

Chapter 731

what!

Zhou Nan's scream was extremely loud, and all the people in the box were startled.

The music stopped.

The young talents around also stopped the dancing, one by one, all came up.

After all, Zhou Nan is Leng Bufan's girlfriend, and the hostess of this banquet, her diamond ring is missing. This is definitely a big event.

"Miss Zhou, how could you lose your diamond ring? Has it been stolen?"

"Yes, Miss Zhou must check it out! If it is stolen, you must catch the thief!"

"Who is this? Desperate, even dared to steal the diamond ring from his girlfriend at the banquet of Young Master Leng!"

"..." The shouts of many young talents around, one after another.

Hearing everyone's words, Zhou Nan's face showed a trace of anger:

"This ruby and diamond ring was bought for me for less than 10 million yuan! It was originally intended to be used as an engagement ring, but now it's better. eating guts, dare to steal my ring! "

she said!

Zhou Nan's eyes, even peering eye on white Iraq, ferocious, said:

"! White Iraq, I have come, I still rings, and you chatted for a day, the ring will be gone ' , "

said Did you steal it? "

What!

This sentence of Zhou Nan made Bai Yi feel confused.

From the beginning, when Zhou Nan came over to chat with herself, she didn't even notice Zhou Nan's ring. How could she steal it?

And for Bai Yi.

She has never been interested in these gold and silver jewelry.

At this moment, when she saw the questioning glances of everyone around her, Bai Yi was completely panicked:

“Zhou Nan, I...I didn't steal your ring! I didn't...”

Bai Yi's face was pale.

It's just that as soon as her words fell, Zhou Nan's screams came again:

“Bai Yi, don't pretend! When I sat down just now, you were still envious of my diamond ring! In a blink of an eye, mine The ring is gone. There are only two of us here. You didn't steal it. Could it be that I couldn't steal it?”

Zhou Nan's words immediately caused an uproar in the surroundings.

The rich second-generation eldest ladies almost all stood in Zhou Nan's position, and they frantically accused Bai Yi : “Bai Yi, how do you say he is also a president, and he did this kind of stealing thing? , I simply lost our Jiangshi people's face!”

“Yeah! It's shameful to see you look so beautiful and do some sneaky things!”

“Bai Yi, your husband can't afford a diamond ring, but you don't want to buy it. Affordable! Shao Leng likes you so much, if you want, let Shao Leng send you to you, why steal it?”

“...”

Accusations, swearing, ridicule.

Only Zhou Nan's accusation made everyone's spearhead aimed at Bai Yi.

Even in the eyes of everyone, they have already determined that Bai Yi is a thief.

Chapter 732

See this scene.

Bai Yi was completely confused.

She faintly felt that something was wrong, as if all this was Zhou Nan deliberately framed herself, but no matter how she wanted to explain, everyone around didn't listen.

A deep anxiety emerged in Bai Yi's heart.

A trace of water mist filled her beautiful eyes, making her look weaker and helpless.

But this does not stop.

Da da da!

Cold extraordinary menacing stepping from, the face of fierce Nu Sheng shouted:

"! Come"

with His words.

Hoop!

Everyone suddenly saw that the door of the box room was suddenly pushed open from outside, and then six majestic men in black rushed in as if a tiger came out of the cage.

The momentum of these six people is cold and fierce.

It seems that six hungry wolves just rushed in, and the terrifying aura caused the temperature of the entire box to drop several degrees.

especially!

They rushed and staggered the surrounding guests, before blinking in front of Leng Bufan.

After seeing these six people.

The surrounding guests all changed their expressions:

"Huh? These people are so familiar, where I seem to have met! Yes, they are the Lingnan six evil spirits!"

"It's the Lingnan six evil spirits? Oh my God, those six fierce ones! People? He... why are they here!"

"Yes, these six people were the mad brothers who ruled the Jiangnan underground world ten years ago! Aren't they missing?"

“...”

Lingnan six evil spirits!

People who are almost familiar with the underground world of Jiangnan Province know this name.

These are the six murderers who ruled Jiangnan ten years ago.

They are brothers of the same kind, with unmatched fighting strength. They started in an orphanage, fighting and killing, and stepped into the underground world.

But in the underworld's killing grind, their six brothers showed terrifying and extraordinary talents. Starting from sweeping a street, they gradually dominated a city, and then, sweeping the south of the Yangtze River, setting off a bloody storm.

Even ten years ago, as long as you heard the name of 'Lingnan Six Vicious', children could stop crying at night.

But now!

Hula la...

After recognizing the identities of the six men in black, the surrounding young talents changed their complexions one after another and violently retreated to the side, obviously for fear of being hurt by the fish.

And Leng Bufan smiled slightly:

“Maybe you don't know it! Ten years ago, the six evil spirits of Lingnan worshipped my grandfather Leng Aotian!”

Leng Aotian!

When they heard this word, everyone shivered again.

Because Leng Aotian is one of the two old hidden masters in Jiangnan Province.

It's just that no one knows.

Leng Bufan turned out to be the grandson of Great Master Leng Aotian!

boom!

At this moment, everyone in the entire box was frightened.

Chapter 733

Those young talents in Jiangshi looked at Leng Bufan at this moment, as if they were looking at a proud man of heaven. They greeted the voices of flattery, and heard:

“Oh my God! Leng Shao, we only now know that you are not only the president of Shengshi Kang’s son cold, cold or even the grandson of Grandmaster! really scared me! ” ”

the grandson of the great master ah! No wonder, even a year Megatron southern Lingnan six fierce, as a bodyguard! ” ”

Heaven What! If this incident spreads out, Young Leng’s identity will definitely shake Jiangnan! After all, there is the blessing of Shengshi and Great Master Leng’s identity! Who dares to provoke?”

“...”

Shocked!

shock!

Whether it was Bai Yifan, Shen Jian, etc., or those other Jiangshi heroes, looking at Leng Bufan, they became more and more in awe.

Not only them!

After Bai Yi heard the news, his whole body was also struck by lightning, and his face was as pale as paper.

It’s over...

She originally thought that Zhou Nan was only a young man from the Shengshi Group, but she couldn’t imagine that this young man had another terrifying identity.

The cold sweat from Bai Yi kept flowing down her forehead, and she almost burst into tears.

Just praise for everyone around.

Leng Bufan was accustomed to it. There was no emotional fluctuation on his face. Instead, his gaze at Bai Yi became more and more heated.

“Master! Please command!” Lingnan six evil spirits all bowed to Leng Bufan.

And see this scene!

Leng Bufan laughs unusually evil:

“Go over now and search me for this woman’s body! I believe that the ruby and diamond ring must be on her body! Remember, don’t let go of any place on this woman!”

What!

search!

This sentence made Bai Yi and everyone around him look like a big change.

You know, Bai Yi is a woman, and is known as the president of Jiang City’s first beauty.

If she is searched, doesn’t it mean that her innocence is ruined.

Not to mention whether you can find a ruby and diamond ring, even if you can’t find it, Bai Yi will not be able to raise his head in the future.

Thinking of this, on Bai Yi’s pretty face, a thick look of despair appeared:

“I didn’t... I didn’t steal it!”

“You wronged me, you are wronging me!!!”

Bai Yi’s defense voice, That kind of helplessness.

The six evil spirits of Lingnan didn’t have the slightest intention of pitying and cherishing jade. After listening to Leng Bufan’s instructions, they huffed and wanted to rush towards Bai Yi.

But at this moment.

“Stop it!!!” A cold voice suddenly sounded.

The Lingnan Six Fiends only felt a sudden cold on their back. The feeling was as if they were being stared at by a fierce beast, and the pace of their advancement gave them a fierce stop.

Huh huh!

He turned his eyes together, looking towards the place where the sound came from.

Everyone was surprised to find that the person who stopped talking turned out to be...Lin Fan.

Chapter 734

“Lin...Lin Fan!”

Bai Yi saw Lin Fan as if she saw her own savior, and a thick mist of water suddenly filled her beautiful eyes.

Only Lin Fan can give her a sense of security.

Only Lin Fan can make her no longer despair.

“Wife, don’t be afraid! Everything has me!”

Lin Fan walked to Bai Yi’s side, hugged her in his arms, and comforted her.

Just heard this.

Wow...

the people around were once again in an uproar.

Everything has him?

“Hahaha... Lin Fan, what are you! Your wife stole someone’s ruby diamond ring, can you make another one?”

“Cut! A trash son-in-law, what are you bragging about!”

“Look ! Come on! This kid is looking for death, I don’t believe him, what can he do!”

“...” The surrounding Bai Yifan, Shen Jian, and a young talent from Mingjiang City looked at Lin Fan, full of gazes. A deep contempt.

After all, in the eyes of everyone, what Lin Fan has to face is Leng Bufan, grandmaster Leng Aotian’s grandson, and the six evil spirits of Lingnan who once smashed Jiangnan.

He’s a little door-to-door son-in-law, isn’t this looking for death?

Not only everyone.

Even Leng Bufan's gaze suddenly splashed with a thick cold light:

"Boy, you want to stop us?"

Stop?

Lin Fan shook his head lightly, then smiled coldly:

"I won't stop you from finding a ruby diamond ring, but it's not on my wife!"

What!

Lin Fan's words made everyone stunned, especially Zhou Nan, a deep contempt appeared in her eyes.

How could it not be on Bai Yi.

Before, after receiving Leng Bufan's snapping signal, she quietly took off the ring for the first time and put it in Bai Yi's pocket.

She was absolutely sure that the ring was still in Bai Yi's pocket.

however.

Zhou Nan didn't notice that when Lin Fan was holding Bai Yi, a ring had already reached his palm under his palm.

At this moment, Lin Fan's mouth was filled with a cold smile, and his finger suddenly pointed at Zhou Nan:

"The ring, on her!" The words fell!

Almost no one could find that a slightly red object flashed out of Lin Fan's palm.

The red thing, as if it had eyes, flew into Zhou Nan's pocket at an incredible speed.

All this is insignificant.

Even the six evil spirits in Lingnan just seemed to see a flash of red, thinking that they were dazzled and didn't see what it was.

Wow!

Following Lin Fan's words, everyone around was in an uproar.

Is the ring on Zhou Nan?

how can that be!

Chapter 735

Zhou Nan said before that it was clearly worn on her hand, but now it is gone. If Zhou Nan put it away, then she must know it.

Suddenly, everyone around them looked at Lin Fan as if they were looking at an idiot.

The most intense reaction was Zhou Nan.

She yelled at Lin Fan angrily:

"Boy, what are you farting! The ring was worn on my hand before, and I didn't take it off at all. How could it be on me!"

"It must be. Your wife stole it! Get it on me, chase away this gibberish little beast, and search me for the body of that hooves!"

"Even if you strip her clothes naked, you have to find me the ring!"

Zhou Nan's face was full of resentment, and the meaning of the words was even more vicious.

And heard this.

Lingnan six fierce moment there is no slightest concern, nodded his head, then the forefront of a fierce, fist waving the sky, will be facing the Lin Fan who spent severely:

"! Boy, get out of here,"

call!

As the stern words fell, everyone heard it, and a fierce iron fist made a buzzing sound that almost exploded the air, and it hit Lin Fan's chest severely.

fast! quasi! ruthless!

Everyone around felt that this punch was like a hammer, even if it was a steel plate, it would be smashed.

“It’s over! This kid is going to be knocked out!”

“It’s a terrible punch. I’m afraid it’s Mr. Kong Sheng, the No. 1 Chinese Magician in Jiangnan, and he can’t catch it!”

“This is so angry !” The voice, I am afraid it is the realm of the quasi-grandmaster!”

The many young talents around are also knowledgeable people.

Many of them have even seen Mr. Kong Sheng, the first master of Jiangnan’s art, and compared with this murder, they are afraid that they are inferior.

This is definitely a 100% prospective master.

It’s over...

Almost everyone seemed to see that Lin Fan was hit by this fist, fearing that he would break one of his ribs, and be blasted out like a dead dog.

But at this moment, a scene that shocked everyone appeared.

Facing a fierce and terrifying punch, Lin Fan did not dodge, but under the unbelievable sight of everyone, he lifted the punch and then fiercely met him.

Wow!

crazy!

Seeing this scene, everyone around was shocked.

Face hard steel?

This guy is crazy.

The faces of everyone around him showed the appearance of seeing a ghost, and the gaze looking at Lin

Fan was like looking at a madman and an idiot.

Especially Bai Yifan, Shen Jian and Lin Guangyao among the crowd.

The three of them almost hated Lin Fan. Seeing that Lin Fan was overpowered and wanted to fight a fierce blast, the three people's faces suddenly showed a strong expression of excitement and ecstasy:

"Idiot! This idiot. This arm of, I am afraid it will be useless!"

"Yes! That is one of the six evil spirits in Lingnan! Ten years ago, he almost dominated the Jiangnan underground world!"

"Hahaha...this idiot is completely over!"
