

Chapter 721

what!

Whether it was Bai Yi or Bai Yifan and the others, it was obvious that Lin Fan would be so calm.

Especially, does Caesar Hotel need to pay for admission?

how can that be!

This is just a hotel. They have never heard of any hotel that needs to be paid for admission.

Moment, Bai Yifan, who face ridicule, the more full-bodied up:

“Lin Fan, you are not short of money missing silly little cold banquets at Caesar Hotel, here’s how admission will need to pay!!”

“Yes Ah, Lin Fan, listening to you, how do you feel like the owner of Caesars Hotel! Hahaha...”

“Cut! Caesars Hotel does not pay, I don’t know, but you are so shabby. I’m afraid. You can’t even enter the door of the hotel!”

Caesar Hotel is one of the most luxurious hotels in Jiang City.

Everyone who enters the door needs to be dressed neatly, with a suit and tie, which is almost standard.

Lin Fan was dressed in casual clothes, and he was afraid that he could not even enter the hotel door.

“Can’t you enter the door?”

Lin Fan smiled slightly, watching the three of them playfully and said:

“Are you sure?”

“Hahaha...Of course you are sure, you are dressed so shabby, if you can enter the door of Caesars Hotel, I will be Bai Yifan” Bai Yifan was about to make ruthless words right now.

However, his words have not yet been exported.

Hoop!

Suddenly, I was stunned to see that a group of figures rushed out of the Caesar Hotel.

This is more than that.

A red carpet was quickly laid down from the lobby of the hotel.

A welcoming lady, standing on both sides of the red carpet, on the handsome faces, full of enthusiasm smiles.

at the same time.

A banner was actually raised from the door of Caesar Hotel.

There are a few words written on it!

“Welcome to Mr. Lin and Miss Bai, come to Caesar Hotel!”

What!

After seeing this banner, Bai Yifan, Lin Guangyao, Shen Jian and others were all dumbfounded.

Mr. Lin!

Miss Bai!

Does it mean Lin Fan and Bai Yi?

But how is this possible.

The faces of the three of them were full of surprise and uncertainty, but at this moment.

Da da da!

The sound of uniform footsteps came out from inside the Caesars Hotel, and then everyone saw that middle-aged men in suits and leather shoes with majestic faces stepped out of the hotel.

“That’s Zhou Wanshan, the owner of Caesars Hotel! My God, he... how did he personally greet him!”

Lin Guangyao and the three were stunned.

They know that Wanshan is definitely a big brother in Jiangshi this week.

Except for giants like Xu Tianlong, there is no one at all who can put him in the eye.

And go out to meet?

This is even more impossible.

But now.

“Hahaha...Mr. Lin, Miss Bai, welcome!”

Chapter 722

Zhou Wanshan brought a group of senior figures from the Caesars Hotel, hula la, to Lin Fan and Bai Yi.

Then they bowed one by one, with a strong expression of reverence on their faces:

“I also just learned that Mr. Lin and Miss Bai are coming to our hotel, and they hurried out to greet him. If there is any negligence, please Mr. Wanglin and Miss Bai, forgive me!”

Zhou Wanshan’s expression at this moment was extremely humble.

And this scene made everyone here hardly believe their eyes.

Shocked!

Bai Yifan, Lin Guangyao, and Shen Jian were completely messed up.

They looked at Lin Fan as if they had seen a ghost.

what happened?

In terms of what this guy is wearing, he is not qualified to enter the Caesars Hotel.

Now, the Caesars Hotel not only greeted them with banners and carpets, even the owner Zhou Wanshan came to greet them in person.

This has simply subverted their three views.

More than them!

At this moment, even Bai Yi was stunned.

He had naturally seen Zhou Wanshan at the engagement ceremony of Shen Jian. At that time, the Shen

family arranged their family of four at the door.

It was Zhou Wanshan, Liu Zhen, No. 1 Provincial No. 1 and others, who came to accompany them and brought the delicacies of the Caesar Hotel.

Bai Yi originally thought that it was just a coincidence.

But now!

“Could it be because of Lin Fan the last time? This time it was also because of Lin Fan?”

Bai Yi looked at her husband as if he had seen a ghost.

However, Lin Fan didn't seem to be aware of it. Facing the courtesy of Zhou Wanshan and others, he just smiled faintly, and then asked:

“Boss Zhou, I just heard people say that if you don't wear a suit or tie, you can't enter the Caesars Hotel?”

What!

Lin Fan's faint words made the faces of Zhou Wanshan and all the high-levels of Caesars Hotel pale with fright.

They quickly wiped the sweat from their foreheads and responded.

“Mr. Lin joked! Others have to suit and tie, but Mr. Lin naturally doesn't use it!”

Wow!

In a word, Lin Guangyao and others were even more shocked.

However, this does not stop.

Lin Fan said with a smile:

“I also heard that you need tickets for Caesars Hotel today, right?”

“Yes! These six hundred are the ticket money for our couple!”

Ticket money.

Seeing the six red tickets handed over by Lin Fan, Zhou Wanshan was taken aback for a moment, and could only bite the bullet and take them.

And until then, Lin Fan smiled and said:

“As for the other wealthy people, how much tickets they charge, it’s up to Boss Zhou to figure it out!”

Huh?

Lin Fan’s words seemed to point.

When Zhou Wanshan saw Lin Guangyao and the others who looked ugly beside him, he instantly understood what Lin Fan meant.

He nodded and said:

“Mr. Lin rest assured, our Caesars Hotel will definitely charge fair fees!”

Chapter 723

boom!

The expressions of Bai Yifan and others changed as soon as he said this.

Even a fool can see it and charge the ticket money. This is exactly what Lin Fan meant.

What is even more incredible is that Zhou Wanshan actually obeyed Lin Fan’s order, what is going on?

The three of Bai Yifan were dumbfounded.

And Lin Fan is turned to them and smiled, and said:

“!!!! Thank you for your cousin cousin squad sponsored ticket money, so, then we see the banquet”

finished!

Lin Fan took Bai Yi with a bewildered look, and walked towards the Caesar Hotel.

And when the two walked by.

Hoop!

The welcoming ladies all bowed to salute:

“Warmly welcome Mr. Lin and Miss Bai, come!”

“Warmly welcome Mr. Lin and Miss Bai, come here!”

...”

The shouts of reverence were extremely shocking.

It seems that at this moment, Leng Shao is not the protagonist at all, and the real protagonist seems to be Lin Fan and Bai Yi.

This is more than that. The three of Bai Yifan were surprised to find out.

After Lin Fan and Bai Yi entered the hotel, the welcoming lady then rolled up the 100-meter-long red carpet again, and put the banner away. It seemed that whether it was a carpet or a banner, it was just to welcome Lin Fan and Bai Yi. Only two people.

“This... how is this possible!”

Lin Guangyao swallowed a spit, and it was the first time he saw the Caesars Hotel welcoming guests with such high standards.

And this guest was Lin Fan who was looked down upon by him in every possible way.

This simply subverted his three views.

“Let’s go too!” Bai Yifan next to him also looked ugly.

At the moment, he wanted to take his female companion to the Caesar Hotel.

Just at this moment!

“Mr. Bai, please pay the fee!” A cold voice came, causing Bai Yifan’s body to tremble.

He saw that Zhou Wanshan and a group of high-level Caesars had already stopped in front of them, with a pair of eyes firmly nailed to them, full of strong hostility.

Pay?

You really have to pay?

With a brush, Bai Yifan's complexion almost dripped gloomy.

He glanced at Zhou Wanshan unwillingly, and then he could only bite the bullet and took out six red tickets from his wallet again, and he wanted to pass them to Zhou Wanshan.

however!

"Sorry, Mr. Lin, your ticket is...60,000! And as long as cash, transfers and online payments are not accepted!"

What!

In a word, Bai Yifan's face turned green with anger.

He couldn't believe that Lin Fan and Bai Yi only paid six hundred, and how could he have to pay six hundred!

"Boss Zhou, did you make a mistake! Just now Lin Fan only gave you 600 yuan!" Bai Yifan's face was pale, staring at Zhou Wanshan, and questioned.

Chapter 724

Just heard this!

Zhou Wanshan smiled coldly:

"Mr. Lin just said that you are rich! Since you are rich, then the entrance fee will naturally be one hundred times that of Mr. Lin!"

Wow...in one word, let Bai Yifan and Shen Jian , Lin Guangyao's complexion is as ugly as dead gray.

blackmail!

They didn't expect that just because they humiliated Lin Fan, they and others would be blackmailed and hostile by Caesars Hotel.

Especially, after seeing Zhou Wanshan and the others, they were about to rush people without paying.

Bai Yifan and the others had no choice but to bite the bullet and started calling people to send money.

after all!

Zhou Wanshan, they can't afford to offend.

But the cold young banquet must attend.

Even if they are pitted now, they can only break their teeth and swallow them in their stomachs.

However, just after they finished the call, Zhou Wanshan's voice came again:

"If the payment is delayed for one minute, an additional 10,000 yuan will be added!"

Wo Cao...

Hearing this, Bai Yifan, Lin Guangyao, and Shen Jian I almost scolded my mother.

They naturally knew that this was Zhou Wanshan deliberately avenging his three for Lin Fan.

Especially thinking that Lin Fan, a bastard, used their money to enter the hotel, and then pit them at the entrance of the hotel.

All three of them felt the smelly throat surging, and they were almost so angry that they would vomit blood on the spot.

...

And for all this, Lin Fan didn't care.

He and Bai Yi, under the respectful guidance of a welcome lady, have arrived at the door of the dinner box.

"Lin Fan, do you... do you know Boss Zhou?" Bai Yi looked at Lin Fan, full of scrutiny.

When he heard this, Lin Fan seemed to have expected it, and said with a smile:

"My wife, it's not that I know Boss Zhou, but my dad knows Boss Zhou!"

"You forgot, the last Shen family engagement banquet! Last, how respectful Zhou Boss was to our dad! I'm just a fake tiger!"

Huh?

As soon as this remark came out, Bai Yi's doubts in his heart were all held in his mouth.

Lin Fan was right. At the last engagement banquet held by the Shen family, Zhou Wanshan was indeed respectful to his father Baishan. Even the provincial No.1 Liu Zhen and others were extremely polite to his father Baishan.

But Bai Yi felt that this matter was far from that simple.

And all of this is probably not because of his father Baishan at all, but because of... Lin Fan!

Just when Bai Yi was thinking about it.

Creak!

The door of the box opened, and the two stepped in.

Inside the box, a Western-style dinner is being held.

The faint and melodious piano music floated slowly throughout the box. One after another Jiangshi young talents were talking in groups or inviting their partners to dance to the music.

When Bai Yi and Lin Fan walked in.

Everyone's gazes turned towards the two of them.

Chapter 725

especially!

When they saw Bai Yi, each of the young talents brightened their eyes, and bursts of fiery luster flashed in their eyes.

When they saw Lin Fan, their brows furrowed tightly, and a deep contempt and disgust appeared on their faces.

"Coco...Bai Yi, my good sister, you are finally here!"

At this moment !

A chuckle like an oriole sounded.

Then, from the very center of the box, a man and a woman walked quickly towards Lin Fan and Bai Yi!

Of these two, the female is Zhou Nan, and the male is the host of this banquet-Leng Bufan!

Hoop!

When they saw the man and the woman walking towards Bai Yi, the surrounding guests gave way. Everyone looked at the man and the woman with a strong flattery and flattery.

“Haha, Bai Yi, my good sister, I knew you would come!”

The woman, with extremely gorgeous appearance, peachy eyes, and springing, gave people a fascinating feeling, especially her Lips, smeared with gorgeous red, give people a charming feeling.

And this person is Zhou Nan!

When she was in school, she had the best relationship with Xu Yanhong, and Bai Yi was the most jealous.

“Zhou Nan, good... long time no see!”

Bai Yi’s pretty face was obviously not quite comfortable with Zhou Nan’s enthusiasm, and he replied with a dry smile at the moment.

And beside Zhou Nan, there was a white-faced young man.

His temperament looks extremely noble, especially an Italian tailored suit, which gives a sense of wealth and wealth.

He is the protagonist of this banquet-Leng Bufan.

Only at this moment, after seeing Bai Yi, Leng Bufan’s cold and arrogant eyes suddenly flashed a thick and stunning color.

What a nice view!

Leng is extraordinary and lustful by nature, and the beauties I have seen are just like Guo Jiangzhiqing, countless.

But whether it is appearance or temperament.

Bai Yi in front of him is definitely the most beautiful woman he has ever seen.

Not only that!

Even if it was his girlfriend Zhou Nan, standing with Bai Yi at the moment, he was immediately inferior.

See this scene!

A thick smile appeared on Leng Bufan's face. At this moment, he walked in front of Bai Yi and stretched out his hand with a smile:

"Jiang City's No. 1 Beauty President, really is not as well-known as meeting, and meeting is more famous!

" President Bai, hello, my name is Leng Bufan! "

Leng Bufan!

He speaks confidently and does not introduce his identity, but gives people a condescending feeling of overlooking.

See this scene!

Bai Yi was a little embarrassed, but still bit his scalp and stretched out his hand:

"Hello, I am Bai Yi!"

Bai Yi's jade hand, after he held Leng Bufan's palm slightly, he wanted to withdraw it.

However, a wicked smile appeared at the corners of Leng Bufan's mouth. In particular, he felt that the smoothness of Bai Yiyu's hands made his heart beat.

At the moment, it was holding Bai Yi's jade hand tightly, and he was unwilling to let go.
