

Chapter 706

“Also, the ultimate beneficiary this time is Bai Yi!”

“But I think Lin Fan is the master of this incident!”

“It is him who let Brother Cai Guofu transfer free of charge and the world has evaporated!” He was the one who made Niu Yunkui fear and took Wu Xuepeng away!”

Wow!

After Bai Yifan’s guess, the entire Bai family was in an uproar.

The faces of all the Bai family members were full of incredible colors.

After all, the former Lin Fan was just a worm in their eyes, just lazy waste.

But now!

It seems that every incredible thing has the shadow of Lin Fan faintly, which also makes Lin Fan’s identity more difficult to guess and extremely mysterious.

At this moment, even the old lady Bai felt a tingling scalp: “It seems that Lin Fan is no longer as simple as we saw before!”

“However, all at present is just our guess, nothing more!

” Now, we have a more important thing to do!”

More important thing?

Hearing this, all the Bai family’s gazes turned towards Grandpa Bai.

“The New Bai Group has become our enemy!”

“So we urgently need a strong ally, that is... Jiangnan Shengshi Group!”

“And in a few days, the young master of the Shengshi Group’s second shareholder will come. When we arrive in Jiang City, our Bai family will have a relationship with this person at all costs! ”

At the same time!

In Bai Yi's house, there was a cheerful atmosphere.

Shen Yumei made a sumptuous table of dishes, and the family ate them happily.

This time, the new Baishi Group successfully won the Blue Ocean Building, and it became an instant success. This is indeed a thing to celebrate.

period!

Lin Fan and Baishan drank some white wine, and even Bai Yi and Shen Yumei's mother and daughter drank some red wine.

Until they were full, Bai Yi and Lin Fan returned to their rooms.

Lin Fan walked into the room, only to find that Bai Yi had a pretty face, red and gorgeous, like a flower in full bloom, showing a kind of charming and enchanting.

However, her eyes were staring at herself, scrutinizing and questioning.

"Old...wife, why are you looking at me like this?"

Lin Fan asked with a guilty conscience, could not help but smile.

And heard this.

Bai Yi's pretty face became even more cold, and the look in Lin Fan's eyes was also filled with a complex color:

"Lin Fan, how did you do it?"

"Uh...what did you do? Wife, I don't know what you are talking about?" The look on Lin Fan's face became more embarrassed.

Seeing that this product was still pretending, Bai Yi's jade hand slapped the head of the bed fiercely:

"Lin Fan, don't pretend, I know all about your identity!"

Chapter 707

what!

This sentence shocked Lin Fan, but after he carefully observed the sly in Bai Yi's eyes, he smiled and said:

“My wife, you saw through it! Okay, I admit it. !”

Admit it!

Lin Fan’s words made Bai Yi’s heart completely lifted.

After three years of marriage, does she finally want to know the true identity of her husband?

Thinking of this, Bai Yi’s heart was bitter, struggling, confused, and deeply lost.

“Go ahead!”

Bai Yi gritted his teeth tightly, forcibly calming himself.

She knew that Lin Fan’s next words were likely to subvert her three views and completely shocked her.

See this scene.

Lin Fan’s face couldn’t help but a strong dignified color appeared, and then shook his head and sighed and said:

“My wife, I am actually a kitchen guard! I am a floor cleaner! I am my wife’s flower protector, and I am our new Bai’s patron saint!”

What is it?

Bai Yi’s entire pretty face was instantly frozen in a deep stunned shock.

Isn’t this guy trying to show his true identity?

What the hell is the kitchen guard?

What the hell is the floor cleaner?

When Bai Yi saw the smile at the corner of Lin Fan’s mouth, she realized that she had been fooled by this bastard.

“Lin Fan, you...you bastard actually fooled me!” As he said, Bai Yi pounced on Lin Fan.

However, she had just drunk a lot of red wine. At this moment, she suddenly stood up from the head of

the bed, but felt the world was spinning, and flew into Lin Fan's arms, and then the two fell heavily on the bed.

"Ah..."

Bai Yi was startled, but when she sensed the warmth on Lin Fan's chest and the traces of strong masculine aura, her pretty face turned completely red.

"Lin Fan, you... get up and let me go!"

Bai Yi wanted to struggle to get up from Lin Fan.

It's just that the charming fragrance on her body, as well as that charming and thrilling face, and her enchanting and perfect body, suddenly made Lin Fan's heart tremble.

"Old...wife!"

Lin Fan called out softly.

And this voice, like an electric current, made Bai Yi's body tremble fiercely.

Both eyes looked at each other, full of strong friendship.

And just under the beating hearts of the two, Lin Fan lowered his head, and his lips slowly approached Bai Yi's lips.

Little after little!

Until Lin Fan could no longer contain his feelings, he kissed Bai Yi's lips fiercely.

"Hey..."

Bai Yi's body trembled fiercely, and her beautiful eyes turned round in an instant.

She even felt her body, as if a trace of electricity was flying through it, making her body's strength completely disappear.

Chapter 708

"Lin...Lin Fan! Don't..."

Bai Yi was completely emotional.

During the three years of marriage, Bai Yi has been extremely resistant to Lin Fan, and the two have never had any physical contact.

But knowing that in the last few months, Bai Yi discovered that he had fallen in love with this man unknowingly.

Even if he was useless for a lifetime, even if he did not live up to his life, Bai Yi knew that he would never be separated from this man, from life to death.

“Wife, I love you!”

A happy smile appeared at the corner of Lin Fan’s mouth.

One of his big hands moved slowly towards Bai Yi’s body.

Click!

A button was slowly relieved by Lin Fan, and suddenly the stalwart on Bai Yi’s chest appeared before his eyes.

But it was the sound of this button that suddenly caused Bai Yiru to be struck by lightning:

“No!”

She pushed Lin Fan away, and then the whole person didn’t know where the strength came from, and quickly got up from the bed.

At this moment, her hair was a bit messy, her pretty face flushed, like a red apple, panting heavily, her beautiful eyes blurred.

“Lin...Lin Fan! Yes, I’m sorry!”

When Bai Yi saw Lin Fan’s stunned look, Bai Yi’s heart suddenly showed a deep apology:

“I, I didn’t mean to refuse you, but this is us. For the first time, I think... after a while, let it be full of ritual!”

Bai Yi looked at Lin Fan, a trace of pleading appeared in his beautiful eyes.

She has already fallen in love with this man, so naturally she doesn’t mind giving herself to him,

However, she prefers perfection!

In a situation full of ritual, let Lin Fan and myself have no regrets or regrets in this life.

Seeing Bai Yi's nervous and overwhelmed look, Lin Fan couldn't help but smiled slightly:

"Wife, don't worry, I understand!"

Lin Fan smiled slightly.

He has been waiting for three years, so naturally he doesn't care and waits longer.

And this sentence instantly made Bai Yi's heart surge with love.

At this moment, she found that she really loved this man.

"Thank you, old...husband!"

Husband!

This is definitely the first time Bai Yi called Lin Fan this way in three years.

And after speaking, she was immediately ashamed and hard to behold, and the blushing pretty face seemed to be bleeding to the extreme.

When Lin Fan heard this word, his heart felt even hotter.

His gaze glanced at Bai Yi's hot figure and the messy and charming face.

Lin Fan couldn't help but smiled:

"Okay, wife, I'll give you a massage, let's go to sleep!"

Chapter 709

...The night is gradually dissipating!

When Bai Yi woke up from sleep in the early morning of the next day, she only felt the feeling of being light and light.

It seems that all exhaustion and all body impurities have been discharged from the body.

“It feels so relaxing! Is it because of Lin Fan’s massage last night?”

Bai Yi was a little confused.

She can be sure that this is definitely the sweetest sleep she has ever had since she was young.

She even felt like she was several years younger.

Especially, when she turned her head to see Lin Fan next to him, who was asleep, Bai Yi couldn’t help but think of the embarrassing scene last night.

“Lin Fan massaged me last night, I seem to... seem to be emotional?”

Huh!

Thinking of this, Bai Yi’s pretty face was once again flushed with blood, her heart pounding wildly.

“This stinky guy can even massage!”

Although Bai Yi was shy, his gaze at Lin Fan became more and more full of love.

She discovered more and more that her husband was omnipotent.

Thought of this!

Bai Yi quietly stepped forward to help Lin Fan cover with a blanket, and then gave Lin Fan a deep kiss on the forehead, and then began to go out to wash.

Three poles on that day.

When Lin Fan woke up, he found out that Bai Yi did not know when he had put on a kitchen girl’s outfit and had already prepared a table of food.

“Wife, are you?”

Lin Fan was a little confused. It was the first time he saw Bai Yi, an intellectual president, and went to the kitchen to cook.

Seeing Lin Fan, Bai Yi couldn’t help but feel that his heart was beating faster and faster. He lowered his head and said:

“I think you were too tired last night! So he got up and made a breakfast for you. Come and eat!”

Talking!

Bai Yi's pretty face blushed, and he quickly walked into the kitchen and continued to get busy.

Looking at Bai Yi's appearance of a small woman, Lin Fan was happy, he knew that his relationship with Bai Yi was even deeper.

Until the two started eating breakfast.

A piece of news broadcast on the TV made Lin Fan a little stunned.

“This station reported that according to news from Lobu Lake, the Blood Buddha, known as China's most brutal great master, was found!”

Chapter 710

“Some time ago, Blood Wolf, the disciple of the Blood Buddha, suffered heavy losses in Jiangshi. Is this a sign of the birth of the Great Master Demon?”

“Whether the Great Master Blood Buddha is born, this station will continue to follow up and report!”

What !

After seeing this news.

Not only was Lin Fan stunned, even the Bai Yi next to him turned pale.

“Isn't the blood wolf the killer who assassinated Zhang Yichen? His master turned out to be the Grand Master!”

“This time it broke, I'm afraid it is the mysterious Grand Master Lin in Jiang City who is in trouble!”

Bai Yi's On the pretty face, a deep worry emerged.

It's just that Lin Fan smiled slightly:

“My wife, don't worry, maybe the Great Master Lin doesn't put this person in his eyes at all!” Lobu Lake, this is known as the most mysterious lake in China!

Located in the northwest of China, it is known as the Ear of China.

Especially in recent years, Robe Lake's name has become more and more famous, and one of the most important reasons is that there is a terrifying demon living here!

Bloody Buddha!

This is the name of Megatron China for several years, representing blood and death.

Especially, when the Blood Buddha killed the four great masters in World War I and eliminated the terrifying force that occupies the northwest, it has disappeared since then.

But there were many forces who wanted to hunt down the Blood Buddha and avenge the former force.

Without exception, the entire army was wiped out here.

This also makes Robe Lake the name Lake of Death!

Just today.

In this area, there are four more uninvited guests!

These were four evil men, each of them was dripping with blood, with a handful of shimmering spikes on their waists.

If you are seen by people in the Northwest, you will be shocked.

Because these four people are the invincible four wolves in the northwestern desert in the past year!

The four wolves of the Northwest!

The name of the terrible thugs.

Each of them has reached the realm of a powerful grandmaster. If they are ordinary people, they must find a big power to live in peace. However, these four people are extremely cruel, and have long been used to the blood licking of the knife. people.

They burned, killed and looted their children in the northwest, doing nothing wrong!

Today, these four people came to the area of Robe Lake.

“Hahaha... this battle is really fun, what bullshit blood tiger alliance, is not under the four of our brothers, have been killed!”

“This time we robbed countless treasures in total, maybe we can cultivate for a while. !”

The faces of the four of them were full of cruel smiles.

For them, ordinary forces are just lambs they slaughtered, prey waiting to be eaten, nothing more.

However, when the wolf among them, after scanning the surrounding area, his brows were slightly frowned:

“Three brothers, everyone must be careful. This is like Lobu Lake, which is said to be the hiding place of the Blood Buddha. !
