

The One and The Only Chapter 71 - 80

Hearing the words, the man in glasses knelt down with a thud, knocked his head like garlic,
and begged for mercy: "Lei brother, please forgive me, I was also an hour slower to collect
enough money... "

Lei Gong's voice didn't contain any emotion, and he said hoarsely like a night owl:
"You have

to speak credit when you come out, and if you say it, you must do it. Come on, put
him on

the roof and throw it down." The

man in glasses His face was bloodless, and he screamed sternly, but was quickly
dragged

away by a few fierce men.

Lei Gong looked at Cao Jianbin, Song Zhongxiong and Song Zhongping, who were on
the

side at this time, and said lukewarmly: "The three guests came from afar. I don't
know

what's going on with me Lei Gong?"

Cao Jianbin said carefully: " Brother Lei, your brother has had an accident in Mannity,
and

we are here to report to you."

Lei Gong's eyes suddenly changed when he heard the words, and almost at the same
time, a

scream came from outside the window.

The man in glasses fell from the window, and then heard a loud crash, and the
screams

stopped abruptly.

Cao Jianbin, Song Zhongxiong and Song Zhongping's faces were pale.

Lei Gong's eyes were like a knife, and his voice was cold: "My brother, what
happened?"

Cao Jianbin bit his head and whispered: "Your brother, was killed by Yash Nics and
Dong

Tianbao."

Whoops!

Lei Gong, who was stroking the head of the Tibetan Mastiff, heard Cao Jianbin's
words. The

palms of the five fingers suddenly pressed hard, and they smashed the bones of the
Tibetan

Mastiff's head abruptly.

The Tibetan Mastiff screamed and died on the spot.

The murderous aura in Lei Gong's eyes quickly condensed, and the temperature of
the

surrounding air dropped a few degrees.

He stared at the three of Cao Jianbin and said sternly: "What are you saying is true?"

Cao Jianbin bit his head and said loudly: "Yes, Yash Nics and your brother have formed

Liangzi for an engineering project. He brought in Dong Tianbao, the underground overlord in

Dongcheng District, Mannity City, and together he killed your brother. Now your brother's site

The business with Dong Tianbao has all been taken over."

Lei Gong's face was so gloomy, as if he was talking to Cao Jianbin, and he seemed to be

muttering to himself: "What kind of thing is Dong Tianbao, he dares to harm my brother.

Forgive me!" After

he finished, he turned his head and ordered a subordinate behind him: "Scar, you immediately order two coffins to be built. I will take the two coffins to Mannity and install

the corpses of Yash Nics and Dong Tianbao!" The

scar man Shen Shen Said: "Yes, Brother Lei!"

...

there is a saying, good things do not go out, bad things spread thousands of miles.

When Lei Gong learned that his brother had been killed, he took two coffins and went to

Mannity City to avenge his brother. The news spread quickly.

Dong Tianbao also got the news at the first time. His capable man Shi Qing said anxiously:

"Brother Bao, it's over. Lei Zhennan's brother Lei Gong, come down from the provincial

capital, and seek revenge from us."

Lei Gong these years The reputation of being ruthless and ruthless in the underground

circles of the provincial capital spread all over the south, and many people talked about it.

Dong Tianbao, who is in the underground circle of China Overseas, is naturally unable to

compare with Lei Gong in the provincial capital.

Therefore, Shi Qing and other brothers were so flustered when they heard the news.

Dong Tianbao frowned when he heard that Lei Gong was coming to seek revenge.

However, he didn't panic at all, and calmly said: "What is Lei Gong? What is Lei Gong? In

front of our young master, the young master told him to kneel, so he can't stand."

Shi Qing and others screamed and killed Lei Zhennan with their own hands. Yash Nics came, but they were still a little nervous.

I am worried that Yash Nics may not be Lei Gong's opponent, because Lei Gong's name is

too loud.

Dong Tianbao took Shi Qing to the Jiangbin Garden Villa Community, begged to see Yash

Nics and report the matter.

Yash Nics was in the study. After listening to Dong Tianbao's words, the corners of his

mouth rose slightly: "Oh, Lei Gong Pif, he brought a coffin to his death."

Dong Tianbao heard Yash Nics's words and didn't think there was any problem, but behind

him Shi Qing's several subordinates all looked at each other.

Shi Qing and others thought to themselves: Oh my god, brother Bao, the young master, his

tone is too crazy, even the Lei Gong of the provincial capital does not look at it!

Dong Tianbao respectfully said: "Master, Lei Gong has arrived in Mannity this morning and

is now living in Guanyun Resort Villa. He has already let out a message for you and me to

come to death in person tonight, otherwise—"

Yash Nics said coldly. : "Otherwise?"

The One and The Only Chapter 72

Dong Tianbao head down, whispered: "Otherwise, he said, to die when you are not alone

with me, the two of us but also all the family to his brother buried."

Surge A powerful murderous aura spread from Yash Nics in an instant!

Yash Nics squinted his eyes and said slowly: "This thunder, there is a way to take death."

"Tianbao, get ready, come with me to Guanyun Villa tonight."

Dong Tianbao said loudly, "Yes, master!"

.....

Night is falling, and the lights are beginning to come on.

Located on Guanyun Mountain in Mannity City, in Guanyun Villa, the lights are brilliant.

Today, Lei Gong, a great figure in the underground circle of the provincial capital, visited

Mannity City and temporarily stayed at Guanyun Villa.

Many people in the underground circles of China Overseas, as well as many aristocrats and

rich people in the above-ground circles, have come to Guanyun Villa to please Lei Gong.

Of course, many people come with the mentality of watching the excitement.

Because everyone knows that Lei Gong visited Mannity City this time to avenge his brother

Lei Zhennan.

Many people are waiting to see Yash Nics and Dong Tianbao unlucky!

In the lobby of Guanyun Villa, there are two heavy coffins, which are the two coffins that Lei Gong brought from the provincial capital. He claimed to use these two coffins to hold the bodies of Yash Nics and Dong Tianbao.

At this time, Lei Gongyi was sitting on the Grand Master's chair with a golden sword, and Scar waited for a group of capable men, standing fiercely with hands down. At this moment, Scar said coldly to the guests who were visiting by Cao Jianbin, Song Zhongxiong and Song Zhongping: "Lei brother said, tonight is a day to avenge his brother, and will not receive any guests. Everyone. Go back on your own and don't make Lei Ge upset."

Cao Jianbin and others had to leave after hearing this. When they left, there was a lot of discussion, guessing whether Yash Nics and Dong Tianbao will come to death tonight honestly? Cao Jianbin said with a sneer: "Lei openly told Yash Nics and Dong Tianbao to come and die. Would they dare to come? If they don't come, according to Lei Gong's character that they must do everything, they will definitely destroy their two family."

At nine o'clock in the evening, a Rolls Royce and two black Audis appeared in the parking lot in front of Guanyun Villa.

Yash Nics and Dong Tianbao, along with Shi Qing's eight men, got out of the car. Many men in suits and leather shoes, with murderous faces, faintly surrounded Yash Nics and his party.

At the same time, a few runners rushed into the lobby of the villa, shouting as they ran, "Lei Ge Lei Ge, Yash Nics and Dong Tianbao are really here."

Yash Nics is not hurried, just as free as hell.

?? Strolling in the courtyard, with Dong Tianbao, Shi Qing and others, walked into Guanyun Villa. Entering the hall of Guanyun Villa, you can see two coffins in the middle of the hall, and the

king of thunder is sitting on the chair of the magistrate with dozens of glaring subordinates standing around him.

As soon as Yash Nics and his entourage walked into the hall, dozens of others followed and the door was closed heavily.

Lei Gong looked at Yash Nics and Dong Tianbao contemptuously, and said mockingly: "Dong Tianbao, you and Yash Nics will come and die, and bring a few hands down. Is it

possible that these people are here to collect the dead bodies for you two? "When Yash Nics and Dong Tianbao heard Lei Gong's words, Lei Gong thought that they were

scared, so they came to die on their own initiative!

At this time, Lei Gong's gaze fell on Yash Nics, and he said: "You are the murderer who killed

my brother with despicable means, Yash Nics?"

Yash Nics shook his head: "No, I am a dignified personal general in full view. Your brother

killed him, how could it be said that it was a sneak attack." When

everyone on the scene heard Yash Nics's words, they couldn't help but widen their eyes,

staring at Yash Nics incredulously, and daring to show their tongue when he died?

A powerful murderous aura spread from Lei Gong's body overwhelmingly, making everyone

in the hall shudder.

Lei Gong stared at Yash Nics steadily, and said solemnly: "Scar, send him on the road!"

The One and The Only Chapter 73

His gold medal killer, scared out of the queue with a grinning smile, strode towards Yash

Nics.

"Boy, dare to have trouble with our Lei brother. The coffin is ready for you, so you can lie

down for me!"

Scar is the first fierce general under Lei Gong, with more than a dozen lives on his back, Lei

Gong gave an order. He grinned and rushed towards Yash Nics.

Whoosh!

As he approached Yash Nics, he suddenly flew up and kicked Yash Nics's head like lightning, trying to explode Yash Nics's head with a kick.

The speed of this foot is extremely fast, full of explosive power, and it faintly carries the

sound of wind and thunder.

At the scene, Lei Gong's gang could not help but cheer for the scar: "Nice!"

"Good kick!" "Domineering kick!"

At this moment, Yash Nics gave a cold snort and flew up. , The speed is faster than the scar

and the strength is stronger than the scar.

Yash Nics's kick came first and hit Scar's knee accurately.

With a creak of bones, Scar's right foot was directly kicked off by Yash Nics.

The cheers of Lei Gong's men seemed to have turned into cheers for Yash Nics.

"

Ah— " Scar's screams just sounded, Yash Nics's second kick has arrived, and the bang hit

Scar's head.

Scar was killed instantly, flew out obliquely, just lying on one of the coffins, motionless.

At the scene, Lei Gong's gang opened their eyes wide, and some looked at Yash Nics in

disbelief. How could the scar be killed by Yash Nics?

Dong Tianbao looked at Yash Nics proudly, this was the god in his mind.

Although it was not the first time that Shi Qing saw Yash Nics take a shot, they couldn't help

being shocked by Yash Nics again.

Fast to the extreme speed, super hard core power, clean spike.

Let their adrenaline continue to soar, the scalp is numb with stimulation, and the bottom of

my heart is constantly shouting: Isn't it too awesome? Too awesome, right?

Lei Gong didn't expect Yash Nics to be able to defeat his scar, he was a little surprised.

But at this time he slowly stood up, staring at Yash Nics, as if he was about to know Yash

Nics again, and said with a sneer: "Hehe, it seems that I underestimated you a little bit. You

can beat Scar. Then, I'll send you on the road myself."

Yash Nics smiled and said, "Congratulations, I have the honor of killing you personally!"

When

Lei Gong heard Yash Nics's words, he was furious: "Laughter, so arrogant. , I want to see if

you have the strength to be arrogant in front of me."

He said, striding towards Yash Nics.

Lei Gong was not fast or slow, but every step he took was like stepping on the hearts of

everyone.

Everyone felt like an ancient beast was coming, choosing someone to eat.

The corner of Yash Nics's mouth rose slightly, and one hand was placed on a coffin beside him, and he shook slightly. The thick cover of the coffin flew out like a cannonball, sweeping towards Thunder. Lei Gong was taken aback, and quickly lowered his head as the heavy coffin board whizzed past his head. But he just dodged the flying coffin board, only to feel that the shadow in front of him flashed, and Yash Nics had actually appeared in front of him. Yash Nics reached out with his right hand, grabbed Lei Gong's neck, and lifted Lei Gong off the ground with one hand. Lei Gong felt like a little chicken, caught by Yash Nics's neck and held it up with one hand abruptly.

The hand gripping his neck was like a powerful vise, no matter how hard he struggled, he couldn't get rid of it. In shock, he grabbed Yash Nics's eyes with both hands, trying to blind Yash Nics's eyes, forcing Yash Nics to let him go. Yash Nics sneered, his palms pressed hard, and with a click, he directly squeezed Lei Gong's neck. In an instant, Lei Gong froze, like a sack being emptied. Yash Nics casually raised his hand, and Lei Gong's corpse flew into the coffin with the lid open, and said indifferently: "I can see the person seeking death. This is the first time I have seen the person who brought the coffin to death. Dao!"

The One and The Only Chapter 74

Lei Gong's men were horrified. The two coffins that Lei Gong brought, one with a scar on his stomach, and the other containing Lei Gong himself. If it hadn't been for the door to be locked, those of them who were little men would have already seized the door and escaped. Dong Tianbao, Shi Qing and others looked at Yash Nics's eyes as if they saw a god. What is the big man in the underground circle of the provincial capital? What is the thunder of the underground circle in the south that everyone talks about. In front of the young master, the chicken was just a dog, and he killed him if he said it.

Yash Nics killed Scar and Lei Gong simply and neatly. At this time, he stood with his hand
with his hand, looked around the rest of the crowd, and asked faintly: "Is there anyone else
planning to send me on the road, come to fight!"

Lei Gong's men heard the words. , His face is very weird.

Come to fight?

Come and fight a fart!

Brother Dao Scar was the number one gold-medal fighter under Lei Gong and was killed in
seconds.

Lei Gong has been in the underground circle of the provincial capital for many years. These little ones, they are still fighting, what are you kidding about?

Lei Gong's men threw away their weapons, knelt down and begged for mercy together:

"Young Master Yash, we don't know Taishan, you adults don't care about villains, please
spare us."

Dong Tianbao Leng He shouted: "Now I know I'm afraid. Just now you closed the door and

surrounded us fiercely. Where did you go?"

Lei Gong's men were crying and crying: "We were wrong, we knew we were wrong, and
forgive us. "

Dong Tianbao and Shi Qing looked at Yash Nics, and asked respectfully: "Master, how do
you deal with their gang?"

If it is on the battlefield, if there are thieves who dare to invade the northern border, Yash

Nics never Keep prisoners of war.

But this is not the Northern Territory, and it is not the time of war. Yash Nics calmly said, "Let

them take the coffin and the corpse, and get off!"

Lei Gong's men quickly packed up and carried them after hearing the words, if they were

granted a pardon. The two coffins containing Lei Gong and Scar's corpses left embarrassedly.

Dong Tianbao whispered: "Master, why have you spared them and this gang? If they had the

power tonight, they would definitely not spare us."

Yash Nics said lightly: "The thieves have been condemned, these thieves have followed, It
doesn't matter whether you kill or not."

“In addition, let them bring the news of Lei Gong’s death back to the provincial capital. After it spreads, it can also shock the Xiaoxiao, lest people will disturb my peaceful days when I reunite with my family.”

Dong Tianbao
Respectfully said: “I see.” In Cao Jianbin’s mansion, he and Song Zhongxiong and Song Zhongping are preparing to open champagne to celebrate the death of Yash Nics and Dong Tianbao.

But they suddenly got the news that Yash Nics and Dong Tianbao and his entourage came out of Guanyun Villa unharmed.

As for Lei Gong, it is said that he was singled out with Yash Nics and was beaten to death by Yash Nics.

Lei Gong’s men had already returned to Tianhai Provincial City overnight with Lei Gong’s corpse.

Cao Jianbin, Song Zhongxiong and Song Zhongping looked at each other when they got this amazing news, and they couldn’t believe it.

It took a long time before Cao Jianbin spoke, cursing and saying: “Damn, I thought Lei Gong was so awesome, it turned out to be just a paper tiger.”

“With so many men, one person can drown Yash Nics with a single spit, and he actually told Yash Nics singled out and was beaten to death by Yash Nics, idiot.” Song Zhongxiong also said with a wry smile: “It is said that Lei Gong is very skilled . Master.”

The One and The Only Chapter 75

Cao Jianbin, Song Zhongxiong and Song Zhongping were discussing that Lei Gong was a paper tiger, but Yash Nics was killed by Yash Nics.

At this moment, the butler came in and said respectfully: “Master, there is a man named Lai Feng who wants to see you.”

Cao Jianbin frowned upon hearing this, and said dissatisfied: “Madman, he ran to me again.

Huh ?” Song Zhongxiong asked curiously: “Boss Cao, what’s the matter?”

Cao Jianbin said lightly: “One of my former subordinates was said to have worked as a mercenary in Africa and killed people like hell.”

"I saw him at first. Yes, stay by my side as a thug. But I didn't expect that this kid made trouble everywhere. He had an argument with someone in a bar a month ago and stabbed three people to death." "After the incident, he ran to me and I gave it to me. Give him a little money and let him run away quickly."

"Unexpectedly, he was still in Mannity and came to me again. When Lao Tzu is a charity fund?"

Cao Jianbin said that, he ordered the housekeeper to let the bodyguards slap Lai Feng. Get out.

Song Zhongxiong stopped and said, "Boss Cao, since this Lai Feng is a ruthless character, and he is going to run away, why not make good use of it?"

Cao Jianbin was stunned: "Brother Song, what do you say?"

Song Zhongxiong grinned. Said: "Lai Feng, desperadoes, have killed so many people. It doesn't matter to him to kill one or two more. You can simply give him a sum of money and let him help kill Yash Nics."

Song Zhong Ping also said: "Yes, he was your subordinate before, and now he is in trouble to ask you for help. You drive him out for fear that he will hate you. Simply give him a sum of money and let him do something for you. Everyone is good."

Cao Jianbin listened to the Song brothers, showing a pensive color, and finally he nodded:

"You are right, butler, let the madman come in and see me." The butler: "Yes, sir!"

Soon, the butler came in with an ordinary-looking but sturdy man, it was Lai Feng. As soon as Lai Feng walked into the living room, he was stopped by Cao Jianbin's bodyguards.

The bodyguard was holding a metal detector and had to check that there was no weapon on

Lai Feng before he could let Lai Feng approach Cao Jianbin.

Lai Feng looked honest, but occasionally a ruthless color flashed in the seemingly honest eyes of Mu Na.

He held his head up for inspection by several bodyguards. One bodyguard gestured in front

of Lai Feng with a metal detector, and immediately heard the alarm sound of Didi.

"He has weapons on his body!"

“Hand over the weapons!”

Several bodyguards looked at Lai Feng with guard.

Even Cao Jianbin, Song Zhongxiong, and Song Zhongping on the sofa in the living room

cast their eyes.

Lai Feng grinned, and raised his hand to unbutton his shirt, revealing his scarred body.

He has not only scars but also bullet scars and scars left by grenade fragments, which is

shocking.

Several bodyguards at the scene looked at Lai Feng with horror, and swallowed with difficulty.

I thought to myself, how many battles did this guy go through on the African battlefield

before leaving such a scar?

Lai Feng was very satisfied with the shocked expressions of the people, and said a little

proudly: “Don’t worry, I don’t have weapons on my body, but there are only a few bullets and

grenade fragments left in my body.”

Everyone looked even more weird.

Cao Jianbin and the Song brothers looked at each other, and they suddenly felt that what

they were looking for was a really ruthless person like Lai Feng, not a “paper tiger” like Lei

Gong.

Cao Jianbin stood up, walked towards Lai Feng, and smiled heartily: “Crazy man, you are

here.”

Lai Feng: “Boss Cao!”

Cao Jianbin looked up and down Lai Feng’s eyes, smiled and said: “Crazy man, don’t blame

them, I have offended people recently, and my head has been broken.”

“They bodyguards are also to protect me, so that’s right. People who are close to me, check

carefully, you understand and forgive me.”

Lai Feng looked at Cao Jianbin, Cao Jianbin really had a potion tape on his head, he opened

his eyes wide, and said angrily: “Who is brave enough to beat Boss Cao? . Tell me, lunatic, I

will help you settle him!”

The One and The Only Chapter 76

Cao Jianbin narrowed his eyes: “Madman, are you serious?”

Lai Feng said displeased: “Boss Cao , what you said is wrong . You are my madman’s

benefactor, who To move you is to make trouble with my lunatic. I don't cut him. Is that the character of my lunatic?"

"Boss Cao, who on earth did you move you? Tell me, even if he is a madman, I dare to stab him a few lunatics.

Hole!" Cao Jianbin was very satisfied with what Lai Feng said. He patted Lai Feng on the shoulder and said, "No hurry, let's sit down and have a good chat. If you avenge me, I will give you 10 million for traveling."

Lai Feng Hearing that his eyes lit up instantly, when he was a mercenary in Africa, his one-month salary was converted into Chinese currency, which was only 200,000 yuan.

If there are very dangerous tasks, the salary will be higher, but 1 million a month is the highest!

And Cao Jianbin's shot is 10 million, which is enough for him to be born and die on the African battlefield for a year's salary.

After Cao Jianbin sat down with Lai Feng, he personally poured Lai Feng a glass of champagne, and then told him about the holiday with Yash Nics.

After listening to Lai Feng, he grinned and said: "I think why is this a terrific character? It

turns out that he is just a layman who has just retired and knows a little bit of fist."

"Boss Cao, this is all on me. I still have it. Two brothers, we will help you kill Yash Nics tomorrow night. By the way, the beauty named Song Pingting was also kidnapped and sent to your bed."

Cao Jianbin heard the words and showed a satisfied expression: "Hey, I'll wait. Good news for you."

... The

next evening, Yash Nics and Song Pingting came out of the company and drove home together.

After a turn, a person suddenly rushed out of the flower bed, and Yash Nics hurriedly braked.

Song Pingting exclaimed: "Did you hit him? Let's get out of the car and have a look."

Yash Nics and Song Pingting just wanted to get out of the car to check on the passer-by

they encountered, but the two back doors of the car were opened at the same time, and the

two men got in from the left and the other with the handles in their hands. Pistol, pointed at Yash Nics and Song Pingting, and shouted in a low voice: "Don't move, or you will be killed."

Yash Nics frowned slightly, Song Pingting's pretty face pale.

At this time, the pedestrian who was hit by the car also entered the back seat of the car with a quick gesture, and said grinningly: "Hello, I am a lunatic, you'd better follow my instructions, otherwise, my gun is not Long eyes."

Yash Nics glanced at the three lunatics and said indifferently: "You dare to play with guns in front of me. You are not brave ." Lai Feng pointed the gun at the back of Yash Nics's head and sneered: "You are not brave. Xiao, I dare not get along with Boss Cao. Now drive me along this road to the outskirts. If you dare to play tricks, I will kill you first."

Yash Nics raised his mouth slightly, started the car, and drove towards the outskirts. Intentionally or unintentionally, he said, "It turns out that Cao Jianbin sent you here. Is he not convinced that he was beaten by me and asked you to beat me?" A cruel color flashed in Lai Feng's eyes: "Wait. You'll know when you get off."

Song Pingting, who was sitting in the passenger seat, became paler and paler, and these thugs with guns forced them to drive to the remote outskirts. It's definitely not as simple as a beating, maybe it's about killing people and burying their bodies!

Song Pingting was able to guess the vicious thoughts of Lai Feng's fellows, how could Yash Nics not know?

Yash Nics sneered and quickly drove the car on the ring road. After getting on the Huancheng Road, Yash Nics's throttle has not been reduced. The speed of the car is getting faster and faster, and the speed has exceeded 100 from the blink of an eye, and it is still rising awkwardly.

A few breathing times, the speed has exceeded 200 per hour, it is almost as scary as flying a plane.

While driving, Yash Nics gently said to Song Pingting, the co-pilot, "My wife, close your eyes."

Song Pingting obediently closed her eyes, her whole body tense tight.

Lai Feng's two companions in the back seat also became nervous. At this speed, no one was nervous and afraid.

After all, Lai Feng was a mercenary who crawled out of the dead pile. He was not nervous and afraid. He only held the gun in his hand and glanced at the speedometer in the instrument panel that had reached 250. He sneered and said to Yash Nics: Hurry, I want to

scare anyone, I haven't been afraid."

Yash Nics smiled and said, "Really?"

The One and The Only Chapter 78

Boom!

A loud noise!

The gate to the courtyard of the Cao's mansion was violently knocked open by the jeep, and

the two jeeps drove straight in.

Immediately, Huang Yongcheng, the bodyguard captain of the Cao family, rushed over with a

group of security guards.

Huang Yongcheng grinned and shouted in a deep voice: "Who are you?"

After stopping, Dian Chu and the five northern soldiers got out of the car for the first time.

Dian Chu personally opened the car door at this time. Yash Nics got out of the car and said

indifferently: "The person who came to take Cao Jianbin's dog life!"

Huang Yongcheng said angrily: "I think you are here to die. Everyone gets on together and

abolishes some of them."

The bodyguards at the scene pulled out their swinging sticks and rushed towards Yash

Nics.

Yash Nics turned a blind eye to these murderous bodyguards, with his hands behind his

back, and walked towards the door of the house unhurriedly.

Dian Chu whispered to kill, and led five of his men to meet Huang Yongcheng's bodyguards.

Dian Chu is Yash Nics's chief of security, and he is very good at fighting.

The five fighters around him were all members of the Yash Nics Guards, and they all possessed unique skills.

A few coders, dealing with the security guards like Huang Yongcheng, is like a tiger entering a flock of sheep, instantly setting off a bloody storm. Dian Chu several people use standard military fighting skills, and they can kill or injure them. They are true killing skills on the battlefield. The bodyguards at the scene groaned and fell to the ground. Even the strongest bodyguard captain Huang Yongcheng was kicked upside down by Dian Chu, his chest and ribs were broken, and he fell heavily at Yash Nics's feet. Huang Yongcheng used to be in the army for seven years, but was forced to retire because of a mistake. After retiring, he relied on the ability to fight and fight, became the bodyguard of the rich, and eventually became the bodyguard captain of Cao Jianbin. Huang Yongcheng believed that his strength was not bad, but it was the first time that he suffered such a terrible defeat. He injured clutching his chest, looked horrified with the Code Ning Chu few, suddenly exclaimed: "you you you, you are the Northern Territory God of War, Marshal Yash Nics!" Is carrying his hands, Xu is not Yash Nics, who walked toward the door of the house hurriedly, stopped when he heard this. Yash Nics looked at Huang Yongcheng who was badly wounded, and said lightly: "It's rare for you to recognize me." In fact, when Huang Yongcheng spoke just now, he was not very sure in his heart.

Now that he heard Yash Nics's words, he was finally 100% sure that the man in front of him was the youngest marshal in China and the most mysterious God of War in the empire, Yash Nics. Huang Yongcheng struggled desperately, and then knelt in front of Yash Nics: "I used to serve in the army. Although I am not affiliated with the Northern Army, I was fortunate to have seen Chen Shaoshuai's heroic appearance in the military newspaper." "I didn't expect to be the first in reality. This is the case when I saw the marshal this time. Please marshal the marshal." Yash Nics said coldly: "Since you used to be the sword of the country, how can you be used by Xiao Xiao?"

“This time I see you from your background. For good reason, please spare you. You guys get out of here immediately, and you must not reveal the secret of my identity.” Huang Yongcheng and his men repeatedly said, “Yes, we know.”

There was a fierce battle in the front yard . , But Cao Jianbin in the living room on the second floor knew nothing.

He just took two imported medicines, and now he feels like he is strong and fierce. Just waiting for Lai Feng’s desperadoes to kill Yash Nics and kidnap Song Pingting to come to see him.

At this time, footsteps came from the stairs.

Cao Jianbin smiled, just wanted to say that the lunatic is back?

But he suddenly saw Yash Nics coming up the stairs with a few people.

Cao Jianbin opened his eyes wide and lost his voice: “It’s you!”

The One and The Only Chapter 79

Yash Nics came over calmly and sat down on the sofa like the master here.

I also looked at Cao Jianbin’s medicine bottle on the desktop, and then looked at Cao Jianbin: “Are you surprised?”

“Mad people...” Cao Jianbin wanted to ask Lai Feng how many, but he realized that it was

wrong and immediately spoke. “What are you here for?”

Yash Nics said with a smile: “Did you just want to ask Lai Feng where they are? They are

already on Huangquan Road. I came here naturally to send you up and talk to them. Companion.”

Cao Jianbin finally showed a look of horror on his face when he heard the words . He suddenly picked up the walkie-talkie on the desktop and shouted: “Bodyguard, all bodyguards will come to the second floor immediately!”

Yash Nics sneered, “No need to call. They have no time to take care of themselves .” Cao Jianbin opened his eyes wide. He was always afraid of death, and his

family hired dozens of bodyguards.

But with so many bodyguards, Yash Nics can handle them all?

Yash Nics looked at him indifferently, as if looking at the livestock to be slaughtered, and

said coldly: “I warned you that night at the Junan Hotel. I told you that if you dare to beat my

wife again, you It’s going to die miserably.”

Cao Jianbin felt Yash Nics’s murderous intent. He was terrified and shouted in a stern voice:

“Yash Nics, do you dare to kill me, do you know who I am?”

“I’m the top ten richest man in China Shipping. I am in the three realms of black, white and business with countless friends. Even if

I go to Shizun’s house, I am a guest. Do you dare to kill me?” “Believe it or not you move my hair. In the future, Mannity will not have a place for you to stand. Unlucky?” Yash Nics said lightly, “Is there anything else I want to say?”

Cao Jianbin opened his mouth wide. He didn’t expect that he threatened for a long time, so

he exchanged such words with Yash Nics.

Yash Nics stood up, brushed his sleeves, and said lightly: “Since there are no other last

words, Dian Chu, send him on the road.”

After Yash Nics finished speaking, he ignored it and turned and left.

As soon as he reached the top of the stairs, Cao Jianbin’s horrified cry came from behind,

but with a crackling sound, the scream stopped abruptly.

... When

Yash Nics returned home, it was already ten o’clock in the evening.

Song Pingting had just coaxed her daughter to sleep, and she was washing Yash Nics’s

clothes.

At home, ordinary clothes are thrown into the washing machine, but personal clothes are

washed by hand.

During this time, Yash Nics’s clothes were washed by Song Pingting herself.

Yash Nics watched the sweat bursting out of his forehead, and was busy washing his clothes, even Song Pingting, who didn’t even know he was back. The corners of his mouth

could not help but rose slightly, and his eyes rarely showed tenderness.

After finally washing her clothes, Song Pingting was about to stretch her waist when she

suddenly found that Yash Nics was leaning against the bathroom door, looking at her with a

smile.

Song Pingting whispered, and then glared at Yash Nics with a bit of annoyance, and said

strangely: “When did you come back?”

Yash Nics smiled and said, “I just came back.”

Song Pingting passed the laundry while passing the laundry. Qing Shui said, “Why are you

looking at me?”

Yash Nics said softly: “Nothing, I just want to look at you quietly.”

Song Pingting blushed instantly when she heard Yash Nics's words and bit her lip. Angrily glanced at Yash Nics. Yash Nics really felt that this was very warm, and she was teasing her when she was Yash Nics. Song Pingting dried the clothes, and then asked Yash Nics: "By the way, how are those things handled?" She said, naturally, the kidnapers and the car accident happened this afternoon. However, she had just woke up and was taken away by Yash Nics. She didn't know that all the culprits had belched, only when the culprits were seriously injured and passed out. Yash Nics said lightly: "I know a few friends from the police, they have handled this time properly, you don't have to worry." Song Pingting was relieved when he heard this, nodded and said, "That's good." Yash Nics Suddenly remembering something, she looked at Song Pingting and said with concern: "I remember that your right arm and your right foot were bruised at the time. Is it better now?" Song Pingting shook her head, "It's not very serious. Just now in front of my parents, I was afraid that they were worried, so I didn't say anything. I'll just wipe some safflower oil myself." Yash Nics said flatly, "I'll wipe it for you!"

Song Pingting's eyes widened and she ate. The food said: "No, I can just wipe it myself."
Yash Nics strongly said: "Don't talk nonsense, I'll get safflower oil." After that, Yash Nics really went to the cabinet to find safflower oil. Song Pingting's face flushed, her eyes waiting for Yash Nics's back, she whispered softly: "This guy is still so domineering."
The One and The Only Chapter 80
Song Pingting didn't dare to ask Yash Nics to wipe the safflower oil for her in the living room, so she rushed into the bedroom. After a while, Yash Nics came in with safflower oil. The two sat on the edge of the bed, and Yash Nics asked Song Pingting to roll up her sleeves and first wipe her safflower oil on her visibly bruised right arm.

Then, he asked her to put her injured right foot on his leg. He carefully helped her to roll up her trouser legs, and saw the obvious bruises on her calf, and he couldn't help showing a distressed expression. He poured safflower oil into the palm of his hand, and then gently rubbed the injured area of her calf. Yash Nics's expression was serious and distressed, Song Pingting took the opportunity to observe Yash Nics up close. It is said that when a man is serious about doing things, he looks best. Song Pingting felt that this was not wrong at all, and she found that Yash Nics belonged to the kind of man who seemed okay at first glance, but the more he looked at him, the more he felt that he had a taste. This may be the legendary enduring look!

She was staring at Yash Nics's face and couldn't stop, thinking wildly in her heart. Unexpectedly, Yash Nics raised her head and asked: "Does it hurt?" Song Pingting seemed to be caught upright, her pretty face flushed instantly, and her eyes panicked and said, "No, it doesn't hurt..." Yash Nics smiled slightly. , Said: "Okay, I'll take a bath, you go to bed first." Yash Nics stood up and prepared to leave, but Song Pingting suddenly said: "You should sleep with me and your daughter tonight!" Yash Nicswen Yan, looking at Song Pingting with interest. Song Pingting's face was even redder, and she said shyly: "Don't get me wrong, I'm afraid that my daughter will wake up tomorrow and find you sleeping in the guest room and make trouble again." Yash Nics said with a smile, "Okay!" ... the next day early morning. Li Jianmin, the manager of the BMW 4S store, has parked a brand-new BMW M760Li xDrive with the formalities and temporary license plates in front of Yash Nics's house. This is the fourth BMW that Yash Nics bought from her within a month. Her current impression of Yash Nics is only two words, that is arrogance. After signing and swiping the card, Yash Nics took the key, and drove his daughter to kindergarten with Song Pingting, and then the two went to Ningda Company. Since the Ningda Company resolved the funding problem, it has officially entered the orbit of operation.

Haitang City Village has basically been demolished, and it is about to enter the second phase, which is to officially start recruiting engineering teams to start the construction of Haitang Shopping Plaza.

At noon, the two came to a small farmhouse restaurant for lunch.

Although Song Pingting came from a wealthy family, her life has not been easy these years, so she has developed a simple habit early on.

When she ate with Yash Nics, she ordered a mushroom stewed chicken rice, a braised pork ribs rice, and even the soup. They were all free soups, just like ordinary office workers ate.

Yash Nics was even more indifferent. He used to command the soldiers to eat almost the same meals as ordinary soldiers. In special times, it is common to have wild vegetables.

The two raised their eyebrows and ate cheap fast food, but they ate very well.

However, just when both of them were immersed in ordinary happiness, a discordant

woman's voice suddenly sounded in her ears: "Oh, this is not Song Pingting from our university, why are you eating cheap fast food here!"

Yash Nics frowned and looked with Song Pingting in the direction of the sound, and then

saw a woman with big wavy hair and sunglasses.

This woman is wearing a designer dress. Although she has some beauty, she has a rich

make-up and exudes a gaudy air.

It was Song Pingting's rival in college-Tong Lulu.
