shot? Didn’t I say that President Gu isn’t feeling well? He rushed over as soon as the drip was done...”

“Hmph” Xiao Mingjie snorted sarcastically. “You’re not feeling well? Get an IV drip?”

“Yes, President Gu knows that you’ve waited for a long time. He feels very guilty and plans to treat everyone to a meal after the shoot!”

“Haha, I’m not that lucky! I have to wait for him to finish his coffee before eating... I’m afraid my subordinates will starve to death.”

Upon hearing Xiao Mingjie's words, Gu Zeyan's assistant's expression changed drastically.

"Teacher Xiao, what are you talking about? What coffee... President Gu doesn't have time to drink coffee now..."

"Alright, stop talking. I don't know if Gu Mingjie is sick or not, but this is the first time I've found out that there's a disease in this world that can only be cured with coffee! Let's leave it at that... In the future, what does

Gu Mingjie want to film? Let him remove my name from the list. As for me, I won't accept any of Gu Mingjie's requests. Let's let each other off and never interact again! I'm hanging up!"

Xiao Mingjie hung up after finishing his sentence.

"What's going on?"

Seeing the change in his assistant's expression, Gu Zeyan frowned and asked,

The assistant said with an ugly expression,

"She said that the filming is over..."

Gu Zeyan's face darkened.

"Xiao Mingjie also said that he won't accept any filming related to you in the future."

Gu Zeyan pursed his lips and frowned.

The assistant rubbed his face and said, "Looks like someone else has changed."

She felt like she was going crazy!

V-V magazine was considered one of the top jewelry magazines in the country. Choprad was also an internationally renowned brand.

With the cooperation of these two companies, in addition to Xiao Mingjie's filming, the most important thing was to partner with the most popular "Little Queen". If the magazine were to appear then...

How much would his reputation rise?

And now, compared to Shen Qianrou's hype, it was naturally more effective to tie her to 'Queen Song'.

This was an opportunity that many people couldn't get even if they racked their brains. Yet, they had given it to someone else!

"Change? Does he treat the contract as a decoration?"

As Gu Zeyan spoke, he took out his phone and opened Weibo. His fingers danced as he posted.

"I didn't expect that I would encounter such a situation one day! In this industry, you can't afford to be sick and you can't afford to offend others! I hope everyone can take good care of your health.

Otherwise, even

being sick will offend others."

With his outstanding looks and being the person-in-charge of his company, Gu Zeyan had gained many young fans.

As soon as she posted on Weibo, she was immediately protected by her fans..

### **Chapter 707 The One Who Can Tolerate**

As soon as she posted on Weibo, she was immediately protected by her fans.

“What? My idol has been replaced?”

“Who is so blind to find such an outstanding, hardworking and gentle man?”

“Are you bullying President Gu because he’s unpopular or do you think our fans are dead? How dare you bully him to this extent!”

“Sigh, you’re right. Even being sick is wrong now! Prince Charming, take care of yourself.”

The assistant didn’t know what Gu Zeyan was doing. He paused and sighed before continuing,

“I don’t know what happened, but Xiao Mingjie found out about you at the cafe today.”

Gu Zeyan stared at the fans on the screen who were clamoring to seek justice for him. Just as he felt relieved, he heard his assistant say this.

“What did you say?!” His expression suddenly turned sinister.

The assistant was shocked.

“About what happened at the coffee shop... I wonder how Xiao Mingjie found out...”

Gu Zeyan’s heart skipped a beat and his gaze landed on his phone screen. He was stunned for two seconds before he hurriedly deleted the Weibo post.

Then, she searched for news about him and realized that there was no negative news about him.

She heaved a sigh of relief and put her phone away.

If the other party didn’t make a move, he would be in trouble.

However, his instant removal of Weibo still puzzled the fans. They felt that their idol was being too careful. Someone even took a screenshot of his Weibo and uploaded it online.

Not long after, Gu Zeyan’s Weibo post went viral.

Xiao Mingjie’s filming crew didn’t notice this Weibo post at first. It wasn’t until Gu Zeyan’s fans came knocking on their door that all sorts of nasty words and threats were thrown at them. The entire filming crew

exploded!

When they saw the Weibo post that Gu Zeyan deleted, they were so angry that they almost vomited blood.

“Pui! What are you talking about? The guilty party is the one complaining!”

“You’re offending people even when you’re sick? Hehe, the people in the city are really thick-skinned! You’ve broadened your horizons!”

“I think he’s addicted to being in a relationship with Shen Qianrou. Even his character is tainted! He’s a f\*cking scumbag!”

“Ah, now that you mention it, Gu Zeyan and Shen Qianrou are classmates. I heard that he’s Shen Qianrou’s loyal supporter. I heard that he entered the entertainment industry because of Shen Qianrou. Didn’t they end

up as a couple?”

“Yeah, but what does this have to do with his Weibo?”

“Are you stupid? Gu Zeyan likes Shen Qianrou. Think about it, whose artiste is Ji Yi now? CEO Shen, the two sisters of the Shen family don’t get along. Shen Qianrou has suffered a lot because of Shen Fanxing. Didn’t Ji

Yi and Shen Qianrou fight because of ‘Everything is Love’? In the end, with CEO Shen’s help, Ji Yi used her strength and the truth to slap Shen Qianrou’s face, causing her to be in a sorry state! Now... Gu Zeyan stood up

today. It’s not because of us, but because he wanted to embarrass CEO Shen...”

“F\*ck... What a mess. Did we become cannon fodder?”

“I’m disgusted that a man is so petty!”

Xiao Mingjie had a bad temper. He was originally editing the photos, but when he saw this scene, he was so angry that he almost smashed his computer!

“He’s so shameless. I didn’t expose him for being a big shot, but he came up with such a trick! Help me contact CEO Shen of Stars International. If I endure this, I’ll become a real grandson!”.

## **Chapter 708 Looking for CEO Shen**

When the phone rang, Bo Jinchuan sat behind his desk and glanced at the coffee table. Then, he stood up and walked to the sofa. He picked up Shen Fanxing’s phone and glanced at the screen. It was an unknown

number.

Her long fingers slid and she placed her hand beside her ear calmly.

“Yeah.”

“CEO Shen... Erm... Who are you?”

Xiao Mingjie wanted to get straight to the point, but he realized that it wasn’t Shen Fanxing’s voice.

“What’s the matter?”

Bo Jinchuan didn’t answer him directly, but what happened today was enough for Xiao Mingjie to guess who it was.

“Mr. Bo, um... I’m looking for CEO Shen...”

“What is it?” asked Bo Jinchuan patiently with a frown. His tone was cold.

“Uh... Mr. Bo, today...”

Xiao Mingjie recounted how Gu Zeyan stood up the filming crew today and the relationship between Gu Zeyan and Shen Qianrou. In the end, he recounted what happened on Weibo before saying,

“There’s a photo of Gu Zeyan in the cafe on CEO Shen’s phone. I want to come over.”

“Yeah.”

Bo Jinchuan replied calmly before hanging up.

Before Xiao Mingjie could react, his phone rang and a photo was sent.

After sending the photo, Bo Jinchuan placed his phone back where it was. Then, he picked up Shen Fanxing’s documents and raised an eyebrow.

When Shen Fanxing woke up, it was already half-past two in the afternoon.

Shen Fanxing was slightly taken aback by the furnishings in the room before she quickly realized where she was.

Glancing at her watch, she was surprised that she had slept until past three.

Thinking of the documents she had yet to settle, Shen Fanxing bit her lips in frustration. She got out of bed hurriedly and circled the bed, but she didn’t find her shoes.

She decided to ask Bo Jinchuan barefooted.

The door was pulled open. “Bo Jinchuan, my shoes...”

She looked up and her voice was stuck in the air.

There were five or six men in suits standing in front of Bo Jinchuan’s desk. Their ages varied, but their average age was relatively higher.

At this moment, the few of them were staring at her with different expressions. There were confusion, confusion, shock, embarrassment, and a few traces of disapproval and disdain.

Shen Fanxing still had short hair and her loose shirt was a little wrinkled. There were two buttons on her collar. Facing the silent and awkward atmosphere, the crooked collar slid down her right shoulder.

The white shirt that Shen Fanxing was wearing was still Bo Jinchuan’s, and it was empty inside. The corset that she had worn in the dressing room had long been thrown away by Bo Jinchuan. Although the quality of the

shirt wasn't good enough to expose her chest, her smooth shoulders and shirt couldn't help but let her imagination run wild.

Especially her messy clothes and the scattered red marks on her skin. It was obvious what she had experienced.

The few of them couldn't react in time. They had seen with their own eyes that their ascetic CEO actually knew how to hide a beauty. Moreover, this "Jiao" was actually a handsome man.

Bo Jinchuan stood up and strode towards Shen Fanxing. He pulled her collar up..

### **Chapter 709 Go Out First**

Bo Jinchuan stood up and strode towards Shen Fanxing. He pulled her collar up.

Then, he bent down and picked her up. In front of everyone, he carried her and walked past everyone to place her on the sofa. Then, he found her shoes and squatted down. One by one, he helped her put on her shoes

and tied her shoelaces.

Shen Fanxing wanted to retract her leg for a moment, but Bo Jinchuan tightened his grip silently.

Was it because she had just woken up or was it an illusion? Or perhaps, he was different in the company.

There was a layer of coldness in his clear and indifferent eyes. The calmness and wisdom on his body carried an unfathomable wisdom. He was like an immovable mountain in the distance. Through the morning mist,

his aura was hidden.

His noble aura seemed to have widened the distance between them, let alone the way he bent down to help a woman put on her shoes.

Even the higher-ups couldn't hide the shock in their eyes. Bo Jinchuan's behavior today had overturned their understanding. They couldn't take it anymore.

"Go out first."

A deep and dignified voice sounded. The higher-ups retracted their gazes and left the office in a hurry.

Shen Fanxing didn't say anything as she stared at Bo Jinchuan in a daze.

After a while, Bo Jinchuan looked up and saw the confusion in Shen Fanxing's eyes. The coldness in his eyes dissipated and he smiled.

"What are you thinking about?" Her voice was as gentle as the smile on his face.

Shen Fanxing heaved a sigh of relief. This was the Bo Jinchuan in her eyes.

"When did I fall asleep?"

“You haven’t even finished reading a single document, our great CEO Shen.” Bo Jinchuan placed his hand on her forehead and stood up.

Shen Fanxing raised an eyebrow and tilted her head to look at her documents. Only then did she realize that the coffee table was empty.

“Where are my documents?”

“It’s with me.”

Bo Jinchuan had already turned around and walked towards his desk.

“Yes?”

Shen Fanxing stood up and walked towards Bo Jinchuan’s desk.

When she found her documents at the side of the table, she realized that they had all been reviewed.

He flipped through it carefully. He could circle every big choice and even every small mistake.

“Wow, he’s so strong? He can even handle someone from another industry.”

Bo Jinchuan bent and sat on the chair with a smile.

“If I want to slack off in the future, I’ll hand the document to you.”

Shen Fanxing leaned against the table as though she was about to be released.

“You wish.”

“Refuse mercilessly?”

“Yes. The more documents I handle, the less time I have to spend with you. What do you think?”

Shen Fanxing pursed her lips and smiled.

She had clearly rejected him heartlessly, yet he was still so happy and scheming.

“Go, sit on the sofa. When I’m done, let’s celebrate Yin Ruijue’s birthday together.”

“Yeah.”

Sitting on the sofa, Shen Fanxing swiped her phone in boredom.

However, the trending topics on various websites caught her off guard.

## **Chapter 710 Childishly Adorable**

What had she done? Why was she trending for no reason?

And she was tied to these two?

She clicked on the trending topic Top 1 and the summary message sent by a famous blogger was sent to the trending page.

Gu Zeyan deleted the post instantly.

“I didn’t expect that I would encounter such a situation one day! In this industry, you can’t afford to be sick and you can’t afford to offend others! I hope everyone can take good care of your health.

Otherwise, even

being sick will offend others.”

Shen Fanxing took a closer look at the photo. It was indeed Gu Zeyan’s verified account.

Then, she sneered. How shameless!

What followed was the fans seeking justice for Gu Zeyan.

Later on, Xiao Mingjie’s filming team personally released the video of Gu Zeyan in the cafe and uploaded the recording of the conversation between the assistants online.

After that, almost all the employees of Xiao Mingjie’s filming team appeared to explain the situation back then. They even criticized Gu Zeyan’s character.

The die-hard fans were naturally unhappy with others questioning and judging their idol. Just like that, an online war started.

Of course, there were also many onlookers. This matter was already very clear. Without a doubt, Gu Zeyan was in the wrong. It was not just a mistake, but also a matter of character.

“Gu Zeyan was the one who complained first. The truth is right in front of us. Why are you still arguing?”

“He was the one who acted like a big shot and stood the entire team up. He even wanted to appeal on Weibo. Damn it, isn’t this the typical method of a white lotus?”

“She’s been tied down by Shen Qianrou for too long and has been assimilated! F\*ck, she’s too scary. Shen Bailian’s charm is like a black hole.”

“That’s true. What’s so good about Shen Bailian? As long as a man is close to her, women, the old and the young, they will fall head over heels for her. Scary, scary!”

“Speaking of Shen Bailian, I heard that Gu Zeyan stood the production team up today because the spokesperson for the jewelry brand this time is Ji Yi. Everyone knows about the feud between Ji Yi and Shen Bailian, but

more importantly, he’s using Ji Yi to show off to CEO Shen of Stars International!”

“You dare to bully our Ji Yi? Haha, come and tear her apart! Who’s afraid of you?!”

“Chief Shen’s army is here to protect you! Hello, friends from Ji Yi’s family, shake hands!”

“Hello, President Shen’s friends! We’re all family! You’re welcome! Let’s shake hands!”

“Pfft...”

Shen Fanxing couldn’t help but laugh at the adorable interaction between Ji Yi’s fans and her army of guards.

Why were they so cute?

When Bo Jinchuan heard the voice, he couldn't help but look up at the sofa.

Shen Fanxing placed her legs on the sofa and hugged her knees. She bit the knuckle of her index finger and blushed as she stared at the screen.

His dark eyes shifted slightly. It must have been caused by Xiao Mingjie's photo.

However, Gu Zeyan was speechless. She shouldn't be so happy.

Frowning, he couldn't help but look up and ask, "What are you happy about?"

"Oh... sorry to disturb you."

Bo Jinchuan stared at her silently.
